COMMISSARY AUTHORIZATION

Section 114295 of the California Health and Safety Code requires that mobile food facilities (MFFs) operate from an approved food establishment (commissary) and report to the commissary for cleaning and servicing at least once each day or use a mobile support unit which reports to the commissary daily. Section 114021 requires that all food be from an approved source, making it necessary for catering to be conducted from an approved commissary.
