Primary Exit Route: Mono Way

Take a connector to a major Exit Route like Mono Way, Tuolumne Rd, or Phoenix Lake Rd. Then, use a highway or other major road to continue evacuating if necessary.

This map is for planning only, it will not reflect rapid developments, and not all roads are included. Your safety is your responsibility. Be aware of the hazard's location in relation to your exit routes - you may not always evacuate to Sonora. Comply with Law Enforcement's directions.
