## Tuolumne County uses the Voter's Choice Act Elections Model

This new election model allows voters to choose how, when, and where to cast their ballot by:

- Mailing every voter a ballot
- Expanding in-person early voting
- Allowing voters to cast a ballot at any vote center within their county

## Key elements of Voter's Choice Act Elections Model:

**Every registered voter will be delivered a ballot 28 days before Election Day.**

## Voters will have three ways to return their ballot:

1. Mail the ballot;
2. Drop the ballot in a secure county ballot drop box; or
3. Visit any vote center in the county.

## Vote Centers

Traditional polling places will be replaced by vote centers. Voters will have the freedom to cast a ballot in-person at any vote center in their county instead of being tied to a single polling location. Vote centers look and feel like polling places, but provide additional modern features to make voting easy and convenient.

At any vote center in a participating county, a voter may:

- Vote in-person
- Drop off their ballot
- Vote using an accessible voting machine
- Get help and voting material in multiple languages
- Register to vote or update their voter registration
