

Getting to the Sacramento Airport

For people needing to get from our foothill area to the airport in Sac, but can't travel from Jackson on the ARTS Express at 6:10 am, the Blue Van will pick folks up at the 65th Street light rail station and take them out to the airport for \$17. There are other shuttle services as well, but they charge \$55 for the ride.

This works out well for people who would like to take the mid-day ARTS Express bus, which is better for anyone coming from Calaveras and Tuolumne County. Tri-County transit services may want to provide this info to any callers needing to get to the airport:

One more detail - To schedule a pick up, Blue Van needs the physical location of the 65th street light rail station which is 6500 Q Street - zip code is 95819.
