1. You may cancel this policy. You must mail or deliver advance notice to us stating when the cancellation is to take effect.

2. If this policy has been previously renewed or has been in effect for at least 60 days, the provisions of this paragraph 2 apply. We may cancel this policy for one of the following reasons:

2. If we offer to renew the policy but on less favorable terms or at higher rates, the new terms or rates will take effect on the renewal date if we delivered or sent by first class mail to you notice of the new terms or rates at least 30 days prior of the expiration date of the prior policy. NOTICE TO POLICYHOLDER

CALIFORNIA WORKERS' COMPENSATION
INSURANCE RATING LAWS

Pursuant to Section 11752.8 of the California Insurance Code, we are providing you with an explanation of the California workers' compensation rating laws.

1. We establish our own rates for workers' compensation. Our rates, rating plans, and related information are filed with the insurance commissioner and are open for public inspection.

2. The insurance commissioner can disapprove our rates, rating plans, or classifications only if he or she has determined after public hearing that our rates might jeopardize our ability to pay claims or might create a monopoly in the market. A monopoly is defined by law as a market where one insurer writes 20% or more of that part of the California workers' compensation insurance that is not written by the State Compensation Insurance Fund. If the insurance commissioner disapproves our rates, rating plans, or classifications, he or she may order an increase in the rates applicable to outstanding policies.

3. Rating organizations may develop pure premium rates that are subject to the insurance commissioner's approval. A pure premium rate reflects the anticipated cost and expenses of claims per $100 of payroll for a given classification. Pure premium rates are advisory only, as we are not required to use the pure premium rates developed by any rating organization in establishing our own rates.

4. We must adhere to a single, uniform experience rating plan. If you are eligible for experience rating under the plan, we will be required to adjust your premium to reflect your claim history. A better claim history generally results in a lower experience rating modification; more claims, or more expensive claims, generally result in a higher experience rating modification. The uniform experience rating plan, which is developed by the insurance rating organization designated by the insurance commissioner, is subject to approval by the insurance commissioner.

5. A standard classification system, developed by the insurance rating organization designated by the insurance commissioner is subject to approval by the insurance commissioner. The standard classification system is a method of recognizing and separating policyholders into industry or occupational groups according to their similarities and/or differences. We can adopt and apply the standard classification system or develop and apply our own classification system, provided we can report the payroll, expenses, and other costs of claims in a way that is consistent with the uniform statistical plan or the standard classification system.

6. Our rates and classifications may not violate the Unruh Civil Rights Act or be unfairly discriminatory.

7. We will provide an appeal process for you to appeal the way we rate your insurance policy. The process requires us to respond to your written appeal within 30 days. If you are not satisfied with the result of your appeal, you may appeal our decision to the insurance commissioner.

NOTICE TO POLICYHOLDER

CALIFORNIA WORKERS' COMPENSATION INSURANCE
NOTICE OF NONRENEWAL

Section 11664 of the California Insurance Code requires us, in most instances, to provide you with a notice of nonrenewal. Except as specified in paragraphs 1 through 6 below, if we elect to nonrenew your policy, we are required to deliver or mail to you a written notice stating the reason or reasons for the nonrenewal of the policy. The notice is required to be sent to you no earlier than 120 days before the end of the policy period and no later than 30 days before the end of the policy period. If we fail to provide you the required notice, we are required to continue the coverage under the policy with no change in the premium rate until 60 days after we provide you with the required notice.

The governing classification shall be determined by the rules and regulations established in accordance with California Insurance Code Section 11750.3(c).

FLORIDA NOTICE OF PENDING LAW CHANGE TO TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT OF 2007

This notice is being sent to you with respect to your workers compensation and employers liability insurance policy. This notice does not replace the separate Florida Terrorism Risk Insurance Program Reauthorization Act Endorsement (WC 09 04 03 A) that is attached to your current policy and which remains in effect as applicable.

The Terrorism Risk Insurance Act of 2002 (TRIA) as previously amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIPRA), provides for a program under which the federal government will share in the payment of insured losses caused by certain acts of terrorism. In the absence of affirmative US Congressional action to extend, update, or otherwise reauthorize TRIPRA, in whole or in part, TRIPRA is scheduled to expire December 31, 2014.

Since the timetable for any further Congressional action respecting TRIPRA is unknown at this time, and exposure to acts of terrorism remains, we are providing our policyholders with relevant information concerning their workers compensation policies in effect on or after January 1, 2014 in the event of TRIPRA's expiration.

Your policy provides coverage for workers compensation losses caused by acts of terrorism or war, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy.

The premium charge for the coverage your policy provides for terrorism or war losses is shown in Item 4 of the Information Page or the Schedule in the Florida Terrorism Risk Insurance Program Reauthorization Act Endorsement (WC 09 04 03 A) that is attached to your policy, and this amount may continue or change for new, renewal, and in-force policies in effect on or after December 31, 2014 in the event of TRIPRA's expiration, subject to regulatory review in accordance with applicable state law.

You need not do anything further at this time.

OREGON POLICYHOLDER NOTICE – WORKERS COMPENSATION INFORMATION

Workers Compensation Rates
NCCI uses payroll and loss data to actuarially determine that portion of each individual classification rate necessary to pay the losses. This amount is called the pure premium. Oregon insurers may use the pure premiums determined by NCCI, or may derive their own pure premium when preparing their rates. Each carrier applies its own "factor" to provide for the additional costs of taxes, licenses, fees, acquisition and field supervision, and other company expenses. This "factored" rate is the amount charged per $100 of payroll.

Workers Compensation Classifications
There are hundreds of workers compensation classifications in use in Oregon. Generally, each employer will be entitled to the ONE basic classification which most accurately describes its business. However, when that one basic classification does not specifically include the clerical, outside salespersons, or drivers, each employer may also be entitled to the following additional classifications:

- Code 7380 - Drivers, Chauffeurs, Messengers & and Their Helpers - Commercial;
- Code 8742 - Salespersons or Collector - Outside; and
- Code 8810 - Clerical Office Employees.

When an employer is engaged in certain operations such as construction, erection, stevedoring, aviation, day care, sawmills, farming, mercantile, employee leasing or trucking, additional classifications may be assigned. Also, if an insured is engaged in more than one business, additional classifications may be needed.

Division of Individual Employee's Payroll
Certain types of employment allow you to divide an employee's payroll between two or more classifications, PROVIDED separate verifiable payroll records are adequately maintained. When verifiable payroll records are not maintained, that individual's payroll must be assigned to the highest rated classification for any of the duties performed.

Verifiable Records
Verifiable records are documents completed by an employee or supervisor. Such documents, such as time cards, show what the employee was doing and how much time was spent in each activity. Your insurer can provide information on how to keep such records in an acceptable fashion. **Estimates or percentages of time spent in the different duties are not acceptable as verifiable records.**

YOUR RIGHT TO RATING AND DIVIDEND INFORMATION

I. Information Available to You

A. Information Available from Us – Alaska National Insurance Company

(1) General questions regarding your policy should be directed to:

Walnut Creek, CA 94108
Telephone: 415-248-5030
Fax: 415-248-5033

(2) **Dividend Calculation.** If this is a participating policy (a policy on which a dividend may be paid), upon payment or non-payment of a dividend, we shall provide a written explanation to you that sets forth the basis of the dividend calculation. The explanation will be in clear, understandable language and will express the dividend as a dollar amount and as a percentage of the earned premium for the policy year on which the dividend is calculated.

(3) **Claims Information.** Pursuant to Sections 3761 and 3762 of the California Labor Code, you are entitled to receive information in our claim files that affects your premium. Copies of documents will be supplied at your expense during reasonable business hours.

For claims covered under this policy, we will estimate the ultimate cost of unsettled claims for statistical purposes eighteen months after the policy becomes effective and will report those estimates to the Workers' Compensation Insurance Rating Bureau of California (WCIRB) no later than twenty months after the policy becomes effective. The cost of any settled claims will also be reported at that time. At twelve-month intervals thereafter, we will update and report to the WCIRB the estimated cost of any unsettled claims and the actual final cost of any claims settled in the interim. The amounts we report will be used by the WCIRB to compute your experience modification if you are eligible for experience rating.

B. Information Available from the Workers' Compensation Insurance Rating Bureau of California

(1) The WCIRB is a licensed rating organization and the California Insurance Commissioner's designated statistical agent. As such, the WCIRB is responsible for administering the *California Workers' Compensation Uniform Statistical Reporting Plan—1995* (USRP) and the *California Workers' Compensation Experience Rating Plan—1995* (ERP). WCIRB contact information is: WCIRB, 1901 Harrison Street, 17th Floor, Oakland, CA 94612, Attn: Customer Service; 888.229.2472 (phone); 415.778.7272 (fax); and customerservice@wcirb.com (email). The regulations contained in the USRP and ERP are available for public viewing through the WCIRB's website at wcirb.com.

(2) **Policyholder Information.** Pursuant to California Insurance Code (CIC) Section 11752.6, upon written request, you are entitled to information relating to loss experience, claims, classification assignments, and policy contracts as well as rating plans, rating systems, manual rules, or other information impacting your premium that is maintained in the records of the WCIRB. Complaints and Requests for Action requesting policyholder information should be forwarded to:

WCIRB, 1901 Harrison Street, 17th Floor, Oakland, CA 94612, Attn: Custodian of Records. The Custodian of Records can be reached at 415.777.0777 (phone) and 415.778.7272 (fax).

(3) **Experience Rating Form.** Each experience rated risk may receive a single copy of its current Experience Rating Form/Worksheet free of charge by completing a Policyholder Experience Rating Worksheet Request Form on the WCIRB's website at wcirb.com/ratesheet. The Experience Rating Form/Worksheet will include a Loss-Free Rating, which is the experience modification that would have been calculated if $0 (zero) actual losses were incurred during the experience period. This hypothetical rating calculation is provided for informational purposes only.

II. Dispute Process

You may dispute our actions or the actions of the WCIRB pursuant to CIC Sections 11737 and 11753.1.

A. Our Dispute Resolution Process.

If you are aggrieved by our decision adopting a change in a classification assignment that results in increased premium, or by the application of our rating system to your workers' compensation insurance, you may dispute these matters with us. If you are dissatisfied with the outcome of the initial dispute with us, you may send us a written Complaint and Request for Action as outlined below.

You may send us a written Complaint and Request for Action requesting that we reconsider a change in a classification assignment that results in an increased premium and/or requesting that we review the manner in which our rating system has been applied in connection with the insurance afforded or offered you. Written Complaints and Requests for Action should be forwarded to: **Alaska National Insurance Company, 100 Pringle Avenue, Suite 460, Walnut Creek, CA 94108; Telephone: 415-248-5030; Fax: 415-248-5033.**

After you send your Complaint and Request for Action, we have 30 days to send you a written notice indicating whether your written request will be reviewed. If we agree to review your request, we must conduct the review and issue a decision granting or rejecting your request within 60 days after sending you the written notice granting review. If we decline to review your request, if you are dissatisfied with the decision upon review, or if we fail to grant or reject your request or issue a decision upon review, you may appeal to the Insurance Commissioner as described in paragraph II.C., below.

B. Disputing the Actions of the WCIRB.

If you have been aggrieved by any decision, action, or omission to act of the WCIRB, you may request, in writing, that the WCIRB reconsider its decision, action, or omission to act. You may also request, in writing, that the WCIRB review the manner in which its rating system has been applied in connection with the insurance afforded or offered you. For requests related to classification disputes, the reporting of experience, or coverage issues, your initial request for review must be received by the WCIRB within 12 months after the expiration date of the policy to which the request for review pertains, except if the request involves the application of the Revision of Losses rule. For requests related to your experience modification, your initial request for review must be received by the WCIRB within 6 months after the issuance, or 12 months after the expiration date, of the experience modification to which the request for review pertains, whichever is later, except if the request for review involves the application of the Revision of Losses rule. If the request involves the Revision of Losses rule, the time to state your appeal may be longer. (See Section VI, Rule 7 of the ERP).

You may commence the review process by sending the WCIRB a written Inquiry. Written Inquiries should be sent to: WCIRB, 1901 Harrison Street, 17th Floor, Oakland, CA 94612, Attn: Customer Service. Customer Service can be reached at 888.229.2472 (phone), 415.778.7272 (fax) and customerservice@wcirb.com (email).

If you are dissatisfied with the WCIRB's decision upon an Inquiry, or if the WCIRB fails to respond within 90 days after receipt of the Inquiry, you may pursue the subject of the Inquiry by sending the WCIRB a written Complaint and Request for Action. After you send your Complaint and Request for Action, the WCIRB has 30 days to send you written notice indicating whether your written request will be reviewed. If the WCIRB agrees to review your request, it must conduct the review and issue a decision granting or rejecting your request within 60 days after sending you the written notice granting review. If the WCIRB declines to review your request, if you are dissatisfied with the decision upon review, or if the WCIRB fails to grant or reject your request or issue a decision upon review, you may appeal to the Insurance Commissioner as described in paragraph II.C., below. Written Complaints and Requests for Action should be forwarded to: WCIRB, 1901 Harrison Street, 17th Floor, Oakland, CA 94612, Attn: Complaints and Reconsideration. The WCIRB's contact information is 888.229.2472 (phone), 415.371.5204 (fax) and customerservice@wcirb.com (email).

C. **California Department of Insurance – Appeals to the Insurance Commissioner.** After you follow the appropriate dispute resolution process described above, if (1) we or the WCIRB decline to review your request, (2) you are dissatisfied with the decision upon review, or (3) we or the WCIRB fail to grant or reject your request or issue a decision upon review, you may appeal to the Insurance Commissioner pursuant to CIC Sections 11737, 11752.6, 11753.1 and Title 10, California Code of Regulations, Section 2509.40 et seq. You must file your appeal within 30 days after we or the WCIRB send you the notice rejecting review of your Complaint and Request for Action or the decision upon your Complaint and Request for Action. If no written decision regarding your Complaint and Request for Action is sent, your appeal must be filed within 120 days after you sent your Complaint and Request for Action to us or to the WCIRB. The filing address for all appeals to the Insurance Commissioner is:

Administrative Hearing Bureau
California Department of Insurance
1901 Harrison Street, 3rd Floor Mailroom
Oakland, CA 94612

You have the right to a hearing before the Insurance Commissioner, and our action, or the action of the WCIRB, may be affirmed, modified or reversed.

III. Resources Available to You in Obtaining Information and Pursuing Disputes

A. **Policyholder Ombudsman.** Pursuant to California Insurance Code Section 11752.6, a policyholder ombudsman is available at the WCIRB to assist you in obtaining and evaluating the rating, policy, and claims information referenced in I.A. and I.B., above. IMPORTANT NOTICE:

1. The insurance policy that you have purchased is being issued by an insurer that is not licensed by the State of California. These companies are called "nonadmitted" or "surplus line" insurers.

2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.

3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.

4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or "surplus line" broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC's internet website at www.naic.org. The NAIC—the National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.

5. Foreign insurers should be licensed by a state in the United States and you may contact that state's department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.

6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on

the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.

7. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker's fee charged for this insurance will be returned to you.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section **II** – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERAGES

COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C.**

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B.**

b. This insurance applies to "bodily injury" and "property damage" only if:

(1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

(1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

(2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

(3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

2. Exclusions

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

(b) Such attorney fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

g. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

b. This insurance applies to such liability assumed by the insured;

c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";

d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;

e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and

f. The indemnitee:

(1) Agrees in writing to:

(a) Cooperate with us in the investigation, settlement or defense of the "suit";

(b) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";

(c) Notify any other insurer whose coverage is available to the indemnitee; and

(2) Provides us with written authorization to:

© ISO Properties, Inc., 2006

(b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph **2.b.(2)** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph **f.** above, are no longer met.

SECTION II – WHO IS AN INSURED

1. If you are designated in the Declarations as:

a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.

b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.

c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.

Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

e. A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.

2. Each of the following is also an insured:

However, none of these "employees" or "volunteer workers" are insureds for:

(1) "Bodily injury" or "personal and advertising injury":

(a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

b. Coverage **A** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

c. Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or "suits" brought; or

c. Persons or organizations making claims or bringing "suits".

2. The General Aggregate Limit is the most we will pay for the sum of:

a. Medical expenses under Coverage **C;**

b. Damages under Coverage **A,** except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and

c. Damages under Coverage **B.**

3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage **A** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

4. Subject to Paragraph **2.** above, the Personal and Advertising Injury Limit is the most we will pay under Coverage **B** for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.

5. Subject to Paragraph **2.** or **3.** above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:

a. Damages under Coverage **A;** and

b. Medical expenses under Coverage **C**

because of all "bodily injury" and "property damage" arising out of any one "occurrence".

6. Subject to Paragraph **5.** above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage **A** for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.

7. Subject to Paragraph **5.** above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

(2) The names and addresses of any injured persons and witnesses; and

© ISO Properties, Inc., 2006

(3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against any insured, you must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured by attachment of an endorsement.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES; CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
LIQUOR LIABILITY COVERAGE PART
OWNERS AND CONTRACTORS PROTECTIVE LIABILITY COVERAGE PART
POLLUTION LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART
RAILROAD PROTECTIVE LIABILITY COVERAGE PART
UNDERGROUND STORAGE TANK POLICY

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds $25,000,000 (valued in U.S. dollars). In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

a. Physical injury that involves a substantial risk of death; or

b. Protracted and obvious physical disfigurement; or

c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or

4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs **1.** and **2.** describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Part to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part.

© Insurance Services Office, Inc., 2015

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

a. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;

b. The act resulted in damage:

(1) Within the United States (including its territories and possessions and Puerto Rico); or

(2) Outside of the United States in the case of:

(a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or

(b) The premises of any United States mission; and

c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".

Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Coverage Part.

D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

However:

DESIGNATED LOCATION(S) GENERAL AGGREGATE LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Location(s): All Scheduled Locations
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section **I** – Coverage **A,** and for all medical expenses caused by accidents under Section **I** – Coverage **C,** which can be attributed only to operations at a single designated "location" shown in the Schedule above:

1. A separate Designated Location General Aggregate Limit applies to each designated "location", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

2. The Designated Location General Aggregate Limit is the most we will pay for the sum of all damages under Coverage **A,** except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage **C** regardless of the number of:

a. Insureds;

b. Claims made or "suits" brought; or

c. Persons or organizations making claims or bringing "suits".

3. Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the Designated Location General Aggregate Limit for that designated "location". Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Location General Aggregate Limit for any other designated "location" shown in the Schedule above.

4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Location General Aggregate Limit.

 © Insurance Services Office, Inc., 2008

B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section **I** – Coverage **A,** and for all medical expenses caused by accidents under Section **I** – Coverage **C,** which cannot be attributed only to operations at a single designated "location" shown in the Schedule above:

1. Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and

2. Such payments shall not reduce any Designated Location General Aggregate Limit.

C. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Location General Aggregate Limit.

D. For the purposes of this endorsement, the **Definitions** Section is amended by the addition of the following definition:

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

E. The provisions of Section **III** – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated.

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph **C)** applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

© Insurance Services Office, Inc., 2015

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

001787

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;

b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;

c. Automobiles held for sale;

d. Bridges, roadways, walks, patios or other paved surfaces;

e. Contraband, or property in the course of illegal transportation or trade;

f. The cost of excavations, grading, backfilling or filling;

g. Foundations of buildings, structures, machinery or boilers if their foundations are below:

h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);

i. Personal property while airborne or waterborne;

l. Retaining walls that are not part of a building;

m. Underground pipes, flues or drains;

n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, **n.,** does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;

o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;

p. Vehicles or self-propelled machines (including aircraft or watercraft) that:

© Insurance Services Office, Inc., 2011

(b) Vehicles or self-propelled machines, other than autos, you hold for sale;

(c) Rowboats or canoes out of water at the described premises; or

(2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

(1) Subject to Paragraphs **(2)**, **(3)** and **(4),** we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

(2) Debris Removal does not apply to costs to:

(a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;

(b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;

(c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;

(d) Remove property of others of a type that would not be Covered Property under this Coverage Form;

(e) Remove deposits of mud or earth from the grounds of the described premises;

(f) Extract "pollutants" from land or water; or

(g) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph **(4),** the following provisions apply:

(a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.

(b) Subject to **(a)** above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is $5,000 at each location.

(4) We will pay up to an additional $25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

© Insurance Services Office, Inc., 2011

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus $25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	$ 90,000
Amount of Deductible:	$ 500
Amount of Loss:	$ 50,000
Amount of Loss Payable:	$ 49,500
	($50,000 – $500)
Debris Removal Expense:	$ 10,000
Debris Removal Expense Payable:	$ 10,000

($10,000 is 20% of $50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense ($49,500 + $10,000 = $59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3).**

Example 2

Limit of Insurance:	$ 90,000
Amount of Deductible:	$ 500
Amount of Loss:	$ 80,000
Amount of Loss Payable:	$ 79,500
	($80,000 – $500)
Debris Removal Expense:	$ 40,000
Debris Removal Expense Payable	
Basic Amount:	$ 10,500
Additional Amount:	$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: $80,000 ($79,500 + $500) x .25 = $20,000, capped at $10,500. The cap applies because the sum of the loss payable ($79,500) and the basic amount payable for debris removal expense ($10,500) cannot exceed the Limit of Insurance ($90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4),** because the debris removal expense ($40,000) exceeds 25% of the loss payable plus the deductible ($40,000 is 50% of $80,000), and because the sum of the loss payable and debris removal expense ($79,500 + $40,000 = $119,500) would exceed the Limit of Insurance ($90,000). The additional amount of covered debris removal expense is $25,000, the maximum payable under Paragraph **(4).** Thus, the total payable for debris removal expense in this example is $35,500; $4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

(1) While it is being moved or while temporarily stored at another location; and

(2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to $1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

(1) Assumed by contract or agreement prior to loss; or

(2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

 © Insurance Services Office, Inc., 2011

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is $10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

(1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.

(2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.

(3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.

(4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

(a) You were required to comply with before the loss, even when the building was undamaged; and

(b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

(a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or

(b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is $10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of $10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

(a) We will not pay for the Increased Cost of Construction:

(i) Until the property is actually repaired or replaced at the same or another premises; and

(ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

© Insurance Services Office, Inc., 2011

(b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.

(c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

(1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.

(2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

(3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:

(a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.

(c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

(d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

© Insurance Services Office, Inc., 2011

(4) The most we will pay under this Additional Coverage, Electronic Data, is $2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

(a) Your new buildings while being built on the described premises; and

(b) Buildings you acquire at locations, other than the described premises, intended for:

(i) Similar use as the building described in the Declarations; or

(ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is $250,000 at each building.

(2) Your Business Personal Property

The most we will pay for loss or damage under this Extension is $100,000 at each building.

(b) This Extension does not apply to:

(i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or

(ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

(a) This policy expires;

(b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or

(c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

(1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.

(2) Personal property of others in your care, custody or control.

c. Valuable Papers And Records (Other Than Electronic Data)

(1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.

(2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

(4) Under this Extension, the most we will pay to replace or restore the lost information is $2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

(1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:

(a) Temporarily at a location you do not own, lease or operate;

(b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or

(c) At any fair, trade show or exhibition.

(2) This Extension does not apply to property:

(a) In or on a vehicle; or

(b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.

(3) The most we will pay for loss or damage under this Extension is $10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

(1) Fire;

(2) Lightning;

(3) Explosion;

(4) Riot or Civil Commotion; or

(5) Aircraft.

The most we will pay for loss or damage under this Extension is $1,000, but not more than $250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

© Insurance Services Office, Inc., 2011

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

f. Non-owned Detached Trailers

(1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:

(a) The trailer is used in your business;

(b) The trailer is in your care, custody or control at the premises described in the Declarations; and

(c) You have a contractual responsibility to pay for loss or damage to the trailer.

(2) We will not pay for any loss or damage that occurs:

(a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;

(b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.

(3) The most we will pay for loss or damage under this Extension is $5,000, unless a higher limit is shown in the Declarations.

(4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

(1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

(2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.

(3) Coverage under this Extension:

(a) Will end 90 days after the business personal property has been placed in the storage unit;

(b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.

(4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is $10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.

(5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is $2,500 per sign in any one occurrence.

© Insurance Services Office, Inc., 2011

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	$ 250
Limit of Insurance – Building 1:	$ 60,000
Limit of Insurance – Building 2:	$ 80,000
Loss to Building 1:	$ 60,100
Loss to Building 2:	$ 90,000

The amount of loss to Building 1 ($60,100) is less than the sum ($60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

$ 60,100
– 250
$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of $80,000.

Total amount of loss payable:

$59,850 + $80,000 = $139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

(1) Notify the police if a law may have been broken.

 © Insurance Services Office, Inc., 2011
001796

(2) Give us prompt notice of the loss or damage. Include a description of the property involved.

(3) As soon as possible, give us a description of how, when and where the loss or damage occurred.

(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

(6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:

(1) Pay the value of lost or damaged property;

(2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;

(3) Take all or any part of the property at an agreed or appraised value; or

(4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

d. We will not pay you more than your financial interest in the Covered Property.

e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.

f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

(1) We have reached agreement with you on the amount of loss; or

(2) An appraisal award has been made.

© Insurance Services Office, Inc., 2011

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in **b., c., d.** and **e.** below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is $2,500 or less, we will pay the cost of building repairs or replacement.

© Insurance Services Office, Inc., 2011

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

d. Glass at the cost of replacement with safety-glazing material if required by law.

e. Tenants' Improvements and Betterments at:

(1) Actual cash value of the lost or damaged property if you make repairs promptly.

(2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:

(a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and

(b) Divide the amount determined in **(a)** above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

(3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in Step **(1);**

(3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step **(2);** and

(4) Subtract the deductible from the figure determined in Step **(3).**

We will pay the amount determined in Step **(4)** or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When:	The value of the property is:	$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	$ 100,000
	The Deductible is:	$ 250
	The amount of loss is:	$ 40,000

Step **(1):** $250,000 x 80% = $200,000
(the minimum amount of insurance to meet your Coinsurance requirements)

Step **(2):** $100,000 ÷ $200,000 = .50

Step **(3):** $40,000 x .50 = $20,000

Step **(4):** $20,000 – $250 = $19,750

We will pay no more than $19,750. The remaining $20,250 is not covered.

Example 2 (Adequate Insurance)

When:	The value of the property is:	$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	$ 200,000
	The Deductible is:	$ 250
	The amount of loss is:	$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($250,000 x 80%). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than $39,750 ($40,000 amount of loss minus the deductible of $250).

© Insurance Services Office, Inc., 2011

b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When: The value of the property is:

Building at Location 1:	$ 75,000
Building at Location 2:	$ 100,000
Personal Property at Location 2:	$ 75,000
	$ 250,000
The Coinsurance percentage for it is:	90%
The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	$ 180,000
The Deductible is:	$ 1,000
The amount of loss is:	
Building at Location 2:	$ 30,000
Personal Property at Location 2:	$ 20,000
	$ 50,000

Step **(1):** $250,000 x 90% = $225,000
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step **(2):** $180,000 ÷ $225,000 = .80

Step **(3):** $50,000 x .80 = $40,000

Step **(4):** $40,000 – $1,000 = $39,000

We will pay no more than $39,000. The remaining $11,000 is not covered.

2. Mortgageholders

a. The term mortgageholder includes trustee.

b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.

c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.

d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

(1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

(2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

(1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and

(2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

f. If we cancel this policy, we will give written notice to the mortgageholder at least:

(1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

 © Insurance Services Office, Inc., 2011

b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

c. The terms of this Optional Coverage apply only to loss or damage that occurs:

(1) On or after the effective date of this Optional Coverage; and

(2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.

b. The amount of increase will be:

(1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times

(2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times

(3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If:	The applicable Limit of Insurance is:	$ 100,000
	The annual percentage increase is:	8%
	The number of days since the beginning of the policy year (or last policy change) is:	146
	The amount of increase is: $100,000 x .08 x 146 ÷ 365 =	$ 3,200

3. Replacement Cost

a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.

b. This Optional Coverage does not apply to:

(1) Personal property of others;

(2) Contents of a residence;

(3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

(4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

d. We will not pay on a replacement cost basis for any loss or damage:

(1) Until the lost or damaged property is actually repaired or replaced; and

(2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

(3) If the conditions in **d.(1)** and **d.(2)** above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and

(4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.

e. We will not pay more for loss or damage on a replacement cost basis than the least of **(1), (2)** or **(3),** subject to **f.** below:

(1) The Limit of Insurance applicable to the lost or damaged property;

(2) The cost to replace the lost or damaged property with other property:

(a) Of comparable material and quality; and

(b) Used for the same purpose; or

(3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

© Insurance Services Office, Inc., 2011

f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **F.** Definitions.

A. Coverage

1. Business Income

Business Income means the:

a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and

b. Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

(1) Business Income Including "Rental Value".

(2) Business Income Other Than "Rental Value".

(3) "Rental Value".

If option **(1)** above is selected, the term Business Income will include "Rental Value". If option **(3)** above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

(a) The portion of the building which you rent, lease or occupy;

(b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and

(c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

2. Extra Expense

a. Extra Expense Coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income Coverage applies at that premises.

b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

(1) Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.

© Insurance Services Office, Inc., 2011

(2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Limitation – Interruption Of Computer Operations

a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.

b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.

c. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.

d. This Additional Limitation does not apply when loss or damage to electronic data involves only electronic data which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

5. Additional Coverages

a. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

(1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and

(2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

(1) Four consecutive weeks after the date of that action; or

(2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

b. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

(1) New buildings or structures, whether complete or under construction;

(2) Alterations or additions to existing buildings or structures; and

(3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:

(a) Used in the construction, alterations or additions; or

(b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

c. Extended Business Income

(1) Business Income Other Than "Rental Value"

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

(a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and

(b) Ends on the earlier of:

(i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or

(ii) 60 consecutive days after the date determined in **(1)(a)** above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) "Rental Value"

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

(a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and

(b) Ends on the earlier of:

(i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or

(ii) 60 consecutive days after the date determined in **(2)(a)** above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

d. Interruption Of Computer Operations

(1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation – Interruption Of Computer Operations.

© Insurance Services Office, Inc., 2011

(2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss. However, we will not provide coverage under this Additional Coverage when the Additional Limitation – Interruption Of Computer Operations does not apply based on Paragraph **A.4.d.** therein.

(3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:

(a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, includes Collapse as set forth in that form.

(c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Interruption Of Computer Operations.

(d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

(4) The most we will pay under this Additional Coverage, Interruption Of Computer Operations, is $2,500 (unless a higher limit is shown in the Declarations) for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

(5) This Additional Coverage, Interruption Of Computer Operations, does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in **(4)** above has not been exhausted.

6. Coverage Extension

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

Newly Acquired Locations

a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.

b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is $100,000 at each location, unless a higher limit is shown in the Declarations.

c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:

(1) This policy expires;

© Insurance Services Office, Inc., 2011

(2) 30 days expire after you acquire or begin to construct the property; or

(3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

The Additional Condition, Coinsurance, does not apply to this Extension.

B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

Payments under the following coverages will not increase the applicable Limit of Insurance:

1. Alterations And New Buildings;

2. Civil Authority;

3. Extra Expense; or

4. Extended Business Income.

The amounts of insurance stated in the Interruption Of Computer Operations Additional Coverage and the Newly Acquired Locations Coverage Extension apply in accordance with the terms of those coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

a. You must see that the following are done in the event of loss:

(1) Notify the police if a law may have been broken.

(2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.

(3) As soon as possible, give us a description of how, when and where the direct physical loss or damage occurred.

(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(7) Cooperate with us in the investigation or settlement of the claim.

(8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

© Insurance Services Office, Inc., 2011

3. Loss Determination

a. The amount of Business Income loss will be determined based on:

(1) The Net Income of the business before the direct physical loss or damage occurred;

(2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;

(3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and

(4) Other relevant sources of information, including:

(a) Your financial records and accounting procedures;

(b) Bills, invoices and other vouchers; and

(c) Deeds, liens or contracts.

b. The amount of Extra Expense will be determined based on:

(1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:

(a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and

(b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and

(2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption Of Operations

We will reduce the amount of your:

(1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.

(2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

a. We have reached agreement with you on the amount of loss; or

b. An appraisal award has been made.

D. Additional Condition

COINSURANCE

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

1. The Coinsurance percentage shown for Business Income in the Declarations; times

2. The sum of:

a. The Net Income (Net Profit or Loss before income taxes), and

b. Operating expenses, including payroll expenses,

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

© Insurance Services Office, Inc., 2011

Instead, we will determine the most we will pay using the following steps:

Step **(1):** Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;

Step **(2):** Divide the Limit of Insurance for the described premises by the figure determined in Step **(1);** and

Step **(3):** Multiply the total amount of loss by the figure determined in Step **(2).**

We will pay the amount determined in Step **(3)** or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

(1) Prepaid freight – outgoing;

(2) Returns and allowances;

(3) Discounts;

(4) Bad debts;

(5) Collection expenses;

(6) Cost of raw stock and factory supplies consumed (including transportation charges);

(7) Cost of merchandise sold (including transportation charges);

(8) Cost of other supplies consumed (including transportation charges);

(9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;

(10) Power, heat and refrigeration expenses that do not continue under contract (if Form **CP 15 11** is attached);

(11) All payroll expenses or the amount of payroll expense excluded (if Form **CP 15 10** is attached); and

(12) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example 1 (Underinsurance)

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been:	$ 400,000
	The Coinsurance percentage is:	50%
	The Limit of Insurance is:	$ 150,000
	The amount of loss is:	$ 80,000

Step **(1):** $400,000 x 50% = $200,000
(the minimum amount of insurance to meet your Coinsurance requirements)

Step **(2):** $150,000 ÷ $200,000 = .75

Step **(3):** $80,000 x .75 = $60,000

We will pay no more than $60,000. The remaining $20,000 is not covered.

Example 2 (Adequate Insurance)

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been:	$ 400,000
	The Coinsurance percentage is:	50%
	The Limit of Insurance is:	$ 200,000
	The amount of loss is:	$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($400,000 x 50%). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than $80,000 (amount of loss).

This condition does not apply to Extra Expense Coverage.

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

 © Insurance Services Office, Inc., 2011

b. The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:

(1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or

(2) The Limit Of Insurance shown in the Declarations.

2. Monthly Limit Of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:

(1) The Limit of Insurance, multiplied by

(2) The fraction shown in the Declarations for this Optional Coverage.

Example

When:	The Limit of Insurance is:	$ 120,000
	The fraction shown in the Declarations for this Optional Coverage is:	1/4
	The most we will pay for loss in each period of 30 consecutive days is:	$ 30,000
	($120,000 x 1/4 = $30,000)	
	If, in this example, the actual amount of loss is:	
	Days 1–30:	$ 40,000
	Days 31–60:	$ 20,000
	Days 61–90:	$ 30,000
		$ 90,000
	We will pay:	
	Days 1–30:	$ 30,000
	Days 31–60:	$ 20,000
	Days 61–90:	$ 30,000
		$ 80,000

The remaining $10,000 is not covered.

3. Business Income Agreed Value

a. To activate this Optional Coverage:

(1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":

(a) During the 12 months prior to the date of the Work Sheet; and

(b) Estimated for the 12 months immediately following the inception of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

(a) The Coinsurance percentage shown in the Declarations; multiplied by

(b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

b. The Additional Condition, Coinsurance, is suspended until:

(1) 12 months after the effective date of this Optional Coverage; or

(2) The expiration date of this policy;

whichever occurs first.

c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:

(1) Within 12 months of the effective date of this Optional Coverage; or

(2) When you request a change in your Business Income Limit of Insurance.

d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:

(1) The Business Income Limit of Insurance; divided by

(2) The Agreed Value.

Example

When:	The Limit of Insurance is:	$ 100,000
	The Agreed Value is:	$ 200,000
	The amount of loss is:	$ 80,000

Step **(1):** $100,000 ÷ $200,000 = .50

Step **(2):** .50 x $80,000 = $40,000

We will pay $40,000. The remaining $40,000 is not covered.

4. Extended Period Of Indemnity

Under Paragraph **A.5.c., Extended Business Income,** the number 60 in Subparagraphs **(1)(b)** and **(2)(b)** is replaced by the number shown in the Declarations for this Optional Coverage.

(2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not cut short the "period of restoration".

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

CHANGES – ELECTRONIC DATA

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
STANDARD PROPERTY POLICY

A. Under this endorsement, electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. For the purpose of this endorsement, the term electronic data does not include your "stock" of prepackaged software.

B. This Section, **B.,** and the following Sections **C.** and **D.,** apply to the Building And Personal Property Coverage Form, Condominium Association Coverage Form, Condominium Unit-Owners Coverage Form, the Causes of Loss Forms and the Standard Property Policy. Paragraphs **B.1.** and **B.2.** supersede any provisions relating to electronic data, electronic media or valuable papers or records, including any such provisions under Property Not Covered, Coverage Extensions, Valuation Conditions or Limitations in the aforementioned forms.

1. Covered Property does not include electronic data, except as provided below in **C.,** Limited Coverage – Electronic Data.

2. Covered Property does not include the cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. However, limited coverage for valuable papers and records, other than those which exist as electronic data, is provided below in **D.,** Limited Coverage – Valuable Papers And Records (Other Than Electronic Data).

C. Limited Coverage – Electronic Data

1. Subject to the provisions of this Limited Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

2. The Covered Causes of Loss applicable to Your Business Personal Property apply to this Limited Coverage – Electronic Data, subject to the following:

a. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage – Electronic Data is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

b. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage – Electronic Data includes Collapse as set forth in that Form.

c. If the Causes of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Limited Coverage – Electronic Data.

d. The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

© ISO Properties, Inc., 2002

3. The most we will pay under this Limited Coverage – Electronic Data is $2,500 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

D. Limited Coverage – Valuable Papers And Records (Other Than Electronic Data)

1. You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Limited Coverage does not apply to valuable papers and records which exist as electronic data.

2. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

3. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage includes Collapse as set forth in that Form.

4. Under this Limited Coverage, the most we will pay to replace or restore the lost information is $2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

E. With respect to the Business Income and/or Extra Expense Coverage Forms, the Loss Condition titled Limitation – Electronic Media And Records is deleted and the following exclusion is added:

Exclusion – Interruption Of Computer Operations

1. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided below in **F.,** Limited Coverage – Interruption Of Computer Operations.

2. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided below in **F.,** Limited Coverage – Interruption Of Computer Operations.

F. Limited Coverage – Interruption Of Computer Operations

This Limited Coverage applies only to the Business Income and/or Extra Expense Coverage Forms.

1. Subject to all provisions of this Limited Coverage, you may extend the insurance that applies to Business Income and/or Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss.

2. With respect to the coverage provided under this Limited Coverage, the Covered Causes of Loss are subject to the following:

a. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

b. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage – Interruption Of Computer Operations includes Collapse as set forth in that Form.

c. If the Causes of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Limited Coverage – Interruption Of Computer Operations.

d. The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

© ISO Properties, Inc., 2002

Interruption Of Computer Operations.

3. The most we will pay under this Limited Coverage – Interruption Of Computer Operations is $2,500 for the total of all loss sustained and/or expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

4. This Limited Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in **3.** above has not been exhausted.

G. Under the Legal Liability Coverage Form and the Mortgageholders Errors And Omissions Coverage Form, Covered Property does not include electronic data.

H. If this policy is endorsed to cover damage to Covered Property or Business Income loss or Extra Expense caused by or related to interruption in utility service, such coverage does not apply to destruction or corruption of (or any loss or damage to) electronic data.

I. If this policy is endorsed to cover Business Income loss or Extra Expense related to "suspension" of "operations" due to loss or damage to a "dependent property", such coverage does not apply when the only loss to "dependent property" is destruction or corruption of (or any loss or damage to) electronic data. If the "dependent property" sustains loss or damage to electronic data and other property, coverage under the "dependent property" endorsement will not continue once the other property is repaired, rebuilt or replaced.

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

(1) Regulating the construction, use or repair of any property; or

(2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

(a) An ordinance or law that is enforced even if the property has not been damaged; or

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

(5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

c. Governmental Action

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

(1) War, including undeclared or civil war;

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5),** is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **(1)** through **(5),** results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.

(2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

g. Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:

The special limits are (unless a higher limit is shown in the Declarations):

a. $2,500 for furs, fur garments and garments trimmed with fur.

b. $2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth $100 or less per item.

d. $250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.,** does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;

b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.

d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

(1) A cause of loss listed in **2.a.** or **2.b.;**

(2) One or more of the "specified causes of loss";

(3) Breakage of building glass;

(4) Weight of people or personal property; or

(5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does **not** apply to:

a. A building or any part of a building that is in danger of falling down or caving in;

b. A part of a building that is standing, even if it has separated from another part of the building; or

c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

d. Outdoor swimming pools;

e. Fences;

f. Piers, wharves and docks;

g. Beach or diving platforms or appurtenances;

h. Retaining walls; and

i. Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.,** we will pay for loss or damage to that property only if:

(1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and

(2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.;**

b. The personal property which collapses is inside a building; and

c. The property which collapses is not of a kind listed in **4.,** regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.

8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

a. A "specified cause of loss" other than fire or lightning; or

b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;

b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and

c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to $15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of $15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

© Insurance Services Office, Inc., 2011

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.

6. The following, **6.a.** or **6.b.,** applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:

a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.

b. Loss or damage must be caused by or result from one of the following causes of loss:

(1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.

(2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.

(3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.

c. The most we will pay for loss or damage under this Extension is $5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

© Insurance Services Office, Inc., 2011

b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:

(1) The cost of filling sinkholes; or

(2) Sinking or collapse of land into man-made underground cavities.

b. Falling objects does not include loss or damage to:

(1) Personal property in the open; or

(2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

(1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

(2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section **II** – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERAGES

COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C.**

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B.**

b. This insurance applies to "bodily injury" and "property damage" only if:

(1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

(1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

(2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

(3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

(b) Such attorney fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

(1) Causing or contributing to the intoxication of any person;

(2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph **(1)** above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

a. All expenses we incur.

b. Up to $250 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.

c. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.

d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to $250 a day because of time off from work.

e. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.

f. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.

g. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

b. This insurance applies to such liability assumed by the insured;

c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";

d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph **2.b.(2)** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph **f.** above, are no longer met.

a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

b. Coverage **A** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

c. Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or "suits" brought; or

c. Persons or organizations making claims or bringing "suits".

2. The General Aggregate Limit is the most we will pay for the sum of:

a. Medical expenses under Coverage **C;**

b. Damages under Coverage **A,** except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and

c. Damages under Coverage **B.**

3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage **A** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

4. Subject to Paragraph **2.** above, the Personal and Advertising Injury Limit is the most we will pay under Coverage **B** for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.

5. Subject to Paragraph **2.** or **3.** above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:

a. Damages under Coverage **A;** and

b. Medical expenses under Coverage **C**

because of all "bodily injury" and "property damage" arising out of any one "occurrence".

6. Subject to Paragraph **5.** above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage **A** for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.

7. Subject to Paragraph **5.** above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

© ISO Properties, Inc., 2006

(3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against any insured, you must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured by attachment of an endorsement.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

EXCLUSION OF OTHER ACTS OF TERRORISM COMMITTED OUTSIDE THE UNITED STATES; CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
LIQUOR LIABILITY COVERAGE PART
OWNERS AND CONTRACTORS PROTECTIVE LIABILITY COVERAGE PART
POLLUTION LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART
RAILROAD PROTECTIVE LIABILITY COVERAGE PART
UNDERGROUND STORAGE TANK POLICY

A. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism" that is committed outside of the United States (including its territories and possessions and Puerto Rico), but within the "coverage territory". However, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of insured damage to all types of property exceeds $25,000,000 (valued in U.S. dollars). In determining whether the $25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

2. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

a. Physical injury that involves a substantial risk of death; or

b. Protracted and obvious physical disfigurement; or

c. Protracted loss of or impairment of the function of a bodily member or organ; or

3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or

4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs **1.** and **2.** describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

B. The following definitions are added:

1. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Part to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part.

© Insurance Services Office, Inc., 2015

2. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

a. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act;

b. The act resulted in damage:

(1) Within the United States (including its territories and possessions and Puerto Rico); or

(2) Outside of the United States in the case of:

(a) An air carrier (as defined in Section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or

(b) The premises of any United States mission; and

c. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

3. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not a "certified act of terrorism".

Multiple incidents of an "other act of terrorism" which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

C. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Coverage Part.

D. If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

DESIGNATED LOCATION(S) - GENERAL AGGREGATE LIMIT SUBJECT TO AGGREGATE MAXIMUM LIMIT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Designated Location(s): All scheduled locations
Designated Location(s) Aggregate Maximum Limit: $10,000,000
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section **I** – Coverage **A,** and for all medical expenses caused by accidents under Section **I** – Coverage **C,** which can be attributed only to operations at a single designated "location" shown in the Schedule above:

1. A separate Designated Location General Aggregate Limit applies to each designated "location", and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.

2. The Designated Location General Aggregate Limit is the most we will pay for the sum of all damages under Coverage **A,** except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under Coverage **C** regardless of the number of:

a. Insureds;

b. Claims made or "suits" brought; or

c. Persons or organizations making claims or bringing "suits".

3. Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the Designated Location General Aggregate Limit for that designated ”location”. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Location General Aggregate Limit for any other designated "location" shown in the Schedule above.

4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Location General Aggregate Limit.

B. For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under Section **I** – Coverage **A,** and for all medical expenses caused by accidents under Section **I** – Coverage **C,** which cannot be attributed only to operations at a single designated "location" shown in the Schedule above:

1. Any payments made under Coverage **A** for damages or under Coverage **C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-completed Operations Aggregate Limit, whichever is applicable; and

2. Such payments shall not reduce any Designated Location General Aggregate Limit.

C. The Designated Location(s) Aggregate Maximum Limit shown in the Schedule above is the most we will pay for the sum of all damages under Coverage **A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and medical expenses under Coverage **C**, attributable, as per the provisions of this endorsement, to all of the designated “locations” set forth in the Schedule of this endorsement. The Designated Location(s) Aggregate Maximum Limit is not subject to the General Aggregate Limit.

D. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-completed Operations Aggregate Limit, and not reduce the General Aggregate Limit, the Designated Location General Aggregate Limit, or the Designated Location(s) Aggregate Maximum Limit.

E. For the purposes of this endorsement, the **Definitions** Section is amended by the addition of the following definition:

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

F. The provisions of Section **III** – Limits Of Insurance not otherwise modified by this endorsement shall continue to apply as stipulated

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph **C)** applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

© Insurance Services Office, Inc., 2015

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;

2. The Covered Property;

3. Your interest in the Covered Property; or

4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and

2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.

2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:

a. During the policy period shown in the Declarations; and

b. Within the coverage territory.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.

2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:

a. Someone insured by this insurance;

b. A business firm:

(1) Owned or controlled by you; or

(2) That owns or controls you; or

c. Your tenant.

This will not restrict your insurance.

CHANGES – ELECTRONIC DATA

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
STANDARD PROPERTY POLICY

A. Under this endorsement, electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. For the purpose of this endorsement, the term electronic data does not include your "stock" of prepackaged software.

B. This Section, **B.,** and the following Sections **C.** and **D.,** apply to the Building And Personal Property Coverage Form, Condominium Association Coverage Form, Condominium Unit-Owners Coverage Form, the Causes of Loss Forms and the Standard Property Policy. Paragraphs **B.1.** and **B.2.** supersede any provisions relating to electronic data, electronic media or valuable papers or records, including any such provisions under Property Not Covered, Coverage Extensions, Valuation Conditions or Limitations in the aforementioned forms.

1. Covered Property does not include electronic data, except as provided below in **C.,** Limited Coverage – Electronic Data.

2. Covered Property does not include the cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. However, limited coverage for valuable papers and records, other than those which exist as electronic data, is provided below in **D.,** Limited Coverage – Valuable Papers And Records (Other Than Electronic Data).

C. Limited Coverage – Electronic Data

1. Subject to the provisions of this Limited Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

2. The Covered Causes of Loss applicable to Your Business Personal Property apply to this Limited Coverage – Electronic Data, subject to the following:

a. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage – Electronic Data is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

b. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage – Electronic Data includes Collapse as set forth in that Form.

c. If the Causes of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Limited Coverage – Electronic Data.

d. The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

© ISO Properties, Inc., 2002

3. The most we will pay under this Limited Coverage – Electronic Data is $2,500 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

D. Limited Coverage – Valuable Papers And Records (Other Than Electronic Data)

1. You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Limited Coverage does not apply to valuable papers and records which exist as electronic data.

2. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

3. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage includes Collapse as set forth in that Form.

4. Under this Limited Coverage, the most we will pay to replace or restore the lost information is $2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

E. With respect to the Business Income and/or Extra Expense Coverage Forms, the Loss Condition titled Limitation – Electronic Media And Records is deleted and the following exclusion is added:

Exclusion – Interruption Of Computer Operations

1. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided below in **F.,** Limited Coverage – Interruption Of Computer Operations.

2. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided below in **F.,** Limited Coverage – Interruption Of Computer Operations.

F. Limited Coverage – Interruption Of Computer Operations

This Limited Coverage applies only to the Business Income and/or Extra Expense Coverage Forms.

1. Subject to all provisions of this Limited Coverage, you may extend the insurance that applies to Business Income and/or Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss.

2. With respect to the coverage provided under this Limited Coverage, the Covered Causes of Loss are subject to the following:

a. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

b. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage – Interruption Of Computer Operations includes Collapse as set forth in that Form.

c. If the Causes of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Limited Coverage – Interruption Of Computer Operations.

d. The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

© ISO Properties, Inc., 2002

Interruption Of Computer Operations.

3. The most we will pay under this Limited Coverage – Interruption Of Computer Operations is $2,500 for the total of all loss sustained and/or expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

4. This Limited Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in **3.** above has not been exhausted.

G. Under the Legal Liability Coverage Form and the Mortgageholders Errors And Omissions Coverage Form, Covered Property does not include electronic data.

H. If this policy is endorsed to cover damage to Covered Property or Business Income loss or Extra Expense caused by or related to interruption in utility service, such coverage does not apply to destruction or corruption of (or any loss or damage to) electronic data.

I. If this policy is endorsed to cover Business Income loss or Extra Expense related to "suspension" of "operations" due to loss or damage to a "dependent property", such coverage does not apply when the only loss to "dependent property" is destruction or corruption of (or any loss or damage to) electronic data. If the "dependent property" sustains loss or damage to electronic data and other property, coverage under the "dependent property" endorsement will not continue once the other property is repaired, rebuilt or replaced.

B. Electronic Data Processing Media Valuation

Notwithstanding any provision to the contrary within the Policy or any endorsement thereto, it is understood and agreed as follows:

Should electronic data processing media insured by this Policy suffer physical loss or damage insured by this Policy, then the basis of valuation shall be the cost to repair, replace or restore such media to the condition that existed immediately prior to such loss or damage, including the cost of reproducing any "electronic data" contained thereon, providing such media is repaired, replaced or restored. Such cost of reproduction shall include all reasonable and necessary amounts, not to exceed $25,000 any one loss, incurred by the Assured in recreating, gathering and assembling such "electronic data". If the media is not repaired, replaced or restored the basis of valuation shall be the cost of the blank media. However this Policy does not insure any amount pertaining to the value of such "electronic data" to the Assured or any other party, even if such "electronic data" cannot be recreated, gathered or assembled.

Nothing herein contained shall vary, alter or extend any agreement, provision, general condition or declaration of this Policy other than as above stated.

COMMERCIAL EXCESS LIABILITY
COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance. The word "insured" means any person or organization qualifying as such under the "controlling underlying insurance".

Other words and phrases that appear in quotation marks in this policy have special meaning. Refer to **SECTION IV - DEFINITIONS.** Other words and phrases that are not defined under this policy but defined in the "controlling underlying insurance" will have the meaning described in the policy of "controlling underlying insurance".

The insurance provided under this policy will follow the same provisions, exclusions and limitations that are contained in the applicable "controlling underlying insurance", unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this policy will apply. However, the coverage provided under this policy will not be broader than that provided by the applicable "controlling underlying insurance"; if there is no coverage under any applicable "controlling underlying insurance", there is no coverage under this policy.

There may be more than one "controlling underlying insurance" policy listed in the Declarations and there may be terms and provisions in those policies which are in conflict, and which are not superseded by the provisions of this policy. In such a case, the provisions, exclusions and limitations of the "controlling underlying insurance" policy applicable to the particular "event" for which a claim is made or suit is brought will apply.

SECTION I – COVERAGES

1. Insuring Agreement

a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "injury or damage" to which insurance provided under this policy applies.

We will have the right and duty to defend the insured against any suit seeking damages for such "injury or damage" if the “controlling underlying insurance” provides the “controlling underlying insurer” with such a right and duty and only when the applicable limits of "controlling underlying insurance" and the applicable limits of any other policy of insurance affording coverage for any the claims asserted in such suit have been exhausted in accordance with the provisions of such "controlling underlying insurance" or other policy of insurance, as applicable.

When we have no duty to defend, we will have the right, and be given the opportunity, to associate with the insured in the defense of any suit seeking damages for "injury or damage".

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply.

At our discretion, we may investigate any "event" that may involve this insurance and settle any resultant claim or suit, for which we have the duty to defend.

But:

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

(1) The amount we will pay for "ultimate net loss" is limited as described in **SECTION II - LIMITS OF INSURANCE**; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this policy. However, if the policy of "controlling underlying insurance" specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this policy.

b. This insurance applies to "injury or damage" that is subject to an applicable "retained limit". If any other limit, such as a sublimit, is specified in the "controlling underlying insurance," this insurance does not apply to "injury or damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of "controlling underlying insurance".

c. If the "controlling underlying insurance" requires, for a particular claim, that the "injury or damage" occur during its policy period in order for that coverage to apply, then this insurance will only apply to that "injury or damage" if it occurs during the policy period of this policy. If the "controlling underlying insurance" requires that the "event" causing the particular "injury or damage" takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place during the policy period of this policy.

d. Any additional insured under any policy of "controlling underlying insurance" will automatically be an additional insured under this policy. If coverage provided to the additional insured is required by a written contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the written contract or agreement, less any amounts payable by any "controlling underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "controlling underlying insurance".

e. This insurance applies to "injury or damage" only if, prior to the policy period, no one qualifying as an insured in any "controlling underlying insurance" and no employee authorized by you to give or receive notice of an occurrence or claim, knew that the "injury or damage" had occurred, in whole or in part. If such a listed insured or authorized employee knew, prior to the policy period, that the "injury or damage" occurred, then any continuation, change or resumption of such "injury or damage" during or after the policy period will be deemed to have been known prior to the policy period.

f. "Injury or damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by anyone qualifying as an insured in any "controlling underlying insurance", or by any employee authorized by you to give or receive notice of an occurrence or claim, includes any continuation, change or resumption of that "injury or damage" after the end of the policy period.

g. "Injury or damage" will be deemed to have been known to have occurred at the earliest time when anyone qualifying as an insured in any "controlling underlying insurance" or any employee authorized by you to give or receive notice of an occurrence or claim:

(1) Reports all, or any part, of the "injury or damage" to us or any other insurer;

(2) Receives a written or verbal demand or claim for damages because of the "injury or damage"; or

(3) Becomes aware, by any other means, that "injury or damage" has occurred or has begun to occur.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

For the purposes of this exclusion:

(1) "Hazardous properties" include radioactive, toxic or explosive properties.

(2) "Nuclear material" means "source material", "special nuclear material", or "by-product material".

(3) "Source material", "special nuclear material", and "by-product material" have the meanings given them in the Atomic Energy Act of 1954 or in any law amendatory thereof.

(4) "Spent fuel" means any fuel element or fuel component, solid or liquid, which has been used or exposed to radiation in a "nuclear reactor".

SECTION II - LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations, and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or suits brought, or number of vehicles involved;

c. Persons or organizations making claims or bringing suits; or

d. Limits available under any "controlling underlying insurance".

2. The Limits of Insurance of this policy will apply as follows:

a. This insurance only applies in excess of the "retained limit".

b. The General Aggregate Limit is the most we will pay for the sum of all "ultimate net loss," for all "injury or damage" covered under this policy that is subject to an aggregate limit provided by the "controlling underlying insurance" and will apply in the same manner as the aggregate limit in such "controlling underlying insurance".

c. Subject to Paragraph **2.b.** above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under this policy because of all "injury or damage" arising out of any one "event".

d. If the Limits of Insurance of the "controlling underlying insurance" are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits of Insurance in the same manner.

e. Any per location or per project aggregate limit of insurance that is afforded under the applicable "controlling underlying insurance" shown in the Schedule of Controlling Underlying Insurance will not apply to or affect the Limits of Insurance provided by this policy.

3. If the policy period of the "controlling underlying insurance" begins prior to, or extends beyond the policy period of this policy, payment of losses covered under such "controlling underlying insurance" will only be reduced or exhausted by payment of losses covered during the policy period of this policy.

4. The Aggregate Limits of the applicable "controlling underlying insurance", must be unimpaired at the attachment date of this policy, and for the purposes of this policy only, "events" to which this insurance

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

applies, will be considered in determining the extent of any exhaustion of the "controlling underlying insurance" aggregate limits.

5. Two or more claims arising out of the same, related or continuing offenses, wrongful acts, occurrences, acts, errors or omissions will be considered a single claim for the purposes of the Each Occurrence Limit. The claim will be deemed to have been made at the time the first such claim was made.

6. If two or more excess policies of insurance issued by us apply to the same claim or claims for which any insured under this policy is legally liable, only one limit of insurance under one excess policy will apply. The limit will be the highest of the Each Occurrence limits of the excess policies that cover the claim or claims.

The General Aggregate Limit of this policy applies separately to each consecutive annual period of this policy and to any remaining period of this policy of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any "controlling underlying insurance" are also applicable to the coverage provided under this policy unless superseded by the following conditions.

1. Appeals

If the "controlling underlying insurer" or insured elects not to appeal a judgment in excess of the amount of the "retained limit," we may do so at our own expense. We will also pay for taxable court costs, pre- and post-judgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in **SECTION II - LIMITS OF INSURANCE.**

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the Insured's estate will not relieve us of our obligations under this policy.

b. Bankruptcy Of Controlling Underlying Insurer

Bankruptcy or insolvency of the "controlling underlying insurer" will not relieve us of our obligations under this policy.

However, insurance provided under this policy will not replace, or drop down to fill in gaps left by, any "controlling underlying insurance" in the event of bankruptcy or insolvency of the "controlling underlying insurer". The insurance provided under this policy will apply as if the "controlling underlying insurance" were in full effect and recoverable.

3. Cancellation

a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:

(1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.

d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

f. If notice is mailed, proof of mailing will be sufficient proof of notice.

4. Changes

This policy contains all the agreements between you and us concerning the insurance afforded. The first Named Insured is authorized by all other insureds to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement.

5. Duties In The Event Of An Event, Claim Or Suit

a. Notifications under this part should be sent to GLUSClaims@arcadian-risk.com.

b. You must see to it that we are notified as soon as practicable of an "event", regardless of the amount, which may result in a claim under this policy. To the extent possible, notice should include:

(1) How, when and where the "event" took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any "injury or damage" arising out of the "event".

c. If a claim is made or suit is brought against any insured, you must:

(1) Immediately record the specifics of the claim or suit and the date received; and

(2) Notify us as soon as practicable, sending us a copies of the claim or suit, including any demands, notices, summonses or legal papers received in connection with the claim or suit;

(3) Authorize us to obtain records and other information;

(4) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and

(5) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of "injury or damage" to which this insurance may also apply.

d. No insured will, except at the insured's own cost, voluntarily make a payment, assume any obligation,

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

or incur any expense, other than for first aid, without our consent.

6. Governing Law and Jurisdiction

This policy shall follow the governing law clause and the jurisdiction clause set out in the "controlling underlying insurance". If the "controlling underlying insurance" does not contain a governing law clause, this policy shall be governed and construed in accordance with the laws of the State of New York. If the "controlling underlying insurance" does not contain a jurisdiction clause, all disputes shall be submitted to a court of competent jurisdiction in the State of New York.

7. Examination of Your Books and Records

We may examine and audit your books and records as they relate to this policy at any time during the policy period and up to three years afterward.

8. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

At our request, the first Named Insured will furnish us, as soon as practicable, with a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this policy.

9. Loss Payable

Liability under this policy does not apply to a given claim unless and until:

a. The insured or insured's "controlling underlying insurer" has become obligated to pay the "retained limit"; and

b. The obligation of the insured to pay the "ultimate net loss" in excess of the "retained limit" has been determined by a final settlement or judgment or written contract or agreement among the insured, claimant, "controlling underlying insurer" (or a representative of one or more of these) and us.

10. Legal Action Against Us.

No person or organization has a right under this policy:

a. To join us as a party or otherwise bring us into a suit asking for damages from an insured; or

b. To sue us on this policy unless all of its terms have been fully complied with. A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, the "controlling underlying insurer" and the claimant or the claimant's legal representative.

11. Maintenance Of/Changes To Controlling Underlying Insurance

Any "controlling underlying insurance" must be maintained in full effect without reduction of coverage or

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

limits except for the reduction of aggregate limits in accordance with the provisions of such "controlling underlying insurance" that results from "injury or damage" to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "controlling underlying insurance." Failure to maintain "controlling underlying insurance" will not invalidate insurance provided under this policy, but insurance provided under this policy will apply as if the "controlling underlying insurance" were in full effect.

The first Named Insured must notify us in writing, as soon as practicable, if any "controlling underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "controlling underlying insurance" is changed.

12. Other Insurance

a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this policy.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:

- The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this policy; and
- The total of all deductible and self-insured amounts under all that other insurance.

c. However, to the extent required under written contract or agreement and provided by "controlling underlying insurance", this policy will apply to additional insureds on a primary and non-contributory basis, excess of "controlling underlying insurance", and other insurance which may be available to such additional insureds.

13. Transfer Of Defense

a. Defense Transferred To Us

Where we have a duty to defend the insured, or where we have the right (but not the duty) to defend and elect to defend the insured, and the limits of "controlling underlying insurance" have been exhausted in accordance with the provisions of "controlling underlying insurance", we will cooperate in the transfer of control to us of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.
Where the settlement of any suit defended by the "controlling underlying insurer" results, or will result, in the exhaustion of the "controlling underlying insurance," and will also require the payment of a portion of the limits of insurance under this policy in order to effectuate the settlement, we will have the right, but not the duty, to defend the insured with respect to that suit, and will be under no obligation to have the defense transferred to us. Where the satisfaction of any judgment entered against the insured in a suit defended by the "controlling underlying insurer" results, or will result, in the exhaustion of the "controlling underlying insurance," and will also require the payment of a portion of the limits of insurance under this policy in order to effectuate the satisfaction of that judgment, we will have the right, but not the duty, to defend the insured with respect to that suit, and will be under no obligation to have the defense transferred to us.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

b. Defense Transferred By Us

When our limits of insurance have been exhausted our duty to provide a defense will cease.

We will cooperate in the transfer of control of defense to any insurer specifically written as excess over this policy of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

In the event that there is no insurance written as excess over this policy, we will cooperate in the transfer of control to the insured and its designated representative.

14. When We Do Not Renew

If we decide not to renew this policy, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

15. Transfer of Your Rights and Duties under this Policy

Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured. If you die, your rights and duties will be transferred to your legal representative, but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

16. Waiver of Subrogation

We will waive any right of recovery we may have against any person, , entity or organization because of any payment for “injury or damage” we make to whom the insured has waived its right of recovery under a written contract or agreement and provided by the “controlling underlying insurance”.

IMPORTANT NOTICE FOR POLICYHOLDERS REGARDING PUBLIC HEALTH EMERGENCY

SiriusPoint Specialty Insurance Corporation, which includes our affiliated companies and subsidiaries, understands the challenges facing our policyholders during a public health emergency.

A public health emergency is any event that represents immediate threat to human life or health and requires prompt action by way of mitigation measures to protect the health of the public. The event must require action taken by city, county, state or national officials to shut down businesses or alter operations.

If an emergency order has been declared, at the request of the Named Insured, SiriusPoint Specialty Insurance Corporation may take the following steps to assist policyholders that are active and in good standing, with no cancellations pending, at the time of the public health emergency:

- **Minimum Earned Premium Waived:** We may waive the minimum earned premium when the Named Insured requests cancellation of a policy. In such case, the policy will be cancelled on a pro-rata basis and no short rate penalty will be imposed.

- **Premium Audit Exposures:** We may opt not to endorse the increased sales, receipts or payroll exposures on the current policy term as a result of a premium audit on the prior policy term. Any amounts due from the audit will be paid pursuant to the terms of the policy.

- **Inspections and Recommendation Compliance Extension:** We may give you a 30-day extension from the original date you were required to comply with critical and non-critical recommendations. All other inspection and recommendation compliance requirements remain unchanged.

These accommodations are in addition to any required by the Named Insured's jurisdiction. If there is a conflict between a jurisdictional requirement and an accommodation in this memo, the one most beneficial to the Named Insured will apply.

If you have been affected by a public health emergency, we urge you to contact your insurance agent.

The Named Insured must provide its insurance agent with a written request for the assistance described above, as well as documentation of the mandates impeding the operations of the business. Any and all accommodations described in this notice are applied at the discretion of the SiriusPoint Specialty Insurance Corporation.

IMPORTANT NOTICE

CALIFORNIA

1. The insurance policy that you are applying to purchase is being issued by an insurer that is not licensed by the State of California. These companies are called “nonadmitted” or “surplus line” insurers.
2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.
3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.
4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or “surplus line” broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC’s internet website at www.naic.org. The NAIC—the National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.
5. Foreign insurers should be licensed by a state in the United States and you may contact that state’s department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.
6. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on the NAIC’s International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or “surplus line” broker to obtain more information about that insurer.
7. California maintains a “List of Approved Surplus Line Insurers (LASLI).” Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07- lasli/lasli.cfm.
8. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker’s fee charged for this insurance will be returned to you.

CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

A. Any endorsement addressing acts of terrorism (however defined) in any "controlling underlying insurance" does not apply to this excess insurance. The following provisions addressing acts of terrorism apply with respect to this excess insurance:

If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for "injury or damage" that is otherwise excluded under this policy.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

COVERAGE FOR "ACTS OF TERRORISM" AS DEFINED IN THE TERRORISM RISK INSURANCE ACT

In consideration of an additional premium having been timely paid, the terrorism exclusion on your policy is amended to the extent that any "act of terrorism" as defined in the federal Terrorism Risk Insurance Act, as amended, (the Act) is no longer excluded from coverage.

A. Under the Act, an "act of terrorism" means any act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act to:

1. Be an act of terrorism;

2. Be a violent act or an act that is dangerous to:

   a. Human life;

   b. Property; or

   c. Infrastructure;

3. Have resulted in damage within the United States or outside of the United States in the case of:

   a. An air carrier (as defined in 49 U.S.C. § 40102) or vessel based principally in the United States, on which income tax is paid and whose insurance coverage is subject to regulation in the United States; or

   b. The premises of a United States mission; and

4. Have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. Under the Act, no act will be certified by the Secretary of the Treasury as an "act of terrorism" and this insurance does not apply if:

1. The act is committed as part of the course of a war declared by the Congress; or

2. Losses attributable to all types of insurance subject to the Act, in the aggregate, do not exceed $5,000,000.

C. If aggregate insured losses attributable to an "act of terrorism" exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we will not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

D. Under the Act, any certification of, or determination not to certify by the Secretary of the Treasury, an act as an "act of terrorism" will be final, and will not be subject to judicial review.

E. Under the Act, punitive damages are not covered and therefore, such damages are likewise not covered by this policy.

F. If this endorsement is attached to an excess or umbrella policy, coverage under this policy for any "act of terrorism" only will apply:

1. When all "underlying insurance" for "acts of terrorism" is exhausted; or

2. If you do not purchase "underlying insurance" for "acts of terrorism", only to the extent we would have been liable had you purchased such coverage for the full limits of "underlying insurance". We will not drop down if you do not purchase "underlying insurance" for "acts of terrorism".

ILLINOIS NOTICE TO POLICYHOLDERS REGARDING THE RELIGIOUS FREEDOM PROTECTION AND CIVIL UNION ACT

Dear Policyholder:

This is to provide notice that, pursuant to Illinois Department of Insurance Company Bulletin 2011-06 (CB 2011-06), this policy is in compliance with the Illinois Religious Freedom Protection and Civil Union Act ("the Act", 750 ILL. COMP. STAT. 75/1). The Act, which became effective on June 1, 2011, creates a legal relationship between two persons of either the same or opposite sex who establish a civil union.

The Act provides that parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the law of Illinois to spouses, whether they are derived from statute, administrative rule, policy, common law or any source of civil or criminal law. In addition, this law requires recognition of a same-sex civil union, marriage, or other substantially similar legal relationship, except for common law marriage, legally entered into in other jurisdictions. The Act further provides that "party to a civil union" shall be included in any definition or use of the terms "spouse", "family", "immediate family", "dependent", "next of kin" and other terms descriptive of spousal relationships as those terms are used throughout the law. According to CB 2011-06, this includes the terms "marriage" or "married" or any variations thereof. CB 2011-06 also states that if policies of insurance provide coverage for children, the children of civil unions must also be provided coverage.

CALIFORNIA PREMIUM REFUND DISCLOSURE NOTICE

In accordance with CAL. INS. CODE § 481.(c), we are notifying you that in the event that the first Named Insured cancels the insurance policy, we shall retain 10% of the unearned premium. The premium refunded to you will therefore be calculated as 90% of the pro rata unearned premium. But if cancellation takes place during the first year of a multiyear prepaid policy, we will return 90% of the pro rata unearned premium for the first year and the full annual premium for the subsequent years.

If you have an Equipment Breakdown policy or your policy contains an Equipment Breakdown Coverage Part, then the following premium refund calculation applies instead of that provided in the preceding paragraph. For the Equipment Breakdown policy premium or for the premium attributable to the Equipment Breakdown Coverage Part, we shall retain 25% of the unearned premium. The premium refunded to you will therefore be calculated as 75% of the pro rata unearned premium. But if cancellation takes place during the first year of a multiyear prepaid policy, we will return 75% of the pro rata unearned premium for the first year and the full annual premium for the subsequent years.

However, the penalties set forth in the preceding paragraphs will not apply under the following circumstances, even if the first Named Insured cancels the policy:

1. The Insured(s) no longer has a financial or insurable interest in the property or business operation that is the subject of insurance;
2. Cancellation takes place after the first year for a prepaid policy written for a term of more than one year; or
3. The policy is rewritten in the same insuring company or company group.

Policy Effective Date:	09/30/2023

The Rules and Regulations of the State of Georgia require that we provide you with notice containing the following information:

If you have chosen to accept Uninsured Motorists coverage from your automobile insurance company, and have any questions after reading this statement regarding Uninsured Motorists coverage or the amount of coverage you have selected, your agent or company representative will be able to assist you. You should have chosen the amount of Uninsured Motorists coverage you want based on this question: If I get hit by someone with little or no liability insurance, how much protection do I need to cover the cost associated with car repair, medical bills, other expenses, and lost wages? If the person who hits your automobile has no liability coverage or liability coverage equal to or less than the Uninsured Motorists amount you chose, your total automobile insurance recovery (from all companies involved) may not exceed the amount of Uninsured Motorists coverage you chose.

The purpose of this notice is informational. This notice does not change or replace the wording in your policy.

Terrorism Premium (Certified Acts) $ 0.00

DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE REJECTION OPTION

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from acts of terrorism. *As defined in Section 102(1) of the Act*: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

YOU SHOULD KNOW THAT WHERE COVERAGE IS PROVIDED BY THIS POLICY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM, SUCH LOSSES MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THE FORMULA, THE UNITED STATES GOVERNMENT'S FEDERAL SHARE OF TERRORISM LOSSES IS 80% OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS THAT MAY BE COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A $100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS $100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED $100 BILLION, YOUR COVERAGE MAY BE REDUCED.

Your attached proposal (or policy) includes a charge for terrorism. We will issue (or have issued) your policy with terrorism coverage unless you decline by placing an "X" in the box below.

NOTE 1: If "included" is shown on your proposal (or policy) for terrorism you WILL NOT have the option to reject the coverage.

NOTE 2: You will want to check with entities that have an interest in your organization as they may require that you maintain terrorism coverage (e.g. mortgagees).

EXCEPTION: If you have property coverage on your policy, the following Standard Fire Policy states do not permit an Insured to reject fire ensuing from terrorism: CA, CT, GA, HI, IA, IL, MA, ME, MO, NJ, NY, NC, OR, RI, VA, WA, WV, WI. Therefore, if you are domiciled in the above states and reject terrorism coverage, you will still be charged for fire ensuing from terrorism as separately designated on your proposal.

	I decline to purchase terrorism coverage. I understand that I will have no coverage for losses arising from "certified" acts of terrorism, EXCEPT as noted above.

You, as the Insured, have 30 days after receipt of this notice to consider the selection/rejection of "terrorism" coverage. After this 30 day period, any request for selection or rejection of terrorism coverage WILL NOT be honored.

REQUIRED IN GA – LIMITATION ON PAYMENT OF TERRORISM LOSSES (applies to policies which cover terrorism losses insured under the federal program, including those which only cover fire losses)
The provisions of the Terrorism Risk Insurance Act, as amended, can limit our maximum liability for payment of losses from certified acts of terrorism. That determination will be based on a formula set forth in the law involving the national total of federally insured terrorism losses in an annual period and individual insurer participation in payment of such losses. If one or more certified acts of terrorism in an annual period causes the maximum liability for payment of losses from certified acts of terrorism to be reached, and we have satisfied our required level of payments under the law, then we will not pay for the portion of such losses above that maximum. However, that is subject to possible change at that time, as Congress may, under the Act, determine that payments above the cap will be made.

BUSINESS AUTO COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERED AUTOS

Item Two of the Declarations shows the "autos" that are covered "autos" for each of your coverages. The following numerical symbols describe the "autos" that may be covered "autos". The symbols entered next to a coverage on the Declarations designate the only "autos" that are covered "autos".

A. Description Of Covered Auto Designation Symbols

Symbol	Description Of Covered Auto Designation Symbols	
1	Any "Auto"	
2	Owned "Autos" Only	Only those "autos" you own (and for Liability Coverage any "trailers" you don't own while attached to power units you own). This includes those "autos" you acquire ownership of after the policy begins.

6	Owned "Autos" Subject To A Compulsory Uninsured Motorists Law	Only those "autos" you own that because of the law in the state where they are licensed or principally garaged are required to have and cannot reject Uninsured Motorists Coverage. This includes those "autos" you acquire ownership of after the policy begins provided they are subject to the same state uninsured motorists requirement.
7	Specifically Described "Autos"	Only those "autos" described in Item Three of the Declarations for which a premium charge is shown (and for Liability Coverage any "trailers" you don't own while attached to any power unit described in Item Three).

19	Mobile Equipment Subject To Compulsory Or Financial Responsibility Or Other Motor Vehicle Insurance Law Only	Only those "autos" that are land vehicles and that would qualify under the definition of "mobile equipment" under this policy if they were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where they are licensed or principally garaged.

B. Owned Autos You Acquire After The Policy Begins

1. If Symbols **1, 2, 3, 4, 5, 6** or **19** are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.

2. But, if Symbol **7** is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:

a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and

b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

C. Certain Trailers, Mobile Equipment And Temporary Substitute Autos

e. Destruction.

SECTION II – LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

a. You for any covered "auto".

b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

(1) The owner or anyone else from whom you hire or borrow a covered "auto".

This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

© Insurance Services Office, Inc., 2009

(2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.

(3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.

(4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".

(5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

We will pay for the "insured":

(1) All expenses we incur.

(2) Up to $2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $250 a day because of time off from work.

(5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

(1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.

(2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

B. Exclusions

This insurance does not apply to any of the following:

1. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured".

2. Contractual

C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this coverage form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes Of Loss Coverage. a. The actual cash value of the damaged or stolen property as of the time of the "loss"; or

b. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

A. Loss Conditions

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:

(1) How, when and where the "accident" or "loss" occurred;

(3) To the extent possible, the names and addresses of any injured persons and witnesses.

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".

(4) Authorize us to obtain medical records or other pertinent information.

(5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

(1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.

(2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.

(3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.

(4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this coverage form until:

a. There has been full compliance with all the terms of this coverage form; and

b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option we may:

a. Pay for, repair or replace damaged or stolen property;

b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this coverage form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this coverage form.

2. Concealment, Misrepresentation Or Fraud

This coverage form is void in any case of fraud by you at any time as it relates to this coverage form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

a. This coverage form;

b. The covered "auto";

c. Your interest in the covered "auto"; or

d. A claim under this coverage form.

3. Liberalization

If we revise this coverage form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this coverage form.

5. Other Insurance

a. For any covered "auto" you own, this coverage form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this coverage form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this coverage form provides for the "trailer" is:

(1) Excess while it is connected to a motor vehicle you do not own.

(2) Primary while it is connected to a covered "auto" you own.

b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

c. Regardless of the provisions of Paragraph **a.** above, this coverage form's Liability Coverage is primary for any liability assumed under an "insured contract".

d. When this coverage form and any other coverage form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our coverage form bears to the total of the limits of all the coverage forms and policies covering on the same basis.

6. Premium Audit

a. The estimated premium for this coverage form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

b. If this policy is issued for more than one year, the premium for this coverage form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this coverage form, we cover "accidents" and "losses" occurring:

a. During the policy period shown in the Declarations; and

b. Within the coverage territory.

The coverage territory is:

(1) The United States of America;

(2) The territories and possessions of the United States of America;

(3) Puerto Rico;

(4) Canada; and

(5) Anywhere in the world if:

(a) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and

(b) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this coverage form and any other coverage form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the coverage forms or policies shall not exceed the highest applicable Limit of Insurance under any one coverage form or policy. This condition does not apply to any coverage form or policy issued by us or an affiliated company specifically to apply as excess insurance over this coverage form.

An "insured contract" does not include that part of any contract or agreement:

a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;

SECTION II – COVERED AUTOS LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Covered Autos Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

a. You for any covered "auto".

b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:

(2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.

(3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.

(4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".

(5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.

c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

We will pay for the "insured":

(1) All expenses we incur.

(2) Up to $2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

(3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $250 a day because of time off from work.

(5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed, we will:

(1) Increase the Limit of Insurance for Covered Autos Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.

(2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

B. Exclusions

This insurance does not apply to any of the following:

1. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured".

2. Contractual

© Insurance Services Office, Inc., 2011

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

d. Any accessories used with the electronic equipment described in Paragraph **c.** above.

5. Exclusions **4.c.** and **4.d.** do not apply to equipment designed to be operated solely by use of the power from the "auto's" electrical system that, at the time of "loss", is:

SECTION IV – BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:

(1) How, when and where the "accident" or "loss" occurred;

(2) The "insured's" name and address; and

(3) To the extent possible, the names and addresses of any injured persons and witnesses.

b. Additionally, you and any other involved "insured" must:

(1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.

(2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".

(4) Authorize us to obtain medical records or other pertinent information.

(5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

c. If there is "loss" to a covered "auto" or its equipment, you must also do the following:

(1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.

(2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.

(3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.

(4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

a. There has been full compliance with all the terms of this Coverage Form; and

b. Under Covered Autos Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option, we may:

a. Pay for, repair or replace damaged or stolen property;

b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or

c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

2. Concealment, Misrepresentation Or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceals or misrepresents a material fact concerning:

a. This Coverage Form;

b. The covered "auto";

c. Your interest in the covered "auto"; or

d. A claim under this Coverage Form.

3. Liberalization

If we revise this Coverage Form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

5. Other Insurance

a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Covered Autos Liability Coverage this Coverage Form provides for the "trailer" is:

(1) Excess while it is connected to a motor vehicle you do not own; or

(2) Primary while it is connected to a covered "auto" you own.

b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

c. Regardless of the provisions of Paragraph **a.** above, this Coverage Form's Covered Autos Liability Coverage is primary for any liability assumed under an "insured contract".

d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

6. Premium Audit

a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

002648

7. Policy Period, Coverage Territory

Under this Coverage Form, we cover "accidents" and "losses" occurring:

a. During the policy period shown in the Declarations; and

b. Within the coverage territory.

The coverage territory is:

(1) The United States of America;

(2) The territories and possessions of the United States of America;

(3) Puerto Rico;

(4) Canada; and

(5) Anywhere in the world if a covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less,

provided that the "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada, or in a settlement we agree to**.**

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

6. That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;

(d) An authorized emergency vehicle; or

(e) Subject to an inspection law and has not been inspected or if inspected has failed to qualify within the period specified under such inspection law; or

(f) Substantially changed in type or condition during the policy period, increasing the risk substantially, or so as to give clear evidence of a use other than the original use.

(9) We replace this policy with another one providing similar coverages and the same rates and limits for the covered "auto". The replacement policy will take effect when this policy is cancelled, and will end a year after this policy begins or on this policy's expiration date, whichever is earlier.

If we cancel for any reason described in Paragraphs **c.(1)** through **(9)** above, we will give written notice of cancellation to the first Named Insured at least:

(1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason described in Paragraphs **c.(2)** through **c.(9).**

The effective date of cancellation stated in the notice shall become the effective date of cancellation.

d. If this policy is cancelled, we will send the first Named Insured any premium refund due. Cancellation will be on a pro rata basis if the unearned premium is for a period of more than one month. If you request cancellation and the unearned premium is for a period of one month or less, the refund may be less than pro rata.

If we cancel, cancellation will not become effective unless the premium refund due is returned to you with the notice of cancellation or is delivered or mailed to you so as to be received by you not later than the effective date of cancellation.

e. Proof of mailing of any notice shall be sufficient proof of notice.

2. Nonrenewal

a. If we decide not to renew or continue this policy we will give the first Named Insured written notice of our intent not to renew at least 60 days before the end of the policy period. Such notice will be mailed or delivered to the first Named Insured at the last mailing address known to us. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.

b. If we fail to mail or deliver proper notice of nonrenewal and you obtain other insurance, this policy will end on the effective date of that insurance.

c. Proof of mailing of any notice shall be sufficient proof of notice.

B. For all other policies not described in Paragraph **A.** above, the **Cancellation** Common Policy Condition does not apply. The following Conditions apply instead:

1. Cancellation

a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.

b. We may cancel this policy, subject to the provisions of **c.** below, by first class mailing, or by delivery, of a written notice of cancellation to the first Named Insured and any agent, to their last mailing addresses known to us. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

c. Policies In Effect Less Than 90 Days

If this policy is a new policy and has been in effect for fewer than 90 days, we may cancel for any reason by giving notice at least:

(1) 10 days before the effective date of cancellation, if we cancel for nonpayment of premium; or

(2) 30 days before the effective date of cancellation, if we cancel for any other reason.

d. Policies In Effect 90 Days Or More

If this policy has been in effect for 90 days or more, or if it is a renewal of a policy we issued, we may cancel only for one or more of the following reasons:

(1) Nonpayment of premium;

(2) Misrepresentation or fraud made by you or with your knowledge in obtaining the policy or in pursuing a claim under the policy;

(3) An act or omission by you that substantially increases or changes the risk insured;

(4) Refusal by you to eliminate known conditions that increase the potential for loss after notification by us that the condition must be removed;

(5) Substantial change in the risk assumed, except to the extent that we should reasonably have foreseen the change or contemplated the risk in writing the contract;

(6) Loss of reinsurance by us which provided coverage to us for a significant amount of the underlying risk insured. Any notice of cancellation pursuant to this item shall advise the policyholder that he or she has ten days from the date of receipt of the notice to appeal the cancellation to the commissioner of commerce and that the commissioner will render a decision as to whether the cancellation is justified because of the loss of reinsurance within thirty business days after receipt of the appeal;

(7) A determination by the commissioner that the continuation of the policy could place us in violation of the Minnesota insurance laws; or

(8) Nonpayment of dues to an association or organization, other than an insurance association or organization, where payment of dues is a prerequisite to obtaining or continuing such insurance. This provision for cancellation for failure to pay dues shall not be applicable to persons who are retired at 62 years of age or older or who are disabled according to social security standards.

If we cancel for any reason described in Paragraphs **d.(1)** through **(8)** above, we will give notice at least:

(1) 10 days before the effective date of cancellation, if we cancel for nonpayment of premium. The cancellation notice shall contain the information regarding the amount of premium due and the due date, and shall state the effect of nonpayment by the due date. Cancellation shall not be effective if payment of the amount due is made prior to the effective date of cancellation; or

(2) 60 days before the effective date, if we cancel for any other reason described in Paragraphs **d.(2)** through **(8)** above. The notice of cancellation will state the reason for cancellation.

e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

f. Proof of mailing of any notice shall be sufficient proof of notice.

2. Nonrenewal

If we decide not to renew or continue this policy, we will give the first Named Insured and any agent notice of our intent not to renew, at least 60 days before the expiration date. Such notice will be mailed or delivered to the first Named Insured and any agent at their last mailing addresses known to us.

We need not mail or deliver this notice if you have:

a. Insured elsewhere;

b. Accepted replacement coverage; or

c. Agreed not to renew this policy.

Proof of mailing of any notice shall be sufficient proof of notice.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

MISSOURI CHANGES – CANCELLATION AND NONRENEWAL

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. If you are an individual, partnership or limited liability company and a covered "auto" you own is of the "private passenger type", and this Policy covers fewer than five "autos" and does not insure the motor vehicle hazard of garages, motor vehicle sales agencies, repair shops, service stations or public parking places, the Cancellation Common Policy Condition does not apply to that "auto". The following condition applies instead:

Ending This Policy

1. Cancellation

a. You may cancel the Policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.

b. If this Policy has been in effect for 60 days or less and is not a renewal or continuation policy, we may cancel for any reason. If we cancel, we will mail you at least 10 days' notice.

c. When this Policy has been in effect for more than 60 days or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:

(1) Nonpayment of premium. If we cancel for this reason, we will mail you at least 10 days' notice.

(2) If you are an individual, partnership or limited liability company and your driver's license has been suspended or revoked during the policy period. If we cancel for this reason, we will mail you at least 60 days' notice. However, we may not cancel if you are more than one person, but only one person's license has been suspended or revoked. Instead we may exclude coverage for that person while operating a covered "auto" during a period of suspension or revocation.

(3) If you are an individual, we replace this Policy with another one providing similar coverages and the same limits for the covered "auto". The replacement policy will take effect when this Policy is cancelled, and will end a year after this Policy begins or on this Policy's expiration date, whichever is earlier.

d. If this Policy is cancelled, you may be entitled to a premium refund. If so, we will send you the refund. However, making or offering to make the refund is not a condition of cancellation. The following provisions govern calculation of return premium:

(1) We will compute return premium pro rata and round to the next higher whole dollar when this Policy is:

(a) Cancelled by us or at our request;

© Insurance Services Office, Inc., 2015

(b) Cancelled because you no longer have a financial or insurable interest in the property or business operation that is the subject of this insurance;

(c) Cancelled but rewritten with us or in our company group; or

(d) Cancelled after the first year, if it is a prepaid policy written for a term of more than one year.

(2) When this Policy is cancelled at your request (except when Paragraph **(1)(b), (1)(c)** or **(1)(d)** applies), we will return 90% of the pro rata unearned premium rounded to the next higher whole dollar. However, when such cancellation takes place during the first year of a multiyear prepaid policy, we will return the full annual premium for the subsequent years.

(3) When this Policy is cancelled at your request and is an auto dealer's policy written on a reporting form basis, we will calculate the return or additional premium as follows:

(a) Final annual premium will be determined on the basis of the average value reported during the period in which the Policy was in effect.

(b) Pro rata earned premium will be determined based on the final annual premium for the number of days the Policy was in force as determined by Paragraph **(3)(a)** rounded to the next higher whole dollar.

(c) Pro rata unearned premium will be determined by subtracting Paragraph **(3)(b)** from Paragraph **(3)(a).**

(d) The short rate surcharge will be determined by multiplying the unearned premium by 10% and rounding to the next higher whole dollar.

(e) Calculate the short rate earned premium by adding Paragraphs **(3)(b)** and **(3)(d).**

(f) If the short rate earned premium is less than the sum of all payments (including any deposit premium), the difference is the return premium.

(g) If the short rate earned premium is greater than the sum of all payments (including any deposit premium), the difference is the additional premium due.

e. The effective date of cancellation stated in the notice shall become the end of the policy period.

f. Our notice of cancellation will state the actual reason for cancellation unless the cancellation is due to nonpayment of premium.

2. Nonrenewal

a. If we decide not to renew or continue this Policy, we will mail you notice at least 60 days before the end of the policy period. If the policy period is other than one year, we will have the right not to renew or continue it only at the anniversary of its original effective date. If we offer to renew or continue and you do not accept, this Policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.

b. If we fail to mail proper notice of nonrenewal and you obtain other insurance, the coverages provided by this Policy will end on the effective date of any similar coverages provided by the other insurance.

c. Our notice of nonrenewal will state the actual reason for nonrenewal unless the nonrenewal is due to nonpayment of premium.

3. Mailing Of Notices

Any notice of cancellation or nonrenewal will be mailed by United States Postal Service certificate of mailing, first-class mail using Intelligent Mail barcode (IMb), or another mail tracking method used, approved, or accepted by the United States Postal Service to your last known mailing address. Proof of mailing of any notice will be sufficient proof of notice.

B. For "autos" not described in Paragraph **A.** above:

1. Paragraph **2.** of the **Cancellation** Common Policy Condition is replaced by the following:

2. We may cancel this Policy by mailing or delivering to the first Named Insured written notice of cancellation, stating the actual reason for cancellation, at least:

a. 10 days before the effective date of cancellation if we cancel for nonpayment of premium;

© Insurance Services Office, Inc., 2015

002392

b. 30 days before the effective date of cancellation if cancellation is for one or more of the following reasons:

(1) Fraud or material misrepresentation affecting this Policy or a claim filed under this Policy or a violation of any of the terms or conditions of this Policy;

(2) Changes in conditions after the effective date of this Policy which have materially increased the risk assumed;

(3) We become insolvent; or

(4) We involuntarily lose reinsurance for this Policy;

c. 60 days before the effective date of cancellation if we cancel for any other reason.

2. Paragraph **5.** of the **Cancellation** Common Policy Condition is replaced by the following:

5. If this Policy is cancelled, we will send the first Named Insured any premium refund due. The cancellation will be effective even if we have not made or offered a refund. The following provisions govern calculation of return premium:

a. We will compute return premium pro rata and round to the next higher whole dollar when this Policy is:

(1) Cancelled by us or at our request:

(2) Cancelled because you no longer have a financial or insurable interest in the property or business operation that is the subject of this insurance;

(3) Cancelled but rewritten with us or in our company group; or

(4) Cancelled after the first year, if it is a prepaid policy written for a term of more than one year.

b. When this Policy is cancelled at the request of the first Named Insured (except when Paragraph **a.(2), a.(3)** or **a.(4)** applies), we will return 90% of the pro rata unearned premium rounded to the next higher whole dollar. However, when such cancellation takes place during the first year of a multiyear prepaid policy, we will return the full annual premium for the subsequent years.

c. When this Policy is cancelled at the request of the first Named Insured and is an auto dealer's policy written on a reporting form basis, we will calculate the return or additional premium as follows:

(1) Final annual premium will be determined on the basis of the average value reported during the period in which the Policy was in effect.

(2) Pro rata earned premium will be determined based on the final annual premium for the number of days the Policy was in force as determined by Paragraph **c.(1)** rounded to the next higher whole dollar.

(3) Pro rata unearned premium will be determined by subtracting Paragraph **c.(2)** from Paragraph **c.(1).**

(4) The short rate surcharge will be determined by multiplying the unearned premium by 10% and rounding to the next higher whole dollar.

(5) Calculate the short rate earned premium by adding Paragraphs **c.(1)** and **c.(4).**

(6) If the short rate earned premium is less than the sum of all payments (including any deposit premium), the difference is the return premium.

(7) If the short rate earned premium is greater than the sum of all payments (including any deposit premium), the difference is the additional premium due.

3. The following is added and supersedes any provision to the contrary:

Nonrenewal

a. We may elect not to renew this Policy by mailing or delivering to the first Named Insured, at the last mailing address known to us, written notice of nonrenewal, stating the actual reason for nonrenewal, at least 60 days prior to the effective date of the nonrenewal.

b. If notice is mailed, proof of mailing will be sufficient proof of notice.

E. Changes In Conditions

The Conditions are changed for Uninsured Motorists Coverage as follows:

1. Other Insurance in the Auto Dealers and Business Auto Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Motor Carrier Coverage Form are replaced by the following:

If there is other applicable insurance available under one or more policies or provisions of coverage:

a. Any insurance we provide with respect to a vehicle the Named Insured does not own shall be excess over any other collectible uninsured motorists insurance providing coverage on a primary basis.

b. When coverage provided under a certificate of self-insurance is available, any motor vehicle liability insurance or uninsured motorists coverage we provide will be on a primary basis unless otherwise agreed to by the self-insurer.

c. If the coverage under this Coverage Form is provided:

(1) On a primary basis, we will pay only our share of the loss that must be paid under insurance providing coverage on a primary basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on a primary basis.

(2) On an excess basis, we will pay only our share of the loss that must be paid under insurance providing coverage on an excess basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on an excess basis.

2. Duties In The Event Of Accident, Claim, Suit Or Loss in the Business Auto and Motor Carrier Coverage Forms and **Duties In The Event Of Accident, Claim, Offense, Suit, Loss Or Acts, Errors Or Omissions** in the Auto Dealers Coverage Form are changed by adding the following:

a. If a "stolen vehicle" or a hit-and-run or phantom vehicle is involved, the Named Insured or someone on that Named Insured's behalf shall report the "accident" to the appropriate law enforcement agency within 72 hours of the "accident".

b. If a "stolen vehicle" is involved, you or someone on your behalf must cooperate with the appropriate law enforcement agency in the prosecution of the theft of the vehicle.

c. Promptly send us copies of the legal papers if a "suit" is brought.

d. A person seeking coverage from a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" must also promptly notify us in writing of a tentative settlement between the "insured" and the insurer of the vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" and allow advance payment to that "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification to preserve our rights against the insurer, owner or operator of such vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle".

3. Legal Action Against Us is replaced by the following:

Legal Action Against Us

a. No one may bring a legal action against us under this Coverage Form until there has been full compliance with all the terms of this Coverage Form.

b. No cause of action shall accrue to an "insured" under this coverage unless within two years from the date of the "accident":

(1) Agreement as to the amount due under this Coverage Form has been concluded;

(2) We or the "insured" has formally instituted arbitration proceedings;

(3) The "insured" has filed an action against us; or

(4) An action for "bodily injury" has been filed against the uninsured motorist and, within two years from the "date of settlement" or "final judgment" against the uninsured motorist, the "insured" has:

(a) Formally instituted arbitration proceedings against us; or

(b) Filed an action against us.

4. **Transfer Of Rights Of Recovery Against Others To Us** is replaced by the following:

   Transfer Of Rights Of Recovery Against Others To Us

   If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

   Our rights do not apply under this provision with respect to damages caused by an "accident" with a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" if we:

   a. Have been given prompt written notice of a tentative settlement between an "insured" and the insurer of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle"; and

   b. Fail to advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification.

   If we advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification:

   a. That payment will be separate from any amount the "insured" is entitled to recover under the provisions of this coverage; and

   b. We also have a right to recover the advance payment.

5. The following condition is added:

   Arbitration

   a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to an arbitration and to be bound by the results of that arbitration. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

   b. Unless both parties agree otherwise, arbitration will take place in either of the following, at the election of the "insured":

   (1) The county where the "insured" lives; or

   (2) The county where the "insured's" cause of action against the owner or driver of the "uninsured motor vehicle" arose.

   Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

   c. We will pay all arbitration costs to an "insured" in excess of $100. Arbitration costs to an "insured" shall not include attorneys' fees or any expenses incurred in producing evidence or witnesses or making transcripts of the arbitration proceedings.

1. "Date of settlement" means the date on which a written settlement agreement or release is signed by an "insured" or, in the absence of such documents, the date on which the "insured" or the attorney for the "insured" receives payment of any sum required by the settlement agreement.

   b. That is an underinsured motor vehicle. An underinsured motor vehicle is a land motor vehicle or "trailer" to which a liability policy applies at the time of an "accident", but the amount paid for "bodily injury" under that policy to the "insured" is not enough to pay the full amount the "insured" is legally entitled to recover as damages;

© Insurance Services Office, Inc., 2015

c. For which an insuring company denies coverage, becomes voluntarily or involuntarily bankrupt or is placed in receivership;

d. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying". However, in the event that a hit-and-run vehicle causes "bodily injury" to an "insured" without hitting the "insured", a covered "auto" or a vehicle the "insured" is "occupying", the facts of the "accident" must be corroborated by competent evidence other than the testimony of any person having an uninsured motorists claim resulting from the "accident";

e. That is a "stolen vehicle"; or

f. That is owned or operated by a self-insurer:

(1) That is not in compliance with ORS 806.130 (1)(c); or

However, "uninsured motor vehicle" does not include any vehicle:

b. Designed for use mainly off public roads while not on public roads;

Coverage	Limit Of Insurance
Uninsured Motorists Coverage:	**$** 1,000,000 **Each "Accident"**
Underinsured Motorists Coverage:	**$** 1,000,000 **Each "Accident"**
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Coverage

1. We will pay all sums the "insured" is legally entitled to recover as compensatory damages from the owner or driver of an "uninsured motor vehicle" or "underinsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle" or "underinsured motor vehicle".

2. Any judgment for damages arising out of a "suit" brought against an uninsured or underinsured motorist is not binding on us unless we have:

a. Received reasonable notice of the commencement of the "suit" resulting in judgment; and

b. Had a reasonable opportunity to protect our interests in the "suit".

B. Who Is An Insured

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":

a. The Named Insured and any "family members".

b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.

c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":

   a. Anyone "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.

   b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

C. Exclusions

This insurance does not apply to any of the following:

1. Any claim settled with the owner or operator of an "uninsured motor vehicle" without our consent.
2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
3. "Bodily injury" under Uninsured Motorists Coverage, if that "bodily injury" is sustained by:

   a. An individual Named Insured while "occupying" a vehicle owned by that Named Insured that is not a covered "auto" for Uninsured Motorists Coverage; or

   b. Any "family member" while "occupying" any vehicle owned by that "family member" that is not a covered "auto" for Uninsured Motorists Coverage.

4. "Bodily injury" under Underinsured Motorists Coverage, if that "bodily injury" is sustained by:

   b. Any "family member" while "occupying" any vehicle owned by that "family member" that is not a covered "auto" for Underinsured Motorists Coverage.

5. Anyone using a vehicle without a reasonable belief that the person is entitled to do so. However, this exclusion does not apply to a "family member" who is not identified by name in any other contract for a plan of reparation security complying with the Minnesota no-fault insurance act, while using a covered "auto" which is owned by the Named Insured.
6. Punitive or exemplary damages.
7. "Bodily injury" arising directly or indirectly out of:

   a. War, including undeclared or civil war;

   b. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

   c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

D. Limit Of Insurance

1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident":

   a. With an "uninsured motor vehicle" is the limit of Uninsured Motorists Coverage shown in the Schedule.

   b. With an "underinsured motor vehicle" is the limit of Underinsured Motorists Coverage shown in the Schedule.

   We will apply the limit of liability for each of these coverages as shown in the Schedule to provide separate limits required by law for uninsured and underinsured "bodily injury" liability.

2. Any amounts otherwise payable for damages under this insurance shall be reduced by all sums paid or payable or which would be paid or payable except for the application of a deductible under Personal Injury Protection applicable to the same element of loss.
3. We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.
4. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form, any Liability Coverage Form, or any Medical Payments Coverage Endorsement attached to this Coverage Part.

E. Changes In Conditions

The conditions are changed for Uninsured Motorists Coverage and Underinsured Motorists Coverage as follows:

1. The reference in **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms to "other applicable insurance" applies only to other collectible uninsured motorists insurance and is replaced by the following:

a. With respect to coverage we provide when a covered "auto" the Named Insured owns is involved in an "accident", only:

(1) The Limit of Insurance for Uninsured Motorists Coverage applicable to that "auto" will apply for damages for which the owner or operator of the "uninsured motor vehicle" is legally responsible.

(2) The Limit of Insurance for Underinsured Motorists Coverage applicable to that "auto" will apply for damages for which the owner or operator of the "underinsured motor vehicle" is legally responsible.

b. If an "insured" sustains "bodily injury" while:

(1) "Occupying" a vehicle not owned by that person or while not "occupying" any vehicle; or

(2) "Occupying" a vehicle owned by the Named Insured or any "family member", if the Named Insured is an individual, and such vehicle is insured under one or more separate policies providing uninsured motorists or underinsured motorists insurance;

the following priorities of recovery apply:

First Priority	The policy affording Uninsured Motorists Coverage or Underinsured Motorists Coverage to the vehicle the "insured" was "occupying" at the time of the "accident".
Second Priority	Any Coverage Form or policy affording Uninsured Motorists Coverage or Underinsured Motorists Coverage to the "insured" as an individual Named Insured or "family member".

(1) Where there is no applicable insurance available under the first priority, the maximum recovery under all Coverage Forms or policies in the second priority shall not exceed the highest applicable limit for any one vehicle under any one Coverage Form or policy.

(2) Where there is applicable insurance available under the first priority:

(a) The Limit of Insurance applicable to the vehicle the "insured" was "occupying", under the Coverage Form or policy in the first priority, shall first be exhausted; and

(b) If there is other applicable insurance available under one or more policies or provisions of coverage:

The maximum recovery in the second priority under all coverage forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any Coverage Form or policy providing coverage on either a primary or excess basis.

Any insurance we provide with respect to a vehicle the Named Insured does not own shall be excess over any collectible uninsured or underinsured motorists insurance providing coverage on a primary basis.

If the coverage under this coverage form is provided:

(i) On a primary basis, we will pay only our share of the loss that must be paid under insurance providing coverage on a primary basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on a primary basis.

(ii) On an excess basis, we will pay only our share of the loss that must be paid under insurance providing coverage on an excess basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on an excess basis.

© Insurance Services Office, Inc., 2008

(3) We will pay only our share of the "loss", not to exceed our share of the maximum recovery. Our share is the proportion that our Limit of Insurance bears to the total of all applicable limits in the same level of priority.

2. Duties In The Event Of Accident, Claim, Suit Or Loss is changed by adding the following:

a. Promptly notify the police if a hit-and-run driver is involved; and

b. Promptly send us copies of the legal papers if a "suit" is brought.

For an "underinsured motor vehicle", **Duties In The Event Of Accident, Claim, Suit Or Loss** is also changed by adding the following:

a. Promptly notify us in writing of a tentative settlement between the "insured" and the insurer of an "underinsured motor vehicle". Such notice shall:

(1) Identify the "insured", the owner or driver of the "underinsured motor vehicle", and the insurer of the "underinsured motor vehicle";

(2) Disclose the limits of the automobile liability insurance available to the owner or driver of the "underinsured motor vehicle"; and

(3) Disclose the agreed upon amount of the tentative settlement; and

b. Allow us 30 days to advance payment to that "insured" in an amount equal to the tentative settlement to preserve our rights against the insurer, owner or operator of such "underinsured motor vehicle".

3. Transfer Of Rights Of Recovery Against Others To Us is replaced by the following and supersedes any provision to the contrary:

a. If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

b. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

c. For an "underinsured motor vehicle", Paragraph **3.a.** of the Transfer Of Rights Of Recovery Against Others To Us Condition does not apply if:

(1) We have been given prompt written notice of a tentative settlement between an "insured" and the insurer of an "underinsured motor vehicle"; and

(2) We fail to advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of such notification.

If we advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of written notification:

(1) That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Underinsured Motorists Coverage; and

(2) We also have a right to recover the advance payment.

d. Our rights under Paragraph **3.a.** of this condition do not apply against any person or organization insured under this or any other Coverage Form we issue with respect to the same "accident" or "loss".

e. Our rights under this condition do not apply against a person who is 21 years of age or older who:

(1) Had control over the premises and, being in a reasonable position to prevent the consumption of alcoholic beverages, knowingly or recklessly permitted the consumption of alcoholic beverages that caused the intoxication of a person under 21 years of age; or

(2) Sold, bartered, furnished or gave to, or purchased alcoholic beverages for a person under 21 years of age that caused the intoxication of a person under 21 years of age;

and that intoxicated person caused the injury, "loss" or damage for which payment was made under this policy.

f. Our rights are subject to any applicable limitations contained in the Minnesota statutes.

© Insurance Services Office, Inc., 2008

4. The following condition is added:

ARBITRATION

a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or "underinsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

F. Additional Definitions

As used in this endorsement:

1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.

2. "Occupying" means in, upon, getting in, on, out or off.

3. "Uninsured motor vehicle" means a land motor vehicle or "trailer":

a. To which **(1)** no bodily injury liability bond or policy applies at the time of an "accident" or **(2)** a bodily injury liability bond or policy applies at the time of the "accident" but its limit for bodily injury liability is less than the minimum limit for bodily injury liability specified by the Minnesota No-fault Automobile Insurance Act;

b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or

c. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying", or must cause an "accident" resulting in "bodily injury" to an "insured" without hitting a covered "auto" or a vehicle an "insured" is "occupying".

However, "uninsured motor vehicle" does not include any vehicle or equipment:

a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who **(1)** denies coverage, **(2)** is or becomes insolvent or **(3)** cannot provide the amounts required by that motor vehicle law;

b. Designed for use mainly off public roads while not on public roads;

c. That is an "underinsured motor vehicle";

d. Owned by or furnished or available for the regular use of an "insured";

e. Operated on rails or crawler treads; or

f. While located for use as a residence or premises.

4. "Underinsured motor vehicle" means a land motor vehicle or "trailer" for which a bodily injury liability bond or policy applies at the time of the "accident" in limits equal to or greater than the minimum limits specified by the Minnesota No-fault Automobile Insurance Act but its limit for "bodily injury" liability is not enough to pay the full amount the "insured" is legally entitled to recover as damages caused by the "accident".

However, "underinsured motor vehicle" does not include any vehicle or equipment:

a. For which a liability bond or policy applies at the time of the "accident", but the bonding or insuring company **(1)** denies coverage or **(2)** is or becomes insolvent;

b. Designed for use mainly off public roads while not on public roads;

c. That is an "uninsured motor vehicle";

d. Owned by or furnished or available for the regular use of an "insured";

e. Operated on rails or crawler treads; or

f. While located for use as a residence or premises.

An underinsured motor vehicle is a land motor vehicle or "trailer" for which the sum of all liability bonds or policies at the time of an "accident" provides at least the amounts required by the applicable law where a covered "auto" is principally garaged, but that sum is less than the Limit of Insurance of this coverage;

c. For which an insuring or bonding company denies coverage or is or becomes insolvent; or

E. Changes In Conditions

The Conditions are changed for Washington Underinsured Motorists Coverage as follows:

1. Other Insurance in the Auto Dealers and Business Auto Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Motor Carrier Coverage Form are replaced by the following:

If there is other applicable insurance available under one or more policies or provisions of coverage:

a. The maximum recovery under all Coverage Forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any Coverage Form or policy providing coverage on either a primary or excess basis.

b. Any insurance we provide with respect to a vehicle the Named Insured does not own shall be excess over any other collectible underinsured motorists insurance providing coverage on a primary basis.

c. If the coverage under this Coverage Form is provided:

(1) On a primary basis, we will pay only our share of the loss that must be paid under insurance providing coverage on a primary basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on a primary basis.

(2) On an excess basis, we will pay only our share of the loss that must be paid under insurance providing coverage on an excess basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on an excess basis.

2. Duties In The Event Of Accident, Claim, Suit Or Loss in the Business Auto and Motor Carrier Coverage Forms and **Duties In The Event Of Accident, Claim, Offense, Suit, Loss Or Acts, Errors Or Omissions** in the Auto Dealers Coverage Form are changed by adding the following:

a. A person seeking Underinsured Motorists Coverage must also promptly notify us in writing of a tentative settlement between the "insured" and the insurer of an "underinsured motor vehicle" and allow us 30 days to advance payment to that "insured" in an amount equal to the tentative settlement to preserve our rights against the insurer, owner or operator of such "underinsured motor vehicle". However, this provision does not apply if failure to notify us does not prejudice our right to recover payment from the person legally responsible for the "accident".

3. Legal Action Against Us is replaced by the following:

Legal Action Against Us

a. No one may bring a legal action against us under this Coverage Form until there has been full compliance with all the terms of this Coverage Form.

b. Any legal action against us under this Coverage Form must be brought within one year after the date on which the cause of action accrues.

If this action is brought pursuant to Sec. 3 of RCW 48.30, then 20 days prior to filing such an action, you are required to provide written notice of the basis for the cause of action to us and the Office of the Insurance Commissioner. Such notice may be sent by regular mail, registered mail or certified mail with return receipt requested.

4. Transfer Of Rights Of Recovery Against Others To Us is changed by adding the following:

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid. We shall be entitled to recovery only after the "insured" has been fully compensated for damages.

Our rights do not apply under this provision with respect to damages caused by an "accident" with an "underinsured motor vehicle" if we:

a. Have been given prompt notice of a tentative settlement between an "insured" and the insurer of an "underinsured motor vehicle"; and

b. Fail to advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification.

If we advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification:

(1) That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Underinsured Motorists Coverage; and

(2) We also have a right to recover the advanced payment.

5. The following condition is added:

Arbitration

a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "underinsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. We will pay all arbitration expenses. Arbitration expenses will not include the "insured's" attorney's fees or any expenses incurred in producing evidence or witnesses.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

F. Additional Definitions

As used in this endorsement:

1. "Property damage" means injury to or destruction of the property of an "insured".

2. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption, who is a resident of such Named Insured's household, including a ward or foster child.

c. For which all insuring or bonding companies deny coverage or are or become insolvent; or

d. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must either:

(b) Someone reports the "accident" to the police within 72 hours of the "accident".

However, "underinsured motor vehicle" does not include any vehicle:

(1) For which the Covered Autos Liability Coverage of this Coverage Form applies. However, if the Named Insured is an individual and that Named Insured or any "family member" sustains damages while "occupying", or when struck by, an "auto" which is a covered "auto" for Covered Autos Liability Coverage under this Coverage Form, this exception to this definition of an "underinsured motor vehicle" does not apply to that Named Insured or any such "family member".

(2) Owned by a governmental unit or agency. This provision does not apply if the governmental unit or agency is unable to pay damages because of financial inability or insolvency.

6. Whenever the terms "uninsured motorists coverage" or "uninsured motor vehicle" appear in the Coverage Form or any endorsements attached to the Coverage Form, they are replaced by the terms "underinsured motorists coverage" and "underinsured motor vehicle" for covered "autos" licensed in, or "auto dealer operations" conducted in, Washington.

If the two arbitrators are unable to agree on the selection of the third arbitrator within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will bear the expenses for a single arbitrator equally, or pay the expenses for the arbitrator each party selects and bear the expenses of the third arbitrator equally.

b. If an "insured" submits a claim for Uninsured Motorists Coverage to arbitration, that "insured" shall provide to us within 30 days:

(1) A written demand for payment setting forth the specific monetary amount; and

(2) Any written statements under oath, documents and signed authorizations required by UTAH CODE ANN. § 31A-22-305.

Subject to our receipt of items **(1)** and **(2)** described above, we shall, within 60 days:

(1) Provide a written response to the "insured's" written demand for payment; and

(2) Tender the amount, if any, that we determine as owed to that "insured" less any state or federal statutory liens as provided by UTAH CODE ANN. § 31-A-22-305.

If the amount tendered by us is the Limit of Insurance for Uninsured Motorists Coverage, such amount shall be accepted by that "insured".

If the amount tendered by us is less than the Limit of Insurance for Uninsured Motorists Coverage, the "insured" may accept the amount tendered as full payment of such "insured's" claim or accept the amount tendered as partial payment and arbitrate the remaining claim.

c. If the final award obtained through arbitration is greater than the average of the "insured's" initial written demand for payment and our initial written response, then we shall pay:

(1) The final award obtained through arbitration less any amount accepted as partial payment. If the award exceeds the Limit of Insurance for Uninsured Motorists Coverage by more than $15,000, we shall pay $15,000, in addition to the Limit of Insurance for Uninsured Motorists Coverage;

(2) Any costs as set forth in the Utah Rules of Civil Procedure;

(3) Arbitration fees; and

(4) Reasonable costs for witnesses and depositions.

If the "insured" does not disclose all material information required by UTAH CODE ANN. § 31-A-22-305, the "insured" may not recover costs or amounts in excess of the Limit of Insurance.

The "insured" shall provide an affidavit of costs within five days of an arbitration award. If we object to such costs, the costs shall be arbitrated, and such award may not exceed $5,000.

d. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A written decision agreed to by the single arbitrator or agreed to by two of the arbitrators will be binding, unless either party demands a trial. This demand must be made within 20 days of service of the arbitration award. If this demand is not made, the amount of damages agreed to by the arbitrators will be binding.

A. Coverage

We will pay Personal Injury Protection benefits to or for an "insured" who sustains "bodily injury" caused by an "accident" and resulting from the ownership, maintenance or use of an "auto" as an "auto". These benefits are subject to the provisions of Chapter 31 of the Michigan Insurance Code. Personal Injury Protection benefits consist of the following benefits:

1. Medical Expenses

Reasonable and necessary medical expenses for an "insured's" care, recovery or rehabilitation. Charges for a hospital room are limited to those customary for a semiprivate room, unless special or intensive care is required.

This includes attendant care.

2. Funeral Expenses

Reasonable funeral and burial expenses.

3. Work Loss

Up to 85% of an "insured's" actual loss of income from work. We will pay a higher percentage if the "insured" gives us reasonable proof that net income is more than 85% of gross income. The most we will pay in any 30-day period for this benefit is the amount shown in the Schedule or Declarations unless another amount is established by law. Any income an "insured" earns during the 30-day period is included in determining the income benefit we will pay. This benefit is payable for loss sustained during the three years after the "accident". It does not apply after an "insured" dies. We will prorate this benefit for any period less than 30 days.

4. Replacement Services

Reasonable expenses for obtaining services to replace those an "insured" would normally have performed without pay for himself or herself or dependents. This benefit is payable for loss sustained during the three years after the "accident". It does not apply after an "insured" dies.

5. Survivor's loss benefits consisting of:

a. Income Loss

The contributions a deceased "insured's" spouse and dependents would have received, as dependents, if the "insured" had not died as a result of the "accident".

b. Replacement Services

Reasonable expenses for obtaining services to replace those a deceased "insured" would have performed without pay for his or her spouse and dependents.

The most we will pay in any 30-day period for the total of survivor's loss benefits is the amount shown in the Schedule unless another amount is established by law. Any income an "insured" earns during the 30-day period is included in determining the income benefits we will pay. These benefits are payable during the three years after the "accident" but do not apply to any loss or expense incurred after an "insured" dies. We will prorate these benefits for any period of less than 30 days.

Survivor's loss benefits are payable during the three years after the "accident". A deceased "insured's" spouse must have either resided with or been dependent on the "insured" at the time of death. The benefits cease for a spouse at remarriage or death. Any other dependent qualifies for benefits if, at the time of the "insured's" death, the person is under age 18, physically or mentally unable to earn a living or a full-time student.

Excess Attendant Care

If Excess Attendant Care is indicated in the Schedule or in the Declarations, we will pay up to the limit shown in the Schedule or in the Declarations. The Excess Attendant Care Coverage limit shown in the Schedule or in the Declarations is in addition to the Limit Of Insurance shown in the Schedule or in the Declarations for medical expenses.

E. Changes In Conditions

1. Transfer Of Rights Of Recovery Against Others To Us is replaced by the following:

Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, and that other person is an uninsured motorist, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

2. Duties In The Event Of Accident, Claim, Suit Or Loss in the Business Auto and Motor Carrier Coverage Forms and **Duties In The Event Of Accident, Claim, Offense, Suit, Loss Or Acts, Errors Or Omissions** in the Auto Dealers Coverage Form are amended by the addition of the following:

If requested by us, the "insured" shall furnish a sworn statement of earnings since the "accident" and for a reasonable time prior to the "accident".

3. Legal Action Against Us is amended by the addition of the following:

No claimant may bring a legal action for Personal Injury Protection benefits against us more than a year after the "accident". There are two exceptions. The action may be brought if we have been given notice within a year after the "accident" or have made a payment of benefits. In these cases, a claimant may bring the action within a year after the most recent allowable expense, work loss or survivor's loss has been incurred. The commencement of an action and the recovery of benefits is tolled from the date of a specific claim for payment of personal injury protection benefits until the date we formally deny the claim. Such tolling does not apply if the person claiming the benefits fails to pursue the claim with reasonable diligence.

However, the claimant may not recover benefits for any part of a loss incurred more than a year before the action was brought.

4. Other Insurance in the Auto Dealers and Business Auto Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Motor Carrier Coverage Form are amended by adding the following:

a. If Medical Expenses are payable under two or more policies, benefits are only payable up to an aggregate coverage limit that equals the highest available coverage limit under any one of the policies.

b. If an "insured" is a Named Insured under this Policy and that "insured" is insured as a spouse or as a "family member" under another policy providing similar coverage, Medical Expenses benefits for such named insured are only payable up to the Limit Of Insurance shown in the Schedule or in the Declarations for each person under this Policy.

5. The following conditions are added:

Reimbursement And Trust

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid. This requirement is subject to any applicable limitations of Michigan law.

© Insurance Services Office, Inc., 2023

Coordination And Nonduplication

a. If an "insured" is entitled to Personal Injury Protection benefits under more than one policy, the maximum recovery under all policies shall not exceed the amount payable under the Policy providing the highest dollar limit.

b. No person may recover duplicate benefits for the same expenses or loss.

c. An "insured" who sustains "bodily injury" resulting from an "accident" which shows evidence of the involvement of an "auto" while an operator or passenger of a motorcycle shall claim insurance benefits in the following order of priority:

(1) The insurer of the owner or registrant of the "auto" involved in the "accident".

(2) The insurer of the operator of the "auto" involved in the "accident".

(3) The "auto" insurer of the operator of the motorcycle involved in the "accident".

(4) The "auto" insurer of the owner or registrant of the motorcycle involved in the "accident".

If personal injury protection benefits are payable under two or more policies in the same order of priority, the benefits are only payable up to an aggregate coverage limit that equals the highest available coverage limit under any one of the policies.

Premium Recomputation

Chapter 31 of the Michigan Insurance Code places certain limitations on a person's right to sue for damages. The premium for the Policy reflects these limitations. If a court from which there is no appeal declares any of these limitations unenforceable, we will have the right to recompute the premium. The rates we use to recompute the premium will be subject to review by the Commissioner of Insurance. If you choose to delete any coverage as the result of the court's decision, we will compute any refund of premium on a pro rata basis.

Qualified Health Coverage Ineligibility

The individual Named Insured shall notify us when "qualified health coverage" has been terminated for you or any "family member" if the Schedule or the Declarations indicates that coverage for medical expenses is excluded for you or any "family member". In such case, the individual Named Insured shall obtain coverage for personal injury protection benefits within 30 days after the effective date of the termination of "qualified health coverage".

If it is determined that:

a. The individual Named Insured who is listed as excluded from coverage for medical expenses in the Schedule or in the Declarations did not have "qualified health coverage" as defined in Paragraph **F.4.a.** of the Definitions section; or

b. The individual Named Insured's spouse or any "family member" who is listed as excluded from coverage for medical expenses in the Schedule or in the Declarations did not have "qualified health coverage" as defined in Paragraph **F.4.a.** or **F.4.b.** of the Definitions section;

in effect at the time an "accident" occurred which resulted in "bodily injury" to that individual Named Insured, individual Named Insured's spouse or "family member" after the 30-day period in which the "qualified health coverage" has elapsed and the individual Named Insured did not obtain personal injury protection coverage within such period, such injured person is not entitled to medical expenses benefits under this Policy.

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

SCHEDULE

☐ If indicated to the left or in the Declarations, **Exclusion 11.** as described below does not apply.

A. Coverage

We will pay for "property damage" caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto" as an "auto". A covered "auto" under this coverage includes an "auto" operated by, but not owned by, you or any "family member" to which the Covered Autos Liability Coverage of the policy applies. This coverage is subject to Chapter 31 of the Michigan Insurance Code and applies only to an "accident" which happens in Michigan.

B. Exclusions

This insurance does not apply to:

1. "Property damage" to property owned by you or any "family member" if you or any "family member" was the owner, operator or registrant of an "auto" involved in the "accident" which caused the "property damage".
2. "Property damage" to any covered "auto" or its contents.
3. "Property damage" to any "auto" which is not a covered "auto" or to its contents. However, this exclusion does not apply to the "auto" or its contents if the "auto" was parked in such a way as not to cause unreasonable risk of the "property damage".

b. As soon as practicable, the "insured" or someone on his or her behalf shall give us written proof of claim, under oath if required, including full particulars of the nature and extent of the "bodily injury", treatment and rehabilitation received and contemplated, and such other information as may assist us in determining the amount due and payable. The "insured" shall submit to physical and mental examination by physicians selected by us when and as often as we may reasonably require. An "insured" who has undertaken a procedure or treatment for rehabilitation or a course of rehabilitative occupational training, other than medical rehabilitation procedure or treatment, shall notify us that he or she has undertaken the procedure, treatment or training within 60 days after a rehabilitation expense exceeding $1,000 has been incurred for the procedure, treatment, or training, unless we know or have reason to know of the undertaking. If the "insured" does not give the required notice within the prescribed time, we are responsible only for $1,000 or the expense incurred after the notice is given and within 60 days before the notice, whichever is greater, unless failure to give timely notice is the result of excusable neglect.

2. Transfer Of Rights Of Recovery Against Others To Us is replaced by the following:

Subject to any applicable limitations set forth in the Minnesota statutes, in the event of any payment under this coverage, we are subrogated to the rights of the person to whom or for whose benefit such payments were made, to the extent of such payments, and such person shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. Such person shall do nothing after loss to prejudice such rights.

a. Our rights under this condition do not apply against:

(1) The person or organization legally responsible for damages, if we also insure that person or organization for the same "loss" or damages; or

(2) Any "insured".

b. Our rights under this condition do not apply against a person who is 21 years of age or older who:

(1) Had control over the premises and, being in a reasonable position to prevent the consumption of alcoholic beverages, knowingly or recklessly permitted the consumption of alcoholic beverages that caused the intoxication of a person under 21 years of age; or

and that intoxicated person caused the injury, "loss" or damage for which payment was made under this policy.

3. Other Insurance in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms are amended by the following:

In the event the "insured" has other similar insurance including self-insurance available and applicable to the "accident", we shall not be liable for a greater proportion of any loss to which this coverage applies than the Limit of Insurance hereunder bears to the sum of the applicable Limits of Insurance of this coverage and such other insurance.

4. The **Two Or More Coverage Forms Or Policies Issued By Us** Policy Condition is replaced by the following:

If the Schedule indicates that the Named Insured elected to add together two or more Personal Injury Protection Coverages, the Two Or More Coverage Forms Or Policies Issued By Us provision in the Policy Conditions section of the Coverage Form does not apply to coverage afforded under this endorsement. However, no one will be entitled to receive duplicate payments for the same elements of "loss".

REIMBURSEMENT AND TRUST

Subject to any applicable limitations set forth in the Minnesota statutes, in the event of any payment to any person under this coverage:

a. We shall be entitled to the extent of such payment to the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of such person against any person or organization legally responsible for the "bodily injury" because of which such payment is made; and we shall have a lien to the extent of such payment, notice of which may be given to the person or organization causing such "bodily injury", his or her agent, his or her insurer or a court having jurisdiction in the matter.

b. Such person shall hold in trust for our benefit all rights of recovery which he or she shall have against such other person or organization because of such "bodily injury".

d. Such person shall execute and deliver to us instruments and papers as may be appropriate to secure the rights and obligations of such person and us established by this provision.

CONSTITUTIONALITY CLAUSE

The premium for and the coverages of the policy have been established in reliance upon the provisions of the Minnesota No-Fault Automobile Insurance Act. In the event a court of competent jurisdiction declares, or enters a judgment the effect of which is to render the provisions of such act invalid or unenforceable in whole or in part, we shall have the right to recompute the premium payable for the policy and the provisions of this endorsement shall be voidable or subject to amendment at our option.

ARBITRATION

If you and we disagree on the amount of "loss" under Personal Injury Protection and the disputed amount is:

a. $10,000 or less, both parties must submit to arbitration; or

b. More than $10,000, we will advise the "insured" whether we will submit the claim to arbitration.

Arbitration will be conducted in accordance with the Rules of Procedure For No-Fault Arbitration contained in the Minnesota Insurance Laws.

In the event of arbitration, each party will select a competent arbitrator. The two arbitrators will select a competent and impartial umpire. A decision agreed to by any two will be binding. Each party will:

Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally. Costs to the "insured" of the arbitration proceedings shall not exceed $100, and all other costs of arbitration shall be borne by us. However, attorneys' fees and fees paid to medical or other expert witnesses are not arbitration expenses and are to be paid by the party incurring them.

(3) If the coverage under this coverage form is provided:

(a) On a primary basis, we will pay only our share of the loss that must be paid under insurance providing coverage on a primary basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on a primary basis.

(b) On an excess basis, we will pay only our share of the loss that must be paid under insurance providing coverage on an excess basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on an excess basis.

2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:

   A person seeking Underinsured Motorists Coverage must also promptly notify us in writing of a tentative settlement between the "insured" and the insurer of the "underinsured motor vehicle" and allow us to advance payment to that "insured" in an amount equal to the tentative settlement within five business days after receipt of notification to preserve our rights against the insurer, owner or operator of such "underinsured motor vehicle".

3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

   Our rights do not apply under this provision with respect to Underinsured Motorists Coverage if we:

   a. Have been given prompt written notice of a tentative settlement between an "insured" and the insurer of an "underinsured motor vehicle"; and

   b. Fail to advance payment to the "insured" in an amount equal to the tentative settlement within five business days after receipt of notification.

   If we advance payment to the "insured" in an amount equal to the tentative settlement within five business days after receipt of notification:

   a. That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Underinsured Motorists Coverage; and

   b. We also have a right to recover the advance payment.

4. The following condition is added. However, this condition does **not** apply if a small claims court having jurisdiction resolves the matter or matters upon which we and an "insured" do not agree.

ARBITRATION

a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "underinsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Either party may make a written demand for arbitration. In this event, unless otherwise agreed to in writing, we and the "insured" shall agree on the selection of a single arbitrator. If we and the "insured" are unable to agree on the selection of a single arbitrator, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will bear the expenses for a single arbitrator equally, or pay the expenses for the arbitrator each party selects and bear the expenses of the third arbitrator equally.

b. If an "insured" submits a claim for Underinsured Motorists Coverage to arbitration, that "insured" shall provide to us within 30 days:

   (1) A written demand for payment setting forth the specific monetary amount; and

   (2) Any written statements under oath, documents and signed authorizations required by UTAH CODE ANN. § 31A-22-305.3.

   Subject to our receipt of items **(1)** and **(2)** described above, we shall, within 60 days:

   (1) Provide a written response to the "insured's" written demand for payment; and

© Insurance Services Office, Inc., 2010

(2) Tender the amount, if any, that we determine as owed to that "insured" less any state or federal statutory liens as provided by UTAH CODE ANN. § 31-A-22-305.3.

If the amount tendered by us is the Limit of Insurance for Underinsured Motorists Coverage, such amount shall be accepted by that "insured".

If the amount tendered by us is less than the Limit of Insurance for Underinsured Motorists Coverage, the "insured" may accept the amount tendered as full payment of such "insured's" claim or accept the amount tendered as partial payment and arbitrate the remaining claim.

c. If the final award obtained through arbitration is greater than the average of the "insured's" initial written demand for payment and our initial written response, then we shall pay:

(1) The final award obtained through arbitration less any amount accepted as partial payment. If the award exceeds the Limit of Insurance for Underinsured Motorists Coverage by more than $15,000, we shall pay $15,000, in addition to the Limit of Insurance for Underinsured Motorists Coverage;

(2) Any costs as set forth in the Utah Rules of Civil Procedure;

(3) Arbitration fees; and

(4) Reasonable costs for witnesses and depositions.

If the "insured" does not disclose all material information required by UTAH CODE ANN. § 31-A-22-305.3, the "insured" may not recover costs or amounts in excess of the Limit of Insurance.

The "insured" shall provide an affidavit of costs within five days of an arbitration award. If we object to such costs, the costs shall be arbitrated, and such award may not exceed $5,000.

d. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A written decision agreed to by the single arbitrator or agreed to by two of the arbitrators will be binding, unless either party demands a trial. This demand must be made within 20 days of service of the arbitration award. If this demand is not made, the amount of damages agreed to by the arbitrators will be binding.

REJECTION OF MEDICAL PAYMENTS COVERAGE

(Colorado)

Colorado law permits you, the insured named in the policy, to reject Medical Payments Coverage. Medical Payments Coverage pays for reasonable health care expenses incurred for bodily injury sustained by an insured and caused by an automobile accident regardless of fault.

Medical payments coverage is primary to any health insurance coverage available to an insured when injured in an automobile accident. This coverage applies to any coinsurance or deductible amount required to be paid by the person's health coverage plan as defined in § 10-16-102(22.5), C.R.S.

An insured who is injured in an automobile accident will not receive benefits from medical payments coverage for any medical expenses incurred as a result of an accident that is the fault of the insured unless medical payments coverage is purchased.

I understand that unless rejected, Medical Payments Coverage will be included in my policy.

I, the undersigned named insured (and each of them), hereby reject Medical Payments Coverage.

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph **C)** applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of $5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

© Insurance Services Office, Inc., 2015

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

4. Additional Coverages

a. Debris Removal

(1) Subject to Paragraphs **(2)**, **(3)** and **(4),** we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

(2) Debris Removal does not apply to costs to:

(a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;

(b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;

(c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;

(d) Remove property of others of a type that would not be Covered Property under this Coverage Form;

(e) Remove deposits of mud or earth from the grounds of the described premises;

(f) Extract "pollutants" from land or water; or

(g) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph **(4),** the following provisions apply:

(a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.

(b) Subject to **(a)** above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is $5,000 at each location.

(4) We will pay up to an additional $25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

© Insurance Services Office, Inc., 2011

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus $25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	$ 90,000
Amount of Deductible:	$ 500
Amount of Loss:	$ 50,000
Amount of Loss Payable:	$ 49,500
	($50,000 – $500)
Debris Removal Expense:	$ 10,000
Debris Removal Expense Payable:	$ 10,000

($10,000 is 20% of $50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense ($49,500 + $10,000 = $59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3).**

Example 2

Limit of Insurance:	$ 90,000
Amount of Deductible:	$ 500
Amount of Loss:	$ 80,000
Amount of Loss Payable:	$ 79,500
	($80,000 – $500)
Debris Removal Expense:	$ 40,000
Debris Removal Expense Payable	
Basic Amount:	$ 10,500
Additional Amount:	$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: $80,000 ($79,500 + $500) x .25 = $20,000, capped at $10,500. The cap applies because the sum of the loss payable ($79,500) and the basic amount payable for debris removal expense ($10,500) cannot exceed the Limit of Insurance ($90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4),** because the debris removal expense ($40,000) exceeds 25% of the loss payable plus the deductible ($40,000 is 50% of $80,000), and because the sum of the loss payable and debris removal expense ($79,500 + $40,000 = $119,500) would exceed the Limit of Insurance ($90,000). The additional amount of covered debris removal expense is $25,000, the maximum payable under Paragraph **(4).** Thus, the total payable for debris removal expense in this example is $35,500; $4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

(1) While it is being moved or while temporarily stored at another location; and

(2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to $1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

(1) Assumed by contract or agreement prior to loss; or

(2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is $10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

(1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.

(2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.

(3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.

(4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

(a) You were required to comply with before the loss, even when the building was undamaged; and

(b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

(a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or

(b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is $10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of $10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

(a) We will not pay for the Increased Cost of Construction:

(i) Until the property is actually repaired or replaced at the same or another premises; and

(ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

© Insurance Services Office, Inc., 2011

(b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.

(c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

(1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.

(2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

(3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:

(a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.

(c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

(d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

© Insurance Services Office, Inc., 2011

(4) The most we will pay under this Additional Coverage, Electronic Data, is $2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

(3) Period Of Coverage

b. Personal Effects And Property Of Others

(1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.

c. Valuable Papers And Records (Other Than Electronic Data)

(1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.

(2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

(4) Under this Extension, the most we will pay to replace or restore the lost information is $2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

(1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:

(a) Temporarily at a location you do not own, lease or operate;

(b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or

(c) At any fair, trade show or exhibition.

(2) This Extension does not apply to property:

e. Outdoor Property

(1) Fire;

(2) Lightning;

(3) Explosion;

(4) Riot or Civil Commotion; or

(5) Aircraft.

The most we will pay for loss or damage under this Extension is $1,000, but not more than $250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

© Insurance Services Office, Inc., 2011

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

f. Non-owned Detached Trailers

(1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:

(a) The trailer is used in your business;

(b) The trailer is in your care, custody or control at the premises described in the Declarations; and

(c) You have a contractual responsibility to pay for loss or damage to the trailer.

(2) We will not pay for any loss or damage that occurs:

(a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;

(b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.

(3) The most we will pay for loss or damage under this Extension is $5,000, unless a higher limit is shown in the Declarations.

(4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

(1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

(2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.

(3) Coverage under this Extension:

(a) Will end 90 days after the business personal property has been placed in the storage unit;

(b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.

(4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is $10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.

(5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is $2,500 per sign in any one occurrence.

© Insurance Services Office, Inc., 2011

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	$ 250
Limit of Insurance – Building 1:	$ 60,000
Limit of Insurance – Building 2:	$ 80,000
Loss to Building 1:	$ 60,100
Loss to Building 2:	$ 90,000

The amount of loss to Building 1 ($60,100) is less than the sum ($60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

$ 60,100
– 250
$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of $80,000.

Total amount of loss payable:

$59,850 + $80,000 = $139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

(1) Notify the police if a law may have been broken.

 © Insurance Services Office, Inc., 2011
002391

(2) Give us prompt notice of the loss or damage. Include a description of the property involved.

(3) As soon as possible, give us a description of how, when and where the loss or damage occurred.

(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

(6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(8) Cooperate with us in the investigation or settlement of the claim.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:

(1) Pay the value of lost or damaged property;

(2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;

(3) Take all or any part of the property at an agreed or appraised value; or

(4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

d. We will not pay you more than your financial interest in the Covered Property.

e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.

f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

(1) We have reached agreement with you on the amount of loss; or

(2) An appraisal award has been made.

© Insurance Services Office, Inc., 2011

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in **b., c., d.** and **e.** below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is $2,500 or less, we will pay the cost of building repairs or replacement.

© Insurance Services Office, Inc., 2011

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

d. Glass at the cost of replacement with safety-glazing material if required by law.

e. Tenants' Improvements and Betterments at:

(1) Actual cash value of the lost or damaged property if you make repairs promptly.

(2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:

(a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and

(b) Divide the amount determined in **(a)** above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

(3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in Step **(1);**

(3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step **(2);** and

(4) Subtract the deductible from the figure determined in Step **(3).**

We will pay the amount determined in Step **(4)** or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When:	The value of the property is:	$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	$ 100,000
	The Deductible is:	$ 250
	The amount of loss is:	$ 40,000

Step **(1):** $250,000 x 80% = $200,000
(the minimum amount of insurance to meet your Coinsurance requirements)

Step **(2):** $100,000 ÷ $200,000 = .50

Step **(3):** $40,000 x .50 = $20,000

Step **(4):** $20,000 – $250 = $19,750

We will pay no more than $19,750. The remaining $20,250 is not covered.

Example 2 (Adequate Insurance)

When:	The value of the property is:	$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	$ 200,000
	The Deductible is:	$ 250
	The amount of loss is:	$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($250,000 x 80%). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than $39,750 ($40,000 amount of loss minus the deductible of $250).

© Insurance Services Office, Inc., 2011

b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When:	The value of the property is:	
	Building at Location 1:	$ 75,000
	Building at Location 2:	$ 100,000
	Personal Property at Location 2:	$ 75,000
		$ 250,000
	The Coinsurance percentage for it is:	90%
	The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	$ 180,000
	The Deductible is:	$ 1,000
	The amount of loss is:	
	Building at Location 2:	$ 30,000
	Personal Property at Location 2:	$ 20,000
		$ 50,000

Step **(1):** $250,000 x 90% = $225,000
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step **(2):** $180,000 ÷ $225,000 = .80

Step **(3):** $50,000 x .80 = $40,000

Step **(4):** $40,000 – $1,000 = $39,000

We will pay no more than $39,000. The remaining $11,000 is not covered.

2. Mortgageholders

a. The term mortgageholder includes trustee.

b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.

c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.

d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

(1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

(2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

(1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and

(2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

f. If we cancel this policy, we will give written notice to the mortgageholder at least:

(1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason.

g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

© Insurance Services Office, Inc., 2011

b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

c. The terms of this Optional Coverage apply only to loss or damage that occurs:

(1) On or after the effective date of this Optional Coverage; and

(2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.

b. The amount of increase will be:

(1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times

(2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times

(3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If:	The applicable Limit of Insurance is:	$ 100,000
	The annual percentage increase is:	8%
	The number of days since the beginning of the policy year (or last policy change) is:	146
	The amount of increase is: $100,000 x .08 x 146 ÷ 365 =	$ 3,200

3. Replacement Cost

a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.

b. This Optional Coverage does not apply to:

(1) Personal property of others;

(2) Contents of a residence;

(3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

(4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

d. We will not pay on a replacement cost basis for any loss or damage:

(1) Until the lost or damaged property is actually repaired or replaced; and

(2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

(3) If the conditions in **d.(1)** and **d.(2)** above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and

(4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.

e. We will not pay more for loss or damage on a replacement cost basis than the least of **(1), (2)** or **(3),** subject to **f.** below:

(1) The Limit of Insurance applicable to the lost or damaged property;

(2) The cost to replace the lost or damaged property with other property:

(a) Of comparable material and quality; and

(b) Used for the same purpose; or

(3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

© Insurance Services Office, Inc., 2011

f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **F.** Definitions.

A. Coverage

1. Business Income

Business Income means the:

a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and

b. Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

(1) Business Income Including "Rental Value".

(2) Business Income Other Than "Rental Value".

(3) "Rental Value".

If option **(1)** above is selected, the term Business Income will include "Rental Value". If option **(3)** above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

(a) The portion of the building which you rent, lease or occupy;

(b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and

(c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

2. Extra Expense

a. Extra Expense Coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income Coverage applies at that premises.

b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

(1) Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.

© Insurance Services Office, Inc., 2011

(2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Limitation – Interruption Of Computer Operations

a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.

b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.

c. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.

d. This Additional Limitation does not apply when loss or damage to electronic data involves only electronic data which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

5. Additional Coverages

a. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

(1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and

(2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

(1) Four consecutive weeks after the date of that action; or

(2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

© Insurance Services Office, Inc., 2011

b. Alterations And New Buildings

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

(1) New buildings or structures, whether complete or under construction;

(2) Alterations or additions to existing buildings or structures; and

(3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:

(a) Used in the construction, alterations or additions; or

(b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

c. Extended Business Income

(1) Business Income Other Than "Rental Value"

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

(a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and

(b) Ends on the earlier of:

(i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or

(ii) 60 consecutive days after the date determined in **(1)(a)** above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) "Rental Value"

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

(a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and

(b) Ends on the earlier of:

(i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or

(ii) 60 consecutive days after the date determined in **(2)(a)** above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

d. Interruption Of Computer Operations

(1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation – Interruption Of Computer Operations.

© Insurance Services Office, Inc., 2011

(2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss. However, we will not provide coverage under this Additional Coverage when the Additional Limitation – Interruption Of Computer Operations does not apply based on Paragraph **A.4.d.** therein.

(3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:

(a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.

(b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, includes Collapse as set forth in that form.

(c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Interruption Of Computer Operations.

(d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

(4) The most we will pay under this Additional Coverage, Interruption Of Computer Operations, is $2,500 (unless a higher limit is shown in the Declarations) for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

(5) This Additional Coverage, Interruption Of Computer Operations, does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in **(4)** above has not been exhausted.

6. Coverage Extension

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

Newly Acquired Locations

a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.

b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is $100,000 at each location, unless a higher limit is shown in the Declarations.

c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:

(1) This policy expires;

© Insurance Services Office, Inc., 2011

(2) 30 days expire after you acquire or begin to construct the property; or

(3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

The Additional Condition, Coinsurance, does not apply to this Extension.

B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

Payments under the following coverages will not increase the applicable Limit of Insurance:

1. Alterations And New Buildings;

2. Civil Authority;

3. Extra Expense; or

4. Extended Business Income.

The amounts of insurance stated in the Interruption Of Computer Operations Additional Coverage and the Newly Acquired Locations Coverage Extension apply in accordance with the terms of those coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage.

C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Loss

a. You must see that the following are done in the event of loss:

(1) Notify the police if a law may have been broken.

(2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.

(3) As soon as possible, give us a description of how, when and where the direct physical loss or damage occurred.

(4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(7) Cooperate with us in the investigation or settlement of the claim.

(8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

© Insurance Services Office, Inc., 2011

3. Loss Determination

a. The amount of Business Income loss will be determined based on:

(1) The Net Income of the business before the direct physical loss or damage occurred;

(2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;

(3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and

(4) Other relevant sources of information, including:

(a) Your financial records and accounting procedures;

(b) Bills, invoices and other vouchers; and

(c) Deeds, liens or contracts.

b. The amount of Extra Expense will be determined based on:

(1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:

(a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and

(b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and

(2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption Of Operations

We will reduce the amount of your:

(1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.

(2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

a. We have reached agreement with you on the amount of loss; or

b. An appraisal award has been made.

D. Additional Condition

COINSURANCE

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

1. The Coinsurance percentage shown for Business Income in the Declarations; times

2. The sum of:

a. The Net Income (Net Profit or Loss before income taxes), and

b. Operating expenses, including payroll expenses,

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

© Insurance Services Office, Inc., 2011

Instead, we will determine the most we will pay using the following steps:

Step **(1):** Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;

Step **(2):** Divide the Limit of Insurance for the described premises by the figure determined in Step **(1);** and

Step **(3):** Multiply the total amount of loss by the figure determined in Step **(2).**

We will pay the amount determined in Step **(3)** or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

(1) Prepaid freight – outgoing;

(2) Returns and allowances;

(3) Discounts;

(4) Bad debts;

(5) Collection expenses;

(6) Cost of raw stock and factory supplies consumed (including transportation charges);

(7) Cost of merchandise sold (including transportation charges);

(8) Cost of other supplies consumed (including transportation charges);

(9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;

(10) Power, heat and refrigeration expenses that do not continue under contract (if Form **CP 15 11** is attached);

(11) All payroll expenses or the amount of payroll expense excluded (if Form **CP 15 10** is attached); and

(12) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example 1 (Underinsurance)

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been:	$ 400,000
	The Coinsurance percentage is:	50%
	The Limit of Insurance is:	$ 150,000
	The amount of loss is:	$ 80,000

Step **(1):** $400,000 x 50% = $200,000
(the minimum amount of insurance to meet your Coinsurance requirements)

Step **(2):** $150,000 ÷ $200,000 = .75

Step **(3):** $80,000 x .75 = $60,000

We will pay no more than $60,000. The remaining $20,000 is not covered.

Example 2 (Adequate Insurance)

When:	The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been:	$ 400,000
	The Coinsurance percentage is:	50%
	The Limit of Insurance is:	$ 200,000
	The amount of loss is:	$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is $200,000 ($400,000 x 50%). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than $80,000 (amount of loss).

This condition does not apply to Extra Expense Coverage.

E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period Of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

 © Insurance Services Office, Inc., 2011

b. The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:

(1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or

(2) The Limit Of Insurance shown in the Declarations.

2. Monthly Limit Of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:

(1) The Limit of Insurance, multiplied by

(2) The fraction shown in the Declarations for this Optional Coverage.

Example

When:	The Limit of Insurance is:	$ 120,000
	The fraction shown in the Declarations for this Optional Coverage is:	1/4
	The most we will pay for loss in each period of 30 consecutive days is:	$ 30,000
	($120,000 x 1/4 = $30,000)	
	If, in this example, the actual amount of loss is:	
	Days 1–30:	$ 40,000
	Days 31–60:	$ 20,000
	Days 61–90:	$ 30,000
		$ 90,000
	We will pay:	
	Days 1–30:	$ 30,000
	Days 31–60:	$ 20,000
	Days 61–90:	$ 30,000
		$ 80,000

The remaining $10,000 is not covered.

3. Business Income Agreed Value

a. To activate this Optional Coverage:

(1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":

(a) During the 12 months prior to the date of the Work Sheet; and

(b) Estimated for the 12 months immediately following the inception of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

(a) The Coinsurance percentage shown in the Declarations; multiplied by

(b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

b. The Additional Condition, Coinsurance, is suspended until:

(1) 12 months after the effective date of this Optional Coverage; or

(2) The expiration date of this policy;

whichever occurs first.

c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:

(1) Within 12 months of the effective date of this Optional Coverage; or

(2) When you request a change in your Business Income Limit of Insurance.

d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:

(1) The Business Income Limit of Insurance; divided by

(2) The Agreed Value.

Example

When:	The Limit of Insurance is:	$ 100,000
	The Agreed Value is:	$ 200,000
	The amount of loss is:	$ 80,000

Step **(1):** $100,000 ÷ $200,000 = .50

Step **(2):** .50 x $80,000 = $40,000

We will pay $40,000. The remaining $40,000 is not covered.

4. Extended Period Of Indemnity

Under Paragraph **A.5.c., Extended Business Income,** the number 60 in Subparagraphs **(1)(b)** and **(2)(b)** is replaced by the number shown in the Declarations for this Optional Coverage.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

CHANGES – ELECTRONIC DATA

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
STANDARD PROPERTY POLICY

A. Under this endorsement, electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. For the purpose of this endorsement, the term electronic data does not include your "stock" of prepackaged software.

B. This Section, **B.,** and the following Sections **C.** and **D.,** apply to the Building And Personal Property Coverage Form, Condominium Association Coverage Form, Condominium Unit-Owners Coverage Form, the Causes of Loss Forms and the Standard Property Policy. Paragraphs **B.1.** and **B.2.** supersede any provisions relating to electronic data, electronic media or valuable papers or records, including any such provisions under Property Not Covered, Coverage Extensions, Valuation Conditions or Limitations in the aforementioned forms.

1. Covered Property does not include electronic data, except as provided below in **C.,** Limited Coverage – Electronic Data.

2. Covered Property does not include the cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. However, limited coverage for valuable papers and records, other than those which exist as electronic data, is provided below in **D.,** Limited Coverage – Valuable Papers And Records (Other Than Electronic Data).

C. Limited Coverage – Electronic Data

1. Subject to the provisions of this Limited Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

2. The Covered Causes of Loss applicable to Your Business Personal Property apply to this Limited Coverage – Electronic Data, subject to the following:

a. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage – Electronic Data is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

b. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage – Electronic Data includes Collapse as set forth in that Form.

c. If the Causes of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Limited Coverage – Electronic Data.

d. The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

© ISO Properties, Inc., 2002

3. The most we will pay under this Limited Coverage – Electronic Data is $2,500 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

D. Limited Coverage – Valuable Papers And Records (Other Than Electronic Data)

1. You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Limited Coverage does not apply to valuable papers and records which exist as electronic data.

2. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

3. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage includes Collapse as set forth in that Form.

4. Under this Limited Coverage, the most we will pay to replace or restore the lost information is $2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

E. With respect to the Business Income and/or Extra Expense Coverage Forms, the Loss Condition titled Limitation – Electronic Media And Records is deleted and the following exclusion is added:

Exclusion – Interruption Of Computer Operations

1. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided below in **F.,** Limited Coverage – Interruption Of Computer Operations.

2. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided below in **F.,** Limited Coverage – Interruption Of Computer Operations.

F. Limited Coverage – Interruption Of Computer Operations

This Limited Coverage applies only to the Business Income and/or Extra Expense Coverage Forms.

1. Subject to all provisions of this Limited Coverage, you may extend the insurance that applies to Business Income and/or Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss.

2. With respect to the coverage provided under this Limited Coverage, the Covered Causes of Loss are subject to the following:

a. If the Causes of Loss – Special Form applies, coverage under this Limited Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" as defined in that Form, and Collapse as set forth in that Form.

b. If the Causes of Loss – Broad Form applies, coverage under this Limited Coverage – Interruption Of Computer Operations includes Collapse as set forth in that Form.

c. If the Causes of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Limited Coverage – Interruption Of Computer Operations.

d. The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.

© ISO Properties, Inc., 2002

Interruption Of Computer Operations.

3. The most we will pay under this Limited Coverage – Interruption Of Computer Operations is $2,500 for the total of all loss sustained and/or expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

4. This Limited Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in **3.** above has not been exhausted.

G. Under the Legal Liability Coverage Form and the Mortgageholders Errors And Omissions Coverage Form, Covered Property does not include electronic data.

H. If this policy is endorsed to cover damage to Covered Property or Business Income loss or Extra Expense caused by or related to interruption in utility service, such coverage does not apply to destruction or corruption of (or any loss or damage to) electronic data.

I. If this policy is endorsed to cover Business Income loss or Extra Expense related to "suspension" of "operations" due to loss or damage to a "dependent property", such coverage does not apply when the only loss to "dependent property" is destruction or corruption of (or any loss or damage to) electronic data. If the "dependent property" sustains loss or damage to electronic data and other property, coverage under the "dependent property" endorsement will not continue once the other property is repaired, rebuilt or replaced.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G.** Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

(1) Regulating the construction, use or repair of any property; or

(2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

(a) An ordinance or law that is enforced even if the property has not been damaged; or

(3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;

(4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

(5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

(a) Airborne volcanic blast or airborne shock waves;

(b) Ash, dust or particulate matter; or

(c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a), (5)(b)** and **(5)(c),** all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5),** is caused by an act of nature or is otherwise caused.

© Insurance Services Office, Inc., 2011

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

(1) Originates away from the described premises; or

(2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

(1) War, including undeclared or civil war;

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5),** is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **(1)** through **(5),** results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

© Insurance Services Office, Inc., 2011

This exclusion does not apply:

(1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or

(2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

Exclusions **B.1.a.** through **B.1.h.** apply whether or not the loss event results in widespread damage or affects a substantial area.

d.(1) Wear and tear;

(2) Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;

(3) Smog;

e. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. This exclusion, **l.,** does not apply to damage to glass caused by chemicals applied to the glass.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.

d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

(1) A cause of loss listed in **2.a.** or **2.b.;**

(3) Breakage of building glass;

(4) Weight of people or personal property; or

3. This **Additional Coverage – Collapse** does **not** apply to:

a. A building or any part of a building that is in danger of falling down or caving in;

b. A part of a building that is standing, even if it has separated from another part of the building; or

c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

© Insurance Services Office, Inc., 2011

d. Outdoor swimming pools;

e. Fences;

f. Piers, wharves and docks;

g. Beach or diving platforms or appurtenances;

h. Retaining walls; and

i. Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.,** we will pay for loss or damage to that property only if:

(1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and

(2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.;**

b. The personal property which collapses is inside a building; and

c. The property which collapses is not of a kind listed in **4.,** regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.

8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

a. A "specified cause of loss" other than fire or lightning; or

b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;

b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and

c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to $15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of $15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

© Insurance Services Office, Inc., 2011

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.

6. The following, **6.a.** or **6.b.,** applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:

a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.

b. Loss or damage must be caused by or result from one of the following causes of loss:

(1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.

(2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.

(3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.

c. The most we will pay for loss or damage under this Extension is $5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

© Insurance Services Office, Inc., 2011

b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:

(1) The cost of filling sinkholes; or

(2) Sinking or collapse of land into man-made underground cavities.

b. Falling objects does not include loss or damage to:

(1) Personal property in the open; or

(2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

(1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

(2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But if "fungus", wet or dry rot or bacteria results in a "covered cause of loss", we will pay for the direct physical loss or damage caused by the "covered cause of loss".
