Therefore, this participation percentage applies to the limits of liability, sublimits of liability, the recoverable amount of the loss or damage and any limitation tied to the reported values. This participation percentage does not apply to the application of any deductible, waiting period or qualifying period.

APPRAISAL

If the Company and the Insured disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In such event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If the appraisers cannot agree on an umpire, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the replacement cost and actual cash value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

Risk Control

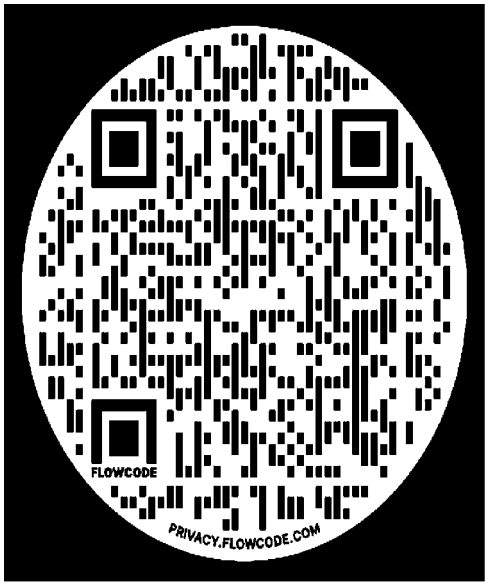
Request for Jurisdictional Inspection Of Boilers and Pressure Vessels

Jurisdictions issue certificates permitting the operation of certain equipment such as boilers, water heaters, and pressure vessels. Periodic inspections are required to renew these certifications. In most jurisdictions, commissioned inspectors are authorized to perform these inspections.

Below is CNA contact information to request an inspection of owned/operated pressure equipment that requires a state, county, city, parish or province certificate to legally operate and is insured under this CNA policy. Some jurisdictions require the insurance company of record to pay certificate fees on behalf of their insureds and allow the insurance company to recoup this expense.

Please note that failure to notify CNA can result in fines and penalties issued to the equipment owner by the governing jurisdiction.

CNA is not responsible for these fines or penalties.



Note: Jurisdictional inspections are only conducted inside the United States, its territories, possessions, and Canada.

CNA

POLICYHOLDER NOTICE

CNA Commercial Insurance
151 N. Franklin St.
Chicago, IL 60606

Regarding Your: CNA Commercial Insurance Coverage

Dear CNA Policyholder:

Ethics and proper business conduct has been the cornerstone of CNA since 1897. While much has changed during the last century, our commitment to these core values has not wavered. We strongly believe that proper business conduct is more than the practice of avoiding wrong; it is also a matter of choosing to do right. Nowhere is this more essential than helping in the fight against terrorism. As such, we are committed to complying with U.S. Department of Treasury Office of Foreign Asset Control (OFAC) requirements.

Through a variety of laws, OFAC administers and enforces economic sanctions against countries and groups of individuals, such as terrorists and narcotics traffickers. These laws prohibit **all** United States citizens (including corporations and other entities) and permanent residents from engaging in transactions with sanctioned countries and with individuals and entities on the Specially Designated Nationals (SDN) list. Because all U.S. citizens and companies are subject to this law, we wanted to be sure you were aware of its scope and restrictions. If you haven't already done so, you may want to consider discussing this issue with your legal counsel to ensure you are in compliance.

For insurance companies, accepting premium from, issuing a policy to, insuring property of, or making a claim payment to an individual or entity that is the subject of U.S.-imposed economic sanctions or trade embargoes usually are violations of these laws and regulations. Fines for violating OFAC requirements can be substantial. CNA has established an OFAC compliance program part which includes the use of exclusionary policy language. We believe this makes good business sense for CNA and you.

The purpose of this letter is to advise you that your renewal policy includes OFAC exclusionary policy language, which may reduce or eliminate certain coverage. Specifically, if it is determined that your policy violates certain Federal or State laws or regulations, such as the U.S. list of Specially Designated Nationals or Blocked Persons (organizations or individuals associated with terrorist groups) any term or condition of your policy will be null and void to the extent it violates the applicable laws or regulations of the United States.

We're sure you share our commitment to compliance and thank you for your cooperation.

LENDERS LOSS PAYABLE ENDORSEMENT

It is hereby understood and agreed:

SCHEDULE

Loc No. Bldg No. Description of Property	Loss Payee Name	Loss Payee Address
SEE G56015B	.	

Solely with respect to the Loss Payees shown in the above **SCHEDULE**, the following **Lender's Loss Payable Clause** is added to **Loss Conditions** of the **Equipment Breakdown Protection Conditions** section of the **EQUIPMENT BREAKDOWN PROTECTION COVERAGE FORM:**

3002000137011988113147 1

Copyright, CNA All Rights Reserved.

Lender's Loss Payable Clause

(1) The Loss Payee shown in the **SCHEDULE** of this endorsement is a creditor, including a mortgageholder or trustee, whose interest in loss or damage to "CoveredProperty"due to a "Breakdown"to "CoveredEquipment"is established by such written instruments as:

(a) Warehouse receipts;

(b) A contract for deed;

(c) Bills of lading;

(d) Financing statements; or

(e) Mortgages, deeds of trust, or security agreements.

(2) For "Covered Property" in which both you and a Loss Payee have an insurable interest:

(a) We will pay for covered loss or damage to each Loss Payee in their order of precedence, as interests may appear.

(b) The Loss Payee has the right to receive loss payment even if the Loss Payee has started foreclosure or similar action on the "Covered Property".

(c) If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the Loss Payee will still have the right to receive loss payment if the Loss Payee:

(i) Pays any premium due under this Coverage Part at our request if you have failed to do so;

(ii) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(iii) Has notified us of any change in ownership, occupancy or substantial change in risk known to the Loss Payee.

All of the terms of this Coverage Part will then apply directly to the Loss Payee.

(d) If we pay the Loss Payee for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

(i) The Loss Payee's rights will be transferred to us to the extent of the amount we pay; and

(ii) The Loss Payee's rights to recover the full amount of the Loss Payee's claim will not be impaired.

At our option, we may pay to the Loss Payee the whole principal on the debt plus any accrued interest. In this event, you will pay your remaining debt to us.

(3) If we cancel this policy, we will give written notice to the Loss Payee at least:

(a) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

(b) 60 days before the effective date of cancellation if we cancel for any other reason.

(4) If we elect not to renew this policy, we will give written notice to the Loss Payee at least 10 days before the expiration date of this policy.

(5) Nothing in this endorsement increases the applicable Limit of Insurance. We will not pay any Loss Payee more than their financial interest in the "Covered Property" and we will not pay more than the applicable Limit of Insurance on the "Covered Property".

All other terms and conditions of the Policy remain unchanged.

PERIOD OF RESTORATION CHANGES

It is hereby understood and agreed:

Under the **Definitions** section of the **EQUIPMENT BREAKDOWN PROTECTION COVERAGE FORM**, the "Period of Restoration" definition is deleted and replaced by the following:

"Period of Restoration" means the period of time that:

a. Begins at the time of the "Breakdown" and

b. Ends five consecutive days after the date when the damaged property at the premises described in the Declarations is repaired or replaced with reasonable speed and similar quality.

3002000137011988111314 72

Copyright, CNA All Rights Reserved.

EQUIPMENT BREAKDOWN PROTECTION COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **F.** Definitions.

A. Coverage

1. Covered Cause Of Loss

Covered Cause of Loss is a "Breakdown" to "Covered Equipment".

2. Coverages Provided

Each of the following coverages is provided if either a limit or the word INCLUDED is shown for that coverage in the Declarations. If neither a limit nor the word INCLUDED is shown, then that coverage is not provided.

These coverages apply only to that portion of the loss or damage that is a direct result of a Covered Cause of Loss.

a. Property Damage

We will pay for direct damage to "Covered Property" located at the premises described in the Declarations.

b. Expediting Expenses

With respect to direct damage to "Covered Property", we will pay for the extra cost you necessarily incur to:

(1) Make temporary repairs; and

(2) Expedite the permanent repairs or replacement of the damaged property.

c. Business Income And Extra Expense Or Extra Expense Only

(1) We will pay:

(a) Your actual loss of "Business Income" during the "Period of Restoration"; and

(b) The "Extra Expense" you necessarily incur to operate your business during the "Period of Restoration".

However, if coverage for "Extra Expense" only is indicated in the Declarations, then coverage for "Business Income" is not provided.

We will consider the experience of your business before the "Breakdown" and the probable experience you would have had without the "Breakdown" in determining the amount of our payment.

(2) If you have coverage for "Business Income" and "Extra Expense" or "Extra Expense" only and:

(a) If a number of days is shown in the Declarations for Extended Period Of Restoration Coverage, it will replace the five consecutive days in the definition of "Period of Restoration".

(b) If you have coverage for Ordinance or Law, then the "Period of Restoration" is extended to include the additional period of time required for demolition, removal, repair, remodeling or reconstruction.

(c) If "Media" are damaged or "Data" are lost or corrupted, we will pay your actual loss of "Business Income" and/or "Extra Expense" during the time necessary to:

(i) Research, replace or restore the damaged "Media" or lost or corrupted "Data"; and

(ii) Reprogram instructions used in any covered "Computer Equipment".

There shall be no coverage for any "Media" or "Data" that we determine are not or cannot be replaced or restored.

Unless a higher limit is shown in the Declarations, we will pay the lesser of your actual loss of "Business Income" and/or "Extra Expense" up to 30 days after the "Period of Restoration", or $25,000.

d. Spoilage Damage

(1) We will pay for the spoilage damage to raw materials, property in process or finished products, provided all of the following conditions are met:

(a) The raw materials, property in process or finished products must be in storage or in the course of being manufactured;

(b) You must own or be legally liable under written contract for the raw materials, property in process or finished products; and

(c) The spoilage damage must be due to the lack or excess of power, light, heat, steam or refrigeration.

(2) We will also pay any necessary expenses you incur to reduce the amount of loss under this coverage. We will pay such expenses to the extent that they do not exceed the amount of loss that otherwise would have been payable under this Coverage Form.

e. Utility Interruption

If you have coverage for "Business Income" and "Extra Expense", "Extra Expense" only or Spoilage Damage, that coverage is extended to include loss resulting from the interruption of utility services, provided all of the following conditions are met:

(1) The interruption is the direct result of a "Breakdown" to "Covered Equipment" owned, operated or controlled by the local private or public utility or distributor that directly generates, transmits, distributes or provides utility services which you receive;

(2) The "Covered Equipment" is used to supply electric power, communication services, air conditioning, heating, gas, sewer, water or steam to your premises; and

(3) The interruption of utility service to your premises lasts at least the consecutive period of time shown in the Declarations. Once this waiting period is met, coverage will commence at the initial time of the interruption and will be subject to all applicable deductibles.

f. Newly Acquired Premises

We will automatically provide coverage at newly acquired premises you have purchased or leased. This coverage begins at the time you acquire the property and continues for a period not exceeding the number of days indicated in the Declarations for Newly Acquired Premises, under the following conditions:

(1) You must inform us, in writing, of the newly acquired premises as soon as practicable;

(2) You agree to pay an additional premium as determined by us;

(3) The coverage for these premises will be subject to the same terms, conditions, exclusions and limitations as other insured premises; and

(4) If the coverages and deductibles vary for existing premises, then the coverages for the newly acquired premises will be the broadest coverage and highest limits and deductible applicable to the existing premises.

g. Ordinance Or Law Coverage

The following applies despite the Ordinance Or Law Exclusion and provided these increases in loss are necessitated by the enforcement of or compliance with any ordinance or law that is in force at the time of the "Breakdown", which regulates the demolition, construction, repair or use of the building or structure. With respect to the building or structure that was damaged as a result of a "Breakdown":

(1) We will pay for:

(a) The loss in value of the undamaged portion of the building or structure as a consequence of enforcement of or compliance with an ordinance or law that requires the demolition of undamaged parts of the same building or structure;

(b) Your actual cost to demolish and clear the site of the undamaged parts of the same building or structure as a consequence of enforcement of or compliance with an ordinance or law that requires the demolition of such undamaged property; and

Copyright, Insurance Services Office, Inc., 2011

000694

(c) The increased cost actually and necessarily expended to:

(i) Repair or reconstruct the damaged or destroyed portions of the building or structure; and

(ii) Reconstruct or remodel the undamaged portion of that building or structure with buildings or structures of like materials, height, floor area and style for like occupancy, whether or not demolition is required on:

i. The same premises or on another premises if you so elect. However, if you rebuild at another premises, the most we will pay is the increased cost of construction that we would have paid to rebuild at the same premises; or

ii. Another premises if the relocation is required by the ordinance or law. The most we will pay is the increased cost of construction at the new premises.

(2) We will not pay for any:

(a) Demolition or site clearing until the undamaged portions of the buildings or structures are actually demolished;

(b) Increase in loss until the damaged or destroyed buildings or structures are actually rebuilt or replaced and approved by the regulating government agency;

(c) Loss due to any ordinance or law that:

(i) You were required to comply with before the loss, even if the building was undamaged; and

(ii) You failed to comply with;

(d) Increase in loss, excess of the amount required to meet the minimum requirement of any ordinance or law enforcement at the time of the "Breakdown";

(e) Increase in loss resulting from a substance declared to be hazardous to health or environment by any government agency;

(f) Loss or expense sustained due to the enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to the presence, growth, proliferation, spread or any activity of "Fungus", wet or dry rot; or

(g) Costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "Fungus", wet or dry rot.

(3) If:

(a) The building or structure is damaged by a "Breakdown" that is covered under this policy;

(b) There is other physical damage that is not covered under this policy; and

(c) As a result of the building damage in its entirety, you are required to comply with the ordinance or law;

then we will not pay the full amount of the loss under this coverage. Instead, we will pay only that proportion of such loss, meaning the proportion that the covered "Breakdown" loss bears to the total physical damage.

But if the building or structure sustains direct physical damage that is not covered under this policy and such damage is the subject of the ordinance or law, then there is no Ordinance Or Law Coverage under this Coverage Part even if the building has also sustained damage by a covered "Breakdown".

h. Errors And Omissions

We will pay for any loss or damage, which is not otherwise payable under this Coverage Part, solely because of the items listed below:

(1) Any error or unintentional omission in the description or location of property as insured under this Coverage Part or in any subsequent amendments;

(2) Any failure through error to include any premises owned or occupied by you at the inception date of this Coverage Part; or

3002000137011988113147 4

000695

(3) Any error or unintentional omission by you that results in cancellation of any premises insured under this policy.

No coverage is provided as a result of any error or unintentional omission by you in the reporting of values or the coverage you requested.

It is a condition of this coverage that such errors or unintentional omissions shall be reported and corrected when discovered. The policy premium will be adjusted accordingly to reflect the date the premises should have been added had no error or omission occurred.

i. Brands And Labels

(1) If branded or labeled merchandise that is "Covered Property" is damaged by a "Breakdown", we may take all or any part of the property at an agreed or appraised value. If so, you may:

(a) Stamp the word SALVAGE on the merchandise or its containers if the stamp will not physically damage the merchandise; or

(b) Remove the brands or labels if doing so will not physically damage the merchandise. You must relabel the merchandise or its containers to comply with any law.

(2) We will pay reasonable costs you incur to perform the activity described in Paragraphs **(1)(a)** and **(1)(b),** but the total we pay for these costs and the value of the damaged property will not exceed the applicable Limit of Insurance on such property.

j. Contingent Business Income And Extra Expense Or Extra Expense Only Coverage

(1) Subject to the same terms and conditions, the "Business Income" and "Extra Expense" or "Extra Expense" only coverage provided by this Coverage Part is extended to cover your loss, if any, resulting from a "Breakdown" to "Covered Equipment" at a premises shown in the Declarations, that is not owned or operated by you which:

(a) Wholly or partially prevents the delivery of services or materials shown in the Declarations to you or from you to others for your account; or

(b) Results in the loss of sales at your premises shown in the Declarations.

(2) You shall use your influence to induce the contributing or recipient premises to make use of any other machinery, equipment, supplies or premises available in order to resume operations and delivery of services or materials to you, or the acceptance of products or services from you. You shall cooperate with the contributing or recipient premises to this effect in every way, but not financially unless authorized by us.

B. Exclusions

We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded, regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

The exclusions apply whether or not the loss event results in widespread damage or affects a substantial area.

1. Ordinance Or Law

Increase in loss from the enforcement of or compliance with any ordinance, law, rule, regulation or ruling which restricts or regulates the repair, replacement, alteration, use, operation, construction, installation, cleanup or disposal of "Covered Property".

However, the words use and operation shall be eliminated as respects a covered "Breakdown" to electrical supply and emergency generating equipment located on the premises of a hospital.

2. Earth Movement

Earth movement, including, but not limited to, earthquake, tremors and aftershocks relating to earthquake, landslide, land subsidence, mine subsidence or volcanic action.

3. Water

a. Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);

b. Mudslide or mudflow;

c. Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment;

d. Water damage caused by the discharge or leakage of a sprinkler system or domestic water piping;

Copyright, Insurance Services Office, Inc., 2011

000696

e. Water under the ground surface pressing on, or flowing or seeping through:

(1) Foundations, walls, floors or paved surfaces;

(2) Basements, whether paved or not;

(3) Doors, windows or other openings; or

f. Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **a., c.** or **e.,** or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies, regardless of whether any of the above, in Paragraphs **a.** through **f.,** is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

4. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

5. War Or Military Action

a. War, including undeclared or civil war;

b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

c. Regardless of the application of this exclusion to any particular loss, the provisions of this Exclusion **9.** do not serve to create coverage for any loss that would otherwise be excluded under this Coverage Form.

C. Limits Of Insurance

1. The most we will pay for any and all coverages for loss or damage from any "One Breakdown" is the applicable Limit Of Insurance shown in the Declarations.

2. Any payment made will not be increased if more than one insured is shown in the Declarations.

3. For each coverage in Paragraph **A.2.,** if:

a. INCLUDED is shown in the Declarations, the limit for such coverage is part of, not in addition to, the Limit per Breakdown.

b. A limit is shown in the Declarations, we will not pay more than the Limit of Insurance for each such coverage.

4. For any "Covered Equipment" that is:

a. Used solely to supply utility services to your premises;

b. Owned by a public or private utility;

c. Not in your care, custody or control and for which you are legally liable; and

d. Covered under this Coverage Form;

the Limit Of Insurance for Property Damage stated in the Declarations is replaced by the sum of one dollar.

If you are a public or private utility, **4.b.** is replaced by the following:

b. Owned by a public or private utility other than you.

5. Unless a higher limit or INCLUDED is shown in the Declarations, the most we will pay for direct damage as a direct result of a "Breakdown" to "Covered Equipment" is $25,000 for each of the following. The limits are part of, not in addition to, the Limit of Insurance for Property Damage or Limit per Breakdown.

a. Ammonia Contamination

The spoilage to "Covered Property" contaminated by ammonia, including any salvage expense.

Copyright, Insurance Services Office, Inc., 2011

b. Consequential Loss

The reduction in the value of undamaged "Stock" parts of a product which becomes unmarketable. The reduction in value must be caused by a physical loss or damage to another part of the product.

c. Data And Media

Your cost to research, replace or restore damaged "Data" or "Media" including the cost to reprogram instructions used in any "Computer Equipment".

d. Hazardous Substance

Any additional expenses incurred by you for the cleanup, repair or replacement or disposal of "Covered Property" that is damaged, contaminated or polluted by a "Hazardous Substance".

As used here, additional expenses means the additional cost incurred over and above the amount that we would have paid had no "Hazardous Substance" been involved with the loss.

Ammonia is not considered to be a "Hazardous Substance" as respects this limitation.

This coverage applies despite the operation of the Ordinance Or Law Exclusion.

e. Water Damage

The damage to "Covered Property" by water including any salvage expenses.

If "Fungus", wet or dry rot results from damage by water as limited in this paragraph, loss or damage attributable to "Fungus", wet or dry rot will be:

(1) Limited as described in Paragraphs **C.6.a.(1)** through **C.6.a.(5);** and

(2) Part of the Water Damage limit, not in addition to it.

6. Limited Coverage For "Fungus", Wet Rot And Dry Rot

a. Property Damage

We will pay for loss or damage by "Fungus", wet or dry rot only when the "Fungus", wet or dry rot is the direct result of a "Breakdown" to "Covered Equipment" that occurs during the policy period. As used in this Limited Coverage, the term loss or damage means:

(1) Direct physical loss or damage to "Covered Property" caused by "Fungus", wet or dry rot including the cost of removal of the "Fungus", wet or dry rot:

(a) The cost to tear out and replace any "Covered Property" as needed to gain access to the "Fungus", wet or dry rot; and

(b) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "Fungus", wet or dry rot is present.

(2) The coverage described under Paragraph **6.a.(1)** of this Limited Coverage is limited to $15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "Breakdown" to "Covered Equipment" which take place within the 12-month period starting with the beginning of the present annual policy period. With respect to a particular occurrence of loss which results in "Fungus", wet or dry rot, we will not pay more than a total of $15,000 even if the "Fungus", wet or dry rot continues to be present or active or recurs in a later policy period.

(3) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any "Covered Property". If a particular occurrence results in loss or damage by "Fungus", wet or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected "Covered Property".

3002000137011988113147 6

 Copyright, Insurance Services Office, Inc., 2011

000099

If there is covered loss or damage to "Covered Property" not caused by "Fungus", wet or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "Fungus", wet or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

(4) If a Revised Limit is shown in the Declarations, the amount of $15,000 in Paragraph **6.a.(2)** is replaced by the amount indicated in the Declarations.

(5) If the Declarations indicates that the Separate Premises Option applies, then the amount of coverage ($15,000, unless a higher amount is shown in the Declarations) is made applicable to separate premises as described in the Declarations. For each premises so described, the amount of coverage is an annual aggregate limit, subject to the terms set forth in Paragraph **6.a.(2).**

b. Business Income And Extra Expense Or Extra Expense Only

(1) If you have coverage for "Business Income" and "Extra Expense" or "Extra Expense" only, then Paragraph **b.(1)(a)** or **b.(1)(b)** applies, provided that the incurred loss or expense satisfies the terms and conditions applicable to the "Business Income" and "Extra Expense" or "Extra Expense" only coverage.

(a) If:

(i) The "Breakdown"; or

(ii) Any damage from water resulting from the "Breakdown";

which resulted in "Fungus", wet or dry rot, does not in itself generate a loss of "Business Income" or an "Extra Expense", but the loss of "Business Income" or "Extra Expense" is solely due to loss or damage to property caused by "Fungus", wet or dry rot, then our payment under "Business Income" and "Extra Expense" or "Extra Expense" only is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

(b) If a covered loss of "Business Income" or an "Extra Expense" was caused by loss or damage other than "Fungus", wet or dry rot, but remediation of "Fungus", wet or dry rot prolongs the "Period of Restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "Period of Restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

(2) If a Revised Number of Days is shown in the Declarations, the number of days (30) in Paragraph **b.(1)(a)** or **b.(1)(b)** is replaced by the number of days indicated in the Declarations.

c. If you have coverage for Ordinance Or Law, then with respect to Property Damage, "Business Income" and "Extra Expense" or "Extra Expense" only, we will not pay under the Ordinance Or Law Coverage for:

(1) Loss or expense sustained due to the enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to the presence, growth, proliferation, spread or any activity of "Fungus", wet or dry rot; or

(2) The costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "Fungus", wet or dry rot.

7. Increased Cost Of Loss And Related Expenses For "Green" Upgrades

a. Property Damage

Coverage is extended to include the additional loss or damage and related expenses incurred by you that are attributable to "Green" upgrades as a direct result of a "Breakdown" to "Covered Equipment" that occurs during the policy period. As provided in this "Green" upgrades coverage, we will pay for:

(1) Additional expense to repair or replace the damaged "Covered Property" except raw materials, property in process, finished goods and "Stock";

Copyright, Insurance Services Office, Inc., 2011

(2) Related additional expenses to:

(a) Reuse or salvage the damaged "Covered Property";

(b) Remove, transport and dispose of the recyclable damaged "Covered Property" and its construction waste to appropriate sites; and

(c) Replace the damaged portions of roof section(s) of buildings or structures with a vegetated roof in accordance with the recommended procedures of a "Green standards-setter";

(3) Additional reasonable and customary expense to hire the services of an accredited architect or engineer with respect to any necessary design and engineering recommendations in the course of repair or replacement of damaged portions of the building; and

(4) Additional reasonable expense to pay:

(a) Fees imposed by the "Green standards-setter" in order to determine if certification or recertification is appropriate according to the organization's standard;

(b) Fees to test "Covered Equipment" following its repair or installation as replacements, when such testing is undertaken in the course of submitting to the certification or recertification process; and

(c) After repair or reconstruction is completed, to flush out the renovated space and/or conduct air quality testing of the renovated space in accordance with the recommended procedures of a "Green standards-setter" and for the purpose of mitigating indoor air quality deficiencies resulting from the repair or reconstruction of the "Covered Property".

As used here, additional expenses are limited to the additional cost incurred over and above the amount that we would have paid had no "Green" upgrades been involved with the loss.

In addition, we will not pay for any:

(i) Further modification if the "Covered Property" fails to obtain certification, recertification or a specific level of certification; or

(ii) Additional cost to repair or replace damaged property solely for the purpose of achieving points toward certification or recertification of the property by a "Green standards-setter".

Unless a different limit or INCLUDED is shown in the Declarations, the most we pay under this "Green" upgrades coverage is an amount equal to 25% of the total Property Damage loss otherwise recoverable, subject to a maximum limit of $100,000.

b. Business Income And Extra Expense Or Extra Expense Only

If you have coverage for "Business Income" and "Extra Expense" or "Extra Expense" only and the terms and conditions applicable to the "Business Income" and "Extra Expense" or "Extra Expense" only coverage are satisfied, then:

(1) If the remediation of the damaged "Covered Property" using "Green" upgrades prolongs the "Period of Restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "Period of Restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

(2) If a Revised Number of Days is shown in the Declarations, the number of days (30) in Paragraph **b.(1)** is replaced by the number of days indicated in the Declarations.

(3) As used here, the prolonged "Period of Restoration" is limited to the additional days incurred over and above the amount needed had no "Green" upgrades been involved with the loss.

c. The coverage provided under this "Green" upgrades coverage:

(1) Does not increase any of the applicable Limits of Insurance;

(2) Applies despite the operation of the Ordinance Or Law Exclusion; and

(3) Does not reduce the coverage otherwise applicable for repair or replacement of "Covered Property" that qualified as "Green" prior to loss or damage, with comparable materials and products.

3002000137011988113147 7

D. Deductibles

1. Application Of Deductibles

We will not pay for loss or damage resulting from any "One Breakdown" until the amount of covered loss or damage exceeds the deductible shown in the Declarations for each applicable coverage. We will then pay the amount of covered loss or damage in excess of the deductible, up to the applicable Limit of Insurance.

Deductibles apply separately for each applicable coverage except if:

a. A deductible is shown as COMBINED for any of the coverages in the Declarations, then we will first subtract the combined deductible amount from the aggregate amount of any loss to which the combined deductible applies; or

b. More than one "Covered Equipment" is involved in "One Breakdown", then only one deductible, the highest, shall apply for each of the applicable coverages.

2. Determination Of Deductibles

a. Dollar Deductible

If a dollar deductible is shown in the Declarations, we will first subtract the deductible amount from any loss we would otherwise pay.

b. Time Deductible

If a time deductible is shown in the Declarations, we will not be liable for any loss under that coverage that occurs during that specified time period immediately following a "Breakdown". If a time deductible is shown in days, each day shall mean 24 consecutive hours.

c. Multiple Of Daily Value Deductible

If a multiple of daily value is shown in the Declarations, this deductible will be calculated as follows:

(1) For the entire premises where the loss occurred, determine the total amount of "Business Income" that would have been earned during the "Period of Restoration" had no "Breakdown" taken place.

(2) Divide the result in Paragraph **(1)** by the number of days the business would have been open during the "Period of Restoration". The result is the daily value.

(3) Multiply the daily value in Paragraph **(2)** by the number of days shown in the Declarations. We will first subtract this deductible amount from any loss we would otherwise pay. We will then pay the amount of loss or damage in excess of the deductible, up to the applicable Limit of Insurance.

d. Percentage Of Loss Deductible

If a deductible is expressed as a percentage of loss in the Declarations, we will not be liable for the indicated percentage of gross amount of loss or damage (prior to the applicable deductible or coinsurance) insured under the applicable coverage.

e. Minimum Or Maximum Deductibles

(1) If:

(a) A minimum dollar amount deductible is shown in the Declarations; and

(b) The dollar amount of the Multiple of Daily Value or the Percentage of Loss Deductible is less than the Minimum Deductible;

then the Minimum Deductible amount shown in the Declarations will be the applicable deductible.

(2) If:

(a) A maximum dollar amount deductible is shown in the Declarations; and

(b) The dollar amount of the Multiple of Daily Value or the Percentage of Loss Deductible is greater than the Maximum Deductible;

then the Maximum Deductible amount shown in the Declarations will be the applicable deductible.

E. Equipment Breakdown Protection Conditions

The following conditions apply in addition to the Common Policy Conditions:

1. Loss Conditions

a. Abandonment

There can be no abandonment of any property to us.

Copyright, Insurance Services Office, Inc., 2011

b. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that the selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding.

Each party will:

(1) Pay its chosen appraiser; and

(2) Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

c. Defense

We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

d. Duties In The Event Of Loss Or Damage

(1) You must see that the following are done in the event of loss or damage to "Covered Property":

(a) Give us a prompt notice of the loss or damage. Include a description of the property involved.

(b) As soon as possible, give us a description of how, when and where the loss or damage occurred.

(c) Allow us a reasonable time and opportunity to examine the property and premises before repairs are undertaken or physical evidence of the "Breakdown" is removed. But you must take whatever measures are necessary to protect the property and premises from further damage.

(d) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(e) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(f) Cooperate with us in the investigation or settlement of the claim.

(2) We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

e. Insurance Under Two Or More Coverages

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

f. Legal Action Against Us

No one may bring a legal action against us under this Coverage Part unless:

(1) There has been full compliance with all the terms of this Coverage Part; and

(2) The action is brought within two years after the date of the "Breakdown"; or

(3) We agree in writing that you have an obligation to pay for damage to "Covered Property" of others or until the amount of that obligation has been determined by final judgment or arbitration award. No one has the right under this policy to bring us into any action to determine your liability.

g. Loss Payable Clause

(1) We will pay you and the loss payee shown in the Declarations for loss due to a "Breakdown" to "Covered Equipment", as interests may appear. The insurance covers the interest of the loss payee unless the loss results from conversion, secretion or embezzlement on your part.

(2) We may cancel the policy as allowed by the Cancellation Condition. Cancellation ends this agreement as to the loss payee's interest. If we cancel, we will mail you and the loss payee the same advance notice.

 Copyright, Insurance Services Office, Inc., 2011

(3) If we make any payment to the loss payee, we will obtain their rights against any other party.

h. Other Insurance

(1) You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.

(2) If there is other insurance covering the same loss or damage, other than that described in Paragraph **(1),** we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

i. Privilege To Adjust With Owner

In the event of loss or damage involving property of others in your care, custody or control, we have the right to settle the loss or damage with the owner of the property. A receipt for payment from the owner of that property will satisfy any claim of yours against us.

j. Reducing Your Loss

As soon as possible after a "Breakdown", you must:

(1) Resume business, partially or completely;

(2) Make up for lost business within a reasonable period of time. This reasonable period does not necessarily end when operations are resumed; and

(3) Make use of every reasonable means to reduce or avert loss, including:

(a) Working extra time or overtime at the premises or at another premises you own or acquire to carry on the same operations;

(b) Utilizing the property and/or services of other concerns;

(c) Using merchandise or other property, such as surplus machinery, duplicate parts, equipment, supplies and surplus or reserve stock you own, control or can obtain; or

(d) Salvaging the damaged "Covered Property".

k. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment.

That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

(1) Prior to a loss to your "Covered Property" or covered income.

(2) After a loss to your "Covered Property" or covered income only if, at time of loss, that party is one of the following:

(a) Someone insured by this insurance;

(b) A business firm:

(i) Owned or controlled by you; or

(ii) That owns or controls you; or

(c) Your tenant.

This will not restrict your insurance.

l. Valuation

(1) We will determine the value of "Covered Property" in the event of loss or damage as follows:

(a) The cost to repair, rebuild or replace the damaged property with property of the same kind, capacity, size or quality on the same site or another site, whichever is the less costly; or

(b) The cost actually and necessarily expended in repairing, rebuilding or replacing on the same site or another site, whichever is the less costly;

except we will not pay for such damaged property that is obsolete and useless to you.

(2) If you elect or we require that the repair or replacement of the damaged "Covered Equipment" be done in a manner that enhances safety while maintaining the existing function, then we will pay, subject to the limit of insurance, up to an additional 25% of the property damage amount for the "Covered Equipment" otherwise recoverable.

Copyright, Insurance Services Office, Inc., 2011

(3) If:

(a) Any damaged "Covered Property" is protected by an extended warranty, or maintenance or service contract; and

(b) That warranty or contract becomes void or unusable due to a "Breakdown";

we will reimburse you for the unused costs of nonrefundable, nontransferable warranties or contracts.

(4) Unless we agree otherwise in writing, if you do not repair or replace the damaged property within 24 months following the date of the "Breakdown", then we will pay only the smaller of the:

(a) Cost it would have taken to repair or replace; or

(b) Actual cash value at the time of the "Breakdown".

(5) If all of the following conditions are met, property held by you for sale will be valued at the selling price as if no loss or damage had occurred, less any discounts you offered and expenses you otherwise would have had:

(a) The property was manufactured by you;

(b) The selling price of the property is more than the replacement cost of the property; and

(c) You are unable to replace the property before its anticipated sale.

(6) We will pay for loss to damaged "Data" or "Media" as follows:

(a) Replacement cost for "Data" or "Media" that are mass produced and commercially available; and

(b) The cost you actually spend to reproduce the records on blank material for all other "Data" or "Media", including the cost of gathering or assembling information for such reproduction.

However, we will not pay for "Data" or "Media" that we determine are not or cannot be replaced with "Data" or "Media" of like kind and quality or property of similar functional use.

(7) We will determine the value of "Covered Property" under Spoilage Damage Coverage as follows:

(a) For raw materials, the replacement cost;

(b) For property in process, the replacement cost of the raw materials, the labor expended and the proper proportion of overhead charges; and

(c) For finished products, the selling price, as if no loss or damage had occurred, less any discounts you offered and expenses you otherwise would have had.

(8) Any salvage value of property obtained for temporary repairs or use following a "Breakdown" which remains after repairs are completed will be taken into consideration in the adjustment of any loss.

m. The following additional conditions apply to the "Business Income" and "Extra Expense" Coverage:

(1) Annual Reports

You must complete an Annual Report of Values form approved by us once each year. Your reports must reach us within three months of the annual report date shown in the Declarations and each anniversary of that date.

(2) Adjustment Of Premium

Upon receipt of the annual reports of values you furnish us, we will determine the amount of premium we earned for the past year. If the amount determined is more than the premium we have already charged for this coverage, you must pay the difference. If the amount determined is less than the premium we originally charged, we will refund the difference. However, the amount we return will not exceed 75% of the premium we originally charged.

(3) Coinsurance

This Coinsurance Condition applies only if we did not receive your Annual Report of Values form within three months of the due date as outlined in Paragraph **(1).**

3002000137011988113147 9

000705

(a) We will not pay the full amount of any loss if:

(i) The "Business Income Actual Annual Value" at the time of loss is greater than the "Business Income Estimated Annual Value" shown in your latest report; or

(ii) Your report was received by us more than three months after the due date, or your report is overdue.

(b) Instead, we will determine the most we will pay using the following steps:

(i) Divide the "Business Income Estimated Annual Value" by the "Business Income Actual Annual Value" at the time of the "Breakdown";

(ii) Multiply the total amount of the covered loss of "Business Income" by the figure determined in Step **(i);** and

(iii) Subtract any applicable deductible from the amount determined in Step **(ii).**

We will pay the amount determined in Step **(iii)** or the "Business Income" and "Extra Expense" limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

If coverage is provided for more than one premises, then this Coinsurance Condition applies separately to each premises.

2. General Conditions

a. Additional Insured

If a person or organization is designated in this Coverage Part as an additional insured, we will consider them to be an insured under this Coverage Part to the extent of their interest.

b. Bankruptcy

The bankruptcy or insolvency of you or your estate will not relieve us of our obligation under this Coverage Part.

c. Concealment, Misrepresentation Or Fraud

This Coverage Part is void in any case of fraud, intentional concealment or misrepresentation of a material fact by you or any other insured, at any time, concerning:

(1) This Coverage Part;

(2) The "Covered Property";

(3) Your interest in the "Covered Property"; or

(4) A claim under this Coverage Part.

d. Liberalization

If we adopt any standard form revision for general use that would broaden coverage in this Coverage Part without additional premium, the broadened coverage will immediately apply to this Coverage Part if the revision is effective within 45 days prior to or during the policy period.

e. Mortgageholder

(1) The term mortgageholder includes trustee.

(2) We will pay for direct damage to "Covered Property" due to a "Breakdown" to "Covered Equipment" to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.

(3) The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the "Covered Property".

(4) If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

(a) Pays any premium due under this Coverage Part at our request if you have failed to do so;

(b) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(c) Has notified us of any change in ownership or material change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

You agree to keep the applicable records for each policy year available for inspection by our representatives at all times during business hours, during the respective policy year, and for a period of 12 months after the end of the respective policy year or after cancellation of this Coverage Part.

i. Suspension

Whenever "Covered Equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from a "Breakdown" to that "Covered Equipment". This can be done by delivering or mailing a written notice of suspension to:

(1) Your last known address; or

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "Covered Equipment".

3. Joint Or Disputed Loss Agreement

a. This condition is intended to facilitate payment of insurance proceeds when:

(1) Both a commercial property policy and this equipment breakdown protection policy are in effect;

(2) Damage occurs to "Covered Property" that is insured by the commercial property policy and this equipment breakdown protection policy; and

b. This condition does not apply if:

(1) Both the commercial property insurer(s) and we do not admit to any liability; and

(2) Neither the commercial property insurer(s) nor we contend that coverage applies under the other insurer's policy.

c. The provisions of this condition apply only if all of the following requirements are met:

(1) The commercial property policy carried by the Named Insured, insuring the "Covered Property", contains a similar provision at the time of the loss or damage, with substantially the same requirements, procedures and conditions as contained in this condition;

(2) The damage to the "Covered Property" was caused by a loss for which:

(a) Both the commercial property insurer(s) and we admit to some liability for payment under the respective policies; or

(b) Either:

(i) The commercial property insurer(s) does not admit to any liability for payment, while we contend that:

i. All liability exists under the commercial property policy; or

ii. Some liability exists under both the commercial property policy and this equipment breakdown protection policy;

(ii) We do not admit to any liability for payment, while the commercial property insurer(s) contends that:

i. All liability exists under this equipment breakdown protection coverage policy; or

ii. Some liability exists under both the commercial property policy and this equipment breakdown protection policy; or

(iii) Both the commercial property insurer(s) and we:

i. Do not admit to any liability for payment; and

ii. Contend that some or all liability exists under the other insurer's policy; and

(c) The total amount of the loss is agreed to by you, the commercial property insurer(s) and us.

d. If the requirements listed in Paragraph **c.** above are satisfied, we and the commercial property insurer(s) will make payments to the extent, and in the manner, described as follows:

(1) We will pay, after your written request, the entire amount of loss that we have agreed as being covered, if any, by this equipment breakdown protection policy and one-half (1/2) the amount of the loss that is in disagreement.

(2) The commercial property insurer(s) will pay, after your written request, the entire amount of loss that they have agreed as being covered, if any, by the commercial property policy and one-half (1/2) the amount of loss that is in disagreement.

(3) Payments by the insurers of the amounts that are in disagreement, as described in Paragraphs **(1)** and **(2),** do not alter, waive or surrender any rights of any insurer against any other with regard to the portion of the loss for which each insurer is liable.

(4) The amount in disagreement to be paid by us under this condition shall not exceed the amount payable under the equivalent Loss Agreement(s) of the commercial property policy.

(5) The amount to be paid under this condition shall not exceed the amount we would have paid had no commercial property policy been in effect at the time of loss. In no event will we pay more than the applicable Limit Of Insurance shown in the Declarations.

(6) Acceptance by you of sums paid under this condition does not alter, waive or surrender any other rights against us.

e. Arbitration

(1) If the circumstances described in Paragraph **c.(2)(a)** exist and the commercial property insurer(s) and we agree to submit our differences to arbitration, the commercial property insurer(s) and we will determine the amount each will pay and will pay the insured within 90 days. Arbitration will then take place within 90 days after payment of the loss under the terms of this condition.

Copyright, Insurance Services Office, Inc., 2011

(2) If any of the circumstances described in Paragraph **c.(2)(b)** exist, then the commercial property insurer(s) and we agree to submit our differences to arbitration within 90 days after payment of the loss under the terms of this condition.

(3) You agree to cooperate with any arbitration procedures. There will be three arbitrators: one will be appointed by us, and another will be appointed by the commercial property insurer(s). The two arbitrators will select a third arbitrator. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. A decision agreed to by two of the three arbitrators will be binding on both parties. Judgment on any award can be entered in any court that has jurisdiction.

f. Final Settlement Between Insurers

The insurer(s) found responsible for the greater percentage of the ultimate loss must return the excess contribution to the other insurer(s). In addition, the insurer(s) found responsible for the greater portion of the loss must pay Liquidated Damages to the other insurer(s) on the amount of the excess contribution of the other insurer(s). Liquidated Damages are defined as interest from the date the insured invokes this Agreement to the date the insurer(s) that contributed the excess amount is reimbursed. The interest is calculated at 1.5 times the highest prime rate from the Money Rates column of the Wall Street Journal during the period of the Liquidated Damages. Arbitration expenses are not a part of the excess contribution for which Liquidated Damages are calculated. Arbitration expenses will be apportioned between insurers on the same basis that the ultimate loss is apportioned.

E. The Appraisal Condition in:

1. Business Income (And Extra Expense) Coverage Form **CP 00 30;** and

2. Business Income (Without Extra Expense) Coverage Form **CP 00 32;**

is replaced by the following:

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written request for an appraisal of the loss. If the request is accepted, each party will select a competent and impartial appraiser. Each party shall notify the other of the appraiser selected within 20 days of the request. The two appraisers will select an umpire. If they cannot agree within 15 days, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

(1) Nonpayment of premium, including payment due on a prior policy we issued and due during the current policy term covering the same risks.

(4) Discovery of willful or grossly negligent acts or omissions, or of any violations of state laws or regulations establishing safety standards, by you or your representative, which materially increase any of the risks insured against.

(5) Failure by you or your representative to implement reasonable loss control requirements, agreed to by you as a condition of policy issuance, or which were conditions precedent to our use of a particular rate or rating plan, if that failure materially increases any of the risks insured against.

(6) A determination by the Commissioner of Insurance that the:

(a) Loss of, or changes in, our reinsurance covering all or part of the risk would threaten our financial integrity or solvency; or

(b) Continuation of the policy coverage would:

(i) Place us in violation of California law or the laws of the state where we are domiciled; or

(ii) Threaten our solvency.

(7) A change by you or your representative in the activities or property of the commercial or industrial enterprise, which results in a materially added, increased or changed risk, unless the added, increased or changed risk is included in the policy.

b. We will mail or deliver advance written notice of cancellation, stating the reason for cancellation, to the first Named Insured, at the mailing address shown in the policy, and to the producer of record, at least:

(1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium or discovery of fraud; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason listed in Paragraph **3.a.**

B. The following provision is added to the **Cancellation** Common Policy Condition:

7. Residential Property

This provision applies to coverage on real property which is used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household personal property in a residential unit, if such coverage is written under one of the following:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

a. If such coverage has been in effect for 60 days or less, and is not a renewal of coverage we previously issued, we may cancel this coverage for any reason, except as provided in **b.** and **c.** below.

b. We may not cancel this policy solely because the first Named Insured has:

(1) Accepted an offer of earthquake coverage; or

(2) Cancelled or did not renew a policy issued by the California Earthquake Authority (CEA) that included an earthquake policy premium surcharge.

However, we shall cancel this policy if the first Named Insured has accepted a new or renewal policy issued by the CEA that includes an earthquake policy premium surcharge but fails to pay the earthquake policy premium surcharge authorized by the CEA.

c. We may not cancel such coverage solely because corrosive soil conditions exist on the premises. This restriction **(c.)** applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:

(1) Commercial Property Coverage Part – Causes Of Loss – Special Form; or

(2) Farm Coverage Part – Causes Of Loss Form – Farm Property, Paragraph **D.** Covered Causes Of Loss – Special.

d. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not cancel this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred. However, we may cancel:

(1) When you have not paid the premium, at any time by letting you know at least 10 days before the date cancellation takes effect;

(2) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against; or

(3) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.

C. The following is added and supersedes any provisions to the contrary:

Nonrenewal

1. Subject to the provisions of Paragraphs **C.2.** and **C.3.** below, if we elect not to renew this policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at least 60 days, but not more than 120 days, before the expiration or anniversary date.

We will mail or deliver our notice to the first Named Insured, and to the producer of record, at the mailing address shown in the policy.

2. Residential Property

This provision applies to coverage on real property used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household property contained in a residential unit, if such coverage is written under one of the following:

Commercial Property Coverage Part

Farm Coverage Part – Farm Property – Farm Dwellings, Appurtenant Structures And Household Personal Property Coverage Form

a. If this policy provides coverage as described in the preceding paragraph, and we elect not to renew this policy, we will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured shown in the Declarations, and to the producer of record, at the mailing address shown in the policy, at least 75 days, but not more than 120 days, before the expiration or anniversary date.

If we fail to give the first Named Insured shown in the Declarations notice of nonrenewal at least 75 days prior to the policy expiration, as required in the paragraph above, this policy, with no change in its terms and conditions, shall remain in effect for 75 days from the date that the notice of nonrenewal is delivered or mailed to the Named Insured. A notice to this effect shall be provided by us to the first Named Insured with the notice of nonrenewal.

b. We may elect not to renew such coverage for any reason, except as provided in Paragraphs **c., d.** and **e.** below.

c. We will not refuse to renew such coverage solely because the first Named Insured has accepted an offer of earthquake coverage.

However, the following applies only to insurers who are associate participating insurers as established by Cal. Ins. Code Section 10089.16. We may elect not to renew such coverage after the first Named Insured has accepted an offer of earthquake coverage, if one or more of the following reasons applies:

(1) The nonrenewal is based on sound underwriting principles that relate to the coverages provided by this policy and that are consistent with the approved rating plan and related documents filed with the Department of Insurance as required by existing law;

3002000137011988113149 4

000726

(2) The Commissioner of Insurance finds that the exposure to potential losses will threaten our solvency or place us in a hazardous condition. A hazardous condition includes, but is not limited to, a condition in which we make claims payments for losses resulting from an earthquake that occurred within the preceding two years and that required a reduction in policyholder surplus of at least 25% for payment of those claims; or

(3) We have:

(a) Lost or experienced a substantial reduction in the availability or scope of reinsurance coverage; or

(b) Experienced a substantial increase in the premium charged for reinsurance coverage of our residential property insurance policies; and

the Commissioner has approved a plan for the nonrenewals that is fair and equitable, and that is responsive to the changes in our reinsurance position.

d. We will not refuse to renew such coverage solely because the first Named Insured has cancelled or did not renew a policy, issued by the California Earthquake Authority, that included an earthquake policy premium surcharge.

e. We will not refuse to renew such coverage solely because corrosive soil conditions exist on the premises. This restriction **(e.)** applies only if coverage is subject to one of the following, which exclude loss or damage caused by or resulting from corrosive soil conditions:

(1) Commercial Property Coverage Part – Causes Of Loss – Special Form; or

(2) Farm Coverage Part – Causes Of Loss Form – Farm Property, Paragraph **D.** Covered Causes Of Loss – Special.

f. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, we may not nonrenew this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred.

However, we may nonrenew:

(1) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against;

(2) If losses unrelated to the postdisaster loss condition of the property have occurred that would collectively render the risk ineligible for renewal; or

(3) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable.

3. We are not required to send notice of nonrenewal in the following situations:

a. If the transfer or renewal of a policy, without any changes in terms, conditions or rates, is between us and a member of our insurance group.

b. If the policy has been extended for 90 days or less, provided that notice has been given in accordance with Paragraph **C.1.**

c. If you have obtained replacement coverage, or if the first Named Insured has agreed, in writing, within 60 days of the termination of the policy, to obtain that coverage.

d. If the policy is for a period of no more than 60 days and you are notified at the time of issuance that it will not be renewed.

e. If the first Named Insured requests a change in the terms or conditions or risks covered by the policy within 60 days of the end of the policy period.

f. If we have made a written offer to the first Named Insured, in accordance with the timeframes shown in Paragraph **C.1.,** to renew the policy under changed terms or conditions or at an increased premium rate, when the increase exceeds 25%.

CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART
COMMERCIAL INLAND MARINE COVERAGE PART
COMMERCIAL PROPERTY COVERAGE PART
EQUIPMENT BREAKDOWN COVERAGE PART
FARM COVERAGE PART
STANDARD PROPERTY POLICY

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

c. That are not certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act.

B. The following Exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by any "certified act of terrorism" or “noncertified act of terrorism”. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exceptions to the exclusion in Paragraph **B.** apply only if indicated and as indicated in the Schedule of this endorsement.

1. If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Time Element Coverage, Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury

2. If a "noncertified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Time Element Coverage, Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

All other terms and conditions of the policy remain unchanged.

SURPLUS LINES POLICYHOLDER NOTIFICATION

STATE OF CALIFORNIA

IMPORTANT NOTICE:

1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called "nonadmitted" or "surplus line" insurers.

2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.

3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.

4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or "surplus line" broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC's internet website at www.naic.org. The NAIC—the National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.

5. Foreign insurers should be licensed by a state in the United States and you may contact that state's department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.

6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.

7. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker's fee charged for this insurance will be returned to you.

The **NAMED INSURED** may elect to rebuild on another site, provided that, such rebuilding does not increase the amount of loss or damage that would otherwise be payable to rebuild at the same site. However, if the property is not repaired, rebuilt or replaced within two (2) years after the date of loss (unless such requirement is waived in writing), the value of the property will be determined on an **ACTUAL CASH VALUE** basis. In the event the **NAMED INSURED** elects to have the loss or damage settled on an **ACTUAL CASH VALUE** basis, the **NAMED INSURED** may still make a claim on a replacement cost basis, provided the **NAMED INSURED** makes the claim within one hundred eighty (180) days after the loss or damage.

Unless otherwise endorsed hereon, the property, as described below, will be valued as follows:

A. Stock in process: the cost of raw materials and labor expended, plus the proper proportion of overhead charges.

If the **ELECTRONIC DATA AND MEDIA** is not repaired, replaced or restored, the basis of valuation shall be the cost of the blank media. However, this **POLICY** does not insure any amount pertaining to the value of such **ELECTRONIC DATA AND MEDIA** to the **NAMED INSURED** or any other party, even if such **ELECTRONIC DATA AND MEDIA** cannot be recreated, gathered or assembled.

F. Jigs and fixtures, dies, small tools, patterns, employees' personal property and personal property of third parties: the replacement cost if replacement cost values have been reported and if actually

All recoveries in excess of such amounts will belong to the **NAMED INSURED**.

In the event it is possible to reconstruct the **NAMED INSURED'S ACCOUNTS RECEIVABLE** records after they have been physically lost or damaged, so that no shortage in collection of **ACCOUNTS RECEIVABLE** is sustained, the only recoverable loss will be the costs of the material and the time required to reconstruct such records, with the exercise of due diligence and dispatch, but only to the extent that such amounts are not covered by any other insurance.

J. **PROPERTY FOR SALE**: If, at the time of the loss, any real property is being offered for sale, the loss or damage to such property will be valued at the lesser of:

1. The cost to repair or replace the damaged property, or

3. Property of others not under invoice: the actual market value at the point of destination on the date of the **OCCURRENCE**, less any charges saved which would have become due and payable upon delivery at destination; or

With respect to Subparagraphs A. through M., inclusive, unless otherwise specifically stated, the valuations will be computed at the time and place of the loss.

SECTION V - TIME ELEMENT COVERAGES

This **POLICY** is extended to cover the actual loss sustained by the **NAMED INSURED** during the **PERIOD OF INTERRUPTION** directly resulting from a **COVERED CAUSE OF LOSS** to **COVERED PROPERTY**.

A. **ACTUAL LOSS SUSTAINED**: In the event the **NAMED INSURED** is prevented from producing goods or from continuing its business operations or services and is unable:

1. To make up lost production within a reasonable period of time (not to be limited to the period during which production is interrupted), or

2. To continue business operations or services, all through the use of any property or service owned or controlled by the **NAMED INSURED**, or obtainable from other sources, whether the property or service is at an insured **LOCATION** or through working extra time or overtime at any other substitute **LOCATION(S)**, including any other **LOCATION(S)** acquired for the purpose, then, subject to all other conditions of this **POLICY** not inconsistent herewith, for

the actual loss sustained of the following during the **PERIOD OF INTERRUPTION** shall be **COVERED PROPERTY**:

GROSS EARNINGS less all charges and expenses which do not necessarily continue during the interruption of production or suspension of business operations or services. For the purpose of this coverage, **GROSS EARNINGS** means:

i. For manufacturing operations: The net sales value of production less the cost of all raw stock, materials and supplies utilized in such production; or

ii. For mercantile or non-manufacturing operations: The total net sales less cost of merchandise sold, materials and supplies consumed in the operations or services rendered by the **NAMED INSURED**;

iii. Plus all other earnings derived from the operation of the business.

In determining net sales, in the event of loss hereunder, for mercantile or non-manufacturing operations, any amount recovered under property damage policies for loss or damage to or destruction of merchandise shall be included as though the merchandise had been sold to the **NAMED INSURED'S** regular customers.

In determining the amount of loss payable under this coverage, due consideration shall be given to the experience of the business before the **PERIOD OF INTERRUPTION** and the probable experience thereafter had no loss occurred, and to the continuation of only those normal charges and expenses that would have existed had no interruption of production or suspension of business operations or services occurred.

There is no coverage for any portion of the **NAMED INSURED'S ORDINARY PAYROLL** expense, unless a specified number of days for **ORDINARY PAYROLL** are shown in SECTION I.G. and values have been included in the **STATEMENT OF VALUES**. In such case, this **POLICY** will cover **ORDINARY PAYROLL** for that number of days only. The number of days need not be consecutive, but must fall within the interruption of production or suspension of business operations or services, or fall within the extension of that period, if an extension is provided. **ORDINARY PAYROLL** means the entire payroll expense for all employees of the **NAMED INSURED** except officers, executives, department managers, employees under contract, and other essential employees.

B. **PERIOD OF INTERRUPTION**: In determining the amount payable under this coverage, the **PERIOD OF INTERRUPTION** shall be:

1. The period from the time of physical loss or damage insured against by this **POLICY** to the time when, with the exercise of due diligence and dispatch, either:

   a. normal operations resume; or

   b. physically damaged **BUILDINGS** and equipment could be repaired or replaced and made ready for operations under the same or equivalent physical and operating conditions that existed prior to such loss or damage, whichever is less.

   c. Such period of time shall not be cut short by the expiration or earlier termination date of the **POLICY**.

2. In addition, if applicable, such time as may be required with the exercise of due diligence and dispatch:

   a. To restore stock in process to the same state of manufacture in which it stood at the time of the initial interruption of production or suspension of business operations or services; or

   b. To replace physically damaged or destroyed mercantile stock necessary to resume operations; or

   c. To replace raw materials and supplies in order to continue operations.

   However, the inability to procure destroyed mercantile stock or suitable raw materials and supplies to replace similar stock or materials and supplies physically damaged or destroyed shall not increase the **PERIOD OF INTERRUPTION**.

3. For Property under construction: The time period between the anticipated date of substantial completion had no covered loss occurred and the actual date of completion. In calculating the amount of loss, due consideration will be given to the actual experience of the business compiled after substantial completion and start-up.

   The **PERIOD OF INTERRUPTION** does not include any additional time:

   a. Required for re-staffing or re-training employees; or

   b. Due to the Insured's inability to resume operations for reasons other than those enumerated in B.2.a. through B.2.c., inclusive, above; or

   c. Required for making change(s) to the **BUILDINGS**, structures, or equipment for any reason except as provided in the **ORDINANCE OR LAW** coverage, if such coverage is provided by this **POLICY**.

C. **ADDITIONAL TIME ELEMENT COVERAGES**

1. **BUILDER'S RISK SOFT COSTS**: For Property under Construction, this **POLICY** is extended to cover **BUILDER'S RISK SOFT COSTS** incurred by the **NAMED INSURED** (up to the **SUBLIMIT OF LIABILITY** shown in SECTION I.G.) arising out of delay of the completion of **BUILDINGS** or additions under construction during the **PERIOD OF INTERRUPTION** that are the result of direct damage from a **COVERED CAUSE OF LOSS.**

   BUILDER'S RISK SOFT COSTS means reasonable and necessary costs over and above those that would have been incurred by the **NAMED INSURED** during the **PERIOD OF INTERRUPTION** at the **LOCATION** had no loss occurred, limited to the following:

   a. construction loan fees - the additional cost incurred to rearrange loans necessary for the completion of construction, repairs or reconstruction including, the cost to arrange financing, accounting work necessary to restructure financing, legal work necessary to prepare new documents, and charges by the lenders for the extension or renewal of loans necessary to complete the construction;

b. wholly or partially prevents a direct customer of the **NAMED INSURED** from accepting the **NAMED INSURED'S** goods and/or services; then this **POLICY** is extended to cover the actual loss sustained by the **NAMED INSURED** during the **PERIOD OF INTERRUPTION** with respect to such real or personal property, if the property of the supplier or customer which sustains loss or damage is of the type of property which would be **COVERED PROPERTY** under this **POLICY**.

This coverage applies to the **NAMED INSURED'S** direct suppliers or direct customers located in the **COVERAGE TERRITORY**.

3. **EXTENDED PERIOD OF INDEMNITY**: Coverage is provided for such additional length of time as is required to restore the **NAMED INSURED'S** business to the condition that would have existed had no loss occurred, commencing with the later of the following dates:

a. the date on which the coverage for loss or damage would otherwise terminate; or
b. the earliest date on which either normal operations resume, or repair, replacement, or rebuilding of the property that has been damaged is actually completed; but in no event for a period of time exceeding the number of days specified in Section I.G. This **EXTENDED PERIOD OF INDEMNITY** does not apply to any additional **TIME ELEMENT COVERAGES**, except **RENTAL VALUE**.

4. **EXTRA EXPENSE**: This **POLICY** is extended to cover expenses, over and above normal operating expenses, necessarily incurred by the **NAMED INSURED** in making up lost production or in reducing loss otherwise payable under this coverage are covered hereunder, but not for amounts greater than would have been incurred had the **NAMED INSURED** been unable to make up any lost production or to continue any business operations or services (up to the **SUBLIMIT OF LIABILITY** shown in SECTION I.G.).

The insured physical loss or damage must occur within five (5) statute miles from the **NAMED INSURED'S** covered **LOCATION** in order for coverage to apply. Such period of time begins on the date that ingress to or egress from real or personal property is prohibited and ends when ingress or egress is no longer prohibited, but no later than the number of days shown in SECTION I.G.

6. **INTERRUPTION BY CIVIL OR MILITARY AUTHORITY**: This **POLICY** is extended to cover the actual loss sustained during the period of time when access to the **NAMED INSURED'S** covered **LOCATION** is prohibited by an order of civil or military authority, provided that, such order is a direct result of a **COVERED CAUSE OF LOSS** to real property not insured hereunder. The **NAMED INSURED** physical loss or damage must occur within five (5) statute miles from the **NAMED INSURED'S** covered **LOCATION** in order for coverage to apply. Such period of time begins with the effective date of the order of civil or military authority and ends when the order expires, but no later than the number of days shown in SECTION I.G.

SURPLUS LINES POLICYHOLDER NOTIFICATION

STATE OF CALIFORNIA

IMPORTANT NOTICE:

1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called "nonadmitted" or "surplus line" insurers.

2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.

3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.

4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or "surplus line" broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC's internet website at www.naic.org. The NAIC—the National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.

5. Foreign insurers should be licensed by a state in the United States and you may contact that state's department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.

6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.

7. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker's fee charged for this insurance will be returned to you.

SECTION II – COVERED CAUSES OF LOSS

A. **COVERED CAUSES OF LOSS**: This **POLICY** insures against all risks of sudden and accidental direct physical loss or damage to **COVERED PROPERTY**, except as excluded.

B. **EXCLUSIONS**: There is no coverage under this **POLICY** for loss or damage caused directly or indirectly by any of the following exclusions. Such loss or damage is excluded regardless of any other cause or event contributing concurrently or in any sequence to the loss or damage. These exclusions apply whether or not the loss event results in widespread damage or affects a substantial area:

1. **NUCLEAR, BIOLOGICAL, CHEMICAL AND RADIOLOGICAL EXCLUSIONS**

a. This **POLICY** will not pay for any loss, damage, cost or expense, whether real or alleged, that is caused, results from, is exacerbated by or otherwise impacted by, either directly or indirectly, any of the following:

c. Only if, and to the extent required by state law, the following exception to the exclusions in subparagraph a. applies:

If a hazard excluded under subparagraph a. results in fire (and provided fire is a **COVERED CAUSE OF LOSS**), this **POLICY** will pay for the loss, damage, cost or expense caused by that fire, subject to all applicable **POLICY** provisions including the **LIMIT OF LIABILITY** on the affected **COVERED PROPERTY**. Such coverage for fire applies only to direct loss or damage by fire to **COVERED PROPERTY**. This coverage does not apply to insurance provided under **TIME ELEMENT COVERAGES**, including but not limited to, Business Income, **RENTAL VALUE** or **EXTRA EXPENSE** coverage or endorsements that apply to those coverages.

Except as otherwise provided in this paragraph, adjustment of loss or damage under this **POLICY** shall be valued at the cost to repair or replace (whichever is less) at the time and place of the loss with materials of like kind and quality, without deduction for depreciation and obsolescence. The **NAMED INSURED** may elect to rebuild on another site, provided that, such rebuilding does not increase the amount of loss or damage that would otherwise be payable to rebuild at the same site. However, if the property is not repaired, rebuilt or replaced within two (2) years after the date of loss (unless such requirement is waived in writing), the value of the property will be determined on an **ACTUAL CASH VALUE** basis. In the event the **NAMED INSURED** elects to have the loss or damage settled on an **ACTUAL CASH VALUE** basis, the **NAMED INSURED** may still make a claim on a replacement cost basis, provided the **NAMED INSURED** makes the claim within one hundred eighty (180) days after the loss or damage.

Unless otherwise endorsed hereon, the property, as described below, will be valued as follows:

A. Stock in process: the cost of raw materials and labor expended, plus the proper proportion of overhead charges.

B. Finished goods manufactured by the **NAMED INSURED**: the regular cash selling price at the **LOCATION** where the loss occurs, less all discounts and charges to which the merchandise would have been subject had no loss occurred.

These costs will not include research and engineering nor any costs of recreating, gathering or assembling such **ELECTRONIC DATA AND MEDIA**. If the **ELECTRONIC DATA AND MEDIA** is not repaired, replaced or restored, the basis of valuation shall be the cost of the blank media. However, this **POLICY** does not insure any amount pertaining to the value of such **ELECTRONIC DATA AND MEDIA** to the **NAMED INSURED** or any other party, even if such **ELECTRONIC DATA AND MEDIA** cannot be recreated, gathered or assembled.

F. Jigs and fixtures, dies, small tools, patterns, employees' personal property and personal property of third parties: the replacement cost if replacement cost values have been reported and if actually

replaced; otherwise the **ACTUAL CASH VALUE**, but not to exceed the cost to repair or replace the property with material of like kind and quality.

G. Leasehold improvements and betterments:

   b. Divide the amount determined in subparagraph a. above by the number of days from the installation of improvements to the expiration of the lease.

1. If there is no **STATEMENT OF VALUES** on file with The Company showing the agreed value of the **FINE ARTS**, then the lesser of:

   a. The cost to repair or replace the **FINE ARTS**, or

   b. The appraised value, which will be determined as of the time of the loss.

2. If there is a **STATEMENT OF VALUES** on file with The Company showing the agreed value than that amount only.

3. If a **FINE ARTS** article is part of a pair or set, and a physically damaged article cannot be replaced, or cannot be repaired or restored to the condition that existed immediately prior to the loss, then the lesser of the full value of such pair or set or the agreed value, as per the **STATEMENT OF VALUE** on file with The Company. **The NAMED INSURED** will surrender the damaged pair or set.

After payment of loss, all amounts recovered by the **NAMED INSURED** on **ACCOUNTS RECEIVABLE** for which the **NAMED INSURED** has been paid will belong to and will be paid to the **INSURER(S)** by the **NAMED INSURED** up to the total amount of loss paid. All recoveries in excess of such amounts will belong to the **NAMED INSURED**.

In the event it is possible to reconstruct the **NAMED INSURED'S ACCOUNTS RECEIVABLE** records after they have been physically lost or damaged, so that no shortage in collection of **ACCOUNTS RECEIVABLE** is sustained, the only recoverable loss will be the costs of the material and the time required to reconstruct such records, with the exercise of due diligence and dispatch, but only to the extent that such amounts are not covered by any other insurance.

J. **PROPERTY FOR SALE**: If, at the time of the loss, any real property is being offered for sale, the loss or damage to such property will be valued at the lesser of:

1. The cost to repair or replace the damaged property, or

2. The price at which the property is offered for sale less the market value of the **LAND**.

2. Property which has been sold by the **NAMED INSURED** and has been shipped to or for account of the purchaser (if covered hereunder): the amount of the **NAMED INSURED'S** selling invoice, including prepaid or advanced freight;

3. Property of others not under invoice: the actual market value at the point of destination on the date of the **OCCURRENCE**, less any charges saved which would have become due and payable upon delivery at destination; or

4. Property of the **NAMED INSURED** not under invoice: valued in accordance with the valuation provisions of this **POLICY** applying at the **LOCATION** from which such property is being transported, less any charges saved which would have become due and payable upon delivery at such destination

With respect to Subparagraphs A. through M., inclusive, unless otherwise specifically stated, the valuations will be computed at the time and place of the loss.

SECTION V - TIME ELEMENT COVERAGES

This **POLICY** is extended to cover the actual loss sustained by the **NAMED INSURED** during the **PERIOD OF INTERRUPTION** directly resulting from a **COVERED CAUSE OF LOSS** to **COVERED PROPERTY**.

A. **ACTUAL LOSS SUSTAINED**: In the event the **NAMED INSURED** is prevented from producing goods or from continuing its business operations or services and is unable:

1. To make up lost production within a reasonable period of time (not to be limited to the period during which production is interrupted), or

2. To continue business operations or services, all through the use of any property or service owned or controlled by the **NAMED INSURED**, or obtainable from other sources, whether the property or service is at an insured **LOCATION** or through working extra time or overtime at any other substitute **LOCATION(S)**, including any other **LOCATION(S)** acquired for the purpose, then, subject to all other conditions of this **POLICY** not inconsistent herewith, for

the actual loss sustained of the following during the **PERIOD OF INTERRUPTION** shall be **COVERED PROPERTY**:

GROSS EARNINGS less all charges and expenses which do not necessarily continue during the interruption of production or suspension of business operations or services. For the purpose of this coverage, **GROSS EARNINGS** means:

i. For manufacturing operations: The net sales value of production less the cost of all raw stock, materials and supplies utilized in such production; or

ii. For mercantile or non-manufacturing operations: The total net sales less cost of merchandise sold, materials and supplies consumed in the operations or services rendered by the **NAMED INSURED**;

iii. Plus all other earnings derived from the operation of the business.

In determining net sales, in the event of loss hereunder, for mercantile or non-manufacturing operations, any amount recovered under property damage policies for loss or damage to or destruction of merchandise shall be included as though the merchandise had been sold to the **NAMED INSURED'S** regular customers.

In determining the amount of loss payable under this coverage, due consideration shall be given to the experience of the business before the **PERIOD OF INTERRUPTION** and the probable experience thereafter had no loss occurred, and to the continuation of only those normal charges and expenses that would have existed had no interruption of production or suspension of business operations or services occurred.

There is no coverage for any portion of the **NAMED INSURED'S ORDINARY PAYROLL** expense, unless a specified number of days for **ORDINARY PAYROLL** are shown in SECTION I.G. and values have been included in the **STATEMENT OF VALUES**. In such case, this **POLICY** will cover **ORDINARY PAYROLL** for that number of days only. The number of days need not be consecutive, but must fall within the interruption of production or suspension of business operations or services, or fall within the extension of that period, if an extension is provided. **ORDINARY PAYROLL** means the entire payroll expense for all employees of the **NAMED INSURED** except officers, executives, department managers, employees under contract, and other essential employees.

B. **PERIOD OF INTERRUPTION**: In determining the amount payable under this coverage, the **PERIOD OF INTERRUPTION** shall be:

1. The period from the time of physical loss or damage insured against by this **POLICY** to the time when, with the exercise of due diligence and dispatch, either:

   a. normal operations resume; or

   b. physically damaged **BUILDINGS** and equipment could be repaired or replaced and made ready for operations under the same or equivalent physical and operating conditions that existed prior to such loss or damage, whichever is less.

   c. Such period of time shall not be cut short by the expiration or earlier termination date of the **POLICY**.

2. In addition, if applicable, such time as may be required with the exercise of due diligence and dispatch:

   a. To restore stock in process to the same state of manufacture in which it stood at the time of the initial interruption of production or suspension of business operations or services; or

   b. To replace physically damaged or destroyed mercantile stock necessary to resume operations; or

   c. To replace raw materials and supplies in order to continue operations.

   However, the inability to procure destroyed mercantile stock or suitable raw materials and supplies to replace similar stock or materials and supplies physically damaged or destroyed shall not increase the **PERIOD OF INTERRUPTION**.

3. For Property under construction: The time period between the anticipated date of substantial completion had no covered loss occurred and the actual date of completion. In calculating the amount of loss, due consideration will be given to the actual experience of the business compiled after substantial completion and start-up.

   The **PERIOD OF INTERRUPTION** does not include any additional time:

   a. Required for re-staffing or re-training employees; or

   b. Due to the Insured's inability to resume operations for reasons other than those enumerated in B.2.a. through B.2.c., inclusive, above; or

   c. Required for making change(s) to the **BUILDINGS**, structures, or equipment for any reason except as provided in the **ORDINANCE OR LAW** coverage, if such coverage is provided by this **POLICY**.

C. **ADDITIONAL TIME ELEMENT COVERAGES**

1. **BUILDER'S RISK SOFT COSTS**: For Property under Construction, this **POLICY** is extended to cover **BUILDER'S RISK SOFT COSTS** incurred by the **NAMED INSURED** (up to the **SUBLIMIT OF LIABILITY** shown in SECTION I.G.) arising out of delay of the completion of **BUILDINGS** or additions under construction during the **PERIOD OF INTERRUPTION** that are the result of direct damage from a **COVERED CAUSE OF LOSS.**

   BUILDER'S RISK SOFT COSTS means reasonable and necessary costs over and above those that would have been incurred by the **NAMED INSURED** during the **PERIOD OF INTERRUPTION** at the **LOCATION** had no loss occurred, limited to the following:

   a. construction loan fees - the additional cost incurred to rearrange loans necessary for the completion of construction, repairs or reconstruction including, the cost to arrange financing, accounting work necessary to restructure financing, legal work necessary to prepare new documents, and charges by the lenders for the extension or renewal of loans necessary to complete the construction;

a. wholly or partially prevents a direct supplier to the **NAMED INSURED** from supplying their goods and/or services to the **NAMED INSURED**; or

b. wholly or partially prevents a direct customer of the **NAMED INSURED** from accepting the **NAMED INSURED'S** goods and/or services; then this **POLICY** is extended to cover the actual loss sustained by the **NAMED INSURED** during the **PERIOD OF INTERRUPTION** with respect to such real or personal property, if the property of the supplier or customer which sustains loss or damage is of the type of property which would be **COVERED PROPERTY** under this **POLICY**.

This coverage applies to the **NAMED INSURED'S** direct suppliers or direct customers located in the **COVERAGE TERRITORY**.

3. **EXTENDED PERIOD OF INDEMNITY**: Coverage is provided for such additional length of time as is required to restore the **NAMED INSURED'S** business to the condition that would have existed had no loss occurred, commencing with the later of the following dates:

a. the date on which the coverage for loss or damage would otherwise terminate; or
b. the earliest date on which either normal operations resume, or repair, replacement, or rebuilding of the property that has been damaged is actually completed; but in no event for a period of time exceeding the number of days specified in Section I.G. This **EXTENDED PERIOD OF INDEMNITY** does not apply to any additional **TIME ELEMENT COVERAGES**, except **RENTAL VALUE**.

4. **EXTRA EXPENSE**: This **POLICY** is extended to cover expenses, over and above normal operating expenses, necessarily incurred by the **NAMED INSURED** in making up lost production or in reducing loss otherwise payable under this coverage are covered hereunder, but not for amounts greater than would have been incurred had the **NAMED INSURED** been unable to make up any lost production or to continue any business operations or services (up to the **SUBLIMIT OF LIABILITY** shown in SECTION I.G.).

The **NAMED INSURED** agrees to use any suitable property or service owned or controlled by the **NAMED INSURED** or obtainable from other sources in reducing the **EXTRA EXPENSE** incurred under this **POLICY**.

5. **INGRESS & EGRESS**: This **POLICY** is extended to cover the actual loss sustained during the period of time when ingress to or egress from the **NAMED INSURED'S** covered **LOCATION** is prohibited as a direct result of a **COVERED CAUSE OF LOSS** to real property not insured hereunder. The insured physical loss or damage must occur within five (5) statute miles from the **NAMED INSURED'S** covered **LOCATION** in order for coverage to apply. Such period of time begins on the date that ingress to or egress from real or personal property is prohibited and ends when ingress or egress is no longer prohibited, but no later than the number of days shown in SECTION I.G.

6. **INTERRUPTION BY CIVIL OR MILITARY AUTHORITY**: This **POLICY** is extended to cover the actual loss sustained during the period of time when access to the **NAMED INSURED'S** covered **LOCATION** is prohibited by an order of civil or military authority, provided that, such order is a direct result of a **COVERED CAUSE OF LOSS** to real property not insured hereunder. The **NAMED INSURED** physical loss or damage must occur within five (5) statute miles from the **NAMED INSURED'S** covered **LOCATION** in order for coverage to apply. Such period of time begins with the effective date of the order of civil or military authority and ends when the order expires, but no later than the number of days shown in SECTION I.G.

7. **RENTAL VALUE**: As respects **COVERED PROPERTY** held for rental to others, this POLICY is extended to cover the loss sustained during the **PERIOD OF INTERRUPTION** but not exceeding the reduction in **RENTAL VALUE** less charges and expenses which do not necessarily continue. **RENTAL VALUE** means the sum of:

   b. The amount of all charges which, by the terms of a written lease, are the legal obligation of the tenant(s) and which would otherwise be obligations of the **NAMED INSURED**; and

   c. The fair **RENTAL VALUE** of any portion of such property which is occupied by the **NAMED INSURED**.

Due consideration will be given to the historic rental expenses prior to the loss and the probable expenses thereafter.

   a. However, this extension of coverage **DOES NOT** apply to any loss caused by damage to any utility service listed in (1) or (2) above, if located more than five (5) statute miles from the covered **LOCATION**.

   b. There shall be no loss payable under this Additional Coverage unless the interruption exceeds the qualifying period shown in Section I.G. In such case, the loss shall be measured from date and time of the loss. With respect to any **TIME ELEMENT COVERAGE** provided herein, the **PERIOD OF INTERRUPTION** ends when: (1) incoming electrical, gas, water, or telecommunication equipment or outgoing sewer or (2) electrical, telecommunication, fuel, water, steam, refrigeration, or other service transmission lines, is restored.

   This additional coverage does not include coverage for any increase in loss due to fines or damages for breach of contract or for late or non-completion of orders, or penalties of any nature.

   With respect to additional **TIME ELEMENT COVERAGES** 6. & 7., if a **COVERED CAUSE OF LOSS** results in coverage under both additional **TIME ELEMENT COVERAGES**, this **POLICY** will only pay for loss under one of the two additional **TIME ELEMENT COVERAGES**, whichever the **NAMED INSURED** selects.

The Underwriters shall pay **Loss** that exceeds the amount of recoveries made prior to such payment, less the applicable Deductible set forth under the Coverage Schedule in the Declarations.

If an **Insured** receives payment under another Policy or bond which was issued to the **Insured**, after applying a deductible, for **Loss** also covered hereunder, then the Deductible set forth under the Coverage Schedule in the Declarations shall be reduced by the deductible previously applied to such **Loss**.

With respect to a **Loss** for which coverage is provided by this policy and which is sustained partly during the period of other policies providing coverage for such **Loss** issued to the **Insured** or to any predecessor in interest of the **Insured** and terminated or cancelled or allowed to expire as of the inception date of this policy, the amount of the deductible that is applicable to the portion of the **Loss** sustained during this policy period shall be reduced, in whole or in part, by:

1. The amount of the **Loss** which is sustained by the **Insured** during the period of other policies if such **Loss** is less than the amount of the deductible applicable to that **Loss** under these other policies, or
2. The amount of the deductible applicable to the **Loss** sustained by the **Insured** during the period of the other policies if the applicable deductible is less than the amount of the **Loss** sustained during that period.

DISCOVERY

Subject to the Liability for Prior Losses provision under the General Conditions, this Policy only applies to **Loss** which is **Discovered** during the **Policy Period**.

Loss is covered under this Policy only if **Discovered** no later than 60 days from the end of the **Policy Period** (such 60-day period is the “automatic discovery period”). At any time prior to the termination of this Policy, the **Insured** may give written notice to the Underwriters requesting an extension of the discovery period for **Loss** under this Policy to 12 months from the end of the **Policy Period** (the “extended discovery period”) and shall pay an additional premium to be determined by the Underwriters in its sole discretion. The automatic discovery period terminates immediately upon the inception date of any other insurance obtained by the **Insured** replacing in whole or in part the insurance afforded hereunder whether or not such other insurance provides coverage for **Loss** sustained prior to its effective date. Coverage provided by such automatic discovery period or extended discovery period will apply only to **Loss Discovered** during the automatic and/or extended reporting period(s) that is sustained during the **Policy Period**. In all events, the extended discovery period will not be available if this Policy is cancelled for non-payment of premium as provided in part 2.(ii) of the Termination, Cancellation and Nonrenewal provision under the General Conditions.

Loss for **ERISA Plan** assets is covered under this Policy only if **Discovered** no later than twelve (12) months from the end of the **Policy Period**, as required under ERISA.

NOTICES

It is a condition precedent to coverage hereunder that, upon **Discovery** of **Loss** or an occurrence which may result in a covered **Loss** which exceeds or is likely to exceed 50% of the applicable Deductible, the first named **Insured** shall comply with the following:

1. The first named **Insured** shall give written notice to the Underwriters at the earliest practicable moment and in any event within the earliest of:

   (i) 90 days of **Discovery**; or

   (ii) 90 days following termination of the Policy.

2. Such notice to the Underwriters shall be provided to the contact shown under the General Information in the Declarations at the address set forth therein.

PROOF OF LOSS AND LEGAL PROCEEDINGS

It is a condition precedent to coverage hereunder that, upon **Discovery** of **Loss** or an occurrence which may result in a covered **Loss** which exceeds or is likely to exceed 50% of the applicable Deductible, the first named **Insured** shall comply with the following:

1. The first named **Insured** in the Declarations shall furnish a sworn proof of loss with full particulars to the Underwriters within 6 months of **Discovery** and shall thereafter:

   (i) submit to examination under oath at the Underwriters' request;

   (ii) produce all pertinent records at such reasonable times and places as the Underwriters shall designate;

   (iii) fully cooperate with the Underwriters or their counsel in all matters pertaining to a **Loss**; and

   (iv) not take any action which in any way increases the Underwriters' exposure under this Policy.

   The first named **Insured** in the Declarations shall have 12 months to furnish a sworn proof of loss to the Underwriters for losses that may be covered under the ERISA Plan Coverage insuring agreement pursuant to the ERISA Act of 1974.

2. The first named **Insured** in the Declarations may offer a comparison between an **Insured's** inventory records and actual physical count of its inventory to prove the amount of **Loss**, but only where the **Insured** establishes wholly apart from such comparison that it has sustained a covered **Loss**.

GENERAL CONDITIONS

Reliance Upon and Incorporation of Application

In issuing this Policy, the Underwriters have relied upon the statements made in the

written application for this Policy and all information provided to the Underwriters. All such statements are the basis of this Policy and shall be incorporated in and constitute part of this Policy.

Transactions That Impact Coverage

If an **Insured** consolidates or merges with, acquires majority voting rights in or acquires the assets of another entity which results in an increase of the **Insured's** total revenues by more than 25%, coverage is provided to such entity if an **Insured**:

1. gives the Underwriters written notice within 90 days from the date of such consolidation, merger or acquisition; and

2. pays the Underwriters any additional premium required by the Underwriters.

Coverage hereunder shall be afforded for **Loss** which is sustained on or after the effective date of the transaction.

Termination, Cancellation and Nonrenewal

1. This Policy shall terminate as to any **Employee** as soon as any **Insured** or any member of the **Control Group** of the **Insured** not in collusion with the **Employee** acquires knowledge of any unlawful taking of **Money**, **Securities** or **Property**, or other fraudulent or dishonest act committed by such **Employee** during any term of employment with an **Insured**;

2. This Policy shall terminate in its entirety upon occurrence of any of the following:

   (i) 10 days after the mailing of written notice to the **Insured** from the Underwriters in the event of nonpayment of premium; or

   (ii) 60 days after the mailing of written notice to the **Insured** from the Underwriters for any other reason

   (iii) **Change of Control**.

3. The notice of cancellation from the Underwriters shall state the reason for cancellation. The mailing of such notice shall be sufficient notice and the effective date of cancellation stated in the notice shall become the end of the **Policy Period**. Delivery of such written notice shall be equivalent to mailing.

4. This Policy may be cancelled by the **Insured** by mailing or delivering to the Underwriters advance written notice of cancellation. The mailing or delivery of such notice shall be sufficient notice and the effective date of cancellation stated in the notice shall become the end of the Policy Period.

5. If this Policy is cancelled, the Underwriters shall send the **Insured** any premium refund as soon as practicable. The refund shall be on a pro-rata basis. The return or tender of a return premium is not a condition precedent to the cancellation becoming effective at the time stated in the cancellation notice.

6. If the Underwriters decides not to renew this Policy, the Underwriters shall provide written notice to the **Insured** designated under the General Information in the Declarations at least 60 days before the end of the Policy Period. The notice of nonrenewal shall state the reason for nonrenewal.

Liability for Prior Losses

If the **Insured** or its predecessor in interest, sustained **Loss** during the policy period of any prior insurance policy that was substantially similar to this Policy and could have recovered under that insurance policy except that the time within which to discover loss had expired, the Underwriters will pay for it under this Policy provided:

1. This insurance became effective at the time of cancellation or termination of the prior insurance or insurance subsequent thereto without any interruption in coverage;

2. The **Loss** would have been covered by this insurance had it been in effect when the acts or events causing the loss were committed or occurred; and

3. The **Loss** is **Discovered** during the **Policy Period**; or during the discovery period described in the Liability for Prior Losses provision under the General Conditions.

In no event will coverage be available under this Policy if such **Loss** is covered under any renewal or replacement of this Policy in whole or in part.

Any coverage provided pursuant to this paragraph is part of and not in addition to the Limits of Liability applicable to this Policy and the Underwriters' liability shall not exceed the limit of liability under the policy in force at the time such **Loss** was sustained or the applicable Limit of Liability shown under the Coverage Schedule in the Declarations, whichever is less.

In the event that a **Loss** is covered under this Policy and another policy, it is hereby agreed that the applicable insuring agreement deductible for this Policy shall be reduced by the applicable deductible of the other policy.

Coverage will be available for **Loss** sustained at any time and **Discovered** during the **Policy Period**, provided that coverage for loss sustained prior to the effective date of this **Policy Period**, or the effective date of coverage for any additional **Insureds**, or the effective date of any coverage added by endorsement, is subject to the following:

1. if an **Insured** or some predecessor in interest of such **Insured** carried a prior bond or policy which afforded coverage for a loss sustained during the period of such prior bond or policy and such prior bond or policy was not issued by the Underwriters or its affiliates and such loss was first **Discovered** by an **Insured** prior to the expiration of the time allowed for discovery under the last such policy, then no coverage shall be available under this Policy, unless the total amount of covered loss exceeds the limit of liability of the last such bond or policy carried by the **Insured** or predecessor in interest of such **Insured**, and the Company's Limit of Liability for any such loss will be in excess of the limit of liability of the last bond or policy subject to all of the terms and conditions of this Policy; or

2. if an **Insured** or some predecessor in interest of such **Insured** carried a prior bond or policy which afforded coverage for a loss sustained during the period of such prior bond or policy and such prior bond or policy was issued by the Underwriters or its affiliates then such prior bond or policy shall terminate as of the inception of this Policy and such prior bond or policy shall not cover any loss not discovered and noticed to the Underwriters prior to the inception of this Policy then the Underwriters' Limit of Liability for such loss shall be the applicable Limit of Liability shown under the Coverage Schedule in the Declarations.

First Named Insured's Rights and Obligations

By acceptance of this Policy, the **Insured** agrees that the first named **Insured** shall act on behalf of all **Insureds** with respect to:

1. the filing of notice or proof of loss in accordance with the Notices and Proof of Loss provisions of this Policy;

2. the filing of a claim, adjustment of the amount of **Loss**, receipt or enforcement of payment of a **Loss**;

3. the payment of premium for, the acceptance of amendments to, or termination of, this Policy; and

4. the return of any premiums by the Underwriters to the **Insured**.

Other Insurance

The insurance under this Policy will apply in excess of any other valid and collectible insurance available to any **Insured** unless such other insurance is written only as specific excess insurance over this Policy.

Ownership of Property; Interests Covered

This Policy covers only **Money**, **Securities** or **Property**:

1. that the **Insured** owns or leases;

2. that the **Insured** holds for others;

3. for which the **Insured** is legally liable; or

4. under the Client Property Coverage insuring agreement only;

   (i) that a **Client** owns or leases;

   (ii) that a **Client** holds for others; or

   (iii) for which a **Client** is legally liable

   while the **Money**, **Securities** or **Property** is inside the interior of that portion of any building the **Client** occupies in conducting its business.
   However, this Policy is for the **Insured's** benefit only. It provides no rights or benefits to any other person or entity. Any claim for loss that is covered under this Policy must be presented by the **Insured.**

Territory

This Policy shall apply to **Loss** of the **Insured** occurring anywhere in the world.

Valuation and Currency

In the event of a covered loss of **Money**, **Securities** or **Property**, the Underwriters shall pay, subject to Limits of Liability and Coverage, Non-Accumulation of Liability, Deductible and Discovery provisions of this Policy:

1. the least of:

   (i) the face value of **Money**; or

   (ii) the United States dollar value of foreign currency based on the rate of exchange published in *The Wall Street Journal* on the day **Loss** involving foreign currency is **Discovered**.

2. the least of:

   (i) the closing price of **Securities** on the business day immediately preceding the day on which a loss is **Discovered**; or

   (ii) the cost of replacing **Securities**; or

   (iii) the cost to post a lost instrument bond.

3. the cost of blank materials, such as blank books, pages or tapes;

4. the least of:

   (i) the actual cash value of the **Property** at the time the **Loss** was sustained; or

   (ii) the cost to repair or replace the **Property** with that of similar quality and value at the time an **Insured** complies with the Proof of Loss provision of this policy regarding the furnishing of proof of loss.

Recoveries

Recoveries, whether effected by the Underwriters or by the **Insured**, less the cost of recovery, shall be distributed as follows:

1. first, to the **Insured** for the amount of **Loss** otherwise covered but in excess of the Limits of Liability;

2. second, to the Underwriters for the amount paid to the **Insured** for covered **Loss**;

3. third, to the **Insured** for the Deductible; and

4. fourth, to the **Insured** for **Loss** specifically excluded hereunder.

Recovery from reinsurance or indemnity of the Underwriters shall not be deemed a recovery hereunder.

Subrogation

In the event of any payment under this Policy, the Underwriters shall be subrogated to the extent of such payment to the **Insured's** rights of recovery and the **Insured** shall execute all papers required and shall do everything necessary to secure and preserve such rights, including the execution of such documents necessary to enable the Underwriters effectively to bring suit in the name of the **Insured**.

No Action Against the Insurer

No action shall lie against the Underwriters unless, as a condition precedent thereto,

there has been full compliance with all the terms of this Policy. No person or entity shall have any right under this Policy to join the Underwriters as a party to any action against the **Insured** to determine the **Insured's** liability, nor shall the Underwriters be impleaded by the **Insured** or their legal representatives.

Entire Agreement; Alteration and Assignment of Interest

The **Insured** agrees that this Policy, including the Declarations, constitutes the entire agreement between the **Insured** and the Underwriters or any of their agents or brokers. No change in, modification of, or assignment of interest under this Policy shall be effective except when made by a written endorsement to this Policy which is issued by the Underwriters. Notice to or knowledge possessed by the Underwriters, the **Insured** or any agent, broker or other person acting on behalf of the **Insured** or the Underwriters shall not effect a waiver of or stop the Underwriters from asserting any rights under this Policy.

Concealment, Misrepresentation or Fraud

This Policy is void in any case of fraud by the **Insured** as it related to this Policy at any time. It is also void if the **Insured**, at any time, in the application or otherwise, intentionally conceals or misrepresents a material fact concerning:

1. this Policy;

2. any **Money**, **Securities** or **Property** covered under this Policy;

3. the **Insured's** interest in any **Money**, **Securities** or **Property** covered under this Policy; or

4. any claim under this Policy.

Employee Benefit ERISA Plan Provisions

In compliance with certain provisions of ERISA:

1. If any **ERISA Plan** is insured jointly with any other entity under this insurance, the **Insured** or the **ERISA Plan** administrator must select a limit of liability under the Employee Dishonesty insuring agreement that is sufficient to provide an amount of insurance for each **ERISA Plan** that is at least equal to that required if each **ERISA Plan** was separately insured.

2. If the **Insured** first named under the General Information in the Declarations is an entity other than a **ERISA Plan**, any payment the Underwriters makes to that **Insured** for **Loss** sustained by any **ERISA Plan** will be held by that **Insured** for the use and benefit of the **ERISA Plan(s)** sustaining the **Loss**.

3. If two or more **ERISA Plans** are insured under this insurance, any payment the Underwriters makes for **Loss**:

   (i) sustained by two or more plans; or

   (ii) of commingled funds or other property of two or more **ERISA Plans**;

   is to be shared by each **ERISA Plan** sustaining **Loss** in the proportion that the amount of insurance required for each such **ERISA Plan** under ERISA provisions bears to the total of those amounts.

4. The Deductible applicable to the Employee Dishonesty insuring agreement does not apply to **Loss** sustained by any **ERISA Plan** subject to ERISA which is insured under this insurance.

3. in gaining access to point of sale terminals, customer-bank communication terminals, or similar electronic terminals of electronic funds transfer systems

LIMIT OF LIABILITY AND COVERAGE

The Underwriters' maximum limit of liability for each **Loss** shall be the Limits of Liability for each insuring agreement as set forth under the Coverage Schedule in the Declarations. The payment of loss under one insuring agreement shall not reduce the Limit of Liability available for the other insuring agreements.

A **Loss** resulting from a single act or any number of acts in which the same **Employee** or **Third Party** is concerned or implicated, whether such act or acts occurred before or during the **Policy Period**, will be treated as a single **Loss** hereunder.

If a **Loss** is covered under more than one insuring agreement, the maximum amount payable under this Policy shall not exceed the largest single applicable Limit of Liability of such insuring agreements as provided under the Coverage Schedule in the Declarations.

If covered **Loss** is sustained by any **ERISA Plan** which does not have any employer securities, the Limit of Liability applicable to such covered **Loss** shall be the lesser of 10% of the **ERISA Plan's** funds handled as of the beginning of such **ERISA Plan's fiscal** year or five hundred thousand dollars ($500,000).

If covered **Loss** is sustained by any **ERISA Plan** which does have any employer securities, the Limit of Liability applicable to such covered **Loss** shall be the lesser of 10% of the **ERISA Plan's** funds handled as of the beginning of such **ERISA Plan's** fiscal year or one million ($1,000,000); provided that, in all events:

1. if the applicable Limit of Liability as set forth under the Coverage Schedule in the Declarations is less than the amounts set forth in paragraphs 1. or 2. above, then the applicable Limit of Liability shall be amended to the respective amounts set forth in paragraphs 1. or 2. above; or

2. if the applicable Limit of Liability as set forth under the Coverage Schedule in the Declarations equals or exceeds the amounts set forth in paragraphs 1. or 2. above, then the applicable Limit of Liability shall be the Limit of Liability as set forth in the Declarations applicable to this coverage section.

NON-ACCUMULATION OF LIABILITY

When there is more than one **Insured** involved in a **Loss**, the maximum liability of the Underwriters for **Loss** sustained by one or all such **Insureds** shall not exceed the amount for which the Underwriters would be liable if all **Loss** was sustained by any one of the **Insureds**.

Regardless of the number of years this coverage remains in effect and the total premium amounts due or paid, the amount the Underwriters shall pay for a **Loss** shall not be cumulative from year to year or from one policy period to another policy period.

DEDUCTIBLE

The Underwriters shall pay **Loss** that exceeds the amount of recoveries made prior to such payment, less the applicable Deductible set forth under the Coverage Schedule in the Declarations.

If an **Insured** receives payment under another Policy or bond which was issued to the **Insured**, after applying a deductible, for **Loss** also covered hereunder, then the Deductible set forth under the Coverage Schedule in the Declarations shall be reduced by the deductible previously applied to such **Loss**.

With respect to a **Loss** for which coverage is provided by this policy and which is sustained partly during the period of other policies providing coverage for such **Loss** issued to the **Insured** or to any predecessor in interest of the **Insured** and terminated or cancelled or allowed to expire as of the inception date of this policy, the amount of the deductible that is applicable to the portion of the **Loss** sustained during this policy period shall be reduced, in whole or in part, by:

1. The amount of the **Loss** which is sustained by the **Insured** during the period of other policies if such **Loss** is less than the amount of the deductible applicable to that **Loss** under these other policies, or
2. The amount of the deductible applicable to the **Loss** sustained by the **Insured** during the period of the other policies if the applicable deductible is less than the amount of the **Loss** sustained during that period.

DISCOVERY

Subject to the Liability for Prior Losses provision under the General Conditions, this Policy only applies to **Loss** which is **Discovered** during the **Policy Period**.

Loss is covered under this Policy only if **Discovered** no later than 60 days from the end of the **Policy Period** (such 60-day period is the “automatic discovery period”). At any time prior to the termination of this Policy, the **Insured** may give written notice to the Underwriters requesting an extension of the discovery period for **Loss** under this Policy to 12 months from the end of the **Policy Period** (the “extended discovery period”) and shall pay an additional premium to be determined by the Underwriters in its sole discretion. The automatic discovery period terminates immediately upon the inception date of any other insurance obtained by the **Insured** replacing in whole or in part the insurance afforded hereunder whether or not such other insurance provides coverage for **Loss** sustained prior to its effective date. Coverage provided by such automatic discovery period or extended discovery period will apply only to **Loss Discovered** during the automatic and/or extended reporting period(s) that is sustained during the **Policy Period**. In all events, the extended discovery period will not be available if this Policy is cancelled for non-payment of premium as provided in part 2.(ii) of the Termination, Cancellation and Nonrenewal provision under the General Conditions.

Loss for **ERISA Plan** assets is covered under this Policy only if **Discovered** no later than twelve (12) months from the end of the **Policy Period**, as required under ERISA.

NOTICES

It is a condition precedent to coverage hereunder that, upon **Discovery** of **Loss** or an occurrence which may result in a covered **Loss** which exceeds or is likely to exceed 50% of the applicable Deductible, the first named **Insured** shall comply with the following:

1. The first named **Insured** shall give written notice to the Underwriters at the earliest practicable moment and in any event within the earliest of:

   (i) 90 days of **Discovery**; or

   (ii) 90 days following termination of the Policy.

2. Such notice to the Underwriters shall be provided to the contact shown under the General Information in the Declarations at the address set forth therein.

PROOF OF LOSS AND LEGAL PROCEEDINGS

It is a condition precedent to coverage hereunder that, upon **Discovery** of **Loss** or an occurrence which may result in a covered **Loss** which exceeds or is likely to exceed 50% of the applicable Deductible, the first named **Insured** shall comply with the following:

1. The first named **Insured** in the Declarations shall furnish a sworn proof of loss with full particulars to the Underwriters within 6 months of **Discovery** and shall thereafter:

   (i) submit to examination under oath at the Underwriters' request;

   (ii) produce all pertinent records at such reasonable times and places as the Underwriters shall designate;

   (iii) fully cooperate with the Underwriters or their counsel in all matters pertaining to a **Loss**; and

   (iv) not take any action which in any way increases the Underwriters' exposure under this Policy.

   The first named **Insured** in the Declarations shall have 12 months to furnish a sworn proof of loss to the Underwriters for losses that may be covered under the ERISA Plan Coverage insuring agreement pursuant to the ERISA Act of 1974.

2. The first named **Insured** in the Declarations may offer a comparison between an **Insured's** inventory records and actual physical count of its inventory to prove the amount of **Loss**, but only where the **Insured** establishes wholly apart from such comparison that it has sustained a covered **Loss**.

GENERAL CONDITIONS

Reliance Upon and Incorporation of Application

In issuing this Policy, the Underwriters have relied upon the statements made in the

written application for this Policy and all information provided to the Underwriters. All such statements are the basis of this Policy and shall be incorporated in and constitute part of this Policy.

Transactions That Impact Coverage

If an **Insured** consolidates or merges with, acquires majority voting rights in or acquires the assets of another entity which results in an increase of the **Insured's** total revenues by more than 25%, coverage is provided to such entity if an **Insured**:

1. gives the Underwriters written notice within 90 days from the date of such consolidation, merger or acquisition; and

2. pays the Underwriters any additional premium required by the Underwriters.

Coverage hereunder shall be afforded for **Loss** which is sustained on or after the effective date of the transaction.

Termination, Cancellation and Nonrenewal

1. This Policy shall terminate as to any **Employee** as soon as any **Insured** or any member of the **Control Group** of the **Insured** not in collusion with the **Employee** acquires knowledge of any unlawful taking of **Money**, **Securities** or **Property**, or other fraudulent or dishonest act committed by such **Employee** during any term of employment with an **Insured**;

2. This Policy shall terminate in its entirety upon occurrence of any of the following:

   (i) 10 days after the mailing of written notice to the **Insured** from the Underwriters in the event of nonpayment of premium; or

   (ii) 60 days after the mailing of written notice to the **Insured** from the Underwriters for any other reason

   (iii) **Change of Control**.

3. The notice of cancellation from the Underwriters shall state the reason for cancellation. The mailing of such notice shall be sufficient notice and the effective date of cancellation stated in the notice shall become the end of the **Policy Period**. Delivery of such written notice shall be equivalent to mailing.

4. This Policy may be cancelled by the **Insured** by mailing or delivering to the Underwriters advance written notice of cancellation. The mailing or delivery of such notice shall be sufficient notice and the effective date of cancellation stated in the notice shall become the end of the Policy Period.

5. If this Policy is cancelled, the Underwriters shall send the **Insured** any premium refund as soon as practicable. The refund shall be on a pro-rata basis. The return or tender of a return premium is not a condition precedent to the cancellation becoming effective at the time stated in the cancellation notice.

6. If the Underwriters decides not to renew this Policy, the Underwriters shall provide written notice to the **Insured** designated under the General Information in the Declarations at least 60 days before the end of the Policy Period. The notice of nonrenewal shall state the reason for nonrenewal.

Liability for Prior Losses

If the **Insured** or its predecessor in interest, sustained **Loss** during the policy period of any prior insurance policy that was substantially similar to this Policy and could have recovered under that insurance policy except that the time within which to discover loss had expired, the Underwriters will pay for it under this Policy provided:

1. This insurance became effective at the time of cancellation or termination of the prior insurance or insurance subsequent thereto without any interruption in coverage;

2. The **Loss** would have been covered by this insurance had it been in effect when the acts or events causing the loss were committed or occurred; and

3. The **Loss** is **Discovered** during the **Policy Period**; or during the discovery period described in the Liability for Prior Losses provision under the General Conditions.

In no event will coverage be available under this Policy if such **Loss** is covered under any renewal or replacement of this Policy in whole or in part.

Any coverage provided pursuant to this paragraph is part of and not in addition to the Limits of Liability applicable to this Policy and the Underwriters' liability shall not exceed the limit of liability under the policy in force at the time such **Loss** was sustained or the applicable Limit of Liability shown under the Coverage Schedule in the Declarations, whichever is less.

In the event that a **Loss** is covered under this Policy and another policy, it is hereby agreed that the applicable insuring agreement deductible for this Policy shall be reduced by the applicable deductible of the other policy.

Coverage will be available for **Loss** sustained at any time and **Discovered** during the **Policy Period**, provided that coverage for loss sustained prior to the effective date of this **Policy Period**, or the effective date of coverage for any additional **Insureds**, or the effective date of any coverage added by endorsement, is subject to the following:

1. if an **Insured** or some predecessor in interest of such **Insured** carried a prior bond or policy which afforded coverage for a loss sustained during the period of such prior bond or policy and such prior bond or policy was not issued by the Underwriters or its affiliates and such loss was first **Discovered** by an **Insured** prior to the expiration of the time allowed for discovery under the last such policy, then no coverage shall be available under this Policy, unless the total amount of covered loss exceeds the limit of liability of the last such bond or policy carried by the **Insured** or predecessor in interest of such **Insured**, and the Company's Limit of Liability for any such loss will be in excess of the limit of liability of the last bond or policy subject to all of the terms and conditions of this Policy; or

2. if an **Insured** or some predecessor in interest of such **Insured** carried a prior bond or policy which afforded coverage for a loss sustained during the period of such prior bond or policy and such prior bond or policy was issued by the Underwriters or its affiliates then such prior bond or policy shall terminate as of the inception of this Policy and such prior bond or policy shall not cover any loss not discovered and noticed to the Underwriters prior to the inception of this Policy then the Underwriters' Limit of Liability for such loss shall be the applicable Limit of Liability shown under the Coverage Schedule in the Declarations.

First Named Insured's Rights and Obligations

By acceptance of this Policy, the **Insured** agrees that the first named **Insured** shall act on behalf of all **Insureds** with respect to:

1. the filing of notice or proof of loss in accordance with the Notices and Proof of Loss provisions of this Policy;

2. the filing of a claim, adjustment of the amount of **Loss**, receipt or enforcement of payment of a **Loss**;

3. the payment of premium for, the acceptance of amendments to, or termination of, this Policy; and

4. the return of any premiums by the Underwriters to the **Insured**.

Other Insurance

The insurance under this Policy will apply in excess of any other valid and collectible insurance available to any **Insured** unless such other insurance is written only as specific excess insurance over this Policy.

Ownership of Property; Interests Covered

This Policy covers only **Money**, **Securities** or **Property**:

1. that the **Insured** owns or leases;

2. that the **Insured** holds for others;

3. for which the **Insured** is legally liable; or

4. under the Client Property Coverage insuring agreement only;

   (i) that a **Client** owns or leases;

   (ii) that a **Client** holds for others; or

   (iii) for which a **Client** is legally liable

   while the **Money**, **Securities** or **Property** is inside the interior of that portion of any building the **Client** occupies in conducting its business.
   However, this Policy is for the **Insured's** benefit only. It provides no rights or benefits to any other person or entity. Any claim for loss that is covered under this Policy must be presented by the **Insured.**

Territory

This Policy shall apply to **Loss** of the **Insured** occurring anywhere in the world.

Valuation and Currency

In the event of a covered loss of **Money**, **Securities** or **Property**, the Underwriters shall pay, subject to Limits of Liability and Coverage, Non-Accumulation of Liability, Deductible and Discovery provisions of this Policy:

1. the least of:

   (i) the face value of **Money**; or

   (ii) the United States dollar value of foreign currency based on the rate of exchange published in *The Wall Street Journal* on the day **Loss** involving foreign currency is **Discovered**.

2. the least of:

   (i) the closing price of **Securities** on the business day immediately preceding the day on which a loss is **Discovered**; or

   (ii) the cost of replacing **Securities**; or

   (iii) the cost to post a lost instrument bond.

3. the cost of blank materials, such as blank books, pages or tapes;

4. the least of:

   (i) the actual cash value of the **Property** at the time the **Loss** was sustained; or

   (ii) the cost to repair or replace the **Property** with that of similar quality and value at the time an **Insured** complies with the Proof of Loss provision of this policy regarding the furnishing of proof of loss.

Recoveries

Recoveries, whether effected by the Underwriters or by the **Insured**, less the cost of recovery, shall be distributed as follows:

1. first, to the **Insured** for the amount of **Loss** otherwise covered but in excess of the Limits of Liability;

2. second, to the Underwriters for the amount paid to the **Insured** for covered **Loss**;

3. third, to the **Insured** for the Deductible; and

4. fourth, to the **Insured** for **Loss** specifically excluded hereunder.

Recovery from reinsurance or indemnity of the Underwriters shall not be deemed a recovery hereunder.

Subrogation

In the event of any payment under this Policy, the Underwriters shall be subrogated to the extent of such payment to the **Insured's** rights of recovery and the **Insured** shall execute all papers required and shall do everything necessary to secure and preserve such rights, including the execution of such documents necessary to enable the Underwriters effectively to bring suit in the name of the **Insured**.

No Action Against the Insurer

No action shall lie against the Underwriters unless, as a condition precedent thereto,

there has been full compliance with all the terms of this Policy. No person or entity shall have any right under this Policy to join the Underwriters as a party to any action against the **Insured** to determine the **Insured's** liability, nor shall the Underwriters be impleaded by the **Insured** or their legal representatives.

Entire Agreement; Alteration and Assignment of Interest

The **Insured** agrees that this Policy, including the Declarations, constitutes the entire agreement between the **Insured** and the Underwriters or any of their agents or brokers. No change in, modification of, or assignment of interest under this Policy shall be effective except when made by a written endorsement to this Policy which is issued by the Underwriters. Notice to or knowledge possessed by the Underwriters, the **Insured** or any agent, broker or other person acting on behalf of the **Insured** or the Underwriters shall not effect a waiver of or stop the Underwriters from asserting any rights under this Policy.

Concealment, Misrepresentation or Fraud

This Policy is void in any case of fraud by the **Insured** as it related to this Policy at any time. It is also void if the **Insured**, at any time, in the application or otherwise, intentionally conceals or misrepresents a material fact concerning:

1. this Policy;

2. any **Money**, **Securities** or **Property** covered under this Policy;

3. the **Insured's** interest in any **Money**, **Securities** or **Property** covered under this Policy; or

4. any claim under this Policy.

Employee Benefit ERISA Plan Provisions

In compliance with certain provisions of ERISA:

1. If any **ERISA Plan** is insured jointly with any other entity under this insurance, the **Insured** or the **ERISA Plan** administrator must select a limit of liability under the Employee Dishonesty insuring agreement that is sufficient to provide an amount of insurance for each **ERISA Plan** that is at least equal to that required if each **ERISA Plan** was separately insured.

2. If the **Insured** first named under the General Information in the Declarations is an entity other than a **ERISA Plan**, any payment the Underwriters makes to that **Insured** for **Loss** sustained by any **ERISA Plan** will be held by that **Insured** for the use and benefit of the **ERISA Plan(s)** sustaining the **Loss**.

3. If two or more **ERISA Plans** are insured under this insurance, any payment the Underwriters makes for **Loss**:

   (i) sustained by two or more plans; or

   (ii) of commingled funds or other property of two or more **ERISA Plans**;

   is to be shared by each **ERISA Plan** sustaining **Loss** in the proportion that the amount of insurance required for each such **ERISA Plan** under ERISA provisions bears to the total of those amounts.

4. The Deductible applicable to the Employee Dishonesty insuring agreement does not apply to **Loss** sustained by any **ERISA Plan** subject to ERISA which is insured under this insurance.

        (vi) a determination by the Commissioner that the loss of, or changes in, an underwriter's reinsurance covering all or part of the risk would threaten the financial integrity or solvency of the Underwriters;

        (vii) a determination by the Commissioner that a continuation of the Policy coverage would place the Underwriters in violation of the laws of this State or the state of its domicile or that the continuation of coverage would threaten the solvency of the Underwriters; or

        (viii) a change by the **Insured** or his or her representative in the activities or property of the commercial or industrial enterprise which results in a material added risk, a materially increased risk or a materially changed risk, unless the added, increased, or changed risk is included in the Policy.

IMPORTANT NOTICE:

1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called "nonadmitted" or "surplus line" insurers.

2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.

3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.

4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or "surplus line" broker or contact the California Department of Insurance at the toll-free number 1–800–927–4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC's internet website at www.naic.org. The NAIC—The National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.

5. Foreign insurers should be licensed by a state in the United States and you may contact that state's department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.

Coalition®

6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.

7. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet web site of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage the premium will be prorated and any broker's fee charged for this insurance will be returned to you.

YOUR OBLIGATIONS AS AN INSURED

WHEN THERE IS A CLAIM OR INCIDENT	You must provide **us** written notice of a **claim** or **incident** through the persons named in Item 8. of the Declarations as soon as practicable once such **claim** or **incident** is known to a **senior executive**. In no event will such notice to **us** be later than: (i) the end of the **policy period**; (ii) or 60 days after the end of the **policy period** for **claims** made against you or **incidents** discovered by **you** in the last 30 days of the **policy period**.
WHEN THERE IS A CIRCUMSTANCE	If during the **policy period**, **you** become aware of any circumstances that could reasonably be expected to give rise to a **claim**, **you** may give written notice to **us** through the persons named in Item 8. of the Declarations as soon as practicable during the **policy period**. Such notice must include: 1. a detailed description of the act, event, **security failure**, or **data breach** that could reasonably be the basis for a **claim**; 2. the details of how you first became aware of the act, event, **security failure**, or **data breach**; and 3. the identity of potential claimants. Any **claim** arising out of a circumstance reported under this Section will be deemed to have been made and reported at the time written notice complying with the above requirements is provided to **us**.
DUTY TO COOPERATE	**We** will have the right to make any investigation **we** deem necessary, and **you** will cooperate with **us** in all investigations, respond to reasonable requests for information, and execute all papers and render all assistance as requested by **us**. In addition, **you** will make reasonable efforts to promptly address any **computer systems** vulnerabilities that a **senior executive** becomes aware of during the **policy period**. **You** will also cooperate with counsel in the defense of all **claims** and response to all **incidents** and provide all information necessary for appropriate and effective representation. With respect to Section II.G, CYBER EXTORTION, **you** must make every reasonable effort not to divulge the existence of this coverage, without first seeking **our** prior consent.
OBLIGATION TO NOT INCUR ANY EXPENSE OR ADMIT LIABILITY	**You** will not admit liability, make any payment, assume any obligation, incur any expense, enter into any settlement, stipulate to any judgment, or award or dispose of any **claim** without **our** prior written consent, except as specifically provided in Section V, CLAIMS PROCESS. Compliance with **breach notice law** will not be considered as an admission of liability for purposes of this paragraph. Expenses incurred by **you** in assisting and cooperating with **us** do not constitute **claim expenses** or **loss** under this Policy.

OBLIGATION TO PRESERVE OUR RIGHT OF SUBROGATION	In the event of any payment by **us** under this Policy, **we** will be subrogated to all of **your** rights of recovery. **You** will do everything necessary to secure and preserve such subrogation rights, including the execution of any documents necessary to enable **us** to bring suit in **your** name. **You** will not do anything after an **incident** or event giving rise to a **claim** or **loss** to prejudice such subrogation rights without first obtaining **our** consent.

CLAIMS PROCESS

DEFENSE

We will have the right and duty to defend, subject to the Limits of Liability and applicable Retention(s), exclusions, conditions, and other terms of this Policy:

1. any **claim** against **you** seeking **damages** that are payable under the terms of this Policy; or
2. under Section II.B, REGULATORY DEFENSE AND PENALTIES, any **claim** in the form of a **regulatory proceeding**.

You have the right to select defense counsel from **our** Panel Providers. If **you** would like to retain defense counsel that is not on **our** list of Panel Providers, such counsel will be mutually agreed upon between **you** and **us**, which agreement will not be unreasonably withheld.

We will pay **claim expenses** incurred with **our** prior written consent with respect to any **claim** seeking **damages** or **regulatory penalties** payable under this Policy. **We** will have no obligation to pay **claim expenses** until **you** have satisfied the applicable Retention.

The Limits of Liability of this Policy will be reduced and may be completely exhausted by payment of **claim expenses**. **Our** duty to defend ends once the applicable Limit of Liability is exhausted, or after deposit of the amount remaining on the applicable Limit of Liability in a court of competent jurisdiction. Upon such payment, **we** will have the right to withdraw from the defense of the **claim**.

RIGHT TO ASSOCIATE

We have the right, but not the duty, to associate in the investigation and response to any **incident**, including participation in the formation of strategy and review of forensic investigations and reports.

PRE-CLAIM ASSISTANCE

If **we** are provided with notice of an **incident** or of a circumstance that is not yet a **claim** or **incident** under Section IV, YOUR OBLIGATIONS AS AN INSURED, and **you** request **our** assistance to mitigate against such a **claim** or **incident**, **we** may, in **our** discretion, agree to pay for up to the amount shown in Item 6. of the Declarations in legal, forensic, and IT fees. Any such fees must be incurred with **our** prior consent by an attorney or consultant we have mutually agreed upon. Such attorney's and consultant's fees will be considered **claim expenses** or **loss** and will be subject to the Limits of Liability that would be applicable if a covered **claim** is made, and is also subject to the Policy's Aggregate Limit of Liability.

SETTLEMENT

If **you** refuse to consent to any settlement or compromise recommended by **us** and acceptable to the claimant, **our** liability for such **claim** will not exceed:

1. the amount for which such **claim** could have been settled, less the retention, plus **claim expenses** incurred up to the time of such refusal; and
2. fifty percent (50%) of **claim expenses** incurred after such settlement was refused by **you**, plus fifty percent (50%) of **damages** and **regulatory penalties** in excess of the amount such **claim** could have settled under such settlement.

In this event, **we** will have the right to withdraw from the further defense of such **claim** or **regulatory proceeding** by tendering control of the defense thereof to **you**. The operation of this paragraph will be subject to the Limits of Liability and Retention provisions of this Policy.

SETTLEMENT WITHIN RETENTION

We agree that **you** may settle any **claim** where the total **loss**, **damages**, **regulatory penalties**, **PCI fines and assessments**, and **claim expenses** do not exceed the applicable Retention, provided the entire **claim** is resolved and **you** obtain a full release from all claimants.

PROOF OF LOSS

With respect to **business interruption loss** and **extra expenses, you** must complete and sign a written, detailed, and affirmed proof of loss within 90 days after **your** discovery of the **computer systems** failure (unless such period has been extended by the underwriters in writing) which will include, at a minimum, the following information:

1. a full description of the circumstances, including, without limitation, the time, place, and cause of the **loss**;
2. a detailed calculation of any **business interruption loss** and **extra expenses**; and all underlying documents and materials that reasonably relate to or form part of the basis of the proof of such **business interruption loss** and **extra expenses**.

Any costs incurred by **you** in connection with establishing or proving **business interruption loss** or **extra expenses**, including preparing a proof of loss, will be **your** obligation and is not covered under this Policy.

Solely with respect to verification of **business interruption loss**, **you** agree to allow **us** to examine and audit **your** books and records that relate to this Policy at any time during the **policy period** and up to 12 months following a **loss**.

SECTION VI

LIMITS OF LIABILITY AND RETENTION

LIMITS OF LIABILITY

The Aggregate Limit of Liability set forth in Item 4. of the Declarations is the maximum amount we will be liable to pay for all **damages**, **loss**, **PCI fines and assessments**, **regulatory penalties**, **claim expenses**, and other amounts under this Policy, regardless of the number of **claims, incidents**, or **insureds**.

The Limits of Liability set forth in Item 5. of the Declarations is the maximum amount we will be liable to pay for all **damages**, **loss**, **PCI fines and assessments**, **regulatory penalties**, **claim expenses**, and other amounts under each Insuring Agreement, regardless of the number of **claims, incidents,** or **insureds**. Such Limits of Liability are part of, and not in addition to, the Aggregate Limit of Liability. The reference to applicable Limits of Liability herein refers to each participating Insurer's individual Quota Share Limit of Liability as stated in Item 7. of the Declarations.

Our Limits of Liability for an Optional Extended Reporting Period, if applicable, will be part of, and not in addition to the Aggregate Limit of Liability set forth in Item 4. of the Declarations.

RETENTION

We will only be liable for those amounts payable under this Policy which are in excess of the applicable Retention(s). Such Retention(s) must be paid by **you** and cannot be insured.

In the event that **damages**, **PCI fines and assessments**, **regulatory penalties**, **claim expenses**, **breach response costs**, **business interruption loss**, **crisis management costs**, **cyber extortion expenses**, **extra expenses**, **funds transfer loss**, **restoration costs**, or other amounts arising out of a **claim** or **incident** are subject to more than one Retention, the applicable Retention amount will apply to such **damages**, **PCI fines and assessments**, **regulatory penalties**, **claim expenses**, **breach response costs**, **business interruption loss**, **crisis management costs**, **cyber extortion expenses**, **extra expenses**, **funds transfer loss**, **restoration costs**, or other amounts, provided that the sum of such Retention amounts will not exceed the largest applicable Retention amount.

SECTION VII

CANCELLATION AND OPTIONAL EXTENDED REPORTING PERIOD

CANCELLATION AND NON-RENEWAL

We may cancel or elect not to renew this Policy by mailing to the **named insured** at the address shown in Item 1. of the Declarations, written notice stating when the cancellation or non-renewal will be effective. Where permitted by applicable law, we may provide such written notice of cancellation or non-renewal by electronic transmission. Such cancellation or non-renewal will not be less than sixty (60) days after such notice is mailed (or ten (10) days thereafter when cancellation is due to non-payment of premium or fraud or material misrepresentation). The mailing of such notice as aforesaid will be sufficient proof of notice and this Policy will terminate at the date and hour specified in such notice.

This Policy may be cancelled by **us** for non-payment of premium, or by fraud or material misrepresentation by **you** in the **application** or other information provided to induce **us** to issue this Policy; or fraud by **you** in connection with the submission of any **claim** or **incident** for coverage under this Policy.

This Policy may be cancelled by the **named insured** by surrender of this Policy to **us** or by giving written notice to **us** stating when thereafter such cancellation will be effective.

If this Policy is cancelled in accordance with the paragraphs above, the earned premium will be computed pro rata, but the premium will be deemed fully earned if any **claim**, **incident**, or any circumstance that could reasonably be expected to give rise to a **claim**, is reported to **us** on or before the date of cancellation.

If **we** elect not to renew this Policy, **we** shall mail to **you** written notice thereof at least sixty (60) days prior to the expiration of the **policy period**.

We have no obligation to renew this Policy.

OPTIONAL EXTENDED REPORTING PERIOD

In the event of cancellation or non-renewal of this Policy, by either the **named insured** or **us**, for reasons other than fraud or material misrepresentation in the **application** for this Policy, or non-payment of premium or Retention, the **named insured** will have the right, upon payment in full of an additional premium, to purchase an Optional Extended Reporting Period under this Policy, subject to all terms, conditions, limitations of, and any endorsements to this Policy, for a period of either:

a. one year for an additional premium of 100% of the total annual premium; or
b. two years for an additional premium of 150% of the total annual premium; or
c. three years for an additional premium of 200% of the total annual premium

following the effective date of such cancellation or non-renewal.

Such Optional Extended Reporting Period applies only to a **claim** first made against you during the Optional Extended Reporting Period arising out of any act, error, or omission committed on or after the **retroactive date** and before the end of the **policy period**, subject to the Retention, Limits of Liability, exclusions, conditions, and other terms of this Policy. The offer of renewal terms, conditions, Limits of Liability, and/or premiums different from those of this Policy will not constitute a cancellation or refusal to renew.

The Optional Extended Reporting Period will terminate on the effective date and hour of any other insurance issued to the **named insured** or the **named insured's** successor that replaces in whole or in part the coverage afforded by the Optional Extended Reporting Period.

The **named insured's** right to purchase the Optional Extended Reporting Period must be exercised in writing no later than sixty (60) days following the cancellation or non-renewal date of this Policy, and must include payment of premium for the applicable Optional Extended Reporting Period as well as payment of all premiums due to **us**. If such written notice is not given to **us**, the **named insured** will not, at a later date, be able to exercise such right.

At the commencement of any Optional Extended Reporting Period, the entire premium thereafter will be deemed earned and in the event the **named insured** terminates the Optional Extended Reporting Period before its expiring date, **we** will not be liable to return any portion of the premium for the Optional Extended Reporting Period.

The fact that the time to report **claims** under this Policy may be extended by virtue of an Optional Extended Reporting Period will not in any way increase the Limits of Liability, and any amounts incurred during the Optional Extended Reporting Period will be part of, and not in addition to

the Limits of Liability as stated in the Declarations. The Optional Extended Reporting Period will be renewable at **our** sole option.

SECTION VIII

IMPORTANT NOTICE:

1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called "nonadmitted" or "surplus line" insurers.

2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.

3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.

4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or "surplus line" broker or contact the California Department of Insurance at the toll-free number 1–800–927–4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC's internet website at www.naic.org. The NAIC—The National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.

5. Foreign insurers should be licensed by a state in the United States and you may contact that state's department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.

Coalition®

6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.

7. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet web site of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage the premium will be prorated and any broker's fee charged for this insurance will be returned to you.

YOUR OBLIGATIONS AS AN INSURED

WHEN THERE IS A CLAIM OR INCIDENT	You must provide **us** written notice of a **claim** or **incident** through the persons named in Item 8. of the Declarations as soon as practicable once such **claim** or **incident** is known to a **senior executive**. In no event will such notice to **us** be later than: (i) the end of the **policy period**; (ii) or 60 days after the end of the **policy period** for **claims** made against you or **incidents** discovered by **you** in the last 30 days of the **policy period**.
WHEN THERE IS A CIRCUMSTANCE	If during the **policy period**, **you** become aware of any circumstances that could reasonably be expected to give rise to a **claim**, **you** may give written notice to **us** through the persons named in Item 8. of the Declarations as soon as practicable during the **policy period**. Such notice must include: 1. a detailed description of the act, event, **security failure**, or **data breach** that could reasonably be the basis for a **claim**; 2. the details of how you first became aware of the act, event, **security failure**, or **data breach**; and 3. the identity of potential claimants. Any **claim** arising out of a circumstance reported under this Section will be deemed to have been made and reported at the time written notice complying with the above requirements is provided to **us**.
DUTY TO COOPERATE	**We** will have the right to make any investigation **we** deem necessary, and **you** will cooperate with **us** in all investigations, respond to reasonable requests for information, and execute all papers and render all assistance as requested by **us**. In addition, **you** will make reasonable efforts to promptly address any **computer systems** vulnerabilities that a **senior executive** becomes aware of during the **policy period**. **You** will also cooperate with counsel in the defense of all **claims** and response to all **incidents** and provide all information necessary for appropriate and effective representation. With respect to Section II.G, CYBER EXTORTION, **you** must make every reasonable effort not to divulge the existence of this coverage, without first seeking **our** prior consent.
OBLIGATION TO NOT INCUR ANY EXPENSE OR ADMIT LIABILITY	**You** will not admit liability, make any payment, assume any obligation, incur any expense, enter into any settlement, stipulate to any judgment, or award or dispose of any **claim** without **our** prior written consent, except as specifically provided in Section V, CLAIMS PROCESS. Compliance with **breach notice law** will not be considered as an admission of liability for purposes of this paragraph. Expenses incurred by **you** in assisting and cooperating with **us** do not constitute **claim expenses** or **loss** under this Policy.

OBLIGATION TO PRESERVE OUR RIGHT OF SUBROGATION	In the event of any payment by **us** under this Policy, **we** will be subrogated to all of **your** rights of recovery. **You** will do everything necessary to secure and preserve such subrogation rights, including the execution of any documents necessary to enable **us** to bring suit in **your** name. **You** will not do anything after an **incident** or event giving rise to a **claim** or **loss** to prejudice such subrogation rights without first obtaining **our** consent.
AUTHORIZATION OF NAMED INSURED TO ACT ON BEHALF OF ALL INSUREDS	It is agreed that the **named insured** shall act on behalf of all **insureds** with respect to the giving of notice of a **claim**, giving and receiving of notice of cancellation and non-renewal, payment of premiums and receipt of any return premiums that may become due under this Policy, receipt and acceptance of any endorsements issued to form a part of this Policy, exercising or declining of the right to tender the defense of a **claim** to **us**, and exercising or declining to exercise of any right to an Optional Extended Reporting Period.

2. under Section II.B, REGULATORY DEFENSE AND PENALTIES, any **claim** in the form of a **regulatory proceeding**.

You have the right to select defense counsel from **our** Panel Providers. If **you** would like to retain defense counsel that is not on **our** list of Panel Providers, such counsel will be mutually agreed upon between **you** and **us**, which agreement will not be unreasonably withheld.

We will pay **claim expenses** incurred with **our** prior written consent with respect to any **claim** seeking **damages** or **regulatory penalties** payable under this Policy. **We** will have no obligation to pay **claim expenses** until **you** have satisfied the applicable Retention.

The Limits of Liability of this Policy will be reduced and may be completely exhausted by payment of **claim expenses**. **Our** duty to defend ends once the applicable Limit of Liability is exhausted, or after deposit of the amount remaining on the applicable Limit of Liability in a court of competent jurisdiction. Upon such payment, **we** will have the right to withdraw from the defense of the **claim**.

RIGHT TO ASSOCIATE

We have the right, but not the duty, to associate in the investigation and response to any **incident**, including participation in the formation of strategy and review of forensic investigations and reports.

PRE-CLAIM ASSISTANCE	If **we** are provided with notice of an **incident** or of a circumstance that is not yet a **claim** or **incident** under Section IV, YOUR OBLIGATIONS AS AN INSURED, and **you** request **our** assistance to mitigate against such a **claim** or **incident**, **we** may, in **our** discretion, agree to pay for up to the amount shown in Item 6. of the Declarations in legal, forensic, and IT fees. Any such fees must be incurred with **our** prior consent by an attorney or consultant we have mutually agreed upon. Such attorney's and consultant's fees will be considered **claim expenses** or **loss** and will be subject to the Limits of Liability that would be applicable if a covered **claim** is made, and is also subject to the Policy's Aggregate Limit of Liability.
SETTLEMENT	If **you** refuse to consent to any settlement or compromise recommended by **us** and acceptable to the claimant, **our** liability for such **claim** will not exceed: 1. the amount for which such **claim** could have been settled, less the retention, plus **claim expenses** incurred up to the time of such refusal; and 2. fifty percent (50%) of **claim expenses** incurred after such settlement was refused by **you**, plus fifty percent (50%) of **damages** and **regulatory penalties** in excess of the amount such **claim** could have settled under such settlement. In this event, **we** will have the right to withdraw from the further defense of such **claim** or **regulatory proceeding** by tendering control of the defense thereof to **you**. The operation of this paragraph will be subject to the Limits of Liability and Retention provisions of this Policy.
SETTLEMENT WITHIN RETENTION	**We** agree that **you** may settle any **claim** where the total **loss**, **damages**, **regulatory penalties**, **PCI fines and assessments**, and **claim expenses** do not exceed the applicable Retention, provided the entire **claim** is resolved and **you** obtain a full release from all claimants.

PROOF OF LOSS

With respect to **business interruption loss** and **extra expenses, you** must complete and sign a written, detailed, and affirmed proof of loss within 90 days after **your** discovery of the **computer systems** failure (unless such period has been extended by the underwriters in writing) which will include, at a minimum, the following information:

Any costs incurred by **you** in connection with establishing or proving **business interruption loss** or **extra expenses**, including preparing a proof of loss, will be **your** obligation and is not covered under this Policy.

Solely with respect to verification of **business interruption loss**, **you** agree to allow **us** to examine and audit **your** books and records that relate to this Policy at any time during the **policy period** and up to 12 months following a **loss**.

SECTION VI

LIMITS OF LIABILITY AND RETENTION

LIMITS OF LIABILITY

The Aggregate Limit of Liability set forth in Item 4. of the Declarations is the maximum amount we will be liable to pay for all **damages**, **loss**, **PCI fines and assessments**, **regulatory penalties**, **claim expenses**, and other amounts under this Policy, regardless of the number of **claims, incidents**, or **insureds**.

The Limits of Liability set forth in Item 5. of the Declarations is the maximum amount we will be liable to pay for all **damages**, **loss**, **PCI fines and assessments**, **regulatory penalties**, **claim expenses**, and other amounts under each Insuring Agreement, regardless of the number of **claims, incidents,** or **insureds**. Such Limits of Liability are part of, and not in addition to, the Aggregate Limit of Liability. The reference to applicable Limits of Liability herein refers to each participating Insurer's individual Quota Share Limit of Liability as stated in Item 7. of the Declarations.

Our Limits of Liability for an Optional Extended Reporting Period, if applicable, will be part of, and not in addition to the Aggregate Limit of Liability set forth in Item 4. of the Declarations.

RETENTION

We will only be liable for those amounts payable under this Policy which are in excess of the applicable Retention(s). Such Retention(s) must be paid by **you** and cannot be insured.

In the event that **damages**, **PCI fines and assessments**, **regulatory penalties**, **claim expenses**, **breach response costs**, **business interruption loss**, **crisis management costs**, **cyber extortion expenses**, **extra expenses**, **funds transfer loss**, **restoration costs**, or other amounts arising out of a **claim** or **incident** are subject to more than one Retention, the applicable Retention amount will apply to such **damages**, **PCI fines and assessments**, **regulatory penalties**, **claim expenses**, **breach response costs**, **business interruption loss**, **crisis management costs**, **cyber extortion expenses**, **extra expenses**, **funds transfer loss**, **restoration costs**, or other amounts, provided that the sum of such Retention amounts will not exceed the largest applicable Retention amount.

SECTION VII

CANCELLATION AND OPTIONAL EXTENDED REPORTING PERIOD

CANCELLATION AND NON-RENEWAL

We may cancel or elect not to renew this Policy by mailing to the **named insured** at the address shown in Item 1. of the Declarations, written notice stating when the cancellation or non-renewal will be effective. Where permitted by applicable law, we may provide such written notice of cancellation or non-renewal by electronic transmission. Such cancellation or non-renewal will not be less than sixty (60) days after such notice is mailed (or ten (10) days thereafter when cancellation is due to non-payment of premium or fraud or material misrepresentation). The mailing of such notice as aforesaid will be sufficient proof of notice and this Policy will terminate at the date and hour specified in such notice.

This Policy may be cancelled by **us** for non-payment of premium, or by fraud or material misrepresentation by **you** in the **application** or other information provided to induce **us** to issue this Policy; or fraud by **you** in connection with the submission of any **claim** or **incident** for coverage under this Policy.

This Policy may be cancelled by the **named insured** by surrender of this Policy to **us** or by giving written notice to **us** stating when thereafter such cancellation will be effective.

If this Policy is cancelled in accordance with the paragraphs above, the earned premium will be computed pro rata, but the premium will be deemed fully earned if any **claim**, **incident**, or any circumstance that could reasonably be expected to give rise to a **claim**, is reported to **us** on or before the date of cancellation.

If **we** elect not to renew this Policy, **we** shall mail to **you** written notice thereof at least sixty (60) days prior to the expiration of the **policy period**.

We have no obligation to renew this Policy.

OPTIONAL EXTENDED REPORTING PERIOD

In the event of cancellation or non-renewal of this Policy, by either the **named insured** or **us**, for reasons other than fraud or material misrepresentation in the **application** for this Policy, or non-payment of premium or Retention, the **named insured** will have the right, upon payment in full of an additional premium, to purchase an Optional Extended Reporting Period under this Policy, subject to all terms, conditions, limitations of, and any endorsements to this Policy, for a period of either:

a. one year for an additional premium of 100% of the total annual premium; or
b. two years for an additional premium of 150% of the total annual premium; or
c. three years for an additional premium of 200% of the total annual premium

following the effective date of such cancellation or non-renewal.

Such Optional Extended Reporting Period applies only to a **claim** first made against you during the Optional Extended Reporting Period arising out of any act, error, or omission committed on or after the **retroactive date** and before the end of the **policy period**, subject to the Retention, Limits of Liability, exclusions, conditions, and other terms of this Policy. The offer of renewal terms, conditions, Limits of Liability, and/or premiums different from those of this Policy will not constitute a cancellation or refusal to renew.

The Optional Extended Reporting Period will terminate on the effective date and hour of any other insurance issued to the **named insured** or the **named insured's** successor that replaces in whole or in part the coverage afforded by the Optional Extended Reporting Period.

The **named insured's** right to purchase the Optional Extended Reporting Period must be exercised in writing no later than sixty (60) days following the cancellation or non-renewal date of this Policy, and must include payment of premium for the applicable Optional Extended Reporting Period as well as payment of all premiums due to **us**. If such written notice is not given to **us**, the **named insured** will not, at a later date, be able to exercise such right.

At the commencement of any Optional Extended Reporting Period, the entire premium thereafter will be deemed earned and in the event the **named insured** terminates the Optional Extended Reporting Period before its expiring date, **we** will not be liable to return any portion of the premium for the Optional Extended Reporting Period.

The fact that the time to report **claims** under this Policy may be extended by virtue of an Optional Extended Reporting Period will not in any way increase the Limits of Liability, and any amounts incurred during the Optional Extended Reporting Period will be part of, and not in addition to

the Limits of Liability as stated in the Declarations. The Optional Extended Reporting Period will be renewable at **our** sole option.

IMPORTANT NOTICE:

1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called "nonadmitted" or "surplus line" insurers.

2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.

3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.

4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or "surplus line" broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC's internet website at www.naic.org. The NAIC—the National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.

5. Foreign insurers should be licensed by a state in the United States and you may contact that state's department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.

6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on

the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.

7. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker's fee charged for this insurance will be returned to you.

In the event any entity ceases to be a **Subsidiary** as defined herein after the inception date of this **Policy**, or of any policy issued by Underwriters of which this **Policy** is a renewal or replacement, this **Policy**, subject to its terms, shall continue to apply to any of the **Insured Persons** who were covered under this **Policy**, or under any policy issued by Underwriters of which this **Policy** is a renewal or replacement, because of their service with such entity and to such **Subsidiary**.

III. EXCLUSIONS

Underwriters shall not be liable to pay **Loss** or to defend under this **Policy** in connection with any **Claim**:

1. based upon, arising out of, directly or indirectly resulting from, in consequence of, or in any way involving, in whole or in part:

   a) any **Employment Practices Wrongful Act** or any fact, circumstance, transaction or situation which has been the subject of any notice given prior to the **Policy Period** under any other Employment Practices Liability insurance policy or any insurance policy of which this **Policy** is a renewal, replacement or succeeds in time; or

   b) any other **Employment Practices Wrongful Act** or whenever occurring, which, together with an **Employment Practices Wrongful Act** which has been the subject of such prior notice, would constitute **Interrelated Wrongful Acts**;

b) any fact, circumstance, situation, transaction or event or series of similar facts, circumstances, situations, transactions or events underlying or alleged in such litigation, suit, administrative or regulatory proceeding, written demand, formal or informal governmental investigation or inquiry, including but not limited to any investigation by the Department of Labor or the Equal Employment Opportunity Commission, or order, decree, or judgment entered, which any of the **Insureds** had knowledge of prior to the **Continuity Date**;

(if purchased), or in the event such **Claim** also alleges an **Employment Practices Wrongful Act** otherwise covered by this **Policy** and notwithstanding the provisions of Clause I. of the General Conditions and subject to all other terms, conditions and exclusions contained in this **Policy**, this exclusion does not apply to **Loss** solely applicable to that portion of the **Claim** alleging such otherwise covered **Employment Practices Wrongful Act**;

b) **Immigration Practices Law** (except coverage afforded under Insuring Clause I.C., if purchased);

7. under Insuring Clause I.B.:

happened or first commenced prior to the **Wage and Hour Claim Retroactive Date**;

8. under Insuring Clause I.C., that alleges violations of any **Immigration Practices Law** if any member of the **Management Team** was aware of such alleged violations of or non-compliance with such **Immigration Practices Law** prior to the **Continuity Date** noted in Item 9. of the Declarations; or upon a judgment, final adjudication or admission of a violation of any **Immigration Practices Law**;

For the purposes of determining the applicability of these Exclusions, no **Employment Practices Wrongful Act** of an **Insured** shall be imputed to any other **Insured.**

IV. GENERAL CONDITIONS

A. LIMITS OF LIABILITY AND RETENTIONS

1. The amount shown in Item 3. of the Declarations shall be Underwriters' Maximum Aggregate Limit of Liability for all **Claims** under the **Policy**.

2. More than one **Claim** involving the same **Employment Practices Wrongful Act** or **Interrelated Wrongful Acts** shall be deemed to constitute a single **Claim** and shall be deemed to have been made at the earliest of the following times:

a) the time at which the earliest **Claim** involving the same **Employment Practices Wrongful Act** or **Interrelated Wrongful Acts** is first made; or

b) the time at which the **Claim** involving the same **Employment Practices Wrongful Act** or **Interrelated Wrongful Acts** shall be deemed to have been made pursuant to Clause IV.B.2., below.

3. Payments of **Loss** by Underwriters shall reduce the Limit of Liability under this Policy.

4. If the Additional **Defense Costs** Limit of Liability is purchased as indicated in Item 3. of the Declarations, the Additional **Defense Costs** Limit of Liability is in addition to and not part of the Maximum Aggregate Limit of Liability as set forth in Item 3. of the Declarations. In no event

shall the Additional **Defense Costs** Limit of Liability apply to **Loss** other than **Defense Costs.**

5. The Additional **Defense Costs** Limit of Liability shall apply first to pay **Defense Costs** resulting from any **Claim** against any **Insureds** covered under this **Policy**. In the event **Defense Costs** for any **Claim** or all **Claims** combined exceeds the Additional **Defense Costs** Limit of Liability, Underwriters shall continue to defend any **Claim**, but **Defense Costs** will thereafter reduce the Maximum Aggregate Limit of Liability as set forth in Item 3. of the Declarations.

6. Underwriters' right and duty to defend ends when the Limit of Liability as set forth in Item 3. of the Declarations has been exhausted by payment of **Defense Costs** in excess of the Additional **Defense Costs** Limit of Liability (if purchased) and all other **Loss.**

7. Underwriters shall be liable for only that part of **Loss** arising from a **Claim** which is excess of the applicable Retention set forth in Item 4. of the Declarations. Underwriters' liability with respect to **Loss**, including **Defense Costs**, arising from each **Claim** shall apply only to that part of **Loss**, including **Defense Costs**, in excess of the Retention amount set forth in Item 4. of the Declarations and that Retention amount will be the **Insured Organization's** uninsured responsibility. Underwriters shall have no responsibility to make any payment unless the Retention has been exhausted or unless the **Insured Organization** is unable to meet its uninsured responsibility on account of **Financial Impairment**. In such event, no Retention amount shall apply during the pendency of **Financial Impairment**.

8. In the event that any **Claim** or more than one **Claim** arising from **Interrelated Wrongful Acts** shall be covered, in whole or in part, under two or more Insuring Clauses, the total applicable Retention shall not exceed the single largest applicable Retention. Such largest applicable Retention shall apply only once to such **Claim**.

B. NOTIFICATION

1. As an express condition precedent to their rights to coverage under this **Policy**, the **Insureds** shall provide Underwriters with written notice of each and every **Claim** first made during the **Policy Period**, such notice to be provided as soon as practicable during the **Policy Period**, but in no event later than 90 days after the end of the **Policy Period**.

2. A **Claim** shall be deemed first made against the **Insureds** on the date a member of the **Management Team** of the **Insured Organization** becomes aware of such **Claim**.

3. If, during the **Policy Period**, any of the **Insureds** first become aware of specific facts or circumstances which may reasonably be expected to give rise to a future **Claim** covered under this **Policy**, and if the **Insureds**, during the **Policy Period**, give written notice to Underwriters as soon as practicable of:

a) a description of the facts, circumstances, or allegations anticipated;

b) the identity of potential claimants;

c) the circumstances by which the **Insureds** first became aware of the facts or circumstances;

d) the identity of the **Insureds** allegedly involved;

e) the consequences which have resulted or may result, and

f) the nature of the potential monetary damages and non-monetary relief;

then any **Claim** subsequently made arising out of such facts or circumstances shall be deemed for the purposes of this **Policy** to have been made at the time such notice is first given to Underwriters.

4. Notice to Underwriters shall be given to the firm shown under Item 8. of the Declarations for this **Policy**.

5. If the **Insured** has reported a **Claim** or circumstance likely to give rise to a **Claim** under this **Policy**, the premium will be deemed to be fully earned.

C. WARRANTY CLAUSE

The **Insureds** represent and warrant that the particulars and statements contained in the **Application** are true, accurate and complete, and agree that this **Policy** is issued in reliance on the truth of that representation, and that such particulars and statements, which are incorporated into and constitute a part of this **Policy**, are the basis of this **Policy** and are material to Underwriters' acceptance of this risk or the hazard assumed under this **Policy**.

The **Insureds** agree that in the event any such statements or representations are untrue, this **Policy** will not afford any coverage with respect to any of the following **Insureds**:

1. any **Insured** who knew the facts that were not truthfully disclosed in the **Application**, and

2. the **Insured Organization**, if the individual(s) who executed the Application knew the facts that were not truthfully disclosed.

No knowledge possessed by any **Insured** shall be imputed to any other **Insured**.

D. CANCELLATION CLAUSE

1. By acceptance of this **Policy**, the **Insureds** hereby confer the exclusive power and authority to cancel this **Policy** on their behalf to the **Named Insured**. Such entity may cancel this **Policy** by surrender thereof to

Underwriters, or by mailing to Underwriters written notice stating when thereafter such cancellation shall be effective. The mailing of this notice shall be sufficient notice and the effective date of cancellation stated in the notice shall become the end of the **Policy Period**. Electronic delivery of such written notice to the **Named Insured's** broker of record on file with Underwriters shall be equivalent to mailing.

2. Underwriters may cancel this **Policy** for non-payment of premium by mailing to the **Named Insured** written notice stating when, not less than 20 days thereafter, such cancellation shall be effective. Electronic delivery of such written notice to the **Named Insured's** broker of record on file with Underwriters shall be sufficient notice and the effective date of cancellation stated in the notice shall become the end of the **Policy Period**.

3. Electronic delivery of such written notice to the **Named Insured's** broker of record on file with Underwriters shall be the equivalent to mailing. If the foregoing notice period is in conflict with any governing law or regulation, then such period shall be amended to afford the minimum notice period permitted thereunder.

4. If this **Policy** is cancelled for any reason, Underwriters shall retain the pro-rata proportion of the premium hereon. Payment or tender of any unearned premium by Underwriters shall not be a condition precedent to the effectiveness of cancellation.

5. If the **Insured** has reported a **Claim** or circumstance likely to give rise to a **Claim** under this **Policy**, the premium will be deemed to be fully earned and there shall be no return premium to the **Insured**.

E. SPOUSAL AND DOMESTIC PARTNER EXTENSION

Underwriters agree to extend coverage under each to all persons who were, now are, or shall be the the lawful spouse or domestic partner of any of the natural person **Insureds**, but only to the extent the spouse or domestic partner is a party to any covered **Claim** solely because of his or her status as the spouse or domestic partner of any such persons and only for the purposes of any covered **Claim** seeking damages recoverable from marital community property, property jointly held by any such person and the spouse or domestic partner, or property transferred from any such person to the spouse or domestic partner, including their estates, heirs, legal representatives, trusts, estate planning vehicles or assigns in the event of their death, incapacity or bankruptcy.

F. INSURED ORGANIZATION AUTHORIZATION CLAUSE

By acceptance of this **Policy**, the **Named Insured** agrees to act on behalf of the **Insureds** with respect to the giving of all notice to Underwriters, the receiving of notice from Underwriters, the payment of the premium and the receipt of any return premium, and the **Insureds** agree that the **Named Insured** will act on their behalf.

G. OPTIONAL EXTENSION PERIOD

1. If this **Policy** is cancelled pursuant to Clause IV.D. or if Underwriters refuse to renew this **Policy** for reasons other than non-payment of premium or if the **Named Insured** elects not to renew this **Policy**, then the **Named Insured** shall have the right, upon payment of an additional premium calculated at that percentage shown in Item 6. of the Declarations of the total premium for this **Policy**, to an extension of the coverage granted by this **Policy** with respect to any **Claim** first made during the period of time set forth in Item 6. of the Declarations after the effective date of such cancellation or, in the event of such refusal to renew, after the **Policy** expiration date, but only with respect to any **Employment Practices Wrongful Act** committed before such date.

2. The quotation of a different premium, Retention, Limit of Liability, or Endorsement for renewal does not constitute a cancellation or refusal to renew for the purposes of this clause.

3. As a condition precedent to the right to purchase the **Optional Extension Period**, the total premium for the **Policy** must have been paid. The right to purchase the **Optional Extension Period** shall terminate unless written notice, together with full payment of the premium, for the **Optional Extension Period**, is received by Underwriters within 60 days after the effective date of cancellation, or, in the event of a refusal to renew, within 60 days after the **Policy** expiration date. If such notice and premium payment is not so given to Underwriters, there shall be no right to purchase the **Optional Extension Period.**

4. In the event of the purchase of the **Optional Extension Period**, the entire premium therefore shall be deemed earned at its commencement.

5. The exercise of the **Optional Extension Period** shall not in any way increase Underwriters' Limit of Liability under this **Policy**.

6. As an express condition precedent to their rights to coverage under this **Optional Extension Period**, the **Insureds** shall provide Underwriters with written notice of each and every **Claim** first made during the **Optional Extension Period**, such notice to be provided as soon as practicable during the **Optional Extension Period**, but in no event later than 90 days after the expiration of the **Optional Extension Period.** A **Claim** shall be deemed first made against the **Insureds** on the date a member of the **Management Team** of the **Insured Organization** becomes aware of such **Claim**.

7. If the **Optional Extension Period** is purchased then the **Optional Extension Period** shall mean **Policy Period**.

H. RUN-OFF COVERAGE

In the event of a **Takeover**:

1. The **Named Insured** shall have the right, upon payment of an additional premium calculated at that percentage shown in Item 7. of

the Declarations of the total premium for this **Policy**, to an extension of the coverage granted by this **Policy** with respect to any **Claim** first made during the **Run-Off Period**, as set forth in Item 7. of the Declarations, but only with respect to any **Employment Practices Wrongful Act** committed before the date of the **Takeover**; provided, however, that the additional premium shall be reduced by the amount of the unearned premium from the date of the **Takeover** through the expiration date set forth in Item 2. of the Declarations. This additional premium shall be deemed earned at the commencement of the **Run-Off Period**.

2. The election must be made in writing and full payment of the additional premium must be paid to Underwriters within 60 days after the **Takeover**.

3. If this extension of coverage is elected and purchased then:

   a) Clause IV.D., above, is deleted in its entirety, and

   b) Clause IV.G.., above, is deleted in its entirety.

4. The exercise of the **Run-Off Period** shall not in any way increase Underwriters' Limit of Liability under this **Policy**.

5. If the **Named Insured** fails to make the election and to purchase the additional **Run-Off Period**, the **Policy** will continue to provide coverage for any covered **Claim** first made during the **Policy Period**, but only with respect to any **Employment Practices Wrongful Act** that was committed before the date of the **Takeover**.

6. As an express condition precedent to their rights to coverage under this **Run-Off Period**, the **Insureds** shall provide Underwriters with written notice of each and every **Claim** first made during the **Run-Off Period**, such notice to be provided as soon as practicable during the **Run-Off Period**, but in no event later than 90 days after the expiration of the **Run-Off Period.** A **Claim** shall be deemed first made against the **Insureds** on the date a member of the **Management Team** of the **Insured Organization** becomes aware of such **Claim**.

7. If the **Run-Off Period** is purchased then the **Run-Off Period** shall mean **Policy Period**.

I. ALLOCATION

In the event any of the **Insureds** shall incur both **Loss** that is covered by the **Policy** and also loss which is not covered by the **Policy** in connection with a **Claim**, then coverage will be allocated by the parties between covered **Loss** and uncovered loss as follows:

1. 100% of **Defense Costs** incurred by such **Insureds** on account of such **Claim** will be allocated as covered **Loss**, and

2. any remaining loss incurred by such **Insureds** on account of such **Claim** will be allocated by the parties between covered **Loss** and uncovered loss using all reasonable efforts based upon the relative liability exposure of each of the parties to such matters.

This Clause IV.I. 1. and 2. shall not apply to any **Wage and Hour Claim**.

Notwithstanding the above, and where the **Wage and Hour Claim Defense Costs** Coverage is not purchased or in the event the sublimit in respect of the **Wage and Hour Claim Defense Costs** Coverage is exhausted, the **Insureds** and Underwriters agree to use their best efforts to determine a fair and proper allocation of all covered **Defense Costs** and non-covered defense costs associated with the defense of **Claims** alleging a violation of the responsibilities, duties, or obligations imposed under any **Wage and Hour Law**. In the event that an allocation cannot be agreed to, then Underwriters shall make an interim payment of the amount of **Defense Costs** that the parties agree is not in dispute until a final amount is agreed upon or determined by applicable law.

J. ALTERNATIVE DISPUTE RESOLUTION

Any dispute between the **Insured** and Underwriters arising in connection with or relating to this **Policy** shall be submitted either to: (1) non-binding mediation that will be administered by the American Arbitration Association ("AAA"), in which the parties will attempt in good faith to settle their dispute; or (2) binding arbitration in accordance with the rules of the AAA then in effect, except that the arbitration panel shall consist of one arbitrator selected by the **Insureds**, one arbitrator selected by Underwriters, and a third independent arbitrator selected by the first two arbitrators. The **Insured Organization** shall act on behalf of each and every **Insured** in deciding whether to proceed with either a non-binding mediation or binding arbitration.

K. SETTLEMENTS AND DEFENSE

1. Underwriters shall have the right and duty to defend any **Claim**, including the right to select defense counsel, even if any of the allegations are groundless, false or fraudulent; provided, however, that Underwriters shall not be obligated to defend or to continue to defend any **Claim** after the applicable Limit of Liability set forth in Item 3. of the Declarations has been exhausted. With Underwriters' prior written consent and subject to Underwriters' approval of the I**nsureds**' choice of defense counsel, rates and staffing, and defense counsel's agreement to abide by Underwriters' defense counsel guidelines, the **Insureds** may assume the duty to defend any **Claim**.

2. **Defense Costs** incurred by Underwriters, or by the **Insureds** when defending or investigating with the written consent of Underwriters, shall be paid by Underwriters as part of, and not in addition to, and shall reduce Underwriters' Limit of Liability set forth in Item 3. of the Declarations.

3. The **Insureds** shall not settle any **Claim**, select any defense counsel, incur any **Defense Costs**, admit or assume any liability, stipulate to any judgment or otherwise assume any contractual obligation without

Underwriters' prior written consent. Underwriters shall not be liable for any settlement, **Defense Costs**, assumed obligation, admission or stipulated judgment to which it has not consented or for which the **Insureds** are not legally obligated as a result of a **Claim** for an **Employment Practices Wrongful Act**. Notwithstanding the foregoing, if all **Insureds** are able to fully and finally dispose of, with prejudice, any **Claim** that is subject to one Retention for an amount not exceeding such Retention, including **Defense Costs**, then Underwriters' consent shall not be required for such disposition.

4. Underwriters may, with the consent of the **Insureds**, settle or compromise any **Claim** as they deem expedient. If the **Insureds** withhold consent to a settlement or compromise acceptable to the claimant and Underwriters, then Underwriters' liability for such **Claim** shall not exceed:

   a) the amount for which the **Claim** could have been settled or compromised and the **Defense Costs** incurred as of the date such settlement or compromise was proposed to the **Insureds**; plus

   b) 85% of any **Loss** incurred after the date such settlement or compromise was proposed to the **Insureds**, with the remaining 15% of such **Loss** to be borne by the **Insureds** at their own risk and uninsured or the applicable Limit of Liability whichever is less.

L. ASSISTANCE, COOPERATION AND SUBROGATION

The **Insureds** agree to provide Underwriters with such information, assistance and cooperation as Underwriters reasonably may request, and they further agree that they shall not take any action which in any way increases Underwriters' exposure under this **Policy**.

In the event of any payments under this **Policy**, Underwriters shall be subrogated to the **Insureds**' rights of recovery therefore against any person or entity. The **Insureds** shall execute all papers required and shall do everything that may be necessary to secure and preserve such rights, including the execution of such documents as necessary to enable Underwriters effectively to bring suit in their name, and shall provide all other assistance and cooperation which Underwriters may reasonably require.

M. ASSIGNMENTS AND ACTIONS AGAINST UNDERWRITERS

No action shall lie against Underwriters unless, as a condition precedent thereto, the **Insureds** shall have fully complied with all of the terms of this **Policy**, nor until the amount of the **Insureds**' obligation to pay shall have been fully and finally determined either by judgment against them or by written agreement between them, the claimant and Underwriters. Nothing contained herein shall give any person or organization any right to join Underwriters as a party to any **Claim** against the **Insureds** to determine their liability, nor shall Underwriters be impleaded by the **Insureds** or their legal representative in any **Claim**. Assignment of interest under this **Policy** shall not bind Underwriters unless their consent is endorsed hereon.

N. ENTIRE AGREEMENT

By acceptance of this **Policy**, the **Insureds** agree that this **Policy** embodies all agreements existing between them and Underwriters or any of their agents relating to this insurance. Notice to any agent or knowledge possessed by any agent or other person acting on behalf of Underwriters shall not effect a waiver or a change in any part of this **Policy** or estop Underwriters from asserting any right under the terms of this **Policy**, nor shall the terms be deemed waived or changed except by written endorsement or rider issued by Underwriters to form part of this **Policy**.

O. SERVICE OF SUIT

It is agreed that in the event of the failure of Underwriters to pay any amount claimed to be due hereunder, Underwriters, at the request of any person or entity insured hereunder, will submit to the jurisdiction of any court of competent jurisdiction within the United States and will comply with all requirements necessary to give such court jurisdiction.

Nothing in this Clause constitutes or should be deemed to constitute a waiver of Underwriters' right to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court, as permitted by the laws of the United States or of any state, territory, or district in the United States. It is further agreed that service of process in such suit may be made upon:

and that in such suit instituted against any one of them upon this **Policy**, Underwriters will abide by the final decision of such court or of any appellate court in the event of an appeal.

The above-named party is authorized and directed to accept service on behalf of Underwriters in any such suit upon the request of any person or entity to enter a general appearance on behalf of Underwriters in the event such a suit shall be instituted.

P. TERRITORY

This **Policy** covers **Claims** (except **Wage and Hour Claims** or **Immigration Practices Claims**) made against any **Insured** anywhere in the world and does so without regard to where any alleged act of circumstance giving rise to the **Claim** occurred.

Coverage under this **Policy** for **Wage and Hour Claims** (if purchased) or **Immigration Practices Claims** (if purchased) shall only apply if such **Wage**

and Hour Claim or **Immigration Practices Claim** is made against the **Insureds** in the United States of America, its territories or possessions alleging violations of any **Wage and Hour Law** or **Immigration Practices Law** committed in the United States of America, its territories or possessions.

Q. BANKRUPTCY

The commencement of a bankruptcy proceeding involving the **Insured Organization** shall not relieve Underwriters of their obligations under this **Policy**.

R. VALUATION AND CURRENCY

All premiums, limits, retentions, and **Loss** under this **Policy** are expressed in the currency of the United States of America. If judgment is rendered, settlement is denominated or another element of **Loss** under this **Policy** is stated in a currency other than United States dollars or if **Defense Costs** are due in a currency other than United States dollars, payment under this **Policy** shall be made, at the **Insureds** election, either:

1. in United States dollars; or

2. in the foreign jurisdiction at issue and in the foreign currency at issue, to the extent legally permissible.

The rate of exchange published in the Wall Street Journal on the date the judgment becomes final or payment of the settlement or other element of **Loss** is due or the date **Defense Costs** are due shall be used to calculate erosion of the limits of liability and retentions of this **Policy**.

S. CHOICE OF LAW

It is hereby understood and agreed by both the **Insured** and Underwriters that any dispute concerning the interpretation of this **Policy** shall be governed by the law of the state designated in Item 10. of the Declarations.

T. OTHER INSURANCE

Unless expressly written to be excess over other insurance, this **Policy** is intended to apply as primary insurance for **Employment Practices Wrongful Act Claims** covered by this **Policy**. As to coverage for **Claims** brought by, on behalf of, or against an **Independent Contractor** or leased or temporary **Employee**, this **Policy** applies excess of all indemnification and insurance available to any **Insured** from or through the leasing company. As to coverage for **Claims** for **Third Party Wrongful Acts**, this **Policy** applies excess of all indemnification and insurance that may otherwise be available to any **Insured**. Nothing in this provision shall prevent Underwriters or the **Insureds** from seeking contribution or coverage from any other insurer or indemnitor.

U. ADJUSTMENT

This Policy is issued and the premium computed on the basis of the information submitted to Underwriters as part of the **Application**. In the event the **Named Insured**, after the inception date of this Policy:

1. merges with another entity such that the **Named Insured** is the surviving entity; or

2. acquires assets of another entity or acquires a **Subsidiary** whose employees exceed 50% of the total number of employees of the **Insured Organization** at the time of acquisition,

coverage shall be afforded for a period of 120 days for any **Loss** in any way involving the assets acquired or the assets, liabilities, directors, officers or employees of the entity acquired or merged with, or such **Subsidiary**. POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act of 2002, as amended ("TRIA"), insurance coverage provided by this Policy includes losses arising out of acts of terrorism, **as defined in Section 102(1) of the Act, as amended:** The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Any coverage you purchase for "acts of terrorism" shall expire at 12:00 midnight December 31, 2027, the date on which the TRIA Program is scheduled to terminate, or the expiry date of the policy whichever occurs first, and shall not cover any losses or events which arise after the earlier of these dates.

YOU SHOULD KNOW THAT COVERAGE PROVIDED BY THIS POLICY FOR LOSSES CAUSED BY CERTIFIED ACTS OF TERRORISM IS PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THIS FORMULA, THE UNITED STATES PAYS 80%; OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURER(S) PROVIDING THE COVERAGE. YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A USD100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS USD100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED USD100 BILLION, YOUR COVERAGE MAY BE REDUCED.

The portion of your annual premium that is attributable to coverage for certified acts of terrorism as defined in the Terrorism Risk Insurance Act of 2002, as amended, is $0.

EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES; CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

It is agreed that:

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds $ 25,000,000 (valued in US dollars). In determining whether the $ 25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

   a. Physical injury that involves a substantial risk of death; or

   b. Protracted and obvious physical disfigurement; or

   c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or

4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under this policy or “underlying insurance” to which this endorsement is applicable, and includes but is not limited to any Loss, Claim or injury" as may be defined by this policy or “underlying insurance”.

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

   a. The act resulted in insured losses in excess of $ 5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;

   b. The act resulted in damage:

      i. Within the United States (including its territories and possessions and Puerto Rico); or

      ii. Outside of the United States in the case of:

         (a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or

         (b) The premises of any United States mission; and

   c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a “certified act of terrorism”. Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. In the event of an "other act of terrorism" that is not subject to this exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Policy.

D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed $ 100 billion in a calendar year and we have met out insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $ 100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of Treasury.

DISCLOSURE PURSUANT TO THE TERRORISM RISK INSURANCE ACT

THIS ENDORSEMENT IS ATTACHED TO AND MADE PART OF YOUR POLICY IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT. THIS ENDORSEMENT DOES NOT GRANT ANY COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF ANY COVERAGE UNDER THE POLICY.

It is agreed that:

SCHEDULE: Terrorism Premium (Certified Acts): $ 5,150

A. Disclosure of Premium
In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium (shown in the Schedule above), if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act as amended and reauthorized. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement.

B. Disclosure of Federal Participation in Payment of Terrorism Losses
The United States government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 80% of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds $100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses
If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

EXCESS LIABILITY COVERAGE FOLLOW FORM (SHORT FORM)

Read the entire policy carefully to determine rights, duties and what is and is not covered. Throughout this policy the words "you" and "your" refer to the Named Insured. The words "we", "us" and "our" refer to the Company providing this insurance. The word "insured" means any person or organization qualifying as such in the "first underlying insurance" which is the controlling policy listed in Item 5 of the Declarations, unless designated otherwise in the Declarations. Other words and phrases that appear in quotation marks have special meaning and can be found in the **DEFINITIONS** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations, we agree with you to provide coverage as follows:

INSURING AGREEMENTS

I. COVERAGE

We will pay on behalf of the insured the amount of "loss" covered by this insurance in excess of the "underlying limits of insurance" subject to the **LIMITS OF INSURANCE** Section. This policy will follow form to the terms, conditions, definitions, and exclusions of the "first underlying insurance" in effect the first day of the Policy Period, except to the extent that the terms, conditions, definitions, and exclusions of this policy differ from the "first underlying insurance." In no event shall this policy provide broader coverage than is provided by any policy in the "underlying insurance" shown in Item 5. of the Declarations, except if specifically provided otherwise by endorsement.

II. LIMITS OF INSURANCE

A. The Each Occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.

B. The aggregate limit shown in Item 4. of the Declarations is the most we will pay for all "loss" that is subject to an aggregate limit provided by the "first underlying insurance" and shall apply in the same manner as the aggregate limits provided by the "first underlying insurance".

C. This policy applies only in excess of the "underlying limits of insurance" and only after the "underlying limits of insurance" have been exhausted.

III. DEFENSE

We will follow the Defense provisions of the "first underlying insurance". In the event there are no Defense provisions contained in the "first underlying insurance", we will have the right, but not the duty to be associated with you or your underlying insurer or both in the investigation of any claim or defense of any suit which in our opinion may create liability to our policy for "loss." If we exercise such right, we will do so at our own expense, but we will have no such expense obligation or liability once the Limits of Insurance are exhausted.

IV. PREMIUM

If any additional premium charge is made to the "underlying insurance" during the Policy Period or if there is an increase in the risk assumed by us, our premium may be adjusted.

V. DEFINITIONS

A. "Loss" means those sums actually paid in the settlement or satisfaction of a claim which you are legally obligated to pay as damages, including but not limited to "bodily injury" and "property damage", after making proper deductions for all recoveries and salvage.

B. "Underlying limits of insurance" means the sum of the limits of all applicable "underlying insurance" listed in Item 5. of the Declarations, including self-insured retentions (SIRs), deductibles or other forms of insurance or self-insurance applicable to a given claim or occurrence.

VI. CONDITIONS

A. Changes

This policy can only be changed by a written endorsement signed by one of our authorized representatives that becomes a part of this policy.

B. First Named Insured Duties

The person or organization first named in Item 1. of the Declarations is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for the giving and receiving of notice of cancellation or the receipt of any return premium that become payable.

C. Maintenance of "Underlying Insurance"

During the period of this policy, you agree to keep all "underlying insurance" in full force and effect and that the "underlying limits of insurance" will be maintained, except to the extent such limits may be reduced or exhausted by payment for "loss" covered by "underlying insurance." If you fail to comply with these requirements, we will only be liable to the same extent that we would have been had you fully complied with these requirements.

D. Notice of Occurrence

You must see to it that we are notified as soon as practicable of an occurrence which may result in a claim or suit which may involve this policy. If a claim or suit against any insured is reasonably likely to involve this policy you must notify us in writing as soon as practicable.

If the "underlying limits of insurance" are exhausted solely by payment of "loss", no insured will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our written consent.

E. Other Insurance

If other insurance applies to a "loss" that is also covered by this policy, this policy will apply excess of the other insurance. However, this provision will not apply if the other insurance is specifically written to be excess of this policy. Other insurance includes any type of self-insurance or other mechanism by which an insured arranges for funding of legal liabilities.

F. Conformity to Statute

Any terms of this policy which are in conflict with the terms of any applicable law or regulation governing this policy are hereby amended to conform to such laws and regulations.

G. When "Loss" is Payable

Coverage under this policy will not apply unless and until the insured or the insured's "underlying insurance" is obligated to pay the full amount of the "underlying limits of insurance."

When the amount of "loss" has finally been determined, we will promptly pay on behalf of the insured the amount of "loss" falling within the terms of this policy.

If the insured has rights to recover all or part of any payment we have made under this policy, then those rights are transferred to us and the insured must do nothing to impair those rights. At our request the insured will bring suit or transfer those rights to us to enforce them.

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage (as shown in Part **II** of the Schedule of this endorsement or in the policy Declarations) of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds $100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury

Endorsement Number:

AUTO EXCLUSION OF TERRORISM COVERAGE

This Endorsement changes the Policy. Please read it carefully.

This endorsement modifies coverage provided under the following:

COMMERCIAL EXCESS LIABILITY FORM
COMMERCIAL LIABILITY UMBRELLA FORM

A. The provisions of this endorsement:

1. Apply only to "bodily injury" or "property damage" arising out of the ownership, maintenance or use of any "auto" that is a "covered auto" under this Coverage Part; and

2. Supersede the provisions of any other endorsement addressing terrorism attached to this Coverage Part only with respect to "bodily injury" or "property damage" arising out of the ownership, maintenance or use of any "auto" that is a "covered auto".

B. The following definitions are added and apply under this endorsement wherever the term terrorism, or the phrase any injury or damage, are enclosed in quotation marks:

1. "Terrorism" means activities against persons, organizations or property of any nature:

a. That involve the following or preparation for the following:

(1) Use or threat of force or violence; or

(2) Commission or threat of a dangerous act; or

(3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

b. When one or both of the following applies:

(1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or

(2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

2. “Any injury or damage" means any injury or damage covered under any Coverage Part or underlying insurance to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part or underlying insurance.

C. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for "any injury or damage" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". "Any injury or damage" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such injury or damage. **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

Includes the copyrighted material of Insurance Services Office, Inc. with its permission.

ENDORSEMENT

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or

2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or

3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or

5. The total of insured damage to all types of property exceeds $25,000,000. In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

6. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

a. Physical injury that involves a substantial risk of death; or

b. Protracted and obvious physical disfigurement; or

c. Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraphs **C.5**. or **C.6**. are exceeded.

With respect to this Exclusion, Paragraphs **C.5.** and **C.6.** describe the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Part.

In the event of any incident of "terrorism" that is not subject to this Exclusion, coverage does not apply to "any injury or damage" that is otherwise excluded under this Coverage Part.

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance. The word "insured" means any person or organization qualifying as such under the "controlling underlying insurance".

Other words and phrases that appear in quotation marks in this Coverage Part have special meaning. Refer to Section **IV** – Definitions. Other words and phrases that are not defined under this Coverage Part but defined in the "controlling underlying insurance" will have the meaning described in the policy of "controlling underlying insurance".

The insurance provided under this Coverage Part will follow the same provisions, exclusions and limitations that are contained in the applicable "controlling underlying insurance", unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this Coverage Part will apply. However, the coverage provided under this Coverage Part will not be broader than that provided by the applicable "controlling underlying insurance".

There may be more than one "controlling underlying insurance" listed in the Declarations and provisions in those policies conflict, and which are not superseded by the provisions of this Coverage Part. In such a case, the provisions, exclusions and limitations of the "controlling underlying insurance" applicable to the particular "event" for which a claim is made or suit is brought will apply.

SECTION I –

COVERAGES 1. Insuring

Agreement

a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "injury or damage" to which insurance provided under this Coverage Part applies.

We will have the right and duty to defend the insured against any suit seeking damages for such "injury or damage" when the applicable limits of "controlling underlying insurance" have been exhausted in accordance with the provisions of such "controlling underlying insurance".

When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other suit seeking damages for "injury or damage".

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply.

At our discretion, we may investigate any "event" that may involve this insurance and settle any resultant claim or suit, for which we have the duty to defend.

But:

(1) The amount we will pay for "ultimate net loss" is limited as described in Section **II** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this Coverage Part. However, if the policy of "controlling underlying insurance" specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this Coverage Part.

b. This insurance applies to "injury or damage" that is subject to an applicable "retained limit". If any other limit, such as, a sublimit, is specified in the "controlling underlying insurance", this insurance does not apply to "injury or damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of "controlling underlying insurance".

c. If the "controlling underlying insurance" requires, for a particular claim, that the "injury or damage" occur during its policy period in order for that coverage to apply, then this insurance will only apply to that "injury or damage" if it occurs during the policy period of this Coverage Part. If the "controlling underlying insurance" requires that the "event" causing the particular "injury or damage" takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place during the policy period of this Coverage Part.

© Insurance Services Office, Inc., 2012

d. Any additional insured under any policy of "controlling underlying insurance" will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any "controlling underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "controlling underlying insurance".

2. Exclusions

The following exclusions, and any other exclusions added by endorsement, apply to this Coverage Part. In addition, the exclusions applicable to any "controlling underlying insurance" apply to this insurance unless superseded by the following exclusions, or superseded by any other exclusions added by endorsement to this Coverage Part.

Insurance provided under this Coverage Part does not apply to:

a. Medical Payments

Medical payments coverage or expenses that are provided without regard to fault, whether or not provided by the applicable "controlling underlying insurance".

b. Auto

Any loss, cost or expense payable under or resulting from any of the following auto coverages:

(1) First-party physical damage coverage;

(2) No-fault coverage;

(3) Personal injury protection or auto medical payments coverage; or

(4) Uninsured or underinsured motorists coverage.

c. Pollution

(1) "Injury or damage" which would not have occurred, in whole or in part, but for the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants at any time.

(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, pollutants.

This exclusion does not apply to the extent that valid "controlling underlying insurance" for the pollution liability risks described above exists or would have existed but for the exhaustion of underlying limits for "injury or damage".

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

SECTION II – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations, and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or suits brought, or number of vehicles involved;

c. Persons or organizations making claims or bringing suits; or

d. Limits available under any "controlling underlying insurance".

2. The Limits of Insurance of this Coverage Part will apply as follows:

a. This insurance only applies in excess of the "retained limit".

b. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss", for all "injury or damage" covered under this Coverage Part.

However, this Aggregate Limit only applies to "injury or damage" that is subject to an aggregate limit of insurance under the "controlling underlying insurance".

c. Subject to Paragraph **2.b.** above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under this insurance because of all "injury or damage" arising out of any one "event".

d. If the Limits of Insurance of the "controlling underlying insurance" are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits of Insurance in the same manner.

© ISO Properties, Inc., 2006

3. If any "controlling underlying insurance" has a policy period that is different from the policy period of this Coverage Part then, for the purposes of this insurance, the "retained limit" will only be reduced or exhausted by payments made for "injury or damage" covered under this insurance.

The Aggregate Limit of this Coverage Part applies separately to each consecutive annual period of this Coverage Part and to any remaining period of this Coverage Part of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any "controlling underlying insurance" are also applicable to the coverage provided under this insurance unless superseded by the following conditions.

1. Appeals

If the "controlling underlying insurer" or insured elects not to appeal a judgment in excess of the amount of the "retained limit", we may do so at our own expense. We will also pay for taxable court costs, pre- and postjudgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section **II** – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

b. Bankruptcy Of Controlling Underlying Insurer

Bankruptcy or insolvency of the "controlling underlying insurer" will not relieve us of our obligations under this Coverage Part.

However, insurance provided under this Coverage Part will not replace any "controlling underlying insurance" in the event of bankruptcy or insolvency of the "controlling underlying insurer". The insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect and recoverable.

3. Duties In The Event Of An Event, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an "event", regardless of the amount, which may result in a claim under this insurance. To the extent possible, notice should include:

(1) How, when and where the "event" took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any "injury or damage" arising out of the "event".

b. If a claim is made or suit is brought against any insured, you must:

(1) Immediately record the specifics of the claim or suit and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or suit as soon as practicable.

c. You and any other insured involved must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of "injury or damage" to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

© Insurance Services Office, Inc., 2012

At our request, the first Named Insured will furnish us, as soon as practicable, with a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this Coverage Part.

5. Cancellation

a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.

b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:

(1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.

d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

f. If notice is mailed, proof of mailing will be sufficient proof of notice.

6. Changes

This Coverage Part contains all the agreements between you and us concerning the insurance afforded. The first Named Insured is authorized by all other insureds to make changes in the terms of this Coverage Part with our consent. This Coverage Part's terms can be amended or waived only by endorsement.

7. Maintenance Of/Changes To Controlling Underlying Insurance

Any "controlling underlying insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of aggregate limits in accordance with the provisions of such "controlling underlying insurance" that results from "injury or damage" to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "controlling underlying insurance". Failure to maintain "controlling underlying insurance" will not invalidate insurance provided under this Coverage Part, but insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect.

The first Named Insured must notify us in writing, as soon as practicable, if any "controlling underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "controlling underlying insurance" is changed.

8. Other Insurance

a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this Coverage Part; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

9. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. If this policy is auditable, the premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premium is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

© ISO Properties, Inc., 2006

10. Loss Payable

Liability under this Coverage Part does not apply to a given claim unless and until:

a. The insured or insured's "controlling underlying insurer" has become obligated to pay the "retained limit"; and

b. The obligation of the insured to pay the "ultimate net loss" in excess of the "retained limit" has been determined by a final settlement or judgment or written agreement among the insured, claimant, "controlling underlying insurer" (or a representative of one or more of these) and us.

11. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a suit asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, "controlling underlying insurer" and the claimant or the claimant's legal representative.

12. Transfer Of Defense

a. Defense Transferred To Us

When the limits of "controlling underlying insurance" have been exhausted, in accordance with the provisions of "controlling underlying insurance", we may elect to have the defense transferred to us. We will cooperate in the transfer of control to us of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

b. Defense Transferred By Us

When our limits of insurance have been exhausted our duty to provide a defense will cease.

We will cooperate in the transfer of control of defense to any insurer specifically written as excess over this Coverage Part of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

In the event that there is no insurance written as excess over this Coverage Part, we will cooperate in the transfer of control to the insured and its designated representative.

13. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION IV – DEFINITIONS

The definitions applicable to any "controlling underlying insurance" also apply to this insurance. In addition, the following definitions apply.

1. "Controlling underlying insurance" means any policy of insurance or self-insurance listed in the Declarations under the Schedule of "controlling underlying insurance".

2. "Controlling underlying insurer" means any insurer who provides any policy of insurance listed in the Declarations under the Schedule of "controlling underlying insurance".

3. "Event" means an occurrence, offense, accident, act, or other event, to which the applicable "controlling underlying insurance" applies.

4. "Injury or damage" means any injury or damage, covered in the applicable "controlling underlying insurance" arising from an "event".

5. "Retained limit" means the available limits of "controlling underlying insurance" applicable to the claim.

6. "Ultimate net loss" means the total sum, after reduction for recoveries, or salvages collectible, that the insured becomes legally obligated to pay as damages by reason of:

a. Settlements, judgments, binding arbitration; or

b. Other binding alternate dispute resolution proceeding entered into with our consent.

"Ultimate net loss" includes defense expenses if the "controlling underlying insurance" specifies that limits are reduced by defense expenses.

As used in this exclusion:

"Contractors" means all developers, general contractors, subcontractors, trade persons, organizations, or any other person or entity involved in "Residential Construction".

"Residential Construction" means all development, design, building or other construction, improvements, site selection, surface or subsurface site preparation, or any work, products or component parts thereof or services provided in relation to any of the foregoing, involving property intended in whole or in part for residential habitation including condominiums, townhomes, single or multi-family homes. "Residential Construction" does not mean your work performed on, or your products or component parts used in apartments. Apartments do not include condominiums, townhomes, single or multi-family homes that have been converted into rental units or rented to others, nor does it include apartment buildings or complexes that have been converted into condominiums or co-operatives.

However, this exclusion does not apply to "non-structural" repair work which is begun after the date of initial occupancy provided such work is unrelated to or not completing work begun prior to the date of initial occupancy. "Non-structural" repair work means any "Residential Construction" except that which adds or involves a load-bearing portion of any structure or involves any defect that significantly and adversely affects use or utility for residential habitation.

APPLICABLE COVERAGE PART(S): This disclosure applies ONLY to the Coverage Part(s) shown as covered for terrorism on IL 09 85 or IL 09 90, whichever is on the policy.

POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM INSURANCE COVERAGE

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2015, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act*:* The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a $100 billion cap that limits U.S. Government reimbursement as well as insurer's liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds $100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed $100 billion, your coverage may be reduced.

The portion of your policy premium that is attributable to coverage for acts of terrorism is $_ 3,525 _, and does not include any charges for the portion of losses covered by the United States government under the Act.

I ACKNOWLEDGE THAT I HAVE BEEN NOTIFIED THAT UNDER THE TERRORISM RISK INSURANCE ACT, AS AMENDED, ANY LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM UNDER MY POLICY COVERAGE MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT AND MAY BE SUBJECT TO A $100 BILLION CAP THAT MAY REDUCE MY COVERAGE AND I HAVE BEEN NOTIFIED OF THE PORTION OF MY PREMIUM ATTRIBUTABLE TO SUCH COVERAGE.

The following exclusion is added to the **Exclusions** section of all coverages under all forms and endorsements that comprise this Coverage Part, Coverage Form, endorsement, or Policy and supersedes any contradictory exclusion in the Coverage Part, Coverage Form, endorsement, or Policy to which this coverage applies. This exclusion applies regardless of any other cause or event that contributes concurrently or in any sequence to the "injury or damage".

D. This exclusion applies regardless of the cause or source of any "injury or damage" or the legal theory asserted, including, but not limited to, occurrences or offenses reported, claims made, or "suits" brought against any insured alleging breach of contract, misrepresentation, unfair or deceptive trade practices, defamation, violation of a person's right to privacy, violation of an intellectual property right (including, but not limited to, copyright, trademark or patent infringement), negligence, failure to comply with a legal obligation, or any other wrongdoing, including, but not limited to, the investigation, supervision, hiring, employment, training, or monitoring of others or the investigation, supervision, monitoring, or intervention with respect to "electronic data", "computer systems" or premises, by any insured or by any other person or organization acting for or on behalf of any insured.

E. We will have no duty to investigate or defend any claim or "suit" that alleges, or is because of, caused by, arises or results, directly or indirectly, in whole or in part from a "cyber incident" as defined in Paragraph **A.1. – 7.** of this endorsement.

F. For the purposes of this exclusion, the following are added to the **Definitions** section and supersede any contradictory definitions in the Coverage Part, Coverage Form, endorsement, or Policy:

You have no terrorism coverage for that Coverage Part under this policy. Terrorism coverage applies only to the Coverage Part for which you paid a premium amount greater than $0 as shown above.
SCHEDULE – PART II
Federal share of terrorism losses **80 %** (Refer to Paragraph **B.** in this endorsement.)
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

© Insurance Services Office, Inc., 2020

A. Disclosure Of Premium

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under the Terrorism Risk Insurance Act. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement or in the policy Declarations.

B. Disclosure Of Federal Participation In Payment Of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage (as shown in Part **II** of the Schedule of this endorsement or in the policy Declarations) of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds $100 billion.

C. Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance. The word "insured" means any person or organization qualifying as such under the "controlling underlying insurance".

Other words and phrases that appear in quotation marks in this Coverage Part have special meaning. Refer to Section **IV** – Definitions. Other words and phrases that are not defined under this Coverage Part but are defined in the "controlling underlying insurance" will have the meaning described in the policy of "controlling underlying insurance".

The insurance provided under this Coverage Part will follow the same provisions, exclusions and limitations that are contained in the applicable "controlling underlying insurance", unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this Coverage Part will apply. However, the coverage provided under this Coverage Part will not be broader than that provided by the applicable "controlling underlying insurance".

There may be more than one "controlling underlying insurance" listed in the Declarations and provisions in those policies conflict, and which are not superseded by the provisions of this Coverage Part. In such a case, the provisions, exclusions and limitations of the "controlling underlying insurance" applicable to the particular "event" for which a claim is made or suit is brought will apply.

SECTION I – COVERAGES

1. Insuring Agreement

a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "injury or damage" to which insurance provided under this Coverage Part applies.

We will have the right and duty to defend the insured against any suit seeking damages for such "injury or damage" when the applicable "retained limits" of "controlling underlying insurance" have been exhausted solely by the payment of the "retained limit" by the "controlling underlying insurer" in accordance with the provisions of such "controlling underlying insurance". Such payments must be made in satisfaction of judgment or settlements under the "controlling underlying insurance" in the full amount of the "controlling underlying insurance".

When we have no duty to defend, we may exercise the right to defend at our own expense, or to participate in the defense of, the insured at the expense of the "controlling underlying insurer" against any suit seeking damages for "injury or damage".

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply or when the "retained limit" of the "controlling underlying insurance" has not been exhausted by actual payment of the full amount of the "retained limit" by either the insured or the "controlling underlying insurer(s)".

At our discretion, we may investigate any "event" that may involve this insurance and settle any resultant claim or suit, for which we have the duty to defend.

But:

(1) The amount we will pay for "ultimate net loss" is limited as described in Section **II** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this Coverage Part. However, if the policy of "controlling underlying insurance" specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this Coverage Part.

b. This insurance applies to "injury or damage" that is subject to an applicable "retained limit". If any other limit, such as a sublimit, is specified in the "controlling underlying insurance", this insurance does not apply to "injury or damage" arising out of that exposure unless that specific sublimit is specified in the Declarations under the Schedule of "controlling underlying insurance".

Includes copyrighted material of
ISO Properties, Inc., with its permission.

c. If the "controlling underlying insurance" requires, for a particular claim, that the "injury or damage" occur during its policy period in order for that coverage to apply, then this insurance will only apply to that "injury or damage" if it occurs during the policy period of this Coverage Part. If the "controlling underlying insurance" requires that the "event" causing the particular "injury or damage" takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place during the policy period of this Coverage Part.

d. Any additional insured under any policy of "controlling underlying insurance" will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any "controlling underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "controlling underlying insurance" and will be subject to the Other Insurance condition of this Coverage Part.

2. Exclusions

The following exclusions, and any other exclusions added by endorsement, apply to this Coverage Part. In addition, the exclusions applicable to any "controlling underlying insurance" apply to this insurance unless superseded by the following exclusions, or superseded by any other exclusions added by endorsement to this Coverage Part.

Insurance provided under this Coverage Part does not apply to:

a. Medical Payments

Medical payments coverage or expenses that are provided without regard to fault, whether or not provided by the applicable "controlling underlying insurance".

b. Auto

Any loss, cost or expense payable under or resulting from any of the following auto coverages:

(1) First-party physical damage coverage;

(2) No-fault coverage;

(3) Personal injury protection or auto medical payments coverage; or

(4) Uninsured or underinsured motorists' coverage.

c. Pollution

(1) "Injury or damage" caused by or arising, directly or indirectly, in whole or in part, out of the actual, alleged or threatened discharge, dispersal, disposal, seepage, migration, release or escape of "pollutants" at any time.

(2) Any loss, cost or expense caused by or arising, directly or indirectly, in whole or in part out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

This exclusion applies whether or not such "pollutants" have any function in your business, operations, premises, site or location or constitutes your product or is a component of your product or products you use.

This exclusion does not apply to the extent that valid "controlling underlying insurance" for the "pollution" liability risks described above exists or would have existed but for the exhaustion of underlying limits for "injury or damage" covered under this Coverage Part.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

SECTION II – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations, and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or suits brought, or number of vehicles involved;

c. Persons or organizations making claims or bringing suits; or

d. Limits available under any "controlling underlying insurance".

2. The Limits of Insurance of this Coverage Part will apply as follows:

Includes copyrighted material of
ISO Properties, Inc., with its permission.

a. This insurance only applies in excess of the "retained limit".

b. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss", for all "injury or damage" covered under this Coverage Part.

However, this Aggregate Limit only applies to "injury or damage":

(1) that is subject to an aggregate limit of insurance under the "controlling underlying insurance"; and

(2) to which insurance provided under this Coverage Part applies.

c. Subject to Paragraph **2.b.** above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under this insurance because of all "injury or damage" arising out of any one "event" and to which insurance provided under this Coverage Part applies.

d. If the Limits of Insurance of the "controlling underlying insurance" are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits of Insurance in the same manner.

3. If any "controlling underlying insurance" has a policy period that is different from the policy period of this Coverage Part then, for the purposes of this insurance, the "retained limit" will only be reduced or exhausted by payments made for "injury or damage" covered under this insurance.

The Aggregate Limit of this Coverage Part applies separately to each consecutive annual period of this Coverage Part and to any remaining period of this Coverage Part of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any "controlling underlying insurance" are also applicable to the coverage provided under this insurance unless superseded by the following conditions.

1. Appeals

If the "controlling underlying insurer" or insured elects not to appeal a judgment in excess of the amount of the "retained limit", we may do so at our own expense. We will also pay for taxable court costs, pre- and postjudgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section **II** – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy, insolvency, rehabilitation or liquidation of, or financial inability to pay by the insured or the insured's estate will not relieve us of our obligations under this Coverage Part provided the "retained limit" has been exhausted solely by the actual payment of the full amount of the "retained limit" by the "controlling underlying insurer(s)", the insured, or the insured's estate. Our obligation under this Coverage Part will only apply to the "ultimate net loss" in excess of the "retained limit".

b. Bankruptcy Of Controlling Underlying Insurer

Bankruptcy, insolvency, rehabilitation or liquidation of, or inability or refusal to pay by the "controlling underlying insurer" will not relieve us of our obligations under this Coverage Part provided the "retained limit" is exhausted as set forth in paragraph **2.c.** below.

c. No Drop Down/No Gap-Filling

Insurance provided under this Coverage Part will not drop down or replace any "controlling underlying insurance":

(1) in the event of bankruptcy, insolvency, rehabilitation or liquidation of, or inability or refusal to pay the "retained limit" by the "controlling underlying insurer(s)", the insured or the insured's estate; or

(2) if the "controlling underlying insurance" is exhausted by payment of losses not covered by insurance provided under this Coverage Part.

In the event of the bankruptcy, insolvency, rehabilitation or liquidation of, or inability or refusal of the "controlling underlying insurer(s)" to pay the "retained limit" or defense costs if outside the limit of liability of the "controlling underlying insurance", the insured will be obligated to pay that amount of the "retained limit" or defense costs not actually paid by the "controlling underlying insurer(s)".

Includes copyrighted material of
ISO Properties, Inc., with its permission.

In no event will our obligations under this Coverage Part be expanded by the loss of or partial payment of the "retained limit" by the "controlling underlying insurer" or its successor or assigns or any state guarantee fund or liquidation bureau.

3. Duties In The Event Of An Event, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an "event", regardless of the amount, which may result in a claim under this insurance. To the extent possible, notice should include:

(1) How, when and where the "event" took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any "injury or damage" arising out of the "event".

b. If a claim is made or suit is brought against any insured, you must:

(1) Immediately record the specifics of the claim or suit and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or suit as soon as practicable.

c. You and any other insured involved must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of "injury or damage" to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

At our request, the first Named Insured must furnish us, within 60 days, with a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this Coverage Part.

5. Cancellation

a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.

b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:

(1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.

d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

f. If notice is mailed, proof of mailing will be sufficient proof of notice.

Includes copyrighted material of
ISO Properties, Inc., with its permission.

6. Changes

This Coverage Part contains all the agreements between you and us concerning the insurance afforded. The first Named Insured is authorized by all other insureds to make changes in the terms of this Coverage Part with our consent. If we exercise our right to request a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this Coverage Part, we reserve the right to make changes to the terms of this Coverage Part. This Coverage Part's terms can be amended or waived only by endorsement.

7. Maintenance Of/Changes To Controlling Underlying Insurance

Any "controlling underlying insurance", including any renewals or replacements, must be maintained in full effect without reduction of coverage or "retained limits" except for the reduction of aggregate limits in accordance with the provisions of such "controlling underlying insurance" that results from "injury or damage" to which this insurance under this Coverage Part applies.

Such exhaustion or reduction is not a failure to maintain "controlling underlying insurance". Failure to maintain "controlling underlying insurance" will not invalidate insurance provided under this Coverage Part, but insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect at the time the "event" took place and is subsequently exhausted solely by the payment of the "retained limit". Such "retained limit" will be equal to the full amount of "controlling underlying insurance" and such payment has been made to the claimant(s) or plaintiff(s).

The first Named Insured must notify us in writing, as soon as practicable, if any "controlling underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "controlling underlying insurance" is changed. These changes will not apply to our policy unless we agree to them in writing.

8. Other Insurance

a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent, or issued to an additional insured, or on any other basis. If the insured is named as or qualifies as an additional insured on any other policy, whether primary or excess, such other insurance is primary to this insurance and may not be applied to reduce or exhaust the "retained limit". The "retained limit" may be reduced or exhausted only by actual payment of the "retained limit" by the "controlling underlying insurer," the insured or the insured's estate.

This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this Coverage Part; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

9. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. If this policy is auditable, the premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premium is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

10. Loss Payable

Liability under this Coverage Part does not apply to a given claim unless and until:

Includes copyrighted material of
ISO Properties, Inc., with its permission.

a. The insured or the "controlling underlying insurer" has become obligated to pay and has actually paid the full amount of the "retained limit";

b. All applicable other insurance has been exhausted; and

c. The obligation of the insured to pay "ultimate net loss" in excess of the "retained limit" has been determined by a final judgment or settlement by the insured with the written consent of us, such consent not to be unreasonably withheld.

11. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a suit asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, "controlling underlying insurer" and the claimant or the claimant's legal representative.

12. Transfer Of Defense

a. Defense Transferred To Us

When the limits of "controlling underlying insurance" have been exhausted, in accordance with the provisions of "controlling underlying insurance", we may elect to have the defense transferred to us. We will cooperate in the transfer of control to us of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

b. Defense Transferred By Us

When our limits of insurance have been exhausted our duty to provide a defense will cease.

We will cooperate in the transfer of control of defense to any insurer specifically written as excess over this Coverage Part of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

In the event that there is no insurance written as excess over this Coverage Part, we will cooperate in the transfer of control to the insured and its designated representative.

13. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION IV – DEFINITIONS

1. "Controlling underlying insurance" means any policy of insurance or self-insurance listed in the Declarations under the Schedule of "controlling underlying insurance".

2. "Controlling underlying insurer" means any insurer who provides any policy of insurance listed in the Declarations under the Schedule of "controlling underlying insurance".

3. "Event" means an occurrence, offense, accident, act, or other event, to which the applicable "controlling underlying insurance" applies.

4. "Injury or damage" means any injury or damage, covered in the applicable "controlling underlying insurance" arising from an "event".

5. EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES; CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE PART

Any endorsement addressing acts of terrorism (however defined) in any "controlling underlying insurance" does not apply to this excess insurance. The following provisions addressing acts of terrorism apply with respect to this excess insurance:

A. The following exclusion is added to Paragraph **2. Exclusions** of **Section I – Coverages:**

2. Exclusions

TERRORISM

Any "injury or damage" caused by or arising, directly or indirectly, in whole or in part out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the coverage territory. However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds $25,000,000 (valued in US dollars). In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

a. Physical injury that involves a substantial risk of death; or

b. Protracted and obvious physical disfigurement; or

c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the actual, alleged, threatened, or attempted use, release, escape, dispersal or application of nuclear materials or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or

4. Nuclear or radioactive materials are released and it is reasonably believed by us that one purpose of the terrorism was to release such materials; or

5. The terrorism is carried out by means of the actual, alleged, threatened, or attempted use, release, escape, dispersal or application of pathogenic or poisonous biological or chemical materials; or

6. Pathogenic or poisonous biological or chemical materials are released and it is reasonably believed by us that one purpose of the terrorism was to release such materials.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the providing or failure to provide warnings, protection, or safeguards against such acts.

With respect to this exclusion, Paragraphs **1.** and **2.** describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

Includes copyrighted material of
ISO Properties, Inc. with its permission.

B. For the purposes of this endorsement, the following is added to the **Definitions** section:

1. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

a. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;

b. The act resulted in damage:

(1) Within the United States (including its territories and possessions and Puerto Rico); or

(2) Outside of the United States in the case of:

(a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or

(b) The premises of any United States mission; and

c. The act is a violent act or an act that is dangerous to human life, property, or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

2. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property, or infrastructure that is committed by an individual or individuals and it is reasonably believed by us to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".

Multiple incidents of an "other act of terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for "injury or damage" that is otherwise excluded under this Coverage Part.

D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

All other terms and conditions of this Policy remain unchanged.

In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. Multiple incidents of "terrorism" which occur within a 72-hour period and it is reasonably believed by us to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraph **B.5.** or **B.6.** are exceeded.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the providing or failure to provide warnings, protection, or safeguards against such acts.

With respect to this exclusion, Paragraphs **B.5.** and **B.6.** describe the thresholds used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this exclusion will apply to that incident. When the exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Part.

In the event of any incident of "terrorism" that is not subject to this exclusion, coverage does not apply to any "injury or damage" that is otherwise excluded under this Coverage Part.

C. For the purposes of this endorsement, the following is added to the **Definitions** section:

AUTO EXCLUSION OF TERRORISM COVERAGE

This Endorsement changes the Policy. Please read it carefully.

This endorsement modifies coverage provided under the following:

COMMERCIAL EXCESS LIABILITY FORM
COMMERCIAL LIABILITY UMBRELLA FORM

A. The provisions of this endorsement:

1. Apply only to "bodily injury" or "property damage" arising out of the ownership, maintenance or use of any "auto" that is a "covered auto" under this Coverage Part; and

2. Supersede the provisions of any other endorsement addressing terrorism attached to this Coverage Part only with respect to "bodily injury" or "property damage" arising out of the ownership, maintenance or use of any "auto" that is a "covered auto".

B. The following definitions are added and apply under this endorsement wherever the term terrorism, or the phrase any injury or damage, are enclosed in quotation marks:

1. "Terrorism" means activities against persons, organizations or property of any nature:

a. That involve the following or preparation for the following:

(1) Use or threat of force or violence; or

(2) Commission or threat of a dangerous act; or

(3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

b. When one or both of the following applies:

(1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or

(2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

2. “Any injury or damage" means any injury or damage covered under any Coverage Part or underlying insurance to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part or underlying insurance.

C. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for "any injury or damage" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". "Any injury or damage" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such injury or damage. **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

Includes the copyrighted material of Insurance Services Office, Inc. with its permission.

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or
3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or
5. The total of insured damage to all types of property exceeds $25,000,000. In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
6. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
   a. Physical injury that involves a substantial risk of death; or
   b. Protracted and obvious physical disfigurement; or
   c. Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraphs **C.5**. or **C.6**. are exceeded.

With respect to this Exclusion, Paragraphs **C.5.** and **C.6.** describe the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Part.

In the event of any incident of "terrorism" that is not subject to this Exclusion, coverage does not apply to "any injury or damage" that is otherwise excluded under this Coverage Part.

Includes the copyrighted material of Insurance Services Office, Inc. with its permission.

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance. The word "insured" means any person or organization qualifying as such under the "controlling underlying insurance".

Other words and phrases that appear in quotation marks in this Coverage Part have special meaning. Refer to Section **IV** – Definitions. Other words and phrases that are not defined under this Coverage Part but defined in the "controlling underlying insurance" will have the meaning described in the policy of "controlling underlying insurance".

The insurance provided under this Coverage Part will follow the same provisions, exclusions and limitations that are contained in the applicable "controlling underlying insurance", unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this Coverage Part will apply. However, the coverage provided under this Coverage Part will not be broader than that provided by the applicable "controlling underlying insurance".

There may be more than one "controlling underlying insurance" listed in the Declarations and provisions in those policies conflict, and which are not superseded by the provisions of this Coverage Part. In such a case, the provisions, exclusions and limitations of the "controlling underlying insurance" applicable to the particular "event" for which a claim is made or suit is brought will apply.

SECTION I –

COVERAGES 1. Insuring

Agreement

a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "injury or damage" to which insurance provided under this Coverage Part applies.

We will have the right and duty to defend the insured against any suit seeking damages for such "injury or damage" when the applicable limits of "controlling underlying insurance" have been exhausted in accordance with the provisions of such "controlling underlying insurance".

When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other suit seeking damages for "injury or damage".

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply.

At our discretion, we may investigate any "event" that may involve this insurance and settle any resultant claim or suit, for which we have the duty to defend.

But:

(1) The amount we will pay for "ultimate net loss" is limited as described in Section **II** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this Coverage Part. However, if the policy of "controlling underlying insurance" specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this Coverage Part.

b. This insurance applies to "injury or damage" that is subject to an applicable "retained limit". If any other limit, such as, a sublimit, is specified in the "controlling underlying insurance", this insurance does not apply to "injury or damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of "controlling underlying insurance".

c. If the "controlling underlying insurance" requires, for a particular claim, that the "injury or damage" occur during its policy period in order for that coverage to apply, then this insurance will only apply to that "injury or damage" if it occurs during the policy period of this Coverage Part. If the "controlling underlying insurance" requires that the "event" causing the particular "injury or damage" takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place during the policy period of this Coverage Part.

© Insurance Services Office, Inc., 2012

d. Any additional insured under any policy of "controlling underlying insurance" will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any "controlling underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "controlling underlying insurance".

2. Exclusions

The following exclusions, and any other exclusions added by endorsement, apply to this Coverage Part. In addition, the exclusions applicable to any "controlling underlying insurance" apply to this insurance unless superseded by the following exclusions, or superseded by any other exclusions added by endorsement to this Coverage Part.

Insurance provided under this Coverage Part does not apply to:

a. Medical Payments

Medical payments coverage or expenses that are provided without regard to fault, whether or not provided by the applicable "controlling underlying insurance".

b. Auto

Any loss, cost or expense payable under or resulting from any of the following auto coverages:

(1) First-party physical damage coverage;

(2) No-fault coverage;

(3) Personal injury protection or auto medical payments coverage; or

(4) Uninsured or underinsured motorists coverage.

c. Pollution

(1) "Injury or damage" which would not have occurred, in whole or in part, but for the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants at any time.

(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, pollutants.

This exclusion does not apply to the extent that valid "controlling underlying insurance" for the pollution liability risks described above exists or would have existed but for the exhaustion of underlying limits for "injury or damage".

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

SECTION II – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations, and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or suits brought, or number of vehicles involved;

c. Persons or organizations making claims or bringing suits; or

d. Limits available under any "controlling underlying insurance".

2. The Limits of Insurance of this Coverage Part will apply as follows:

a. This insurance only applies in excess of the "retained limit".

b. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss", for all "injury or damage" covered under this Coverage Part.

However, this Aggregate Limit only applies to "injury or damage" that is subject to an aggregate limit of insurance under the "controlling underlying insurance".

c. Subject to Paragraph **2.b.** above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under this insurance because of all "injury or damage" arising out of any one "event".

d. If the Limits of Insurance of the "controlling underlying insurance" are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits of Insurance in the same manner.

© ISO Properties, Inc., 2006

3. If any "controlling underlying insurance" has a policy period that is different from the policy period of this Coverage Part then, for the purposes of this insurance, the "retained limit" will only be reduced or exhausted by payments made for "injury or damage" covered under this insurance.

The Aggregate Limit of this Coverage Part applies separately to each consecutive annual period of this Coverage Part and to any remaining period of this Coverage Part of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any "controlling underlying insurance" are also applicable to the coverage provided under this insurance unless superseded by the following conditions.

1. Appeals

If the "controlling underlying insurer" or insured elects not to appeal a judgment in excess of the amount of the "retained limit", we may do so at our own expense. We will also pay for taxable court costs, pre- and postjudgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section **II** – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

b. Bankruptcy Of Controlling Underlying Insurer

Bankruptcy or insolvency of the "controlling underlying insurer" will not relieve us of our obligations under this Coverage Part.

However, insurance provided under this Coverage Part will not replace any "controlling underlying insurance" in the event of bankruptcy or insolvency of the "controlling underlying insurer". The insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect and recoverable.

3. Duties In The Event Of An Event, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an "event", regardless of the amount, which may result in a claim under this insurance. To the extent possible, notice should include:

(1) How, when and where the "event" took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any "injury or damage" arising out of the "event".

b. If a claim is made or suit is brought against any insured, you must:

(1) Immediately record the specifics of the claim or suit and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or suit as soon as practicable.

c. You and any other insured involved must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of "injury or damage" to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

© Insurance Services Office, Inc., 2012

At our request, the first Named Insured will furnish us, as soon as practicable, with a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this Coverage Part.

5. Cancellation

a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.

b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:

(1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.

d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

f. If notice is mailed, proof of mailing will be sufficient proof of notice.

6. Changes

This Coverage Part contains all the agreements between you and us concerning the insurance afforded. The first Named Insured is authorized by all other insureds to make changes in the terms of this Coverage Part with our consent. This Coverage Part's terms can be amended or waived only by endorsement.

7. Maintenance Of/Changes To Controlling Underlying Insurance

Any "controlling underlying insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of aggregate limits in accordance with the provisions of such "controlling underlying insurance" that results from "injury or damage" to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "controlling underlying insurance". Failure to maintain "controlling underlying insurance" will not invalidate insurance provided under this Coverage Part, but insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect.

The first Named Insured must notify us in writing, as soon as practicable, if any "controlling underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "controlling underlying insurance" is changed.

8. Other Insurance

a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this Coverage Part; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

9. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. If this policy is auditable, the premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premium is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

© ISO Properties, Inc., 2006

10. Loss Payable

Liability under this Coverage Part does not apply to a given claim unless and until:

a. The insured or insured's "controlling underlying insurer" has become obligated to pay the "retained limit"; and

b. The obligation of the insured to pay the "ultimate net loss" in excess of the "retained limit" has been determined by a final settlement or judgment or written agreement among the insured, claimant, "controlling underlying insurer" (or a representative of one or more of these) and us.

11. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a suit asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, "controlling underlying insurer" and the claimant or the claimant's legal representative.

12. Transfer Of Defense

a. Defense Transferred To Us

When the limits of "controlling underlying insurance" have been exhausted, in accordance with the provisions of "controlling underlying insurance", we may elect to have the defense transferred to us. We will cooperate in the transfer of control to us of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

b. Defense Transferred By Us

When our limits of insurance have been exhausted our duty to provide a defense will cease.

We will cooperate in the transfer of control of defense to any insurer specifically written as excess over this Coverage Part of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

In the event that there is no insurance written as excess over this Coverage Part, we will cooperate in the transfer of control to the insured and its designated representative.

13. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES; CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

It is agreed that:

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds $ 25,000,000 (valued in US dollars). In determining whether the $ 25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

   a. Physical injury that involves a substantial risk of death; or

   b. Protracted and obvious physical disfigurement; or

   c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or

4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs 1. and 2. describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under this policy or “underlying insurance” to which this endorsement is applicable, and includes but is not limited to any Loss, Claim or injury" as may be defined by this policy or “underlying insurance”.

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

   a. The act resulted in insured losses in excess of $ 5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;

   b. The act resulted in damage:

      i. Within the United States (including its territories and possessions and Puerto Rico); or

      ii. Outside of the United States in the case of:

         (a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or

         (b) The premises of any United States mission; and

   c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a “certified act of terrorism”. Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. In the event of an "other act of terrorism" that is not subject to this exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Policy.

D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed $ 100 billion in a calendar year and we have met out insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $ 100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of Treasury.

EXCESS LIABILITY COVERAGE FOLLOW FORM (SHORT FORM)

Read the entire policy carefully to determine rights, duties and what is and is not covered. Throughout this policy the words "you" and "your" refer to the Named Insured. The words "we", "us" and "our" refer to the Company providing this insurance. The word "insured" means any person or organization qualifying as such in the "first underlying insurance" which is the controlling policy listed in Item 5 of the Declarations, unless designated otherwise in the Declarations. Other words and phrases that appear in quotation marks have special meaning and can be found in the **DEFINITIONS** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations, we agree with you to provide coverage as follows:

INSURING AGREEMENTS

I. COVERAGE

We will pay on behalf of the insured the amount of "loss" covered by this insurance in excess of the "underlying limits of insurance" subject to the **LIMITS OF INSURANCE** Section. This policy will follow form to the terms, conditions, definitions, and exclusions of the "first underlying insurance" in effect the first day of the Policy Period, except to the extent that the terms, conditions, definitions, and exclusions of this policy differ from the "first underlying insurance." In no event shall this policy provide broader coverage than is provided by any policy in the "underlying insurance" shown in Item 5. of the Declarations, except if specifically provided otherwise by endorsement.

II. LIMITS OF INSURANCE

A. The Each Occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.

B. The aggregate limit shown in Item 4. of the Declarations is the most we will pay for all "loss" that is subject to an aggregate limit provided by the "first underlying insurance" and shall apply in the same manner as the aggregate limits provided by the "first underlying insurance".

C. This policy applies only in excess of the "underlying limits of insurance" and only after the "underlying limits of insurance" have been exhausted.

III. DEFENSE

We will follow the Defense provisions of the "first underlying insurance". In the event there are no Defense provisions contained in the "first underlying insurance", we will have the right, but not the duty to be associated with you or your underlying insurer or both in the investigation of any claim or defense of any suit which in our opinion may create liability to our policy for "loss." If we exercise such right, we will do so at our own expense, but we will have no such expense obligation or liability once the Limits of Insurance are exhausted.

IV. PREMIUM

If any additional premium charge is made to the "underlying insurance" during the Policy Period or if there is an increase in the risk assumed by us, our premium may be adjusted.

V. DEFINITIONS

A. "Loss" means those sums actually paid in the settlement or satisfaction of a claim which you are legally obligated to pay as damages, including but not limited to "bodily injury" and "property damage", after making proper deductions for all recoveries and salvage.

B. "Underlying limits of insurance" means the sum of the limits of all applicable "underlying insurance" listed in Item 5. of the Declarations, including self-insured retentions (SIRs), deductibles or other forms of insurance or self-insurance applicable to a given claim or occurrence.

VI. CONDITIONS

A. Changes

This policy can only be changed by a written endorsement signed by one of our authorized representatives that becomes a part of this policy.

B. First Named Insured Duties

The person or organization first named in Item 1. of the Declarations is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for the giving and receiving of notice of cancellation or the receipt of any return premium that become payable.

C. Maintenance of "Underlying Insurance"

During the period of this policy, you agree to keep all "underlying insurance" in full force and effect and that the "underlying limits of insurance" will be maintained, except to the extent such limits may be reduced or exhausted by payment for "loss" covered by "underlying insurance." If you fail to comply with these requirements, we will only be liable to the same extent that we would have been had you fully complied with these requirements.

D. Notice of Occurrence

You must see to it that we are notified as soon as practicable of an occurrence which may result in a claim or suit which may involve this policy. If a claim or suit against any insured is reasonably likely to involve this policy you must notify us in writing as soon as practicable.

If the "underlying limits of insurance" are exhausted solely by payment of "loss", no insured will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our written consent.

E. Other Insurance

If other insurance applies to a "loss" that is also covered by this policy, this policy will apply excess of the other insurance. However, this provision will not apply if the other insurance is specifically written to be excess of this policy. Other insurance includes any type of self-insurance or other mechanism by which an insured arranges for funding of legal liabilities.

F. Conformity to Statute

Any terms of this policy which are in conflict with the terms of any applicable law or regulation governing this policy are hereby amended to conform to such laws and regulations.

G. When "Loss" is Payable

Coverage under this policy will not apply unless and until the insured or the insured's "underlying insurance" is obligated to pay the full amount of the "underlying limits of insurance."

When the amount of "loss" has finally been determined, we will promptly pay on behalf of the insured the amount of "loss" falling within the terms of this policy.

If the insured has rights to recover all or part of any payment we have made under this policy, then those rights are transferred to us and the insured must do nothing to impair those rights. At our request the insured will bring suit or transfer those rights to us to enforce them.

When an insurance policy is considered to be such a blocked or frozen contract, no payments nor premium refunds may be made without authorization from OFAC. WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION

A. The Policy

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who Is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE
WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period

2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;

2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;

3. litigation costs taxed against you;

4. interest on a judgment as required by law until we offer the amount due under this insurance; and

5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;

2. you knowingly employ an employee in violation of law;

3. you fail to comply with a health or safety law or regulation; or

4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.

2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.

3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.

4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.

5. This insurance conforms to the parts of the workers compensation law that apply to:

   a. benefits payable by this insurance;

   b. special taxes, payments into security or other special funds, and assessments payable by us under that law.

6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO
EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.

2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.

3. Bodily injury by accident must occur during the policy period.

4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;

2. For care and loss of services; and

3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you and

4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner

2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law

3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers

4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law

5. Bodily injury intentionally caused or aggravated by you

6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries

7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;

8. Bodily injury to any person in work subject to the Longshore and Harbor Workers Compensation Act (33 USC Sections 901-et seq.), the Nonappropriated Fund Instru-mentalities Act (5 U.S.C. Sections 8171

et seq.), the Outer Continental Shelf Lands Act (43 U.S.C. Sections 1331 et seq.), the Defense Base Act (42 U.S.C. Sections 1651–1654), the Federal Mine Safety and Health Act (30 U.S.C. Sections 801 et seq. and 901–944), any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws

9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 U.S.C. Sections 51 et seq.), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws

10. Bodily injury to a master or member of the crew of any vessel, and does not cover punitive damages related to your duty or obligation to provide transportation, wages, maintenance, and cure under any applicable maritime law;

11. Fines or penalties imposed for violation of federal or state law and

12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. Sections 1801 et seq.) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding, or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings

2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance

3. Litigation costs taxed against you

4. Interest on a judgment as required by law until we offer the amount due under this insurance and

5. Expenses we incur.

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

1. Bodily Injury by Accident. The limit shown for "bodily injury by accident—each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.

   A disease is not bodily injury by accident unless it results directly from bodily injury by accident.

2. Bodily Injury by Disease. The limit shown for "bodily injury by disease—policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease—each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and

2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE
OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.

2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.

3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.

4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR
YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.

2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.

3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.

4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.

5. Do nothing after an injury occurs that would interfere with our right to recover from others.

6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE - PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and

apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. all your officers and employees engaged in work covered by this policy; and

2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.

2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force and increased by our short-rate cancelation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX - CONDITIONS

A. Inspection

We have the right but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the

insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancelation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancelation is to take effect.

2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancelation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.

3. The policy period will end on the day and hour stated in the cancelation notice.

4. Any of these provisions that conflict with a law that controls the cancelation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancelation.

Your policy has been signed by our Chief Executive Officer and Chief Underwriting Officer but is not valid until countersigned on the Information Page by our authorized representative.

FLORIDA NON-COOPERATION WITH PREMIUM AUDIT ENDORSEMENT

This endorsement applies because Florida is shown in Item 3.A. of the Information Page.

This endorsement adds the following provisions to Part Five—Premium, G. Audit of the policy:

We are required to complete the premium audit process no later than 90 days after policy termination. If you fail to return the final mail audit or refuse to cooperate in completing the final physical audit or final physical onsite audit, you must pay us a premium not to exceed three times the most recent estimated annual premium on this policy subject to the following conditions:

1. We make two good faith efforts to obtain the final mail audit or complete the final physical audit or final physical onsite audit.
2. We document the audit file regarding the two good faith attempts to obtain the required audit information.
3. After the two good faith attempts to obtain records or gain access to your premises or your worksites, we send a letter by certified mail to you advising you of the specific records that are required or the premises or worksites that must be accessed and the premium that will be charged if you continue to refuse access to the records, premises, and/or worksites.

If you do not provide all the specific records required and/or fail to permit access to your premises or worksites as applicable, and if we satisfy the conditions above on or before 90 days from the date of policy termination, we may continue to try and conduct the audit and/or reopen the audit for up to three years from the date of policy termination. Alternatively, we may immediately bill you a premium not to exceed three times the most recent estimated annual premium on this policy. If you provide all the specific records required and/or permit access to the premises or worksites as applicable to complete the premium audit process within the three-year period, we will determine your final premium in accordance with Part Five—Premium, E. Final Premium of the policy.

If we cannot complete the audit because you do not permit us to make a physical inspection of your operation or provide us with the necessary records, you must pay us $500 to defray the costs of the audit. The $500 charge may be imposed only if we have incurred actual travel expenses and we notified you in writing of the potential charge when access was denied. Denial of access to records and your premises or worksites by your agent or representative is considered the same as a denial by you.

If you understate or conceal payroll, or misrepresent or conceal employee duties to avoid proper classification for premium calculations or misrepresent or conceal information pertinent to the calculation and application of an experience rating modification factor, then you, your agent or your attorney, must pay us a penalty charge of 10 times the difference in the amount of premium that you paid and the amount that you should have paid and reasonable attorney's fees. The penalty may be enforced in the Florida circuit courts.

At the end of each quarter, you must submit to us a copy of the quarterly earnings reports you filed with the Florida Department of Revenue and any self-audits supported by the quarterly earnings report. The report must include a sworn statement by an officer or principal of your company attesting to the accuracy of the information in it. If you have an employee who suffered a compensable injury and was not reported as having earned wages on your last quarterly earnings report, you must indemnify us for all workers compensation benefits paid to or on behalf of the employee unless you establish that the employee was hired after the filing of the quarterly report, in which case you and the employee must attest to fact that the employee was employed by you at the time of injury.

This endorsement changes the policy to which it is attached and, unless otherwise stated, is effective on the date issued at 12:01 A.M. standard time at your mailing address shown in the policy. **The information below is required only when this endorsement is issued subsequent to commencement of the policy.**

POLICY AMENDATORY ENDORSEMENT - CALIFORNIA

It is agreed that, anything in the policy to the contrary notwithstanding, such insurance as is afforded by this policy by reason of the designation of California in Item 3 of the Information Page is subject to the following provisions:

1. **Minors Illegally Employed – Not Insured.** This policy does not cover liability for additional compensation imposed on you under Section 4557, Division IV, Labor Code of the State of California, by reason of injury to an employee under sixteen years of age and illegally employed at the time of injury.

2. **Punitive or Exemplary Damages – Uninsurable.** This policy does not cover punitive or exemplary damages where insurance of liability therefor is prohibited by law or contrary to public policy.

3. **Increase in Indemnity Payment – Reimbursement.** You are obligated to reimburse us for the amount of increase in indemnity payments made pursuant to Subdivision (d) of Section 4650 of the California Labor Code, if the late indemnity payment which gives rise to the increase in the amount of payment is due less than seven (7) days after we receive the completed claim form from you. You are obligated to reimburse us for any increase in indemnity payments not covered under this policy and will reimburse us for any increase in indemnity payment not covered under the policy when the aggregate total amount of the reimbursement payments paid in a policy year exceeds one hundred dollars ($100).

   If we notify you in writing, within 30 days of the payment, that you are obligated to reimburse us, we will bill you for the amount of increase in indemnity payment and collect it no later than the final audit. You will have 60 days, following notice of the obligation to reimburse, to appeal the decision of the insurer to the Department of Insurance.

4. **Application of Policy.** Part One, "Workers Compensation Insurance", A, "How This Insurance Applies", is amended to read as follows:

   This workers compensation insurance applies to bodily injury by accident or disease, including death resulting therefrom. Bodily injury by accident must occur during the policy period. Bodily injury by disease must be caused or aggravated by the conditions of your employment. Your employee's exposure to those conditions causing or aggravating such bodily injury by disease must occur during the policy period.

5. **Rate Changes.** The premium and rates with respect to the insurance provided by this policy by reason of the designation of California in Item 3 of the Information Page are subject to change if ordered by the Insurance Commissioner of the State of California pursuant to Section 11737 of the California Insurance Code.

6. **Long Term Policy.** If this policy is written for a period longer than one year, all the provisions of this policy shall apply separately to each consecutive twelve-month period or, if the first or last consecutive period is less than twelve months, to such period of less than twelve months, in the same manner as if a separate policy had been written for each consecutive period.

7. **Statutory Provision.** Your employee has a first lien upon any amount which becomes owing to you by us on account of this policy, and in the case of your legal incapacity or inability to receive the money and pay it to the claimant, we will pay it directly to the claimant.

Alaska National INSURANCE COMPANY

8. Part Five, “Premium”, E, “Final Premium”, is amended to read as follows:

   The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

   If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

   a. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.

   b. If you cancel, final premium may be more than pro rata; it will be based on the time this policy was in force, and may be increased by our short-rate cancelation table and procedure. Final premium will not be less than the pro rata share of the minimum premium.

It is further agreed that this policy, including all endorsements forming a part thereof, constitutes the entire contract of insurance. No condition, provision, agreement, or understanding not set forth in this policy or such endorsements shall affect such contract or any rights, duties, or privileges arising therefrom.

This endorsement changes the policy to which it is attached and, unless otherwise stated, is effective on the date issued at 12:01 A.M. standard time at your mailing address shown in the policy. **The information below is required only when this endorsement is issued subsequent to commencement of the policy.**

MISSOURI EMPLOYER PAID MEDICAL ENDORSEMENT

This endorsement applies because Missouri is shown in Item 3.A. of the Information Page.

As a Missouri employer, you have the right, as provided by Section 287.957 of the Revised Statutes of Missouri, to have medical-only claims that do not exceed 20% of the current primary and excess loss split point amount, as shown in the Schedule below, excluded from your experience rating modification calculation. This will only be allowed when you pay all of the employee's medical costs; there is no lost time from the employment, other than the first three days or less of disability; and no claim is filed. The current primary and excess loss split point amount is provided in the rating values of NCCI's ***Experience Rating Plan Manual***. **You still must report all injuries, regardless of the dollar amount, to the Division of Workers' Compensation and to us.**

However, it should be noted that if, at any time, the medical expenses that are paid out of pocket due to a particular injury ever exceed 20% of the current primary and excess loss split point amount and/or the employee misses more than three days from work due to the injury, then this injury must be reported to us as a claim. We will pay the full amount of the claim, which includes any reimbursements due to you for past medical expenses incurred by you for this particular claim. As a result, the total amount of losses incurred by us due to this claim will be included in your experience rating modification calculation.

MISSOURI PROPERTY AND CASUALTY GUARANTY ASSOCIATION ENDORSEMENT

This Endorsement applies only to the insurance provided by the policy because Missouri is shown in Item 3.A. of the Information Page.

Missouri Property and Casualty Insurance Guaranty Association Coverage Limits:

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (Association), the Association will pay claims covered under the Act if we become insolvent.

2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitation applies subject to all other provisions of the Act:

   a. Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer if the insured has a net worth of more than $25 million on the later of the end of the insured's most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes an insolvent insurer; provided that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis.

   If the insured prepares an annual report to shareholders, or an annual report to management reflecting net worth, then such report for the fiscal year immediately preceding the date of insolvency of the insurer will be used to determine net worth.

   b. However, the association will not:

      (1) Pay an amount in excess of the applicable limit of insurance of the policy from which a claim arises; or

      (2) Return to an insured any unearned premium in excess of $25,000.

      These limitations have no effect on the coverage we will provide under this policy.

This endorsement applies because Missouri is shown in Item 3.A. of the Information Page.

Part Five-Premium, Section G. (Audit) of the policy is replaced by the following:

G. **Audit**

You will let us examine and audit all of your records relating to this policy during regular business hours throughout and after the policy period. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights that we have under this provision.

Audits must be completed and billed, and any premiums will be returned within 120 days of policy expiration or cancellation unless:

1. Delay is caused by your failure to respond to reasonable audit requests, provided that the requests are timely and adequately documented; or
2. A written agreement between you and us provides a longer time frame.

If you or we have any objection to the results of any audit, you or we may send a written notice demanding a reconsideration of the audit within three years from the date of expiration or cancellation of this policy. The written notice must be based upon sufficiently clear and specific facts as to why the audit should be reconsidered.

If you do not allow us to examine and audit all of your records relating to this policy, and/or do not provide audit information as timely and reasonably requested, we may apply an Audit Noncompliance Charge equal to a maximum of up to two times the estimated annual premium. The method for determining the Audit Noncompliance Charge is shown in the Schedule below.

If you allow us to examine and audit all of your records after we have applied an Audit Noncompliance Charge, we will revise your premium in accordance with our manuals and Part 5-Premium, E. (Final Premium) of this policy.

Failure to cooperate with this policy provision may also result in the cancellation of your insurance coverage, as specified under the policy and allowed under Missouri law.

HAWAII NOTIFICATION ENDORSEMENT

This endorsement applies to the insurance provided by this policy because Hawaii is shown in Item 3.A. of the Information Page.

Hawaii law requires that all policies issued to employers for workers compensation insurance disclose clearly to employers as separate figures the portion of the premium charged for categories (1) through (5) below. Category (6) is provided for informational purposes only so that the figures total 100%. These figures are provided below in column A as percentages of standard premium because rates are filed and approved on a standard premium basis.

If the figures were not provided as percentages of standard premium, the percentages would vary by policy based on any premium discounts applied to the individual policy. Hawaii law also requires the disclosure of the percentages of premiums expended during the previous year by the insurer for claims paid in the same categories. These percentages are provided below in column B based on the most recent available calendar year data. The figures in column B may not total to 100% since premiums collected in any individual calendar year will not correspond exactly to the claims and expenses paid in that calendar year.

Category	A	B
(1) Medical care, services, and supplies	24.0 %	28.5 %
(2) Wage loss benefits including temporary total, temporary partial, and permanent total disability benefits and their related benefits	13.3 %	9.4 %
(3) Indemnity benefits for permanent partial disability	10.0 %	9.5 %
(4) Death benefits	0.5 %	0.4 %
(5) Loss control and administrative costs, attorney's fees of the insurer, the cost of employer requested medical examinations and private investigation costs	12.8 %	12.8 %
(6) Production costs, general expense, premium tax, Special Compensation Fund, miscellaneous tax, Hawaii Hurricane Relief Fund	39.4 %	39.4 %

   a. 45 days after notice is given; or

   b. The effective date of replacement coverage obtained by you.

6. If you then elect not to renew, any earned premium for the resulting extended period of coverage will be calculated pro rata at the lower of the new rates or rates applicable to the expiring policy.

7. We will not provide notice of the following:

UTAH CANCELLATION ENDORSEMENT

This endorsement applies only to the insurance provided by the policy because Utah is shown in Item 3.A of the Information Page.

Cancellation Section (D) of Part Six-Conditions is replaced by the following:

A. Cancellation

1. You may cancel this policy. You must mail or deliver advance notice to us stating when the cancellation is to take effect.

2. If this policy has been previously renewed or has been in effect for at least 60 days, the provisions of this paragraph 2 apply. We may cancel this policy for one of the following reasons:

   a. You fail to pay all premiums when due;

   b. A material misrepresentation;

   c. A substantial change in the risk assumed, unless we should reasonably have foreseen the change or contemplated the risk when entering into the contract;

   d. Substantial breaches of contractual duties, conditions or warranties.

   We will mail or deliver to you not less than 30-days advance written notice stating when the cancellation is to take effect, except in the event you fail to pay your premiums when due, in which case we will mail or deliver to you not less than 10-days advance written notice stating when the cancellation is to take effect. Should we cancel for non-payment of premiums, we must state this as the reason for the cancellation on our notice of cancellation. Should we cancel for any of the other reasons above, we must either state the facts on which our decision is based or notify you of your right to make a written request for that information. Mailing a cancellation notice via first class mail to you at your mailing address last known to us will be sufficient to prove notice.

   b. The policy is expressly designated as nonrenewable;

   c. You fail to pay the renewal premium by the due date. We will mail the renewal notice to you not more than 45 days nor less than 14 days prior to the renewal effective date. The renewal notice will include the estimated renewal premium, how it may be paid, and state that failure to pay the renewal premium by the due date extinguishes your right to the renewal; or

d. We give you 30-days notice of nonrenewal prior to the expiration or the anniversary date. We must deliver or send the notice by first class mail to your last known mailing address.

2. If we offer to renew the policy but on less favorable terms or at higher rates, the new terms or rates will take effect on the renewal date if we delivered or sent by first class mail to you notice of the new terms or rates at least 30 days prior of the expiration date of the prior policy. The prior notice requirement does not apply if the only change is a rate increase generally applicable to your class of business, a rate increase resulting from a classification change, or a policy form change made to make the form consistent with Utah law.

NOTICE TO POLICYHOLDER

CALIFORNIA WORKERS' COMPENSATION
INSURANCE RATING LAWS

Pursuant to Section 11752.8 of the California Insurance Code, we are providing you with an explanation of the California workers' compensation rating laws.

1. We establish our own rates for workers' compensation. Our rates, rating plans, and related information are filed with the insurance commissioner and are open for public inspection.

2. The insurance commissioner can disapprove our rates, rating plans, or classifications only if he or she has determined after public hearing that our rates might jeopardize our ability to pay claims or might create a monopoly in the market. A monopoly is defined by law as a market where one insurer writes 20% or more of that part of the California workers' compensation insurance that is not written by the State Compensation Insurance Fund. If the insurance commissioner disapproves our rates, rating plans, or classifications, he or she may order an increase in the rates applicable to outstanding policies.

3. Rating organizations may develop pure premium rates that are subject to the insurance commissioner's approval. A pure premium rate reflects the anticipated cost and expenses of claims per $100 of payroll for a given classification. Pure premium rates are advisory only, as we are not required to use the pure premium rates developed by any rating organization in establishing our own rates.

4. We must adhere to a single, uniform experience rating plan. If you are eligible for experience rating under the plan, we will be required to adjust your premium to reflect your claim history. A better claim history generally results in a lower experience rating modification; more claims, or more expensive claims, generally result in a higher experience rating modification. The uniform experience rating plan, which is developed by the insurance rating organization designated by the insurance commissioner, is subject to approval by the insurance commissioner.

5. A standard classification system, developed by the insurance rating organization designated by the insurance commissioner is subject to approval by the insurance commissioner. The standard classification system is a method of recognizing and separating policyholders into industry or occupational groups according to their similarities and/or differences. We can adopt and apply the standard classification system or develop and apply our own classification system, provided we can report the payroll, expenses, and other costs of claims in a way that is consistent with the uniform statistical plan or the standard classification system.

6. Our rates and classifications may not violate the Unruh Civil Rights Act or be unfairly discriminatory.

7. We will provide an appeal process for you to appeal the way we rate your insurance policy. The process requires us to respond to your written appeal within 30 days. If you are not satisfied with the result of your appeal, you may appeal our decision to the insurance commissioner.

NOTICE TO POLICYHOLDER

CALIFORNIA WORKERS' COMPENSATION INSURANCE
NOTICE OF NONRENEWAL

Section 11664 of the California Insurance Code requires us, in most instances, to provide you with a notice of nonrenewal. Except as specified in paragraphs 1 through 6 below, if we elect to nonrenew your policy, we are required to deliver or mail to you a written notice stating the reason or reasons for the nonrenewal of the policy. The notice is required to be sent to you no earlier than 120 days before the end of the policy period and no later than 30 days before the end of the policy period. If we fail to provide you the required notice, we are required to continue the coverage under the policy with no change in the premium rate until 60 days after we provide you with the required notice.

We are not required to provide you with a notice of nonrenewal in any of the following situations:

1. Your policy was transferred or renewed without a change in its terms or conditions or the rate on which the premium is based to another insurer or other insurers who are members of the same insurance group as us.

2. The policy was extended for 90 days or less and the required notice was given prior to the extension.

3. You obtained replacement coverage or agreed, in writing, within 60 days of the termination of the policy, to obtain that coverage.

4. The policy is for a period of no more than 60 days and you were notified at the time of issuance that it may not be renewed.

5. You requested a change in the terms or conditions or risks covered by the policy within 60 days prior to the end of the policy period.

6. We made a written offer to you to renew the policy at a premium rate increase of less than 25 percent.

   (A) If the premium rate in your governing classification is to be increased 25 percent or greater and we intend to renew the policy, we shall provide a written notice of a renewal offer not less than 30 days prior to the policy renewal date. The governing classification shall be determined by the rules and regulations established in accordance with California Insurance Code Section 11750.3(c).

   (B) For purposes of this Notice, "premium rate" means the cost of insurance per unit of exposure prior to the application of individual risk variations based on loss or expense considerations such as scheduled rating and experience rating.

FLORIDA NOTICE OF PENDING LAW CHANGE TO TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT OF 2007

This notice is being sent to you with respect to your workers compensation and employers liability insurance policy. This notice does not replace the separate Florida Terrorism Risk Insurance Program Reauthorization Act Endorsement (WC 09 04 03 A) that is attached to your current policy and which remains in effect as applicable.

The Terrorism Risk Insurance Act of 2002 (TRIA) as previously amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIPRA), provides for a program under which the federal government will share in the payment of insured losses caused by certain acts of terrorism. In the absence of affirmative US Congressional action to extend, update, or otherwise reauthorize TRIPRA, in whole or in part, TRIPRA is scheduled to expire December 31, 2014.

Since the timetable for any further Congressional action respecting TRIPRA is unknown at this time, and exposure to acts of terrorism remains, we are providing our policyholders with relevant information concerning their workers compensation policies in effect on or after January 1, 2014 in the event of TRIPRA's expiration.

Your policy provides coverage for workers compensation losses caused by acts of terrorism or war, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy.

The premium charge for the coverage your policy provides for terrorism or war losses is shown in Item 4 of the Information Page or the Schedule in the Florida Terrorism Risk Insurance Program Reauthorization Act Endorsement (WC 09 04 03 A) that is attached to your policy, and this amount may continue or change for new, renewal, and in-force policies in effect on or after December 31, 2014 in the event of TRIPRA's expiration, subject to regulatory review in accordance with applicable state law.

You need not do anything further at this time.

OREGON POLICYHOLDER NOTICE – WORKERS COMPENSATION INFORMATION

Workers Compensation Rates
NCCI uses payroll and loss data to actuarially determine that portion of each individual classification rate necessary to pay the losses. This amount is called the pure premium. Oregon insurers may use the pure premiums determined by NCCI, or may derive their own pure premium when preparing their rates. Each carrier applies its own "factor" to provide for the additional costs of taxes, licenses, fees, acquisition and field supervision, and other company expenses. This "factored" rate is the amount charged per $100 of payroll.

Workers Compensation Classifications
There are hundreds of workers compensation classifications in use in Oregon. Generally, each employer will be entitled to the ONE basic classification which most accurately describes its business. However, when that one basic classification does not specifically include the clerical, outside salespersons, or drivers, each employer may also be entitled to the following additional classifications:

- Code 7380 - Drivers, Chauffeurs, Messengers & and Their Helpers - Commercial;
- Code 8742 - Salespersons or Collector - Outside; and
- Code 8810 - Clerical Office Employees.

When an employer is engaged in certain operations such as construction, erection, stevedoring, aviation, day care, sawmills, farming, mercantile, employee leasing or trucking, additional classifications may be assigned. Also, if an insured is engaged in more than one business, additional classifications may be needed.

Division of Individual Employee's Payroll
Certain types of employment allow you to divide an employee's payroll between two or more classifications, PROVIDED separate verifiable payroll records are adequately maintained. When verifiable payroll records are not maintained, that individual's payroll must be assigned to the highest rated classification for any of the duties performed.

Verifiable Records
Verifiable records are documents completed by an employee or supervisor. Such documents, such as time cards, show what the employee was doing and how much time was spent in each activity. Your insurer can provide information on how to keep such records in an acceptable fashion. **Estimates or percentages of time spent in the different duties are not acceptable as verifiable records.**

You may dispute our actions or the actions of the WCIRB pursuant to CIC Sections 11737 and 11753.1.

A. Our Dispute Resolution Process.

If you are aggrieved by our decision adopting a change in a classification assignment that results in increased premium, or by the application of our rating system to your workers' compensation insurance, you may dispute these matters with us. If you are dissatisfied with the outcome of the initial dispute with us, you may send us a written Complaint and Request for Action as outlined below.

You may send us a written Complaint and Request for Action requesting that we reconsider a change in a classification assignment that results in an increased premium and/or requesting that we review the manner in which our rating system has been applied in connection with the insurance afforded or offered you. Written Complaints and Requests for Action should be forwarded to: **Alaska National Insurance Company, 100 Pringle Avenue, Suite 460, Walnut Creek, CA 94108; Telephone: 415-248-5030; Fax: 415-248-5033.**

After you send your Complaint and Request for Action, we have 30 days to send you a written notice indicating whether your written request will be reviewed. If we agree to review your request, we must conduct the review and issue a decision granting or rejecting your request within 60 days after sending you the written notice granting review. If we decline to review your request, if you are dissatisfied with the decision upon review, or if we fail to grant or reject your request or issue a decision upon review, you may appeal to the Insurance Commissioner as described in paragraph II.C., below.

B. Disputing the Actions of the WCIRB.

If you have been aggrieved by any decision, action, or omission to act of the WCIRB, you may request, in writing, that the WCIRB reconsider its decision, action, or omission to act. You may also request, in writing, that the WCIRB review the manner in which its rating system has been applied in connection with the insurance afforded or offered you. For requests related to classification disputes, the reporting of experience, or coverage issues, your initial request for review must be received by the WCIRB within 12 months after the expiration date of the policy to which the request for review pertains, except if the request involves the application of the Revision of Losses rule. For requests related to your experience modification, your initial request for review must be received by the WCIRB within 6 months after the issuance, or 12 months after the expiration date, of the experience modification to which the request for review pertains, whichever is later, except if the request for review involves the application of the Revision of Losses rule. If the request involves the Revision of Losses rule, the time to state your appeal may be longer. (See Section VI, Rule 7 of the ERP).

You may commence the review process by sending the WCIRB a written Inquiry. Written Inquiries should be sent to: WCIRB, 1901 Harrison Street, 17th Floor, Oakland, CA 94612, Attn: Customer Service. Customer Service can be reached at 888.229.2472 (phone), 415.778.7272 (fax) and customerservice@wcirb.com (email).

If you are dissatisfied with the WCIRB's decision upon an Inquiry, or if the WCIRB fails to respond within 90 days after receipt of the Inquiry, you may pursue the subject of the Inquiry by sending the WCIRB a written Complaint and Request for Action. After you send your Complaint and Request for Action, the WCIRB has 30 days to send you written notice indicating whether your written request will be reviewed. If the WCIRB agrees to review your request, it must conduct the review and issue a decision granting or rejecting your request within 60 days after sending you the written notice granting review. If the WCIRB declines to review your request, if you are dissatisfied with the decision upon review, or if the WCIRB fails to grant or reject your request or issue a decision upon review, you may appeal to the Insurance Commissioner as described in paragraph II.C., below. Written Complaints and Requests for Action should be forwarded to: WCIRB, 1901 Harrison Street, 17th Floor, Oakland, CA 94612, Attn: Complaints and Reconsideration. The WCIRB's contact information is 888.229.2472 (phone), 415.371.5204 (fax) and customerservice@wcirb.com (email).

C. **California Department of Insurance – Appeals to the Insurance Commissioner.** After you follow the appropriate dispute resolution process described above, if (1) we or the WCIRB decline to review your request, (2) you are dissatisfied with the decision upon review, or (3) we or the WCIRB fail to grant or reject your request or issue a decision upon review, you may appeal to the Insurance Commissioner pursuant to CIC Sections 11737, 11752.6, 11753.1 and Title 10, California Code of Regulations, Section 2509.40 et seq. You must file your appeal within 30 days after we or the WCIRB send you the notice rejecting review of your Complaint and Request for Action or the decision upon your Complaint and Request for Action. If no written decision regarding your Complaint and Request for Action is sent, your appeal must be filed within 120 days after you sent your Complaint and Request for Action to us or to the WCIRB. The filing address for all appeals to the Insurance Commissioner is:

WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION

A. The Policy

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who Is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE
WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period

2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;

2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;

3. litigation costs taxed against you;

4. interest on a judgment as required by law until we offer the amount due under this insurance; and

5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;

2. you knowingly employ an employee in violation of law;

3. you fail to comply with a health or safety law or regulation; or

4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.

2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.

3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.

4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.

5. This insurance conforms to the parts of the workers compensation law that apply to:

   a. benefits payable by this insurance;

   b. special taxes, payments into security or other special funds, and assessments payable by us under that law.

6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO
EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.

2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.

3. Bodily injury by accident must occur during the policy period.

4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;

2. For care and loss of services; and

3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you and

4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner

2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law

3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers

4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law

5. Bodily injury intentionally caused or aggravated by you

6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries

7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;

8. Bodily injury to any person in work subject to the Longshore and Harbor Workers Compensation Act (33 USC Sections 901-et seq.), the Nonappropriated Fund Instru-mentalities Act (5 U.S.C. Sections 8171

et seq.), the Outer Continental Shelf Lands Act (43 U.S.C. Sections 1331 et seq.), the Defense Base Act (42 U.S.C. Sections 1651–1654), the Federal Mine Safety and Health Act (30 U.S.C. Sections 801 et seq. and 901–944), any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws

9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 U.S.C. Sections 51 et seq.), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws

10. Bodily injury to a master or member of the crew of any vessel, and does not cover punitive damages related to your duty or obligation to provide transportation, wages, maintenance, and cure under any applicable maritime law;

11. Fines or penalties imposed for violation of federal or state law and

12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. Sections 1801 et seq.) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding, or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings

2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance

3. Litigation costs taxed against you

4. Interest on a judgment as required by law until we offer the amount due under this insurance and

5. Expenses we incur.

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

1. Bodily Injury by Accident. The limit shown for "bodily injury by accident—each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.

   A disease is not bodily injury by accident unless it results directly from bodily injury by accident.

2. Bodily Injury by Disease. The limit shown for "bodily injury by disease—policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease—each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and

2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE
OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.

2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.

3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.

4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR
YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.

2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.

3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.

4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.

5. Do nothing after an injury occurs that would interfere with our right to recover from others.

6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE - PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and

apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. all your officers and employees engaged in work covered by this policy; and

2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.

2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force and increased by our short-rate cancelation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX - CONDITIONS

A. Inspection

We have the right but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the

insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancelation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancelation is to take effect.

2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancelation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.

3. The policy period will end on the day and hour stated in the cancelation notice.

4. Any of these provisions that conflict with a law that controls the cancelation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancelation.

Your policy has been signed by our Chief Executive Officer and Chief Underwriting Officer but is not valid until countersigned on the Information Page by our authorized representative.

FLORIDA NON-COOPERATION WITH PREMIUM AUDIT ENDORSEMENT

This endorsement applies because Florida is shown in Item 3.A. of the Information Page.

This endorsement adds the following provisions to Part Five—Premium, G. Audit of the policy:

We are required to complete the premium audit process no later than 90 days after policy termination. If you fail to return the final mail audit or refuse to cooperate in completing the final physical audit or final physical onsite audit, you must pay us a premium not to exceed three times the most recent estimated annual premium on this policy subject to the following conditions:

1. We make two good faith efforts to obtain the final mail audit or complete the final physical audit or final physical onsite audit.
2. We document the audit file regarding the two good faith attempts to obtain the required audit information.
3. After the two good faith attempts to obtain records or gain access to your premises or your worksites, we send a letter by certified mail to you advising you of the specific records that are required or the premises or worksites that must be accessed and the premium that will be charged if you continue to refuse access to the records, premises, and/or worksites.

If you do not provide all the specific records required and/or fail to permit access to your premises or worksites as applicable, and if we satisfy the conditions above on or before 90 days from the date of policy termination, we may continue to try and conduct the audit and/or reopen the audit for up to three years from the date of policy termination. Alternatively, we may immediately bill you a premium not to exceed three times the most recent estimated annual premium on this policy. If you provide all the specific records required and/or permit access to the premises or worksites as applicable to complete the premium audit process within the three-year period, we will determine your final premium in accordance with Part Five—Premium, E. Final Premium of the policy.

If we cannot complete the audit because you do not permit us to make a physical inspection of your operation or provide us with the necessary records, you must pay us $500 to defray the costs of the audit. The $500 charge may be imposed only if we have incurred actual travel expenses and we notified you in writing of the potential charge when access was denied. Denial of access to records and your premises or worksites by your agent or representative is considered the same as a denial by you.

If you understate or conceal payroll, or misrepresent or conceal employee duties to avoid proper classification for premium calculations or misrepresent or conceal information pertinent to the calculation and application of an experience rating modification factor, then you, your agent or your attorney, must pay us a penalty charge of 10 times the difference in the amount of premium that you paid and the amount that you should have paid and reasonable attorney's fees. The penalty may be enforced in the Florida circuit courts.

At the end of each quarter, you must submit to us a copy of the quarterly earnings reports you filed with the Florida Department of Revenue and any self-audits supported by the quarterly earnings report. The report must include a sworn statement by an officer or principal of your company attesting to the accuracy of the information in it. If you have an employee who suffered a compensable injury and was not reported as having earned wages on your last quarterly earnings report, you must indemnify us for all workers compensation benefits paid to or on behalf of the employee unless you establish that the employee was hired after the filing of the quarterly report, in which case you and the employee must attest to fact that the employee was employed by you at the time of injury.

POLICY AMENDATORY ENDORSEMENT - CALIFORNIA

It is agreed that, anything in the policy to the contrary notwithstanding, such insurance as is afforded by this policy by reason of the designation of California in Item 3 of the Information Page is subject to the following provisions:

1. **Minors Illegally Employed – Not Insured.** This policy does not cover liability for additional compensation imposed on you under Section 4557, Division IV, Labor Code of the State of California, by reason of injury to an employee under sixteen years of age and illegally employed at the time of injury.

2. **Punitive or Exemplary Damages – Uninsurable.** This policy does not cover punitive or exemplary damages where insurance of liability therefor is prohibited by law or contrary to public policy.

3. **Increase in Indemnity Payment – Reimbursement.** You are obligated to reimburse us for the amount of increase in indemnity payments made pursuant to Subdivision (d) of Section 4650 of the California Labor Code, if the late indemnity payment which gives rise to the increase in the amount of payment is due less than seven (7) days after we receive the completed claim form from you. You are obligated to reimburse us for any increase in indemnity payments not covered under this policy and will reimburse us for any increase in indemnity payment not covered under the policy when the aggregate total amount of the reimbursement payments paid in a policy year exceeds one hundred dollars ($100).

   If we notify you in writing, within 30 days of the payment, that you are obligated to reimburse us, we will bill you for the amount of increase in indemnity payment and collect it no later than the final audit. You will have 60 days, following notice of the obligation to reimburse, to appeal the decision of the insurer to the Department of Insurance.

4. **Application of Policy.** Part One, "Workers Compensation Insurance", A, "How This Insurance Applies", is amended to read as follows:

   This workers compensation insurance applies to bodily injury by accident or disease, including death resulting therefrom. Bodily injury by accident must occur during the policy period. Bodily injury by disease must be caused or aggravated by the conditions of your employment. Your employee's exposure to those conditions causing or aggravating such bodily injury by disease must occur during the policy period.

5. **Rate Changes.** The premium and rates with respect to the insurance provided by this policy by reason of the designation of California in Item 3 of the Information Page are subject to change if ordered by the Insurance Commissioner of the State of California pursuant to Section 11737 of the California Insurance Code.

6. **Long Term Policy.** If this policy is written for a period longer than one year, all the provisions of this policy shall apply separately to each consecutive twelve-month period or, if the first or last consecutive period is less than twelve months, to such period of less than twelve months, in the same manner as if a separate policy had been written for each consecutive period.

7. **Statutory Provision.** Your employee has a first lien upon any amount which becomes owing to you by us on account of this policy, and in the case of your legal incapacity or inability to receive the money and pay it to the claimant, we will pay it directly to the claimant.

Alaska National INSURANCE COMPANY

8. Part Five, “Premium”, E, “Final Premium”, is amended to read as follows:

   The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

   If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

   a. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.

   b. If you cancel, final premium may be more than pro rata; it will be based on the time this policy was in force, and may be increased by our short-rate cancelation table and procedure. Final premium will not be less than the pro rata share of the minimum premium.

It is further agreed that this policy, including all endorsements forming a part thereof, constitutes the entire contract of insurance. No condition, provision, agreement, or understanding not set forth in this policy or such endorsements shall affect such contract or any rights, duties, or privileges arising therefrom.

MISSOURI EMPLOYER PAID MEDICAL ENDORSEMENT

This endorsement applies because Missouri is shown in Item 3.A. of the Information Page.

As a Missouri employer, you have the right, as provided by Section 287.957 of the Revised Statutes of Missouri, to have medical-only claims that do not exceed 20% of the current primary and excess loss split point amount, as shown in the Schedule below, excluded from your experience rating modification calculation. This will only be allowed when you pay all of the employee's medical costs; there is no lost time from the employment, other than the first three days or less of disability; and no claim is filed. The current primary and excess loss split point amount is provided in the rating values of NCCI's ***Experience Rating Plan Manual***. **You still must report all injuries, regardless of the dollar amount, to the Division of Workers' Compensation and to us.**

However, it should be noted that if, at any time, the medical expenses that are paid out of pocket due to a particular injury ever exceed 20% of the current primary and excess loss split point amount and/or the employee misses more than three days from work due to the injury, then this injury must be reported to us as a claim. We will pay the full amount of the claim, which includes any reimbursements due to you for past medical expenses incurred by you for this particular claim. As a result, the total amount of losses incurred by us due to this claim will be included in your experience rating modification calculation.

MISSOURI PROPERTY AND CASUALTY GUARANTY ASSOCIATION ENDORSEMENT

This Endorsement applies only to the insurance provided by the policy because Missouri is shown in Item 3.A. of the Information Page.

Missouri Property and Casualty Insurance Guaranty Association Coverage Limits:

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (Association), the Association will pay claims covered under the Act if we become insolvent.

2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitation applies subject to all other provisions of the Act:

   a. Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer if the insured has a net worth of more than $25 million on the later of the end of the insured's most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes an insolvent insurer; provided that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis.

   If the insured prepares an annual report to shareholders, or an annual report to management reflecting net worth, then such report for the fiscal year immediately preceding the date of insolvency of the insurer will be used to determine net worth.

   b. However, the association will not:

      (1) Pay an amount in excess of the applicable limit of insurance of the policy from which a claim arises; or

      (2) Return to an insured any unearned premium in excess of $25,000.

      These limitations have no effect on the coverage we will provide under this policy.

Part Five-Premium, Section G. (Audit) of the policy is replaced by the following:

G. **Audit**

You will let us examine and audit all of your records relating to this policy during regular business hours throughout and after the policy period. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights that we have under this provision.

Audits must be completed and billed, and any premiums will be returned within 120 days of policy expiration or cancellation unless:

1. Delay is caused by your failure to respond to reasonable audit requests, provided that the requests are timely and adequately documented; or
2. A written agreement between you and us provides a longer time frame.

If you or we have any objection to the results of any audit, you or we may send a written notice demanding a reconsideration of the audit within three years from the date of expiration or cancellation of this policy. The written notice must be based upon sufficiently clear and specific facts as to why the audit should be reconsidered.

If you do not allow us to examine and audit all of your records relating to this policy, and/or do not provide audit information as timely and reasonably requested, we may apply an Audit Noncompliance Charge equal to a maximum of up to two times the estimated annual premium. The method for determining the Audit Noncompliance Charge is shown in the Schedule below.

If you allow us to examine and audit all of your records after we have applied an Audit Noncompliance Charge, we will revise your premium in accordance with our manuals and Part 5-Premium, E. (Final Premium) of this policy.

Failure to cooperate with this policy provision may also result in the cancellation of your insurance coverage, as specified under the policy and allowed under Missouri law.

HAWAII NOTIFICATION ENDORSEMENT

This endorsement applies to the insurance provided by this policy because Hawaii is shown in Item 3.A. of the Information Page.

Hawaii law requires that all policies issued to employers for workers compensation insurance disclose clearly to employers as separate figures the portion of the premium charged for categories (1) through (5) below. Category (6) is provided for informational purposes only so that the figures total 100%. These figures are provided below in column A as percentages of standard premium because rates are filed and approved on a standard premium basis.

If the figures were not provided as percentages of standard premium, the percentages would vary by policy based on any premium discounts applied to the individual policy. Hawaii law also requires the disclosure of the percentages of premiums expended during the previous year by the insurer for claims paid in the same categories. These percentages are provided below in column B based on the most recent available calendar year data. The figures in column B may not total to 100% since premiums collected in any individual calendar year will not correspond exactly to the claims and expenses paid in that calendar year.

Category	A	B
(1) Medical care, services, and supplies	24.0 %	28.5 %
(2) Wage loss benefits including temporary total, temporary partial, and permanent total disability benefits and their related benefits	13.3 %	9.4 %
(3) Indemnity benefits for permanent partial disability	10.0 %	9.5 %
(4) Death benefits	0.5 %	0.4 %
(5) Loss control and administrative costs, attorney's fees of the insurer, the cost of employer requested medical examinations and private investigation costs	12.8 %	12.8 %
(6) Production costs, general expense, premium tax, Special Compensation Fund, miscellaneous tax, Hawaii Hurricane Relief Fund	39.4 %	39.4 %
