Hello,

Please find our application attached. I'll also send to Country of Tuolomne CDD/Housing Division 2 South Green Street, Sonora, CA 95370.

We will also send notices out to residents this week.

I expect to have all of our support uploaded to the link you provided today.

Thank you.

OK, will stand by on transmittal. Thanks.

And I'll coordinate with everyone here on the app notices. We could prob send on 12/26, but just so we can be sure we do everything at the same time, we may wait until early January. Can we send to residents via first class mail or does it need to be return receipt requested?

Hi Jeff,

Our office is closed next week, and with the holidays, I don't anticipate receiving it until the first week in January. It may be best to send all documents via the postal service.

The best mailing address is:
Tuolumne County Community Development Department
Attn: Rachel Bell
2 South Green Street
Sonora, CA 95370

Per the Ordinance, the landlord shall file the application with the Community Development Department. Concurrently, the landlord shall serve each affected resident with a notice of application.

Good afternoon, just following up.

Please confirm:

1. How do you want all the supporting invoices submitted? It will be hundreds of MB so will be many emails if that is the preference.
2. Are we ok noticing residents via first class mail by the week of Jan 6th if we submit the app on 12/26?

Thank you.

Good afternoon,

We plan on formally submitting our application on 12/26. I'll be sure to send priority mail on that day and email you a copy.

Then we want to be sure we notice residents correctly. After reading the app, it looks like we are ok sending notices/a copy of the app to residents first class mail by 1/9 at the latest? I want to be sure we give them enough time, but also give ourselves enough time to prep with the holidays. And the hearing wouldn't be for at least a couple months, so you guys have time to review all our revenue and expense detail?

Cc'ing our leasing manager who will help with resident notices.

Thanks!

Yes. Also, keep in mind per section 5.28.070 section 2. Of the Ordinance Code, you would file the application with the Community Development Department. Concurrently, the landlord shall serve each affected resident with a notice of application. The landlord must make a completed application with all supporting documents, reasonably available to each affected park resident, which may be copied at the residence expense.

Hi Jeff,

If your tax return year runs from 1/1/23 to 12/31/23 all of the December revenue and expenses should be included in that tax return. The current calendar year is considered January 1, 2024 to November 30, 2024.

Hello,

Here are the tax returns. Sorry, just trying to get the app right and I'm not sure how this works in Tuolomne. Also not sure how December will be carved out of the 12 months of 2023 in the tax return.

Should I go ahead with the app from 12/1/23 – 11/30/24 (and will provide P&L for these 12 months) and have our accounting team get started pulling 100% of the invoice support for these 12 months?

Hello,

I'm preparing the application and reviewing the rules and was wondering – is it ok if the application covers the period from 11/1/23 – 10/31/24? We can provide all supporting revenue and expense back-up and we have tax returns for the prior 3 years (2021, 2022 and 2023).

Just wanted to make sure this Nov – Oct time frame is acceptable before we start pulling all the supporting documentation.

Thank you!

Hi Jeff,

I've attached the Tuolumne County Mobilehome Ordinance Code. Sections 5.28.070 refers to the fair rate of return increases and procedures, and Section 5.28.090 passes through. Under 5.28.090, there is no option to take to the Board of Supervisors, but in Section 5.28.070, a fair rate of return goes to a hearing in front of the Board of Supervisors.

Please take a look at the attached fair rate of return application, part 2, and instructions.

Thank you for your email. I am the best contact. I'm sorry for not getting back to you yesterday. We are working on updating our forms. We should have this completed today, and we will send them out to you.

Just to clarify, do you want to proceed with the fair rate of return increase that goes before the Board of Supervisors? Is this what you are referring to when you say pass-through?

The County of Tuolumne Mobilehome Rent Control Ordinance recognizes that owners of mobilehome parks are entitled to a rent increase which will enable them to obtain a fair return on their investment. (Ordinance, 5.28.010(B).) In fact, the Ordinance instructs the Board of Supervisors to consider any factors to ensure that the rent increase yields a fair rate of return. (Ordinance, 5.28.070(B).)

In determining the amount of a fair return rent increase, the Board of Supervisors may use any lawful formula including "maintenance of net operating income" or "MNOI". (Ordinance, 5.28.070(D).) Under a MNOI approach, the mobilehome park owner demonstrates how its net operating income (NOI) has decreased over the years due to increased costs in operating the park. The park owner requests a rent increase from the Board which will increase rent revenue in order to "maintain" the net operating income the park owner previously realized on its investment.

In this case, the Petitioners submit their request for a fair return rent increase based on a maintenance of net operating income approach. Petitioners submit that over the course of eight (8) years (between June 2016 and December 2024) the subject park's net operating income has steadily decreased (due to increased expenses) such that the owner requests a rent increase simply to maintain the NOI the owner once had previously in 2016.

Petitioners purchased the community on September 20, 2016. At the time of closing, the financial statements by the previous park owner (seller) showed that the park's total income was $1,491,280, and that total expenses were $782,999, resulting in a net operating income of $708,281. In 2016, there were 155 rent controlled affected spaces and 38 spaces that were not subject to rent control. The NOI amount of $708,281 allocated to the 155 affected spaces equates to $573,071. This figure is then adjusted for inflation, resulting in a 2016 NOI of $760,147.

To demonstrate a decrease in NOI, the Petitioners also submit financials from January 2024 through November 2024 (11 months as requested by Tuolomne County). These financials show that the park's total income from rent controlled sites was $1,743,494, and that total expenses for these sites were $1,211,705, resulting in a net operating income of $531,790 for 2024.

Petitioner would also like the Board to know that it incurred $367,000 of capital charges during 2024 including $273,000 for a paving project, which were not passed through to residents.

In sum, between 2016 and 2024, the park's annual net operating income on the rent-controlled spaces has decreased by $228,358 ($760,147 - $531,790 = $228,358). Dividing the sum of $228,358 by 155 affected spaces results in $1,473.28 per space annually, or $122.77 per month. Accordingly, the Petitioners request a fair return rent increase of $122.77 per month simply to maintain the NOI that the Petitioners realized back in 2016.

Mill Villa Site PLOT Plan PDF.pdf
Mill Villa T11 11.30.24.xlsx

Good morning,

In response to your letter dated June 18, 2025, please find attached the following –

- Financial statements from park owner obtained in conjunction with purchase of park – attached pdf titled Mill Villa June 2016 t12.
- P&Ls – 2017 – 2024 – embedded calculations – not sure what this means and haven't seen this. Are you asking for GL detail for all the years? I provided that for the application period of Jan '24 – Nov '24. Not sure why all other years are needed since they are not part of this app. For now, I'll go ahead and provide an unadjusted T11 (which you told me to use for the application) straight from our system without adjustments if this is what you want. I'll talk to my counsel about rest as seems outside of scope of app.
- 2023 & 2024 policies and declaration ages – requested from insurance provider.
- 2021 expansion – we added sites to the community – see Site Plot Plan attached.
- 38 spaces exempt – our 5xx and 6xx blocks (addresses on rent roll) are exempt because they were developed more recently (5.28.030 exemptions). County would definitely have records of this. With the assessor if nowhere else, but possibly also through registration.
- Meter readings – this does not appear to fall under the rent control ordinance requirements so I would like to talk through this and understand why it is being requested. Going to check with my counsel first.

Thank you.
