

# TUOLUMNE COUNTY AIR POLLUTION CONTROL DISTRICT GRANT FUNDING PROGRAM FOR AGRICULTURAL EQUIPMENT

## Ag Equipment Incentive Funding is Available Now

FARMER Program funding is available to help fund purchases of cleaner agriculture-related equipment like harvesting equipment, heavy-duty trucks, agricultural pump engines, tractors, and other equipment used in agricultural operations.

### What types of vehicles and equipment are eligible under the FARMER Program?

FARMER Program funding is available for off-road mobile diesel equipment, off-road mobile large-spark ignition (LSI) equipment, on-road heavy-duty trucks, and portable equipment, such as irrigation pump engines, when used in agricultural operations.

### How can I apply for funding under the Funding Agricultural Replacement Measures for Emission Reductions (FARMER) Program?

FARMER Program funding is issued by local air districts throughout the State. Please note that not all air districts implement every type of project eligible under the FARMER Program Guidelines. The application period will be open for one (1) month only beginning on August 1, 2022 and ending on August 31, 2022.

### Who can I contact for more information?

For more information about the FARMER Program, please contact the Tuolumne County Air District at (209) 533-5693 or go online to:
