3.2 The Work shall be commenced on the date provided for in Paragraph 3.1 and shall be diligently pursued by the Contractor and completed not later than 450 calendar days from the date of commencement.

ARTICLE 4

In consideration of the covenants, agreements, and promises on the part of the Contractor contained in the Contract Documents, and the strict and literal fulfillment of each and every such covenant, agreement, and promise, and as compensation agreed upon for the erection, construction, and completion of the said work as described in Article 1 hereof in strict accordance
with the Plans and Specifications therefor, the County agrees to pay and cause to be paid to the Contractor the Contract Sum of $16,731,476.00, lawful money of the United States, subject to any additions or deductions as provided in the Contract Documents.

The Contract Sum is based upon the following alternates, if any, which are described in the Contract Documents and are hereby accepted by the County:

PROGRESS PAYMENTS

5.1 Applications for Payment shall be submitted monthly in a timely manner by the Contractor on or before the date mutually agreed upon by the County and Contractor. The form shall be approved by the County.

5.2 Contractor shall provide three separate applications for payment. One for Groveland NDRC, one for Groveland NSP, and one for Tuolumne NDRC.

5.3 Progress Payments shall be made once each month, on or about a date to be determined by the County. The amount shall be based on the percent completion of each portion of work completed at the end of the month covered by the Application of Payment. Payment of undisputed contract amounts (progress payments) is contingent upon the Contractor providing all labor compliance documentation as required by Appendix A Supplemental Provisions, State and Federal codes and furnishing the County with a release of all claims against the County arising by virtue of the work relating to the amount so paid. The release may be on the form used for computing monthly progress payment.

5.4 The progress payment amount shall be adjusted as set forth in Article 23 of the General Conditions.

5.5 No invoices shall be paid until labor standards have been submitted, reviewed, and approved.

ARTICLE 6
FINAL PAYMENT

6.1 Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the County to the Contractor when 1) the Agreement has been fully performed by the Contractor, and 2) a final Certificate for Payment has been issued by the Contract Administrator. Such final payment shall be made by the County not more than forty-five (45) days after the recording of the Notice of Completion.

6.2 Pursuant to Public Contract Code sections 7101 and 7201, in the event of a dispute between the County and Contractor, the County may withhold from the final payment an amount not to exceed 150 percent of the disputed amount. Except as so withheld, the County shall release the retention withheld within 60 days after the date of completion of the work of improvement, as "completion" is defined in Public Contract Code section 7107. In the event that retention payments are not made within the time periods required by Public Contract Code section 7107, the County shall be subject to the interest payment provisions of Public Contract Code section 7107.
ARTICLE 7
MISCELLANEOUS

7.1 Liquidated Damages shall be imposed upon the Contractor should the Contractor fail to complete this Agreement and the work provided herein within the time fixed for such completion. The Contractor shall also become liable to the County for all loss and damage which the latter may suffer on account of any other basis.

7.2 IT IS HEREBY FURTHER AGREED, that in case the Contractor does not complete the work within the days as herein provided, for reasons or causes other than those provided for in the Contract Documents hereof, the County will be damaged. After considering such a breach and all aspects of the work including, but not limited to, the type of installation, the current and future uses of facilities and premises, the disarrangement of the premises and facilities thereof during the work, and the additional cost and difficulty of using the disarranged facilities during the work, the parties agree that a reasonable daily damage for such a breach, if any, will be $2,500.00 per calendar day and the payment of the same, if any, is payment of liquidated damages and not a penalty. It is understood that this agreement for liquidated damages is entered into because the amount is manifestly reasonable under the circumstances existing at the time of this Agreement and it would be extremely difficult or impossible to determine with any degree of accuracy the actual damages in case of any such breach. In case of such breach, it is agreed that the County may deduct the amount thereof from any money due or to become due to the Contractor under this Agreement.

7.3 Terms used in the Agreement which are defined in the General Conditions of the Contract Documents shall have the meanings designated in those Conditions.

ARTICLE 8
TERMINATION OR SUSPENSION

8.1 The Agreement may be terminated by the County or the Contractor as provided in Article 27 of the General Conditions.

8.2 The Work may be suspended by the County as provided in Article 27 of the General Conditions.
