Dear Judge Segerstrom,

On October 3, 2014 we received a request from the 2014-15 Grand Jury
requesting follow-up information regarding F6 and R6:

F6: The flexibility of the overall Emergency Operations Plan and Annex G
proved to be beneficial. The annexes can be used independently.

Response: Agree

R6. Ensure that flexibility is allowed in future applications of the Plan. The
OES Coordinator shall review and revise the Plan as necessary.

**Response: This recommendation has not been implemented but will be
implemented in the future.**

**The updated Emergency Operations Plan was approved by the Board of
Supervisors in July 2012. The Plan has not been through a review since its
approval. However, the OES Coordinator will pull together a team to begin
a thorough review in FY 14/15.**

The Grand Jury requested that the OES Coordinator advise them of the
status of assembling a team to review the Emergency Operations Plan by
