

Notice to all Property Owners July 2023

Hazardous Vegetation Management Ordinance

Learn more about the Tuolumne County Ordinance Chapter 8.14 by scanning this QR code or visit

<https://tinyurl.com/VegOrd>

Tuolumne County requires all private property owners within unincorporated areas of Tuolumne County (outside the City of Sonora) to maintain the growth and/or accumulation of weeds, grasses, shrubs, brush, slash, tree limbs or other hazardous vegetation and combustible materials.

All property owners are required to reduce the potential for fire and to promote the safety and welfare of the community, including protection of lives, structures, private property, natural resources and the environment.

The ordinance requires property owners to do the following:

- Remove all hazardous vegetation from driveways, roadways and road easements.
- All unimproved or vacant parcels shall complete a Reduced Fuel Zone on any portion within 100 feet of a building, dwelling and/or structure.

For more information please contact the Tuolumne County Fire Department—Fire Prevention Division at 209-533-5118 (Press 2)
