### Consent to Administer Vaccination & Enter Information Into Immunization Registry

To the best of my knowledge, I understand the benefits and/or risks of the influenza vaccine. I hereby give consent to Tuolumne County Public Health (TCPH) staff for the administration of the vaccine to me or for the individual for whom I am authorized to make said request. I have received a copy of the most up-to-date Vaccine Information Statement (VIS). I understand that I will have the chance to ask questions and have them answered to my satisfaction. TCPH is authorized to enter my vaccination information into the statewide immunization database. This information could be shared with my healthcare provider as part of my medical record.
