Re: Response to 2010-11 Grand Jury Findings & Recommendations –
Secured Property Assessment Value and Tax Collection Section

Dear Judge DuTemple:

The following is the response related to the Secured Property Assessment Value and Tax Collection section of the 2010-11 Grand Jury Report as requested and required pursuant to Penal Code Sections 933 and 933.05. Below you will find listed each Grand Jury finding or recommendation followed by my response to each.

Grand Jury Recommendations

2. Evaluate and select property tax system replacement software. Launch a three step project to replace the system.

Response: *Agree.* The Tuolumne County Information Technology Steering Board project list adopted by the Board of Supervisors includes time set aside to evaluate replacement software options to the current secured property assessment value and tax collection system. The results from this evaluation will be brought back to the Board of Supervisors for funding consideration and implementation.

I trust that the responses provided above are found to be fully responsive to the findings and recommendations contained in the FY 2010-11 Grand Jury Report.

Yours truly,

DANIEL M. RICHARDSON
Deputy County Administrator
