Dear Candidate,

Welcome to the June 5, 2018 Gubernatorial Primary electoral process. Regardless, of who wins, it is my hope to make this a positive experience for you.

The Tuolumne Election Department is dedicated to help all qualified candidates get their names printed on the ballot and to ensuring that the election is conducted fairly and accurately in compliance with Federal and State election codes.

For many candidates the process of running for office can be confusing, with resulting errors and misunderstandings. Although this handbook is a guide for candidates, it is for general information only and does not have the force and effect of law, regulation, or rule. In case of conflict, the law, regulation, or rule will apply. Candidates and others using this handbook must bear full responsibility to make their own determinations as to all legal standards and duties.

The best advice I can give to all candidates is FILE EARLY. The filing deadlines are rigid and if one waits until the last moment to file a document containing errors or omissions, one's right to appear on the ballot may be lost. Most errors can be corrected given adequate time. If you file early, many errors can be corrected in time to comply with all of the deadlines.

We hope you find this Candidate's Handbook useful. Should you have any suggestions for improving the manual or have identified corrections to be made, please call me, County Clerk Deborah Bautista at (209) 533-5552 or e-mail me at dbautista@co.tuolumne.ca.us

Good luck, and may the best qualified person win.

Sincerely,

A handwritten signature in black ink that reads "Deborah Bautista". The signature is fluid and cursive, with the first name "Deborah" and last name "Bautista" clearly legible.

Deborah Bautista

County Clerk & Auditor-Controller

The 3 Types of Elections

The Top Two Candidates Open Primary Act, which took effect January 1, 2011, requires all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices. Only the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election.

Additionally, there is no independent nomination process for a general election. California's open primary system does not apply to candidates running for U.S. President, county central committee, or local offices.

Party-Nominated/Partisan Offices

Under the California Constitution, political parties may formally nominate candidates for party-nominated/partisan offices in a primary election. The candidate nominated will then be that party's official candidate in the general election.

Parties may elect officers of their official party committees in a partisan primary.

In a primary election, a voter must vote in the primary election of the political party they stated a preference for when registering to vote. However, a political party, each presidential primary, has the option to allow those who did not state a preference to vote in their party's primary election. This is often termed "cross-over voting".

Voter-Nominated Offices

A candidate nominated for a voter-nominated office in a primary election is the nominee of the people, and not the official nominee of any party in the following general election. Political parties are not permitted to formally nominate candidates for voter-nominated offices.

A candidate for nomination or election to a voter-nominated office will have their party preference, or lack of party preference, shown on the primary and general election ballot. However, their party preference is chosen solely by the candidate and is shown on the ballot for the informational purposes only. It does not mean an endorsement or official nomination by the party. In the sample ballot, the parties will list the candidates for voter-nominated offices who have received the official endorsement of the party.

Regardless of a voter's party preference, they may vote for any candidate on their ballot for a voter-nominated office. The top two votegetters at the primary election move on to the general election, even if they have the same party preference.

Nonpartisan Offices

A candidate for nomination or election to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the primary and general election ballot.

Political parties are not permitted to nominate candidates for nonpartisan offices at a primary election, and a candidate nominated for a nonpartisan office at a primary election is not the official nominee of any party.

Term of Office

The Superior Court Judges serve a 6–year term beginning the Monday after January 1 following their election.

Cal. Const. Art. VI §16(c)

Qualifications

A candidate for Superior Court Judge shall:

- be a citizen of the United States; and
- be registered to vote in California; and
- have been a member of the State Bar for ten years immediately preceding the election; or
have served as a judge of a California court of record for ten years immediately preceding the election.

Cal. Const. Art. VI, §15, SB 1823 Sec. 25 (2000), E.C. §201

Filing Fee and Signatures-In-Lieu

Filing Fee

The non-refundable filing fee is payable to the Tuolumne County Elections Office, and must be paid at the time the Declaration of Intention is filed.

Signatures-In-Lieu Petition

To cover all or a portion of the filing fee, a candidate may submit signatures-in-lieu petitions. The filing fee is reduced for each valid signature by a registered voter who is eligible to vote for the candidate.

Filing period

The petition form must be requested from the Secretary of State or elections office within the signatures-in-lieu time period starting 173 days before the election. It must be filed with the county elections office in the county where it was circulated no later than the close of business 118 days before Election Day, and prior to filing a Declaration of Intention.

E.C. §§8104 (b), 8105(b), 8106 (a)(4),(5), (b)(1),(3)

Declarations and Nomination Petition

Declaration of Intention

Each judicial candidate must sign and file a declaration stating they intend to become a candidate for Superior Court Judge.

Each candidate must also file a Declaration of Candidacy during the appropriate time period.

Filing period

The Declaration of Intention must be received from, filed with, and filing fee paid to, the county elections official between 127 to 118 days before the election.

Extension

If an incumbent, eligible to be elected, does not file by the deadline at the close of business, the time period is extended and candidates other than the incumbent may file up to the first day of filing nomination papers (E-113).

Considerations

A candidate for a judicial office is not required to state their residential address on the Declaration of Intention. But the address must be provided to the elections official for verification.

E.C. §8023, 8105(b)

Declaration of Candidacy

Each candidate must then file a declaration formally declaring their candidacy for the office.

Filing period

The Declaration of Candidacy must be received from and filed in person with the county elections official where they reside between 113 and 88 days before the election.

Extension

If an incumbent, eligible to be elected, filed a Declaration of Intention within the appropriate time frame, but then does not file a Declaration of Candidacy and Nomination Petition by the deadline at the close of business, the time period is extended.

Any candidate other than the incumbent may file a Declaration of Candidacy up to the 83 days before the election, regardless of whether that candidate filed a Declaration of Intention.

Considerations

Normally, the Declaration of Candidacy is executed in the office of the elections official and the document is not permitted to leave the office. However, the candidate may provide a signed and dated written statement designating a third party to receive the Declaration from the county elections official and deliver it to the candidate. This written statement must state the candidate is aware the Declaration must be properly executed and delivered to the county elections official from whom it was received no later than the close of business the 88th day before the election.

A candidate for a judicial office is not required to state their residential address on the Declaration of Candidacy. But the address must be provided to the elections official for verification.

E.C. §§8020, 8023, 8024, 8028, 8040, 8064, 8100, 8200 et seq.

Nomination Petition

A candidate must file a petition with the elections office with signatures of voters who formally nominate the candidate for the office. They must be by registered voters who are eligible to vote for the candidate. To qualify, it must have at least 20, but no more than 40 valid signatures.

Filing period

Candidates are required to file all sections of a Nomination Petition between 113 and 88 days before the election.

Extension

If an incumbent, eligible to be elected, does not qualify by the deadline at the close of business, the time period is extended and candidates other than the incumbent may file up to the 83 days before the election.

E.C. §§8020, 8024, 8041, 8061, 8062(a)(3), 8066

Statement of Economic Interests (700)

As an elected official will make or influence governmental decisions, a candidate is required to submit a form 700. This disclosure provides a description of a person's financial interests.

This Statement of Economic Interest provides transparency and ensures accountability as it:

- Provides necessary information to ensure that officials are making decisions in the best interest of the public and not enhancing their personal finances.
- Serves as a reminder to the elected official of potential conflicts of interest so the official can abstain from making or participating in governmental decisions that are deemed conflicts of interest.

Filing period

Each candidate must file a Statement of Economic Interests (Form 700) by the final filing date for the Declaration of Candidacy.

Elected officials must also file Statements of Economic Interests within (30) days after assuming office, annually, and within (30) days of leaving office.

Under certain conditions, the Statement of Economic Interests does not need to be filed if the statement was filed within (60) days prior to the filing of a Declaration of Candidacy or the date of assuming office.

Please see the FPPC Filing Schedule in this handbook for further information.

G.C. §§87200 et seq.

Additional documents to consider

The documents below are not required for every candidate. It is the responsibility of each candidate to understand the purpose of these documents and determine if they will complete and file them during the candidate filing period. Please see the applicable sections in this handbook for further information.

Ballot Designation Worksheet

If a candidate wants a title or designation to appear under their name on the ballot, they must complete a Ballot Designation Worksheet providing information supporting its use.

Code of Fair Campaign Practices

The California Legislature asked that each candidate read and sign the Code of Fair Campaign Practices which state they will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

Candidate statement and affidavit

A Candidate Statement is information, provided by the candidate, concerning their education and qualifications. If provided, it will be printed in the Tuolumne County Voter Information Guide. An affidavit must accompany the candidate statement stating it was prepared by the candidate and that the actual cost of printing, translating, and handling is their responsibility.

Permission to Post Contact Information

Often the media, organizations, and individual voters will contact the elections office requesting contact information for a candidate. A candidate may use this form to give permission to the Tuolumne County Elections Office to post their mailing address, telephone number, and/or email address on our website in order to make this information readily available.

Campaign disclosure documents

Candidates and campaigns must file statements disclosing contributions received and expenditures made.

Other Considerations

Number on the ballot

Each election, a number for each seat up for election is assigned by the elections office. A candidate must specify which office (number) they are running for. This will be printed on the Declaration of Intention and nomination forms. The same number of the seat will be used for both the primary and general election if necessary. After the election, the number will have no other significance.

EC 8200

Appearance on the ballot

If only the incumbent filed nomination papers, his or her name will not appear on the ballot unless there is a write-in campaign conducted and is successful.

EC 8203

When a candidate other than the incumbent runs unopposed, the contest must appear on the primary ballot.

Ballot Designations

Candidates for political office can choose to list a ballot designation under their name that tells voters something about themselves. This is often a current elective office title or description of their principal profession, vocation or occupation.

Candidates are not required to use a ballot designation and may opt to leave the space for a designation blank on the ballot.

No title or degree is allowed to appear on the same line as, either before or after, the candidate's name. A designation must appear under their name.

EC §13106

In order to use a ballot designation, an individual must provide information to support their choice under the law. There are restrictions on what is and isn't allowed.

Submitting a Ballot Designation

On the Declaration of Candidacy or Nomination Papers you will be given the opportunity to indicate your ballot designation. However, a candidate is not permitted to use a ballot designation until after they submit a Ballot Designation Worksheet and it is reviewed by the elections office.

Ballot Designation Worksheet

On the Ballot Designation Worksheet, you will need to provide your proposed ballot designation and a statement identifying the factual basis supporting your choice. You may also be asked for documentation or further information supporting your choice, such as:

- The dates during which you held this position
- A description of the work you perform(ed) in the position
- The name of your business or employer
- That this was your primary, main or leading professions, vocations, or occupation.

Principal means a substantial involvement of time and effort that the activity is one of your primary, main or leading endeavors.

The candidate has the burden of establishing that the proposed ballot designation that he or she has submitted is accurate and complies with the law. The worksheet and the supporting documents will become public record after they are filed.

The **entire form** must be completed, or it **will not** be accepted and you will not be entitled to a ballot designation.

EC 13107.3, CCR 20711, 20714, 20717

Elections official review

Once the Ballot Designation Worksheet is submitted, the elections official will review if the chosen ballot designation complies with all provisions of Elections Code § 13107 and CCR § 20710.

If a ballot designation is not accepted

If it is found the designation is unacceptable, the elections official will notify the candidate by phone, and registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's Ballot Designation Worksheet.

Within 3 business days from the date the candidate first receives notice, the candidate must come into the office and file a new designation that is acceptable.

If the candidate fails to provide a new designation within this 3-day period, no designation will appear after their name on the ballot.

No ballot designation can be changed after the final date of filing unless specifically requested by the elections official.

EC §13107

General Definitions

Incumbent

The term “incumbent” must be used as a noun and stand alone. It cannot be used in combination with any other words, including any accompanying adjective or modifiers.

Profession

This means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accounting, and journalism.

For example: Acceptable designations of a “profession” include:

- Attorney
- Physician
- Accountant
- Architect
- Teacher
- Journalist

Vocation

This means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time.

As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like.

For example: Acceptable designations of a “vocation” include:

- Minister
- Priest
- Mother
- Father
- Homemaker
- Dependent Care Provider
- Carpenter
- Plumber
- Electrician
- Cabinetmaker

Occupation

This means the employment in which one regularly engages or follows as the means of making a livelihood.

For example: Acceptable designations of an “occupation” include:

- Rancher
- Restaurateur
- Retail Salesperson
- Manual Laborer
- Construction Worker
- Computer Manufacturing Executive
- Military Pilot
- Secretary
- Police Officer

Principal

This means a substantial involvement of time and effort that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate.

If you are licensed by the State of California to engage in a profession, vocation or occupation, you are entitled to consider it one of your “principal” professions, vocations or occupations if you have maintained your license current as of the date, and the status is active, at the time you file your nomination documents.

In the event you do not have a current principal profession, vocation or occupation at the time you file your nomination documents, you may use a ballot designation consisting of one which you were principally engaged in during the calendar year immediately preceding the filing of your nomination papers.

The term “principal” precludes any activity which doesn't involve a significant involvement on the part of the candidate. Involvement which is only nominal, does not meet this requirement.

Elective Office

An “Elective Office” is a position filled by virtue of an election by the people. A position of leadership in an elected body or organization is not an elective office.

General Guidelines for an Acceptable Ballot Designation

There are general guidelines specified by law regarding what can be used as a ballot designation. These guidelines are pursuant to EC [§13106 – 13107.5](#), CCR [§20700](#).

Using an elective office title

If you currently hold an office you were elected to, you may use words designating the elective city, county, district, state or federal office which you hold at the time of filing the nomination documents.

A superior court judge may use the office title if they were either elected or appointed.

There is no limit on the number of words for ballot designations submitted for an applicable elective office.

Using the word “Incumbent”

You may use the word “Incumbent” if you are a candidate for the same office you were elected to and hold at the time of filing the nomination documents.

A superior court judge may use this designation if they were appointed to the office.

A proposed ballot designation as “incumbent” indicating you are a member or officer of a state or county central committee of a political party is improper and does not constitute an elective county or state office.

If appointed to an elective office

If you currently hold an elective office you were appointed to, and you wish to use the title of the office or the word “incumbent”, you must use the word “appointed” in front of the designation. This does not apply to a superior court judge.

The word “appointed” is not be required by a candidate who seeks re-election to an office which he or she was appointed, as a nominated candidate, in lieu of an election.

Only 3 words allowed

No more than 3 words may be used to designate your current principal profession(s), vocation(s), or occupation(s).

The following rules shall govern the application of the three-word limitation:

Grammar and Spelling

The proposed ballot designation must be grammatically correct, generic, and all words must be spelled correctly.

Council Member vs. Councilmember

Using “Councilmember” (one word) vs. “Council Member” (two words) will depend on how the word is used by the governing body of the office up for election.

Acronyms

An acronym is counted as one word.

Geographical Names

All California geographical names are considered to be one word and are limited to the names of cities, counties and states.

The names of special districts and political subdivisions are not “geographical names”. If the candidate desires, the geographical name may be used in the form of “City of....,” “County of,” or “City and County of

Examples of geographical names considered to be one word include:

- Tuolumne County
- City of Sonora
- County of Tuolumne

Examples of designations containing a special district or political subdivision that are not geographical names include:

- Butte County Rural Fire District Captain
- Huntington Beach Unified School District President
- South Bay Irrigation District Director

Elective office with other designation

If you choose to include the name of your elective office with another profession, vocation, or occupation, the ballot designation will be limited to no more than 3 words.

For example: Acceptable designations may include:

- State Senator/Rancher
- California Assemblywoman/Attorney
- County Supervisor/Teacher

For example: Unacceptable designations may include:

- Assemblyman, 57th District/Educator
- California State Senator/Architect
- Tuolumne County Supervisor/Business Owner

Using “Community Volunteer”

“Community Volunteer” means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:

- A charitable, educational, or religious organization as defined by the U.S. IRS Code section 501 (c)(3);
- A governmental agency
- An educational institution.

The activity or service must constitute substantial involvement of the candidate’s time and effort such that the activity or service is the sole, primary, main or leading professional, vocational or occupational endeavor of the candidate.

Punctuation

Punctuation shall be limited to the use of:

- A comma (,): The word after a comma must modify the word before.
For example: District Attorney, Los Angeles County
- A slash (/): A slash is used to separate two or more distinct designations.
For example: Legislator/Rancher/Physician
- A hyphen (–): This may be used only if the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language.
For example: sugar-free, user-generated, ice-skate (verb)

- Director, Smith Foundation

Code of Fair Campaign Practices

The California Legislature asked that each candidate read and sign the Code of Fair Campaign Practices which state they will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

At the time you are issued your declaration of candidacy, nomination papers, or any other paper showing an intention to be a candidate, the elections office will provide this form. This form is voluntary and you need to make a decision if you will sign and file it.

The elections office will keep this form on file for public inspection until 30 days after the election.

EC §20400

Code of Fair Campaign Practices Text

“There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.”

A Candidate Statement is information, provided by you, the candidate, concerning your education and qualifications. This is optional. If provided it will be printed in the Voter Information Pamphlet section of the Tuolumne County Sample Ballot. You must file a statement declaring whether or not you are filing a statement.

U.S. Representative candidates, and State Senate and Assembly legislative candidates who choose to keep their campaign spending under specified dollar limits may submit a Candidate Statement.

Your candidate statement with payment is due at the time Nomination Signatures are filed. If no nomination signatures are required, it is due by the close of candidate filing.

Steps to Submit a Statement

1 Before filing, provide a digital copy

You must provide a digital copy of your candidate statement in Microsoft WORD format. You may send this by email or deliver it on a CD. Hand written statements will not be accepted.

2 Elections office counts the words

Once you are in the office and ready to file the candidate statement, the elections office will print out a copy of the digital document received and count the words (see the “Word Count” section in the guide). If the word count is above the amount allowed, the statement will not be accepted as filed.

The elections office will not count the words until you are in our office and ready to file.

The maximum allowed for US Representative candidates, and State Senate and Assembly office candidates who choose to keep their campaign spending under a specified limit, have a limit of **250 words**. All other candidates have a limit of **200 words**.

Confidentiality

Statements will remain confidential until the end of the filing deadline for nomination papers for the office.

EC 13307 (d) E.C.18351

Sample Candidate Statement

This example illustrates the candidate's statement as it will be printed in the Voter Information Pamphlet portion of the Sample Ballot. The upper portion stating the contest, name, age, and occupation is not included in the word count. The statement shown below has been typed, in upper and lower case, sentence form.

CITY COUNCIL DISTRICT

Candidate's Name: Naveen Hernandez

Age: 32

Occupation: Businesswoman

Education and Qualifications: I can bring to the office a diversity of viewpoints and experience. Born and raised in the Tuolumne area with my family still logging, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the "them and us" concept.

I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that complement our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.

Cost Estimate

Basis for cost

Estimated costs for candidate statements are based on the total costs of printing, handling, translating and mailing the candidate statement, including costs incurred as a result of complying with the Federal Voting Rights Act of 1965.

Tuolumne County is required to print all candidate statements in English. Each candidate filing a statement is required to pay the pro rata share as a condition of having the statement included in the voter's pamphlet portion of the sample ballot.

Making a payment

You will be required to make a check payable to the "Tuolumne County Elections Office" for an amount "Not to Exceed \$ (the cost estimate) " written below the line. This will be the cost estimate if there is only one candidate. Leave the space after the dollar sign blank. Please see the example below:

Pay to the order of Tuolumne County Elections Office \$ _____

_____ Dollars

Not to exceed <amount>

Memo _____ Candidate's Signature

Actual cost

After the close of the filing period, once we know the total number of candidates who filed, the actual cost of the candidate statement will be determined based on the number of candidates who have filed for that particular office. Please see below for the district and cost per total number of candidates.

District Boundaries	Number (Trustee, Division, Zone, District, Seat)	1 Candidate	2 Candidate	3 Candidate	4 Candidate

Campaign Disclosure Requirements

During an election, many individuals and groups are required to file campaign disclosure statements disclosing contributions received and expenditures made.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. These disclosures provide transparency and ensure accountability.

These individuals and groups include:

- All candidates for state and local elective office
- All state and local elected office holders
- Proponents of state and local ballot measures who control a ballot measure committee
- Committees supporting or opposing state and local candidates
- All measure and petition circulation committees

It is the responsibility of the candidate and or committee to be aware of and to file the required campaign disclosure statements in a correct and timely manner. The county elections office cannot provide advice or recommendation on the appropriate forms to file or information to provide.

There is a late filing fine of \$10 per day for the late filing of any campaign disclosure statements after the deadline until the statement or report is filed.

Best Practices and Requirements Often Overlooked

The laws passed to enforce the campaign disclosure requirements can be challenging. Below are any often overlooked requirements and best practices.

Be Prepared! The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$2,000.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.
- NO PERSONAL USE OF CAMPAIGN FUNDS. Use campaign funds only for political, legislative, or governmental purposes.
- Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include PERSONAL FUNDS and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. (Gov. Code §85200) Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (§84300)

- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (Gov. Code §84300)
- Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed.
- If \$2,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

Circulating a Petition

Both the signature-in-lieu and nomination forms are petitions. Below is an overview of the laws around the signature gathering process, and some tips and reminders in order to avoid possible pitfalls.

Gathering Signatures

Anyone 18 years old or older may circulate a petition and gather signatures. This includes the candidate or family member.

EC §§102, 106, 8066, 8106(b)(4)

Current law does not state a circulator must be a registered voter or resident of the district.

There must be only one circulator for each section of the petition. That circulator must sign the declaration at the end of the section.

EC 8041(b), 8066, 8106(b)

Signing a Petition

The petition can only be signed by registered voters who are qualified to vote in the district.

EC §§322, 8106(b)(1), §8062

If you are a qualified registered voter of the district, you may sign your own signatures-in-lieu or nomination petition.

If a circulator is otherwise qualified, they may also sign the petition they are circulating.

EC 106

Multiple Counties

Each petition will have a general declaration in the header stating “I am a resident of _____ County ...” The circulator must complete this field as appropriate prior to gathering signatures.

If a jurisdiction includes portions of more than one county, each section must include the county name and each voter should be a resident and registered voter of that county.

Filing Location

Nominations petitions must be filed with the elections office in the county where the voter resides and votes.

EC 8063

Signature-in-lieu petitions must be filed with the elections office in the county where the petition was circulated.

EC 8106(b)(4)

Petition Requirements and Tips

When signing

- A voter must sign using their own handwriting. They must personally fill-in their name, address (with city and zip), and signature.
- If a voter is physically unable to fill in their own information:
 1. Another person may print the voter's name and residence address
 2. Then, the voter must sign or make their mark in the signature line.
 3. A person must then witness the mark by signing their name on the same line next to the mark.

Witnesses do not have to be a registered voter, and the circulator may serve as a witness.

EC §100.5, Government Code 16

- Use a firm writing surface beneath the petition page being signed, as well as a ball point pen. Please do not use a felt tip marker.

Additional signatures

- It is always recommended to file more signatures than required. It is common for some signatures to be deemed invalid. See the section below “Common Reasons for Invalid Signatures”.

Nomination signatures have a maximum number permitted to be filed. The elections office will not allow more than this number to be filed unless they are to supplement signatures already deemed invalid.

Unsure if registered

- If a signer is eligible, but unsure if they have registered with their most current information, they can register or re-register at the same time they sign the petition. The registration card must be completed and signed on or before the day they sign the petition. Please contact the County Elections Office for Voter Registration Cards.

The registration cards must be received by the elections office by the time the petition is filed. Please indicate when returning these cards that they are part of the signature-in-lieu or nomination petition.

Voter information

- For a fee, candidates are eligible to request a list of registered voters in the district. Every person requesting voter registration information must complete the “Application and Use Agreement” which can be located on our website or by clicking [here](#). Please contact the elections office for further information.

Circulator

- The circulator must, in their own handwriting, provide their name, residence address, the specific dates of circulation, and signature on each petition section in every circulator’s affidavit. Preprinted dates or generalized dates are not allowed.

EC §§104, 11046

Common Reasons for Invalid Signatures

The elections office will check every signature on a petition until it qualifies. At times, a signature on a petition may be found to be invalid for a number of reasons. It is always recommended that a candidate file more signatures than required to qualify.

Below are common reasons a signature may be found to be invalid:

Address

- The signer has moved since last registering to vote and hasn't re-registered.
- The signer wrote a P.O. Box or business address as their residence address.
- The signer did not include the city, state, or zip with their address.
- The residence address appearing on the petition was "pre-printed" and not written in personally by the signer.

Handwriting and signature

- The signer's signature does not appear to match the signature on the voter registration card on file with the county elections official.

You can ask the signer to sign as if they would other legal documents, such as at the bank or on a contract. We will be checking characteristics of a signature. However, if the they feel their signature has change significantly, have them re-register.

- The writing of the signer is messy or illegible.

Not eligible

- The signer is not eligible to vote for the candidate.
- The signer signs the petition more than once.

Only the first signature reviewed during verification will be counted. In addition, any duplicate signatures found in a "random sample" are penalized under the formula used to determine sufficiency.

Circulator

- A problem with the declaration of the circulator, such as the circulator did not sign the declaration, may invalidate all signatures appearing on that section.

You should advise their circulators of the importance of fully and accurately completing the declaration. Under no circumstances should a circulator make any changes or corrections to the signatures or addresses that a voter has written on the petition.

EC §§100, 104, 105, 321, 359, 11046

Circulating Petition on Private Property

Petition circulators often seek to circulate petitions at shopping centers and other private property. As shopping centers are private property, the courts have had to balance the private property rights of the shopping center owners against the free speech and petition rights of petition circulators. Candidates are advised to contact the property manager or owner in advance of circulating petitions and to seek legal counsel when issues arise as to their speech and petitioning rights at shopping centers or private property. The County Elections Office cannot advise you in this matter.

Penal Provisions

The following are selected penal provisions relating to circulation of petitions. (See §§18600 et seq. for all the relevant code sections.)

It is also a misdemeanor to willfully and knowingly circulate, publish, or exhibit any false statement or misrepresentation concerning the contents, purport, or effect of any petition for the purpose of obtaining any signature to, or persuading or influencing any person to sign, that petition.

EC §18613

Every person who files with the county elections official any petition to which is attached any signature which the person filing the petition knows to be false or fraudulent or not the genuine signature of the person whose name it purports to be is punishable by a fine not exceeding \$5,000, or by imprisonment in the state prison for 16 months or two or three years, or incarceration in a county jail not exceeding one year, or by both the fine and imprisonment.

EC §18630

Order of Names and Offices on the Ballot

At times, depending on the office and district, the names will rotate as well. The order each contest appears on the ballot is also is specified code.

Random Alphabet Drawing

On the 82nd day before the election at 11:00 am, the Secretary of State's office pulls each letter of the alphabet at random and creates a randomized alphabet.

The local county elections office conducts a random alphabet drawing to determine the order of candidates on the ballot for multi-county state legislative districts.

EC 13111, 13112

Rotation of Names

In the next district, the candidate listed first moves to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.

Candidates for Congress

Candidates are placed on the ballot using the SOS's random alphabet in the lowest numbered State Assembly district within the Congressional District. The candidate's names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.

Candidates for Countywide Offices

Candidates for countywide offices are placed on the ballot using the SOS's random alphabet and rotated by Supervisorial Districts within the county.

Candidates for State Senate and Assembly (In districts that cross county lines)

Poll Watcher Guidelines

A poll watcher is welcome to observe, but not interfere in any way with, the conduct of the election or the vote count following the close of the polls.

General Considerations

An election must be conducted orderly. While acting as a poll watcher, please do not:

- Talk in a loud voice or use loud devices such as radio or phone
- Cause confusion
- Congregate inside the polls
- Ask to use the telephone or other facilities

Official Table

The area between the official table and the voting booths is for voters only and may not be used as a poll watcher post.

Poll watchers may not sit at the official table or handle any official voting equipment, supplies, or ballots

EC §14221, 14223

Street Index

Two street indexes are posted in a public-accessible place at the polling place for reference by the public or any poll watchers. One is updated hourly to indicate persons who have voted.

Information may be copied from these indexes, but they must never be removed from their posting positions.

News Media Exit Polls

Members of the news media are permitted to conduct voter surveys outside of polling places on Election Day. Surveys may take place no closer than 25 feet from the door to the polls. It is prohibited to videotape, photograph or otherwise record a voter entering or exiting the polling place. Please notify the Elections Office of any such behavior.

Electioneering

Poll watchers may not wear candidate/measure badges, discuss candidates/measures or bring any campaign material into the polling place. This activity constitutes electioneering and is illegal. Electioneering may not be conducted within 100 feet of a polling place, defined as 100 feet from the room or rooms where voters are signing the Roster and casting ballots.

EC §18370

The lobby of the Tuolumne County Elections Office serves as a polling place starting 29 days before an election through Election Day. No political signs may be posted in building windows, on vehicles or any other venue within 100 feet of this office.

Interference

Any person who interferes with the election or with a voter is punishable by imprisonment for 16 months or two or three years.

EC §18502

Request for Voter and Election Information

Voter and election related information can be requested from the Tuolumne County Elections Department by individuals using the material for legally allowed reasons which includes election, governmental, journalistic, or educational purposes.

All requests must be paid in full before the order is processed.

Application

When ordering voter registration information, a person must complete a Tuolumne County “Application and Use Agreement” form and provide a copy of the driver’s license.

The applicant must sign under penalty of perjury that the voter registration information will be used only for the legally allowed purposes and provide a description of how the information will be used.

CCR 19003, EC 2194, GC 6254.4

Impermissible Reasons

An example of a person who does not have access to voter registration is a person seeking to locate individuals, such as:

- A relative
- A private investigator
- A skip tracer
- A process server
- An attorney
